**Item 8.01.**                      **Other Events.**

As previously disclosed, beginning with the Form 10-Q for the first quarter of fiscal 2013 ending May 4, 2013, Target Corporation will no longer report a U.S. Credit Card Segment and will report two segments (U.S. and Canadian). Income from the profit-sharing arrangement with TD Bank USA, N.A., an affiliate of The Toronto-Dominion Bank ( TD ), net of account servicing expenses, will be recognized in the U.S. Segment within selling, general & administrative expenses ( SG&A ). As a result, historical credit card revenues, net of credit card expenses, from the U.S. Credit Card Segment will be reclassified as an offset to SG&A for the U.S. Segment in order to reflect the historical performance of the new U.S. Segment.

Quarterly and full-year historical information for the three most recently completed fiscal years reflecting the impact of the reclassification and results for our two segments, U.S. and Canadian, are attached hereto as Exhibit (99).
