1. To elect four directors -- (i) Lalit Dhadphale, (ii) Youssef Bennani, (iii) Joseph Savarino and (iv) Ambassador Ned L. Siegel -- to serve for a one-year term until the 2017 Annual Meeting of Stockholders or until their respective successors are duly elected and qualified;

Shares of common stock of the Company and shares of the Series B and Series C preferred stock of the Company may be voted at the meeting only if the holder is present at the meeting in person or by valid proxy.

The Board has nominated for election as directors the four persons named in Proposal No. 1 in the proxy statement accompanying this Notice, all of whom are currently serving as directors of the Company. We believe that the Board's director nominees have the independence, experience, knowledge and commitment to deliver value for the Company and its stockholders.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on September 2, 2016. Record Date, Quorum, Voting

Holders of record of our shares of common and preferred stock at the close of business on July 29, 2016 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. On the Record Date, 42,160,786 shares of common stock, 517,359 shares of Series B preferred stock and 10,000 shares of Series C preferred stock were issued and outstanding. Each share of common stock is entitled to one vote on each of the proposals being submitted to stockholders, each share of Series B preferred stock is entitled to 11.66 votes on each of the proposals being submitted to stockholders, and each share of Series C preferred stock is entitled to one vote on each of the proposals being submitted to stockholders, except that only holders of the Series B preferred stock are entitled to vote on Proposal No. 4 for the election of the Series B preferred stockholder nominee for director (i.e., Joe Heimbrock) and except that each share of the Series B preferred stock is entitled to only one vote per share on the election of the Series B preferred stock nominee. The number of votes held by all holders of the outstanding common stock and Series B and Series C preferred stock and entitled to vote at the Annual Meeting aggregate 48,203,192 votes.

Preliminary Copy

Pursuant to the Company's Amended and Restated Bylaws, the holders of shares of stock of the Company entitled to cast a majority of the total votes entitled to be cast by the holders of all outstanding capital stock of the Company, present in person or by proxy at the Annual Meeting, shall constitute a quorum for all purposes. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning that the four nominees to be elected by all stockholders in Proposal No. 1 who receive the most votes will be elected. Only votes cast FOR a nominee will be counted. If you return the enclosed proxy card, unless indicated otherwise thereon, your shares will be voted FOR ALL of the four nominees named in Proposal No. 1 in this Proxy Statement. Instructions on the accompanying WHITE proxy card to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes but will not count as a vote "AGAINST" the nominees. Abstentions, withheld votes and broker non-votes (which occur when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular matter because such broker, bank or other nominee does not have discretionary authority to vote on that matter and has not received voting instructions from the beneficial owner) are counted as present for purposes of determining the presence of a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will also result in those nominees receiving fewer votes but will not count as a vote "AGAINST" the nominees. Stockholders have no right to cumulate votes in the election of directors.

Proposal No. 2, ratification of the appointment of our independent registered public accounting firm, and Proposal No. 3, to adopt a non-binding advisory resolution to approve the compensation of our named executive officers, require the affirmative vote of holders of a majority of the votes cast on the proposal at the Annual Meeting, with the common stock and preferred stock voting together as a class. Abstentions and broker non-votes are not considered to be votes cast on a proposal, and as a result, will have no effect on the outcome of the vote on these proposals.

The election of the Series B preferred stock nominee in Proposal No. 4 will be by a plurality of the votes cast at the Annual Meeting by holders of Series B preferred stock. MVI Partners, LLC, which holds 95.7% of the outstanding Series B preferred stock, nominated the Series B nominee and controls the election of such nominee.

Stockholders of Record

You are a "stockholder of record" if your shares are registered directly in your name with our transfer agent, American Stock Transfer. As a stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. We have enclosed a WHITE proxy card for you to use.

Shares Held in Street Name

If your shares are held by a broker, bank, trustee or other stockholder of record, in nominee name or otherwise, exercising fiduciary powers (typically referred to as being held in "street name"), you will receive a separate voting instruction form with this Proxy Statement. As the beneficial owner, you have the right to direct your broker, bank, trustee or nominee how to vote your shares, and you are also invited to attend the Annual Meeting. If you hold your shares in street name and do not provide voting instructions to your broker, bank, trustee or nominee, your shares will not be voted on any proposals on which such party does not have discretionary authority to vote (a "broker non-vote"), as further described below under the heading "Broker Non-Votes."

Please note that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

Broker Non-Votes

Broker non-votes are shares held in street name by brokers or nominees who are present in person or represented by proxy, but which are not voted on a particular matter because the brokers or nominees do not have discretionary authority with respect to that proposal and they have not received voting instructions from the beneficial owner. Under the rules that govern brokers, brokers have the discretion to vote on routine matters, but not on non-routine matters. Because we expect a contested election with respect to the directors, each of the proposals to be considered at the Annual Meeting are considered to be non-routine matters. As a result, if you do not provide your brokers or nominees with voting instructions, your shares will not be voted at the Annual meeting on any of the proposals.

Voting Matters

Holders of record of our common stock as of the close of business on July 29, 2016 are entitled to cast one vote per share of common stock on each matter presented for consideration by the stockholders at the Annual Meeting other than Proposal No. 4. Holders of record of our Series B preferred stock as of the close of business on July 29, 2016 are entitled to cast 11.66 votes per share of Series B preferred stock on each matter presented for consideration by all stockholders voting together and one vote per share for the Series B preferred stockholder nominee for election as a director in Proposal No. 4. Holders of record of our Series C preferred stock as of the close of business on July 29, 2016 are entitled to cast one vote per share on each matter presented for consideration by the stockholders at the Annual Meeting other than Proposal No. 4. A list of stockholders of record entitled to vote at the Annual Meeting will be available for examination by any stockholder for a proper purpose during normal business hours at the executive offices of the Company for a period of at least 10 days preceding the day of the Annual Meeting.

We urge you to mark, date, sign and return the enclosed WHITE proxy card as promptly as possible in the postage-prepaid envelope provided. Your shares will be voted in accordance with your voting instructions if the proxy card is received prior to or at the meeting. If you sign and return your WHITE proxy card but do not give voting instructions, your shares will be voted (1) FOR ALL of the four nominees named in Proposal No. 1 in this Proxy Statement; (2) FOR the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the year ending December 31, 2016; (3) FOR approval of a non-binding advisory resolution on the compensation of our named executive officers; (4) FOR the Series B preferred stockholder nominee if you are a Series B preferred stockholder; and (5) as the proxy holders deem advisable, in their discretion, on any other matters that may properly come before the Annual Meeting.

Number of Directors

The Certificate of Designations for our Series B preferred stock provides that for so long as any shares of such preferred stock are outstanding, the Board shall consist of five members, with the holders of the Series B preferred stock, voting as a separate class, entitled to elect one member. The Board is responsible for identifying and selecting potential candidates for the remaining four seats on our Board, and the Board believes that its four nominees have a strong background in executive leadership and management, accounting and finance, and Company and industry knowledge. In addition, each of our director nominees has a strong professional reputation and has shown a dedication to his or her profession and community.

The holders of the Series B preferred stock have submitted Joe Heimbrock to fill the Series B preferred stock seat on the Board in connection with the Annual Meeting.

Other Stockholder Nominees

Rx Investor Value Corporation ("Rx Investor") provided a notice dated June 27, 2016 to the Company of its intention to nominate its own slate of four nominees for election as directors at the Annual Meeting and solicit proxies for use at the Annual Meeting to vote in favor of its own slate. According to its notice, Rx Investor owns 1,100 shares of common stock of the Company, and its officers and stockholders Jeffrey Holtmeier and Rob Smyjunas beneficially own 19,900 and 225,300 shares of common stock of the Company, respectively. Your Board believes that Rx Investor is seeking to acquire control of the Company without paying any control premium to the stockholders of the Company! While they are not required by law to pay a control premium, your Board believes that it is appropriate for anyone seeking control of your Company to pay a control premium to the stockholders.

The Rx Investor nominees are NOT endorsed by the Board of Directors. You may receive proxy solicitation materials from Rx Investor or other persons or entities affiliated with them, including a proxy card. We urge stockholders NOT to use any proxy card that you may receive from Rx Investor. **YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF ALL OF THE BOARD'S NOMINEES ON THE ENCLOSED WHITE PROXY CARD AND URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY RX INVESTOR.** If you have already voted using a proxy card sent to you by Rx Investor, you can revoke it by executing and delivering the enclosed WHITE proxy card in the postage-paid envelope provided. Only your last-dated proxy will count, and any proxy may be revoked at any time prior to its exercise at the Annual Meeting as described in this proxy statement.

The Board urges the common stockholders to use the WHITE proxy card and vote FOR ALL of our nominees for director.

OUR BOARD OF DIRECTORS URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY RX INVESTOR.

We are not responsible for the accuracy of any information provided by or relating to Rx Investor contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Rx Investor or any other statements that Rx Investor may otherwise make. Rx Investor will choose which stockholders receive its proxy solicitation materials.

Proxies

All shares represented by a proxy will be voted, and where a stockholder specifies a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made. If a stockholder signs and returns a proxy card but does not indicate a choice on the proxy card, the shares will be voted in favor of the election of each of the nominees for director contained in this Proxy Statement and in favor of each of the other proposals considered at the Annual Meeting.

Multiple Proxy Cards

Many stockholders hold their shares in more than one account and may receive separate proxy cards or voting instruction forms for each of those accounts. To ensure that ALL of your shares are represented at the Annual Meeting, we recommend that you VOTE EVERY WHITE PROXY CARD YOU RECEIVE.

Additionally, if Rx Investor proceeds with their alternative nominations, you may receive proxy solicitation materials from Rx Investor. Your Board of Directors recommends you disregard any proxy card you receive from Rx Investor. If you have already voted using Rx Investor's proxy card, you have every right to change your vote by executing the enclosed WHITE proxy card. Only the latest dated proxy you submit will be counted. If you vote against any Rx Investor nominee using Rx Investor's proxy card, your vote will not be counted as a vote for the Board of Directors' nominees and will result in the revocation of any previous vote you may have cast on the Company's WHITE proxy card. IF YOU WISH TO VOTE PURSUANT TO THE RECOMMENDATIONS OF THE BOARD, YOU SHOULD DISREGARD ANY PROXY CARD THAT YOU RECEIVE OTHER THAN THE WHITE PROXY CARD.

Voting Instructions

If you are a stockholder of record, you can vote by mail by marking, dating and signing your WHITE proxy card in accordance with the instructions on it and returning it by mail in the pre-addressed reply envelope provided with the proxy materials. Your proxy card must be received prior to the Annual Meeting.

Proxy Revocation Procedure

A proxy may be revoked at any time before it has been exercised with regard to any matter (i) by executing and delivering, prior to the shares being voted at the Annual Meeting, a proxy dated as of a later date than a previously executed and delivered proxy, (ii) by attending the Annual Meeting and voting in person, or (iii) by written notice of revocation mailed to and received by the Secretary of the Company prior to the shares being voted at the Annual Meeting. Attendance at the Annual Meeting will not in and of itself revoke a proxy. If your shares are held by a bank, broker or other agent, you may change your vote by submitting new voting instructions to your bank, broker or other agent or, if you have obtained a legal proxy from your bank, broker or other agent giving you the right to vote your shares, by attending the annual meeting and voting in person.

If you have previously signed any proxy card sent to you by Rx Investor, you may change your vote by signing, dating and returning the enclosed WHITE proxy card in the accompanying postage-paid envelope. Please note that submitting a Rx Investor proxy card – even if you vote in protest against the Rx Investor nominees – will revoke any votes you previously made via the Company's WHITE proxy card.

Voting Results

We expect to announce preliminary voting results at the Annual Meeting. We will report the final results on a Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC").

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Leadership Structure

Our Amended and Restated Bylaws provide our Board with flexibility to combine or separate the positions of Chairman of the Board and President and Chief Executive Officer in accordance with its determination that utilizing one or the other structure is in the best interests of the Company. Currently, Mr. Dhadphale serves as both Chairman of the Board of Directors and President and Chief Executive Officer. Our Board has determined that this structure is the most effective leadership structure for the Company at this time. The Board believes that Mr. Dhadphale is the director best situated to identify strategic opportunities and focus the activities of the Board due to his commitment to the business and his company-specific experience. The Board also believes that the combined roles held by Mr. Dhadphale promote effective execution of strategic imperatives and facilitates information flow between management and the Board.

Director Independence

The Board has determined that our current directors Messrs. Bennani, Heimbrock, Savarino and Siegel, who have been nominated for election at the Annual Meeting, satisfy the current "independent director" standards established by the rules of The Nasdaq Stock Market, Inc. There are no family relationships among any of our directors or executive officers. Mr. Dhadphale, our Chairman of the Board, is not an "independent director" as he is our President and Chief Executive Officer.

Board Attendance

In 2015, our Board held six board meetings. All directors attended at least 75% of the aggregate number of Board meetings held and meetings held by all committees of the Board on which the director served.

Executive Sessions

Executive sessions of our independent directors are held periodically as necessary. The Board's policy is to hold executive sessions without the presence of management.

Board Committees

Our Board has two standing committees: the Audit Committee and the Compensation Committee. From time to time, our Board may also appoint committees for special purposes.

Audit Committee. Our Audit Committee consists of Youssef Bennani (Chair), Joseph Savarino and Ambassador Siegel. The functions of the Audit Committee include the retention of our independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangement and results of the Company's annual audit, reviewing the adequacy of the Company's accounting and financial controls and reviewing the independence of the Company's independent registered public accounting firm. Our Board has determined that each member of the Audit Committee meets the independence requirements of the SEC. Our Board has also determined that Youssef Bennani qualifies as an "audit committee financial expert," as defined in SEC rules. Mr. Bennani, on behalf of the Audit Committee, met with the Company's independent auditors four times in 2015 on a formal basis in addition to a number of informal meetings throughout the year.

Compensation Committee. Our Compensation Committee consists of Joseph Savarino (Chair), Youssef Bennani and Ambassador Siegel. The function of the Compensation Committee is to recommend to the full Board of Directors the compensation to be offered to our executive officers and the compensation to be offered to our directors. The Compensation Committee also administers our 2009 Incentive Compensation Plan and our 2014 Equity Incentive Plan and approves grants of stock options and restricted stock under those plans. The Compensation Committee had two meetings during 2015.

Nominating Committee. The entire Board of Directors acts as a nominating committee and nominates persons to serve as directors of the Company.

Board Oversight of Risk

The Board maintains oversight responsibility for the management of the Company's risks and closely monitors the information it receives from management to provide oversight and guidance to our management team concerning the assessment and management of risk. The Board approves the Company's high level goals, strategies and policies to set the tone and direction for appropriate levels of risk taking within the business.

The Board has delegated oversight for matters involving certain specific areas of risk exposure to its committees. Each committee reports to the Board of Directors at regularly scheduled Board meetings, and more frequently if appropriate, with respect to the matters and risks for which the committee provides oversight.

The Audit Committee oversees the integrity of our financial statements, risks related to our financial reporting process and internal controls, the independent auditors' qualifications, independence and performance and the Company's corporate finance matters. The role of the Audit Committee includes receiving, at least annually, a discussion of the major risk exposures identified by senior management, the key strategic plan assumptions considered during the assessment and steps implemented to monitor and mitigate such exposures on an ongoing basis.

Our Compensation Committee is responsible primarily for the design and oversight of the Company's executive compensation policies, plans and practices. A key objective of the Compensation Committee is to ensure that the Company's overall executive compensation program appropriately links pay to performance and aligns the interests of the Company's executives with its stockholders.

The Board encourages management to promote a corporate culture that incorporates risk management into the Company's day-to-day business operations.

Director Attendance at Annual Meeting

The Annual Meeting provides a good opportunity for our directors to hear any feedback the stockholders may share with the Company at the meeting. We encourage our directors to attend our Annual Meeting.

Identification and Evaluation of Director Nominees

The Certificate of Designations for our Series B preferred stock provides that for so long as any shares of such preferred stock are outstanding, the Board shall consist of five members, with the holders of the Series B preferred stock, voting as a separate class, entitled to elect one member. The Board is responsible for identifying and selecting potential candidates for the remaining four seats on our Board. Our Board reviews the credentials of proposed members of the Board, either in connection with filling vacancies or the election of directors at each meeting of stockholders. The Board uses a variety of methods for identifying and evaluating director nominees. The Board plans to regularly assess the composition of the Board, the needs of the Board and the respective Board committees, and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Board through stockholders, management, current members of the Board, or search firms. The evaluation of these candidates may be based solely upon information provided to the Board or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the Board deems appropriate, including the use of third parties to review candidates.

While we do not have a stand-alone diversity policy, in considering whether to recommend any director nominee, including candidates recommended by stockholders, we believe that the backgrounds and qualifications of our directors, considered as a group, should provide relevant experience, knowledge and abilities that will allow our Board and its committees to fulfill their respective responsibilities. In addition, the Board will also consider the ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with the Company's interests. The Board does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective director nominees.

We believe that each of the Board's nominees are individuals with a strong background in executive leadership and management, accounting and finance, and Company and industry knowledge. In addition, each of our director nominees has a strong professional reputation and has shown a dedication to his or her profession and community. We also believe that our director nominees' diversity of backgrounds and experiences, which include business, finance, technology, healthcare and executive management, results in different perspectives, ideas and viewpoints, which make our Board more effective in carrying out its duties.

Preliminary Copy

The Board believes that each of its director nominees for election at the Annual Meeting brings a strong and unique set of qualifications, attributes and skills and provides the Board as a whole with an optimal balance of experience, leadership and competence in areas of importance to our Company. Under "Proposal One – Election of Directors," we provide an overview of the principal occupation and business experience of each of our director nominees, together with other key attributes that we believe provide value to the Board, the Company and its stockholders.

Stockholder Nominees

In nominating candidates for election as a director, the Board will consider candidates recommended by stockholders who satisfy the notice, information and consent provisions set forth in our Amended and Restated Bylaws.

Stockholders who wish to recommend a candidate may do so by writing to the Board of Directors in care of the Corporate Secretary, at HealthWarehouse.com, 7107 Industrial Road, Florence, Kentucky 41042. The Board will use the same evaluation process for director nominees recommended by stockholders as it uses for other director nominees. A copy of our Amended and Restated Bylaws may be obtained by any stockholder upon request to our Corporate Secretary or through the SEC's website at www.sec.gov.

Communications with the Board of Directors

Stockholders are invited to communicate to the Board or its committees or to any individual director or to the independent directors as a group, by writing to: HealthWarehouse.com, Inc., Chairman of the Board of Directors or the Chair of a Board committee, 7107 Industrial Road, Florence, Kentucky, 41042, Attention: Corporate Secretary. All such stockholder communications will be forwarded to the specific director or directors to whom the communications are addressed. Appropriate responses will be provided to stockholders on a timely basis. Please note that the foregoing communication procedure does not apply to (i) stockholder proposals pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 (the "Exchange Act") and communications made in connection with such proposals or (ii) service of process or any other notice in a legal proceeding.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than 10% of the Company's common stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and 10% stockholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms, the Company believes that all applicable Section 16(a) filing requirements were satisfied by its officers, directors and 10% stockholders during 2015, except that directors Youssef Bennani, Ned Siegel and Joseph Savarino each filed two forms late with respect to the grant of stock options in July and October 2015, director and President Lalit Dhadphale filed one report late with respect to the grant of stock options in August 2015, and 10% stockholders Cormag Holdings, Ltd. and Mark Douglas Scott filed one report late with respect to the sale of common stock in September 2015.

Executive Officer Who Does Not Serve as a Director

The principal occupation for the past five years of our executive officer, who does not serve as a director, follows:

Daniel Seliga. Mr. Seliga, age 50, became the Chief Operating Officer and Chief Financial Officer of the Company on January 1, 2016. Mr. Seliga has provided financial and operational consulting services to HealthWarehouse.com since August 2013. PROPOSAL ONE—ELECTION OF DIRECTORS

The Board of Directors

Our Amended and Restated Certificate of Incorporation provides that each director shall be elected at each annual meeting of stockholders for a term of one year. Our Board currently consists of the following five directors: Lalit Dhadphale, Youssef Bennani, Joseph Savarino, Ambassador Ned L. Siegel and Joe Heimbrock, each of whose terms expire at this meeting.

The total number of directors eligible to be elected at the 2016 Annual Meeting by all stockholders voting together in Proposal No. 1 is four, with the directors to be elected by a plurality of the votes cast by holders of shares of our common stock and our Series B and Series C preferred stock, voting together as a single class. With respect to the foregoing vote, the common stock and the Series C preferred stock is entitled to one vote per share, and the Series B preferred stock is entitled to the number of votes equal to the number of shares of common stock into which such shares of Series B preferred stock could be converted immediately after the close of business on the record date fixed for the Annual Meeting.

The Board, serving as a nominating committee, nominated the following four people, all of whom are current directors, for election as directors: (i) Lalit Dhadphale, (ii) Youssef Bennani, (iii) Joseph Savarino and (iv) Ambassador Ned L. Siegel. The holders of the Series B preferred stock nominated Joe Heimbrock for election as the Series B preferred stock director. All of the Board's nominees have indicated a willingness to continue serving as directors if elected, and the Company has no reason to believe that any nominee will be unavailable to serve. Each nominee has consented to being named in the Proxy Statement and has agreed to serve if elected. If any of them should decline or be unable to act as a director, the proxy holders will vote for the election of any other persons the Board may nominate.

Vote Required and Board Recommendations

The directors will be elected by a plurality of the votes, which means the four nominees who receive the greatest number of FOR votes in Proposal No. 1 will be elected. If you hold your shares through a broker and you do not instruct the broker on how to vote on this proposal, your broker will not have authority to vote your shares. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will not have any effect on the outcome of the proposal. Stockholders have no right to cumulate votes in the election of directors.

The shares represented by the accompanying proxy will be voted FOR election, as directors, of the above-mentioned four nominees, unless a stockholder requests that voting of the proxy be withheld for any one or more of the nominees for directors by so directing on the proxy card. If any nominee becomes unavailable for any reason (which event is not anticipated) to serve as a director at the time of the meeting, then the shares represented by such proxy may be

voted for such other person as may be determined by the proxy holders.

The Board of Directors recommends that the stockholders vote "FOR" each of the nominees listed above (Item 1 on the enclosed WHITE proxy card).

Preliminary CopyPROPOSAL TWO - RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected Marcum LLP as the independent registered public accounting firm to perform the audit of the Company's financial statements for the year ending December 31, 2016. Marcum LLP has audited the Company's financial statements since May 2009.

The Board is asking the stockholders to ratify the selection of Marcum LLP as the Company's independent registered public accounting firm for 2016. Although not required by law or the Company's Amended and Restated Bylaws, the Board is submitting the selection of Marcum LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Audit and Non-Audit Services

The Audit Committee is directly responsible for the appointment, compensation and oversight of the Company's independent auditor. The Audit Committee understands the need for Marcum LLP to maintain objectivity and independence in its audits of the Company's financial statements. The Audit Committee understands that Marcum LLP did not provide any non-audit services in 2015.

The following table presents fees billed or expected to be billed for professional services rendered by the Company's independent registered public accountant for the years ended December 31, 2015, and 2014, and fees billed for other services rendered during those periods.

	Year Ended <u>December</u> <u>31, 2015</u>	Year Ended <u>December</u> <u>31, 2014</u>
Audit Fees (1)	\$ 120,000	\$ 122,285
Audit Related Fees (2)	-	-
Tax Fees (3)	-	-
All Other Fees (4)	-	-

(1) Audit fees were principally for audit work performed on our annual financial statements and review of our interim financial statements.

(2) There were no "audit-related services" during the period.

(3) There were no "tax services" during the period.

(4) There were no "other services" during the period.

During the years ended December 31, 2015 and 2014, the Audit Committee met to review and approve the filing of Forms 10-K and 10-Q. All audit services were pre-approved by the Board of Directors.

Pre-Approval Policies and Procedures

To help ensure the independence of our independent registered public accounting firm, all audit and permitted non-audit services, including the fees and terms thereof, to be performed by our independent registered public accounting firm must be approved in advance by the Audit Committee, except that the Audit Committee may delegate to one or more of its members the authority to grant the required approvals.

Independence Issues

There are no persons who have a direct or indirect substantial interest in the matter described under Proposal No. 2 above.

The Board of Directors recommends that stockholders vote "FOR" the ratification of the appointment of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016. (Item 2 on the enclosed WHITE proxy card).

PROPOSAL THREE—ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS
Background

The Compensation Committee of the Board of Directors has the responsibility for evaluating and authorizing the compensation payable to our executive officers. The goal of our executive compensation program is to attract and retain qualified individuals and motivating those individuals to perform at the highest of professional levels and to contribute to our growth and success.

Due to our limited resources, we only had one named executive officer for the year ended December 31, 2015: Lalit Dhadphale, our President and Chief Executive Officer. This executive has agreed to below market compensation in order to conserve the Company's resources to support its development activities.

Objectives of our Executive Compensation Program

Our Compensation program for our executive officers is designed to achieve the following objectives:

- attract, engage and retain talented and highly experienced executive officers;
- motivate and reward executive officers whose knowledge, skills and performance contribute to our success;
- encourage and inspire our executive officers to achieve key corporate strategic objectives and long-term goals; and
- align the interests of our executives and stockholders by motivating executive officers to increase stockholder value.

Elements of Compensation

Consistent with the size and nature of our Company, our executive compensation program is simple, consisting of a base salary and long-term equity award in the form of stock options.

Base Salary

The Compensation Committee reviews the base salaries of our named executive officers at least annually. The annual base salaries of our named executive officers are reflected in the Summary Compensation Table. Mr. Dhadphale did not receive any salary from January 1, 2013 through April 30, 2014, and from May 1, 2014 through the end of 2015 his annual salary was fixed at \$150,000 per year. Due to our resource restrictions, our existing executive officers are currently being paid a below market salary.

Long-Term Incentive Awards

The Compensation Committee favors long-term equity awards in the form of stock options. Our long-term equity awards align the interests of our named executive officers with those of our stockholders, thereby creating an incentive to build stockholder value and acting as a retention tool.

Vote Required and Board Recommendations

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, referred to as the Dodd-Frank Act, and Section 14A of the Exchange Act, our stockholders are now entitled to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our

named executive officers and the philosophy, policies and practices described in this proxy statement. The compensation of our named executive officers subject to the vote is disclosed in the compensation tables and the related narrative disclosure contained in this proxy statement.

- 11 -

Preliminary Copy

We believe that our compensation policies and decisions are designed to enhance stockholder value by attracting and retaining qualified individuals and motivating those individuals to perform at the highest of professional levels and to contribute to our growth and success. We believe that our current compensation program directly links executive compensation to performance, aligning the interests of our executive officers with those of our stockholders. Furthermore, because this non-binding, advisory resolution primarily relates to the compensation of our named executive officers that have already been paid or contractually committed, there is generally no opportunity for us to revisit these decisions. However, our Board of Directors values the opinions of our stockholders and will take into account the outcome of the vote when considering future executive compensation policies and decisions.

The Board is asking you to vote on the adoption of the following resolution:

"RESOLVED, that the stockholders of HealthWarehouse.com, Inc. hereby approve, on an advisory basis, the compensation of the Company's named executive officers, as described in this proxy statement, including the compensation tables and related narrative discussion."

Vote Required for Approval

Approval of this resolution requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of the vote.

Because your vote is advisory, it will not be binding upon the Company, the Board of Directors or the Compensation Committee. However, our Board of Directors and Compensation Committee value the opinions of our stockholders. To the extent that there is any significant vote against the compensation of our named executive officers, they will consider our stockholders' concerns and will evaluate what actions, if any, may be appropriate to address those concerns.

The Board of Directors recommends that the stockholders vote for the approval, on an advisory basis, of the compensation of our named executive officers (Item 3 on the enclosed WHITE proxy card).

PROPOSAL FOUR—ELECTION OF DIRECTOR BY THE SERIES B PREFERRED STOCK

Under the Certificate of Designations designating the rights and privileges of the Company's Series B preferred stock, the holders of the Company's Series B preferred stock have the right to designate or elect one of the Company's directors (the "Series B Director"). The holders of the Series B preferred stock have nominated Joe Heimbrock to fill the Series B seat on the Board in connection with the Annual Meeting. Mr. Heimbrock was appointed as a director in April 2016. Certain biographical information of the Series B preferred stock nominee for director follows:
Joe Heimbrock. Joe Heimbrock, age 61, has served as a director since April 2016. Mr. Heimbrock has served as the Regional General Manager in Ohio for Rush Enterprises, Inc., which is headquartered in New Braunfels, Texas, since January 2013. Rush Enterprises owns and operates the nation's largest network of commercial vehicle dealerships, including new and used trucks through its Rush Truck Centers. Prior thereto, Mr. Heimbrock was Vice President of MVI Enterprises, the largest truck dealership network in Ohio which was purchased by Rush Enterprises at the end of 2012. Mr. Heimbrock has over 30 years of business experience in the commercial trucking industry, including sales, marketing and operational management. Mr. Heimbrock brings to the Board extensive business and financial expertise.

Vote Required and Board Recommendations

The Series B director will be elected by a plurality of the votes, which means the Series B preferred stockholder nominee who receives the greatest number of FOR votes will be elected.

The shares represented by the accompanying proxy for Series B preferred stockholders will be voted FOR election as a director the above-mentioned nominee, unless a stockholder requests that voting of the proxy be withheld for such nominee by so directing on the proxy card. If the nominee becomes unavailable for any reason (which event is not anticipated) to serve as a director at the time of the meeting, then the shares represented by such proxy may be voted for such other person as may be determined by the proxy holders.

Only the holders of the Series B preferred stock will vote for the election of the Series B preferred stock nominee for election as a director.

The Board of Directors recommends that the Series B preferred stockholders vote "FOR" the nominee listed above (Item 4 on the enclosed WHITE proxy card for Series B preferred stockholders).

Narrative Disclosure to the Summary Compensation Table

The goal of our executive compensation program is to attract and retain qualified individuals and motivate those individuals to perform at the highest of professional levels and to contribute to our growth and success. Due to our limited resources, we currently have only one named executive officer: Lalit Dhadphale, our President, Chief Executive Officer and Chairman of the Board of Directors. He has agreed to below market compensation and elected not to receive a salary beginning January 1, 2013 through April 30, 2014 in order to conserve the Company's resources to support its development activities. Mr. Dhadphale began to receive a salary effective May 1, 2014.

Consistent with the size and nature of our Company, our executive compensation program is simple, consisting of a base salary and long-term equity awards in the form of stock options.

Base Salary: The Compensation Committee or the Board reviews the base salaries of our named executive officers at least annually. The annual base salary of our named executive officer is reflected in the Summary Compensation Table. Due to our resource restrictions, our existing executive officer's base salary is below market and he elected not to receive his base salary from January 1, 2013 through April 30, 2014. Effective May 1, 2014, Mr. Dhadphale began to receive an annual salary of \$150,000, which amounted to \$100,000 for the last eight months of 2014.

Long-Term Incentive Awards: The Board has a policy to issue long-term equity awards in the form of stock options. Our long-term equity awards align the interests of our named executive officers with those of our stockholders, thereby creating an incentive to build stockholder value and acting as a retention tool.

On August 31, 2011, we awarded Mr. Dhadphale a five year incentive stock option to purchase 250,000 shares of Common Stock at \$3.80 per share. These options were to vest on the date Mr. Dhadphale personally, by means of a pledge of Common Stock, secured a previously contemplated economic development loan to the Company from the Commonwealth of Kentucky. As of the filing date of this report, the Company does not intend to pursue the aforementioned financing. Accordingly, it is not probable that this option will vest and no compensation expense has been recorded.

On May 9, 2016, the Company entered into an employment agreement with Mr. Dhadphale, the Company's current President and Chief Executive Officer and Chairman of the Board of Directors. The employment agreement contains the following key terms: (a) a term of one year beginning on May 9, 2016, subject to automatic one year extensions, unless written notice of non-extension is provided by either party; (b) the titles and positions of President and Chief Executive Officer reporting directly to the Company's board of directors; (c) nomination for election as a member of the board of directors at each annual meeting of the Company's stockholders during his employment with the Company; (d) an initial base salary of \$175,000 per year beginning May 9, 2016, with an increase to \$185,000 per year on May 9, 2017; (d) an annual target bonus of up to 100% of base salary under the annual bonus program for senior management of the Company, which bonus is payable 50% in cash and 50% in stock options, provided that for calendar years 2016 and 2017, Mr. Dhadphale will earn a minimum bonus of 30% of base salary; (e) in the event of a termination of Mr. Dhadphale's employment other than for cause or a resignation for good reason (each as defined in the employment agreement), Mr. Dhadphale will be entitled to severance equal to 12 months of his then-current base salary; and (f) Mr. Dhadphale's agreement contains restrictive covenants regarding (i) disclosure of confidential information for his lifetime, (ii) non-solicitation of clients, customers and employees for 18 months after termination of employment and (iii) non-competition with the Company's business for 18 months after termination of employment.

Related Party Transactions

Effective September 4, 2014, the Company entered into a consulting agreement with Dr. Bruce Bedrick, a stockholder, to provide consulting services related to business development and marketing activities for the Company and other duties as agreed to by management. The Company was required to pay the related party a monthly fee of \$10,000 plus expense reimbursement. Subsequent to the effective date, the related party agreed to defer the payment

of the monthly fee for a period of four months beginning with the November 4, 2014 payment. The deferred fees were payable on the earlier of the termination date or the second anniversary of the effective date. The consulting agreement had an initial term of one year and could be automatically renewed for a one year period unless terminated by either party. The Agreement could be terminated by the Company by providing a sixty day notice prior to the first anniversary of the effective date. On July 6, 2015, the Company notified the related party of its intent to terminate the contract effective September 4, 2015. During the years ended December 31, 2015 and 2014, the Company incurred and paid consulting and other expenses of \$100,000 and \$21,110, respectively, related to the consulting agreement.

On April 20, 2016, MVI Partners, LLC ("MVI Partners"), an Ohio limited liability company, entered into a Stock Purchase Agreement to purchase 494,913 shares of our Series B preferred stock, or 95.7% of the issued and outstanding Series B preferred stock, with certain of the former holders thereof. The Company is a party to an Amended and Restated Loan and Security Agreement (the "Loan Agreement"), with Melrose Capital Advisors, LLC ("Melrose Capital" or the "Lender"). Timothy E. Reilly, the managing member of Melrose Capital, is a former partner of MVI Partners and two of Mr. Reilly's children currently have a combined one-third interest in MVI Partners. Under the terms of the Loan Agreement, the Company borrowed an aggregate of \$1,000,000 from the Lender (the "Loan"). The Loan is evidenced by a promissory note in the face amount of \$1,000,000, as amended (the "Senior Note"). The principal amount and all unpaid accrued interest on the Senior Note is payable on August 31, 2016, or earlier in the event of default or a sale or liquidation of the Company. The Company granted the Lender a first priority security interest in all of the Company's assets, in order to secure the Company's obligation to repay the Loan, including a Deposit Account Control Agreement, which grants the Lender a security interest in certain bank accounts of the Company. Upon the occurrence of an event of default, the Lender has the right to impose interest at a rate equal to five percent (5.0%) per annum above the otherwise applicable interest rate. The repayment of the Loan may be accelerated prior to the maturity date upon certain specified events of default, including failure to pay, bankruptcy, breach of covenant, and breach of representations and warranties. In addition, on July 28, 2016, the Company issued 2,253,528 shares of common stock to Dellave Holdings, LLC, of which Mr. Reilly is the Managing Member, in exchange for the extinguishment of approximately \$700,000 of accounts payable held by Dellave Holdings.

Although we have not adopted formal procedures for the review, approval or ratification of transactions with related persons, we adhere to a general policy that such transactions should only be entered into if they are on terms that, on the whole, are no more favorable, or no less favorable, than those available from unaffiliated third parties and their approval is in accordance with applicable law. The Company's Audit Committee will review and discuss with management potential transactions with related parties. Related party transactions requiring Audit Committee approval include transactions that are significant in size and transactions that involve terms or aspects that differ from those which would be entered into between independent parties. Such transactions require the approval of our board of directors.

Compensation Committee Interlocks and Insider Participation

During 2015 and through the date of this Proxy Statement, none of the members of our Compensation Committee was or is an officer or employee of the Company, had or has any relationship with the Company requiring disclosure under Item 404 of Regulation S-K and no executive officer of the Company served or serves on the compensation committee or board of any company that employed or employs any member of the Company's Compensation Committee or Board of Directors.

Director Compensation

Prior to 2015, we compensated non-management directors primarily through stock option or restricted stock grants under our stock option plans. Based on guidelines stipulated in a study completed by Compensation Strategies, Inc. in October 2013 which analyzed and determined standards for director compensation of companies similar in size, we previously granted non-management directors options to purchase 100,000 shares upon their initial election to the board, and options to purchase 135,000 shares on an annual basis for serving on the board.

In February 2015, the Compensation Committee approved a new compensation plan for non-management directors, which included monthly cash compensation of \$1,000 per director and quarterly stock option grants under our stock option plans with a grant date value of \$3,000 per director. In July 2015, the Compensation Committee approved a revision to the compensation plan, changing the monthly cash compensation to \$3,000 per director (\$5,000 per director beginning April 2016) and the quarterly stock option grants under our stock option plans with a grant date value of \$9,000 per director.

Directors are expected to timely and fully participate in all regular and special board meetings, and all meetings of committees on which they may serve.
