**EAB PLAZA, UNIONDALE, NEW YORK**  
**NOTES TO THE STATEMENTS OF REVENUES AND CERTAIN EXPENSES**

1. Organization and Significant Accounting Policies

Presented herein are the statements of revenues and certain expenses related to the operation of an office building known as EAB Plaza, which is located in Uniondale, New York (the "Property"). On October 7, 2005, a subsidiary of Reckson Associates Realty Corp. acquired the Property pursuant to a purchase agreement entered into on July 8, 2005.

The accompanying statements of revenues and certain expenses have been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the statements of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred by the Property in the proposed future operations of the aforementioned property. Items excluded consist of interest, depreciation, amortization and other expenses not directly associated with the future operations.

2. Use of Estimates in the Preparation of Statements of Revenues and Certain Expenses

The preparation of the statements of revenues and certain expenses in conformity with accounting principles generally accepted in the United States requires the Property's owner to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

3. Revenue Recognition

Minimum rental income is recognized on a straight-line basis over the term of the tenant leases. Space is leased to tenants under leases ranging from 1 to 11 years. The leases generally also require that the tenant reimburse the landlord for increases in certain operating costs, real estate taxes and ground rents above base year costs.

Three tenants individually, each occupy in excess of 10% and in the aggregate approximately 49% of the rentable space in the Property. Revenues therefrom aggregated approximately 43% of the Property's annual base rent. These leases expire at various dates between January 31, 2005 and March 2016.

4. Future Rental Income

Future minimum rental payments due from tenants under non-cancelable operating leases as of December 31, 2004 are as follows:

Year Ended	
2005	\$ 24,968,888
2006	26,748,936
