PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

The Board of Directors requests that stockholders ratify its selection of Cinnamon Jang Willoughby, Chartered Accountants, as our independent auditor for the 2004 fiscal year. If the stockholders do not ratify the selection of Cinnamon Jang Willoughby, the Audit Committee of the Board of Directors will select another firm of chartered accountants. Representatives of Cinnamon Jang Willoughby will be present at the meeting, and will be provided an opportunity to make a statement and to respond to appropriate questions.

The Board of Directors recommends a vote FOR the selection of Cinnamon Jang Willoughby, Chartered Accounts, as the Company's independent auditor for the 2004 fiscal year.

Our Appointment of Cinnamon Jang Willoughby, Chartered Accountants as Auditor

On May 18, 2003, Morgan & Company, Chartered Accountants (the Former Auditor) were asked to resign as our independent auditor. None of the Former Auditor's reports for the year ended December 31, 2002 or thereafter contained an adverse opinion or disclaimer of opinion, however the report was modified as to the Company's ability to continue as a going concern. We engaged Cinnamon Jang Willoughby, Chartered Accountants as our independent auditor on May 18, 2003. Our decision to change our auditor was approved by our Board of Directors.

During our fiscal year ended December 31, 2002 and through May 18, 2003, there were no disagreements with the Former Auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of the Former Auditor would have caused it to make reference thereto in its report on the financial statements for such year.

On February 12, 2002, Shikaze Ralston Tam Kurozumi, Chartered Accountants (SRTK) resigned as our independent auditor. None of SRTK s reports for the year ended December 31, 2000 or thereafter contained an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principle. We engaged Morgan & Company, Chartered Accountants as our independent auditor on February 12, 2002.

During our fiscal year ended December 31, 2001 and through February 12, 2002, there were no disagreements with SRTK on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of SRTK would have caused it to make reference thereto in its report on the financial statements for such year. Our decision to change auditor was approved by our Board of Directors.

Audit Fees

The following table sets forth fees billed to the Company by Cinnamon Jang Willoughby, Chartered Accountants during the fiscal year ended December 31, 2003 and Morgan & Company, Chartered Accountants during the fiscal year ended December 31, 2002 for: (i) services rendered for the audit of the Company s annual financial statements and the review of its quarterly financial statements, (ii) services that were reasonably related to the performance of the audit or review of the Company s financial statements and that are not reported as Audit Fees, (iii) services rendered in connection with tax compliance, tax advice and tax planning, and (iv) all other fees for services rendered. PROPOSAL 3:

TO AMEND THE COMPANY S CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK FROM 62,500,000 TO 100,000,000.

On April 23, 2004, the Board of Directors unanimously adopted and approved an amendment to our Articles of Incorporation to increase the number of authorized shares of common stock from 62,500,000 to 100,000,000 shares.

We refer to the approved amendment in this discussion as the Authorized Shares Amendment. A copy of the Authorized Shares Amendment is attached to this Proxy Statement as Attachment 1. Currently, of the 62,500,000 shares of common stock authorized, 55,426,065 shares are issued and outstanding as of the record date.

The Authorized Shares Amendment will be implemented by filing Articles of Amendment (the Amendment) with the Secretary of State of Florida. Once we file the Amendment, we will have 44,573,935 shares of authorized but unissued common stock available for issuance.

Reason for Amendment

The unissued shares of common stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including the issuance of shares in connection with an acquisition or financing transaction and the issuance of shares in connection with stock splits or stock dividends, as well as for other corporate purposes.

The Authorized Shares Amendment was not adopted as a result of management's knowledge of any specific effort to accumulate our securities or to obtain control of us by means of a merger, tender offer, solicitation in opposition to management or otherwise. As of the date of this Proxy Statement, our Articles of Incorporation and bylaws contain no provisions having an anti-takeover effect, the adoption of the Authorized Shares Amendment is not part of a plan by management to adopt a series of such amendments, and management does not intend to propose other anti-takeover measures.

Effect of the Proposal/Advantages and Disadvantages

The Authorized Shares Amendment will permit our Board of Directors to issue shares of common stock in connection with various transactions, such as an acquisition or a financing transaction. If the Authorized Shares Amendment is not approved, the Board would be required to either call a special stockholders' meeting or wait for the regularly scheduled annual meeting of stockholders in order to obtain approval for each proposed issuance. This would impede the ability of the Board of Directors to act quickly and would greatly increase the costs of doing business.

On the other hand, the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of Ableauctions or the Board more difficult, costly or time consuming and the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of common stock could be issued by the Board to dilute the percentage of common stock owned by a significant stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Florida law with respect to a merger or other business combination involving Ableauctions.

Limitations on the Adoption of the Authorized Shares Amendment

Under the rules of the American Stock Exchange, we are not permitted to create a new class of security that votes at a higher rate than an existing class of securities or take any other action that has the effect of restricting or reducing the voting rights of an existing class of securities. The additional shares of common stock would not restrict or reduce the voting rights of an existing class of securities.

Section 607.1003 of the Florida Business Corporation Act

Section 607.1003 of the Florida Business Corporation Act permits the amendment of a corporation's articles of incorporation to allow for an increase or decrease of the aggregate number of authorized shares of a class so long as it is approved by the holders of at least a majority of the votes entitled to be cast on the amendment by any voting group with respect to which the amendment would create dissenters' rights.

Effective Date

The Authorized Shares Amendment will become effective upon the filing of the Amendment with the Florida Secretary of State. If this proposal is approved, we intend to file the Authorized Shares Amendment immediately following the Annual Meeting of Stockholders.

The Board of Directors recommends a vote FOR the increase in the authorized number of shares of common stock.

PROPOSAL 4:

APPROVAL OF THE ABLEAUCTIONS.COM, INC 2002 CONSULTANT STOCK PLAN

The following discussion is qualified in its entirety by the terms and provisions of the Ableauctions.com, Inc. 2002 Consultant Stock Plan (the Consultant Plan). A copy of the Consultant Plan is attached to this Proxy Statement as Attachment 2.

Our Board of Directors approved the Consultant Plan on October 11, 2002. The purpose of the Consultant Plan is to help us obtain the services of consultants by providing them with an opportunity to become owners of our common stock. We use consultants for a variety of different projects, particularly in the areas of technology development and implementation and business expansion. Using consultants helps us keep our overhead down, while compensating them with our securities helps us to conserve our cash. None of our employees, including our officers and directors, receive awards from the Consultant Plan. The number of consultants that could potentially receive awards from the Consultant Plan is unlimited.

The term of the Consultant Plan is 10 years. Pursuant to the Consultant Plan, eligible persons may receive awards of non-qualified options or common stock.

The Consultant Plan may be administered by the Company's Board of Directors or by a committee made up of two or more non-employee directors. Currently the Consultant Plan is administered by the Board of Directors. In administering the Consultant Plan, the Board of Directors may construe and interpret the Consultant Plan, define terms, prescribe, amend and rescind rules related to the Consultant Plan, determine who receives awards, and decide the timing of grants, the number of shares included in any grant, the exercise price, the duration of an option and any vesting conditions. The Board of Directors may amend the Consultant Plan only with the approval of our shareholders.

We had originally reserved 16,000,000 shares of our common stock for grants to be made under the Consultant Plan, and to date total awards of 15,920,000 shares have been made. Of that amount, 2,450,000 are currently outstanding (all other awards have been exercised, lapsed or terminated). On April 22, 2004 our Board of Directors approved an increase in the number of shares to be reserved to 25,000,000 shares. Assuming that the Consultant Plan is approved by the shareholders as requested (with an increase in the number of shares available for awards from 16,000,000 shares to 25,000,000 shares), there will be 9,080,000 shares available for future awards.

Due to the volatility of the stock market, and the risk inherent in taking securities rather than cash as compensation, the Consultant Plan allows the Board to fix the price of the stock or the exercise price of the option at any price so long as it is not lower than 85% of the fair market value of our common stock. The Board of Directors sets the term of each option, but no option may have a term that exceeds 10 years. The Board of Directors may set vesting or performance conditions in conjunction with an award of stock or an option grant. The option exercise price may be paid in cash or, if reserved in the award agreement, by transferring to us shares of our common stock, by relinquishing the right to acquire our common stock or by giving us a full recourse promissory note. To date, no award agreements has reserved any method for payment of the exercise price other than cash.

As of April 27, 2004, there were 80,000 shares of stock available to be granted from the Consultant Plan. The fair market value of the shares was \$0.83 per share or \$66,400. If the plan is approved by the shareholders, there will be 9,080,000 shares available for grant with a fair market value on April 27, 2004 of \$7,536,400.

A recipient will not recognize any taxable income at the time an option is granted from the Consultant Plan. However, upon exercise of the option, the recipient will include in income as compensation an amount equal to the difference between the fair market value of the shares on the date of exercise and the recipient's exercise price. The included amount will be treated as ordinary income by the recipient and may be subject to withholding. Upon resale of the shares by the recipient, any subsequent appreciation or depreciation in the value of the shares will be treated as capital gain or loss.

There is no tax consequence to us as a result of either the grant or the vesting of stock options granted from the Consultant Plan.

BOARD AND COMMITTEE MEETINGS

During 2003, the Board of Directors held 30 telephone meetings and all directors were present at each such meeting. During 2003, the Board of Directors also acted by written consent in lieu of holding meetings.

COMPENSATION OF THE BOARD OF DIRECTORS

Our directors did not receive any cash compensation for their services during the last fiscal year. In his capacity as an officer, Mr. Ladha received an option to purchase 1,000,000 shares of our common stock (see the section titled, Executive Compensation) while Dr. Vogt and Messrs. Sleeman and Boyling each received an option to purchase 200,000 shares for their services as directors. The options were granted at an exercise price of \$0.08 per share, the fair market value on the date of grant.

Each director is eligible to participate in the 1999 Plan and in the Ableauctions.com, Inc. 2002 Stock Option Plan for Directors (the Directors Plan). Grants of options from both the 1999 Plan and the Directors Plan are discretionary and are subject to the approval of the Board of Directors.

COMMUNICATIONS WITH MEMBERS OF THE BOARD OF DIRECTORS

The Board of Directors has not established a formal process for stockholders to send communications to its members. Any stockholder may send a communication to any member of the Board of Directors, in care of our address or in care of the address shown in the table of beneficial ownership set forth on page 9. If a communication is sent to our address, we will forward any such communication to the Board member. If the stockholder would like the communication to be confidential, it should be so marked.

ATTENDANCE OF BOARD MEMBERS AT ANNUAL STOCKHOLDERS MEETING

Each of the members of the Board of Directors will be required to attend the Annual Meeting of our stockholders. All members of the Board of Directors attended the previous Annual Meeting.

REPORT ON COMMITTEES

The Board of Directors has one standing committee, which is the Audit Committee. Information regarding the functions of the Audit Committee, its present membership and the number of meetings held by the Audit Committee during the 2003 fiscal year is described below.

Audit Committee. The Audit Committee is responsible for recommending to the Board of Directors the selection of independent public accountants to audit our books and records annually, to discuss with the independent auditors and

internal auditors the scope and results of any audit, to review and approve any nonaudit services performed by our independent auditing firm, and to review certain related party transactions. The members of the Audit Committee are Messrs Barrett Sleeman, David Vogt and Michael Boyling. The Audit Committee met four times in the year 2003.

The Audit Committee is currently composed of three directors who are independent directors as defined under Rule 121 of the American Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors. We do not believe that any of the members of the Audit Committee would qualify as an Audit Committee Financial Expert as defined by Item 401 of Regulation SB promulgated under the Securities Act of 1933 and the Securities Exchange Act of 1934. However, we are in compliance with section 121 of the Rules of the American Stock Exchange, which requires that at least one member of our Audit Committee is financially sophisticated. We believe that Mr. Michael Boyling, as Chief Executive Officer of Boyling, Feltham, Rogers & Associates Inc., meets the criteria of financial sophistication.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management is responsible for our financial statements and the financial reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in our Annual Report on Form 10-KSB for the year ended December 31, 2003.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management including the matters in the written disclosures provided to the Audit Committee as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

The Audit Committee recommended to the Board of Directors, and the Board of Directors approved, the inclusion of the audited financial statements in the Annual Report on Form 10-KSB for the 2003 fiscal year for filing with the Securities and Exchange Commission. The Audit Committee has also recommended the selection of our independent auditors for the fiscal year ending December 31, 2004.

NOMINATION OF DIRECTORS

We do not have, nor are we required by the rules of the American Stock Exchange to have, a standing nominating or compensation committee. Our Board of Directors is made up of four members, three of whom are deemed to be independent, as that term is defined in the rules of the American Stock Exchange. Nominees to the Board of Directors were selected and approved by our three independent Board members, Barrett Sleeman, Dr. David Vogt and Michael Boyling.

The Board of Directors, acting as a Nominating Committee, does not have a policy with regard to the consideration of any director candidates recommended by stockholders. The Board of Directors has made no determination as to whether or not such a policy should be adopted. The Board of Directors will consider candidates recommended by stockholders. Stockholders wishing to recommend a candidate for membership on the Board of Directors should submit to us the name of the individual and other pertinent information, including a short biography and contact information, in the manner described below on this Proxy Statement in the section titled "Stockholder Proposals".

Some of the qualifications that may be considered by the Board of Directors in choosing a director are:

- Minimum, relevant employment experience;
- Familiarity with generally accepted accounting principles and the preparation of financial statements;
- Post secondary education or professional license;
-

Previous experience as a Board member of an operating company;

•

The ability to commit the number of hours per year necessary to discharge his or her duty as a member of its Board of Directors.

A candidate for director must agree to abide by our Code of Business Conduct and Ethics.

Our goal is to seek to achieve a balance of knowledge, experience and capability on our Board. To this end, we seek nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity of business experience and expertise, a high level of education, broad-based business acumen, and the ability to think strategically. Although we use the criteria listed above as well as other criteria to evaluate potential nominees, we don't have a stated minimum criteria for nominees. The Board does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in this process.

The Board of Directors has not received a nominee from a stockholder who is not also an officer or director of Ableauctions. Each nominee to our Board of Directors expressed a willingness to serve during the 2004 fiscal year and, based on a review of their qualifications, were deemed to be suitable candidates for nomination.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires our directors, executive officers and persons who own more than 10% of our common stock to file reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Certain Relationships and Related Transactions

During the year ended December 31, 2003, the following related party transactions occurred:

Before acquiring Rapidfusion Technologies Inc., we obtained services from Rapidfusion, a company formerly controlled by our President and Chief Executive Officer in his capacity as the President and Chief Executive Officer of Dexton Technologies, Inc., to maintain, develop and support our technology and our iCollector operations. In the fiscal year ended December 31, 2003, we paid Rapidfusion Technologies Inc. the sum of approximately \$ 63,848.

We lease an 8,000 square foot showroom and office at 1963 Lougheed Highway, Coquitlam, British Columbia and a 9,000 square foot showroom and office at 3112 Boundary Road, Burnaby, British Columbia. The monthly payments are \$3,300 and \$3,747 respectively. The landlord is Derango Resources Inc., a private company wholly-owned by Hanifa Ladha, who is the wife of our President, Abdul Ladha. The rent payments are below market, as verified independently by Burgess Austin valuers. In total, we paid \$ 72,335 in rent to Derango Resources Inc. during the fiscal year ended December 31, 2003.

On August 12, 2002, we entered into a joint venture with three of our Directors, Abdul Ladha, Randy Ehli and Michael Boyling, to acquire approximately \$345,000 of fine crystal and china from a bankruptcy estate. In forming the joint venture, Ableauctions, Abdul Ladha and Randy Ehli paid identical capital contributions and each received 27% of the venture's net profits. Michael Boyling received 19% of the venture's net profits. In January 2003, we bought out Randy Ehli's interest for \$60,000 and we now hold a 54% interest in the joint venture. Abdul Ladha and Michael Boyling currently hold a 27% interest and a 19% interest, respectively, in the joint venture. Net profits are defined as gross revenue less costs associated with liquidation (marketing, advertising, commission, auction fees, mall rent) less a 15% overhead fee paid to us for handling the inventory.

On October 11, 2002, we assigned a \$285,000 receivable to Abdul Ladha, our President and CEO, who in turn, reassigned it and secured a loan against it from the Canadian Imperial Bank of Commerce in order to reduce debt and immediately inject capital into Ableauctions.

In 2002, we borrowed funds from a \$1 million line of credit made available to us by our President and CEO. The line of credit is secured by our assets and those of our subsidiaries. As of December 31, 2002, the amount of the loan was \$199,679. As of December 31, 2003, the amount of the loan was \$0.

(iii)

If the Board, in its discretion, does not appoint a Plan Committee, the Board itself will administer and interpret the Plan and take such other actions as the Plan Committee is authorized to take hereunder; provided that the Board may

In determining the recipient, form and amount of Awards, the Plan Committee shall consider any factors deemed relevant, including the individual's functions, responsibilities, value of services to the Company and past and potential contributions to the Company's profitability and sound growth.

(d)

Interpretation Of Plan. The Plan Committee shall, in its sole and absolute discretion, interpret and determine the effect of all matters and questions relating to this Plan. (iii)

Any shares of Common Stock subject to an Option which for any reason is terminated unexercised or expires; and

(iv)

Any Restricted Shares which are granted as Option Shares or Award Shares, and are subsequently forfeited by the holders thereof.

(b)

Calculating Shares Available For Awards. For purposes of calculating the maximum number of shares of Common Stock in the Stock Pool which may be issued under the Plan, the following rules shall apply:

(i)

When Options are exercised, and when cash is used as full payment for shares issued upon exercise of such Options, all the shares issued (including the shares, if any, withheld for tax withholding requirements) shall be counted;

(ii)

When Options are exercised, and when shares of Common Stock are used as full or partial payment for shares issued upon exercise of such Options, if permitted by the Plan Committee, only the net shares issued (including the shares, if any, withheld for tax withholding requirements) shall be counted; and

(iii)

When Award Shares are granted and the Plan Committee elects to require payment with respect to such grant, and when shares of Common Stock are used as full or partial payment for the grant of such shares, only the net shares issued (including the shares, if any, withheld for tax withholding requirements) shall be counted.

(c)

Date of Award. The date an Award is granted shall mean the date selected by the Plan Committee as of which the Plan Committee allots a specific number of shares to a Recipient with respect to such Award pursuant to the Plan.

5.

OPTIONS (TO PURCHASE OPTION SHARES).

(a)

Grant. The Plan Committee may from time to time, and subject to the provisions of the Plan and such other terms and conditions as the Plan Committee may prescribe, grant to any Eligible Person one or more options to purchase for cash or shares the number of shares of Common Stock ("Options") allotted by the Plan Committee; *provided, however,* no Option shall be granted to any Eligible Person who is a member of the Plan Committee. The grant of an Option shall be evidenced by either a written consulting agreement or a written option certificate separate from such agreement, executed by the Company and the Recipient, stating the number of shares of Common Stock subject to the Option, and stating all terms and conditions of such Option.

(b)

Option Price. The purchase price per Option Share deliverable upon the exercise of an Option (the "Option Price") shall be such price as may be determined by the Plan Committee; *provided, however,* the Option Price may not be less than the eighty five percent (85%) of Fair Market Value of the underlying Option Shares as of the date of the grant of the Option.

(c)

Option Term; Expiration. The term of each Option shall commence at the grant date for such Option as determined by the Plan Committee, and shall expire, unless an earlier expiration date is expressly provided in the underlying consulting agreement or separate option certificate or another Section of this Plan, on the first business day prior to the ten (10) year anniversary of the date of grant thereof.

(d)

Exercise Date. Unless a later exercise date is expressly provided in the underlying consulting agreement or option certificate or another Section of the Plan, each Option shall become exercisable on the date of its grant as determined by the Plan Committee. No Option shall be exercisable after the expiration of its applicable term. Subject to the foregoing, each Option shall be exercisable in whole or in part during its applicable term unless expressly provided otherwise in the underlying consulting agreement or option certificate.

(e)

Vesting Provisions. The Plan Committee may, in its sole discretion, subject Options granted to Recipients to such vesting conditions pertaining to continued provision of consulting services to the Company or any Affiliate or the attainment of goals as the Plan Committee, in its sole discretion, determines are appropriate; *provided, however*, in no case shall any Option provide for the vesting of Option Shares for a period of time which exceeds five (5) years from date of grant of the Option, or on a cumulative incremental percentage basis which is less than twenty percent (20%) per year. If no vesting is expressly provided in the underlying consulting agreement or separate option certificate, the Option shares shall be deemed fully vested upon date of grant.

(f)

Manner of Exercise and Payment. An exercisable Option, or any exercisable portion thereof, may be exercised solely by delivery of all of the following to the Secretary of the Company at his or her office at the Company prior to the time when such Option or such portion becomes unexercisable under this Section 5:

(i)

Notice in writing signed by the Recipient or other Person then entitled to exercise the Option or portion thereof stating that such Option or portion is exercised, such notice complying with the procedures set forth in the applicable consulting agreement or option certificate which governs the exercise of the Option, and any other applicable rules established by the Plan Committee.

(ii)

(2)

If expressly permitted in the underlying consulting agreement or option certificate, or otherwise consented to by the Plan Committee in writing:

(A)

(C)

A full recourse promissory note bearing interest (not less than a rate as shall then preclude the imputation of interest under the Internal Revenue Code of 1986, as amended) and payable upon such terms as may be prescribed by the Plan Committee. The Plan Committee may also prescribe the form of such note and the security to be given for such note. *Provided, however,* no Option may be exercised by delivery of a promissory note or by a loan from the Company if such loan or other extension of credit is prohibited by law at the time of exercise of this Option or does not comply with the provisions of Regulation G promulgated by the Federal Reserve Board with respect to "Margin Stock" if the Company and the Recipient are then subject to such Regulation.

(iii)

Such representations and documents as the Plan Committee, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Plan Committee may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on a share certificates and issuing stop-transfer orders to transfer agents and registrars.

(iv)

Except as expressly provided in the underlying consulting agreement or option certificate, Options may not be Disposed by the Recipient, nor exercised by any Person other than the Recipient, without the prior written consent of the Company, which consent the Company may withhold in its sole and absolute discretion, and such Options shall, upon the Disposition or exercise of such Option without the Company's prior written consent, terminate and be null and void *ab initio* and of no further force and effect.

(h)

No Stockholder Rights. The Recipient shall not be, nor have any of the rights or privileges of, a stockholder of the Company with respect to the Option Shares unless and until all conditions for exercise of the Option and the issuance of certificates for the Option Shares shall be satisfied, at which time the Recipient shall become a stockholder of the Company with respect to the Option Shares and as such shall thereafter be fully entitled to receive dividends (if any are declared and paid), to vote and to exercise all other rights of a stockholder with respect to the Option Shares.

6.

AWARD SHARES.

(a)

Grant. The Plan Committee may from time to time, and subject to the provision of the Plan and such other terms and conditions as the Plan Committee may prescribe, grant to any Eligible Person one or more shares of Common Stock ("Award Shares") allotted by the Plan Committee. The grant of Award Shares or grant of the right to receive Award Shares shall be evidenced by either a written consulting agreement or a separate written agreement confirming such grant, executed by the Company and the Recipient, stating the number of Award Shares granted and stating all terms and conditions of such grant.

(b)

Purchase Price and Manner of Payment. The Plan Committee, in its sole discretion, may grant Award Shares in any of the following instances:

(i)

as a "bonus" or "reward" for services previously rendered and compensated, in which case the recipient of the Award Shares shall not be required to pay any consideration for such Award Shares, and the value of such Award Shares shall be the Fair Market Value of such Award Shares on the date of grant;

(ii)

as "compensation" for the previous performance or future performance of services or attainment of goals, in which case the recipient of the Award Shares shall not be required to pay any consideration for such Award Shares (other than the performance of his services), and the value of such Award Shares received (together with the value of such services or attainment of goals attained by the Recipient), may not be less than seventy-five percent (75%) of the Fair Market Value of such Award Shares on the date of grant; or

(iii)

in consideration for the payment of a purchase price for such Award Shares in an amount established by the Plan Committee, which purchase price may not be less than eighty-five percent (85%) of the Fair Market Value of such Award Shares as of the date of grant of such purchase right.

7.

RESTRICTED SHARES.

(a)

Vesting Conditions; Forfeiture of Unvested Shares. The Plan Committee may subject or condition the grant of Issued Shares (hereinafter referred to as "**Restricted Shares**") to such vesting conditions based upon continued provision of services or attainment of goals subsequent to such grant of Restricted Shares as the Plan Committee, in its sole discretion, may deem appropriate. In the event the Recipient does not satisfy such vesting conditions, the Company may require the Recipient, subject to the payment terms of **Section 7(b)**, to forfeit such unvested Restricted Shares. All vesting conditions imposed on the grant of Restricted Shares, including payment terms complying with **Section 7(b)**, shall be set forth in either a written consulting agreement or a separate written restricted stock agreement, executed by the Company and the Recipient on or before the time of the grant of such Restricted Shares, stating the number of said Restricted Shares subject to such conditions and further specifying the vesting conditions. If no vesting conditions are expressly provided in the underlying consulting agreement or in a separate restricted stock agreement, the Issued Shares shall not be deemed to be Restricted Shares, and will not be required to be forfeited. Any grant of Restricted Shares shall be subject to the following limitations:

(i)

In no case shall such vesting conditions require continued provision of services or attainment of goals, as the case may be, subsequent to the grant of Restricted Shares, for a period of time which exceeds five (5) years from the date of grant, or on a cumulative incremental percentage basis which is less than twenty percent (20%) per year;

(ii)

In no case shall the Recipient be required to forfeit any vested Restricted Shares; and

(iii)

In the event of the forfeiture of any unvested Restricted Shares, the Company shall pay to the Recipient with respect to all of such unvested Restricted Shares an amount equal to the original purchase price, if any, paid by the Recipient for such unvested Restricted Shares.

(b)

Repurchase Price for Forfeited Restricted Shares. In the event a Recipient does not satisfy applicable vesting conditions placed upon Restricted Shares, and the Company exercises its right to require the Recipient to forfeit such unvested Restricted Shares, the Company shall be required to pay the Recipient an amount not less than:

(i)

The higher of the original purchase price for such forfeited Restricted Shares or the Fair Market Value of such forfeited Restricted Shares on the date of the event triggering such repurchase rights; or

(ii)

The original purchase price for such vested Restricted Shares; *provided, however,* that the right to repurchase in favor of the Company must lapse at the rate of at least twenty percent (20%) per year over five (5) years from the date of grant of the Restricted Shares.

The payments to be made by the Company to a Recipient for forfeited Restricted Shares pursuant to Subsection (ii) may only be in the form of cash or cancellation of purchase money indebtedness with respect to the purchase of said Restricted Shares by the Recipient, if any, and must be paid no later than ninety (90) days of the date of termination.

(c)

Restrictive Legend. Until such time as all conditions placed upon Restricted Shares lapse, the Plan Committee may place a restrictive legend on the share certificate representing such Restricted Shares which evidences said restrictions in such form and subject to such stop instructions as the Plan Committee shall deem appropriate. The conditions shall similarly apply to any new, additional or different securities the Recipient may become entitled to receive with respect to such Restricted Shares by virtue of a stock split or stock dividend or any other change in the corporate or capital structure of the Company. The Plan Committee shall also have the right, should it elect to do so, to require the

Recipient to deposit the share certificate for the Restricted Shares with the Company or its agent, endorsed in blank or accompanied by a duly executed irrevocable stock power or other instrument of transfer, until such time as the conditions lapse. The Company shall remove the legend with respect to any Restricted Shares which become vested.

(d)

Stockholder Rights. The Recipient of Restricted Shares shall have all rights or privileges of a stockholder of the Company with respect to the Restricted Shares notwithstanding the terms of this Section 7 (with the exception of Subsection (e) hereof) and, as such, shall be fully entitled to receive dividends (if any are declared and paid), to vote and to exercise all other rights of a stockholder with respect to the Restricted Shares.

(e)

Non-Assignability. Except as expressly provided in the underlying consulting agreement or restricted stock agreement, unvested Restricted Shares may not be Disposed by the Recipient without the prior written consent of the Company, which consent the Company may withhold in its sole and absolute discretion, and such purported Disposition shall be null and void *ab initio* and of no force and effect.

8.

REGISTRATION OF ISSUED SHARES.

(a)

Registration or Exemption from Registration. Unless expressly stipulated in the underlying consulting agreement or separate option certificate or agreement, in no event shall the Company be required at any time to register the Issued Shares under the Securities Act (including, without limitation, as part of any primary or secondary offering, or pursuant to Form S-8) or to register or qualify the Issued Shares under the securities laws of any state or territory (including, without limitation, pursuant to Section 25110 of the California Securities Act).

In the event the Company is not required to register or qualify the Issued Shares, the Issued Shares shall be issued in reliance upon such exemptions from registration or qualification under federal and state securities laws, as the case may be, that the Company and its legal counsel, in their reasonable discretion, shall determine to be appropriate, including, without limitation:

(i) In the case of federal securities laws, any of the following, if available: Section 3(b) of the Securities Act for Limited Offerings and Rules 504 and/or 505 of Regulation D promulgated thereto, and/or Section 4(2) of the Securities Act for private offerings and Rule 506 of Regulation D promulgated thereto, and

(ii) In the case of California securities laws, Section 25102(f) of the California Securities Act of 1968, as amended, or, if the Recipient is then a resident of and/or domiciled within another state, the requirements of any applicable exemptions from registration or qualification afforded by the securities laws of such state.

If requested by the Company, the Recipient shall provide such further representations or documents as the Company or its legal counsel, in their reasonable discretion, deem necessary or advisable in order to effect compliance with the conditions of any and all of the aforesaid exemptions from federal or state registration or qualification which it is relying upon, or with all applicable rules and regulations of any applicable securities exchanges. If required by the Company, the Recipient shall provide a letter from a purchaser representative with credentials reasonably acceptable to the Company to the effect that such purchaser representative has reviewed the Recipient's proposed investment in the Issued Shares and has determined that an investment in the Issued Shares: (A) is appropriate in light of the Recipient's financial circumstances, (B) that the purchaser representative and, if applicable, the Recipient, have such knowledge and experience in financial and business matters that the such persons are capable of evaluating the merits and risks of an investment in the Issued Shares, and (C) that the purchaser representative and, if applicable, the Recipient, have such business or financial experience to be reasonably assumed to have the capacity to protect the Recipient's interests in connection with the purchase of the Issued Shares.

In the event the Company is unable to obtain, without undue burden or expense, such consents or approvals that may be required from any applicable regulatory authority (or may be deemed reasonably necessary or advisable by legal counsel for the Company) with respect to the applicable exemptions from federal or state registration or qualification which the Company is reasonably relying upon, the Company shall have no obligation under this Agreement to issue or sell the Issued Shares until such time as such consents or approvals may be reasonably obtained without undue burden or expense, and the Company shall be relieved of all liability with respect to its inability to issue or sell the Issued Shares.

(b)

Legend. In the event the Company delivers unregistered shares, the Company reserves the right to place a restricted legend on the share certificate or certificates to comply with the Securities Act and any state and territory securities laws or any exemption from registration or qualification thereunder which is being relied upon by the Company.

9.

ADJUSTMENTS.

(a)

Subdivision or Stock Dividend. If outstanding shares of Common Stock shall be subdivided into a greater number of shares by reason of recapitalization or reclassification, the number of shares of Common Stock, if any, available for

issuance in the Stock Pool, and the Option Price of any outstanding Options in effect immediately prior to such subdivision or at the record date of such dividend shall, simultaneously with the effectiveness of such subdivision or immediately after the record date of such dividend, be proportionately reduced, and conversely, if the outstanding shares of Common Stock shall be combined into a smaller number of shares, the number of shares of Common Stock, if any, available for issuance in the Stock Pool, and the Option Price of any outstanding Option in effect immediately prior to such combination shall, simultaneously with the effectiveness of such combination, be proportionately increased.

(b)

Adjustment to Option Price. When any adjustment is required to be made in the Option Price, the number of shares purchasable upon the exercise of any outstanding Option shall be adjusted to that number of shares determined by: (i) multiplying an amount equal to the number of shares purchasable upon the exercise of the Option immediately prior to such adjustment by the Option Price in effect immediately prior to such adjustment, and then (ii) dividing that product by the Option Price in effect immediately after such adjustment. *Provided, however,* no fractional shares shall be issued, and any fractional shares resulting from the computations pursuant to this Section 10 shall be eliminated from the Option.

(c)

Capital Reorganization or Reclassification; Consolidation or Merger. In case of any capital reorganization or any reclassification of Common Stock (other than a recapitalization hereinabove described in Section 10(a), or the consolidation, merger, combination or exchange of shares with another entity, or the divisive reorganization of the Company, the Recipient shall thereafter be entitled upon exercise of the Option to purchase the kind and number of shares of stock or other securities or property of the Company (or its successor{s}) receivable upon such event by a Recipient of the number of shares of Common Stock of the Company which such Option entitles the Recipient to purchase from the Company immediately prior to such event. In every such case, the Company may appropriately adjust the number of shares of Common Stock in the Pool which may be issued under the Plan, the number of shares of Common Stock subject to Options theretofore granted under the Plan, the Option Price of Options theretofore granted under the Plan, and any and all other matters deemed appropriate by the Plan Committee.

(d)

Adjustments Determined in Sole Discretion of Board. To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Plan Committee, whose determination in that respect shall be final, binding and conclusive.

(e)

No Other Rights to Recipient. Except as expressly provided in this Section 10, (i) the Recipient shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class, and (ii) the dissolution, liquidation, merger, consolidation or divisive reorganization or sale of assets or stock to another corporation, or any issue by the

Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of, or the Option Price for, the shares. The grant of an Award pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

10.

PERFORMANCE ON BUSINESS DAY.

In the event the date on which a party to this Plan is required to take any action under the terms of this Plan is not a business day, the action shall, unless otherwise provided herein, be deemed to be required to be taken on the next succeeding business day.

11.

EMPLOYMENT STATUS.

In no event shall the granting of an Award be construed as granting a continued right of employment to a Recipient if such Person is employed by the Company, nor effect any right which the Company may have to terminate the employment of such Person, at any time, with or without cause, except to the extent that such Person and the Company have agreed otherwise in writing.

12.

NON-LIABILITY FOR DEBTS.

No Options granted hereunder, or unvested Restricted Shares granted hereunder, or any part thereof, shall be liable for the debts, contracts, or engagements of a Recipient or such Recipient's successors in interest or shall be subject to disposition by transfer, alienation, or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment, or any other legal or equitable proceeding (including bankruptcy), and any attempted disposition thereof shall be null and void *ab initio* and of no further force and effect.

13.

AMENDMENT AND DISCONTINUATION OF PLAN; MODIFICATION OF AWARDS.

(a)

Amendment, Modification or Termination of Plan. With the approval of the shareholders, the Board may amend the Plan or suspend or discontinue the Plan at any time or from time-to-time; *provided, however* no such action may adversely alter or impair any Award previously granted under this Plan without the consent of each Recipient affected thereby.

(b)

Modification of Terms of Outstanding Options. Subject to the terms and conditions and within the limitations of this Plan, the Plan Committee may modify, extend or renew outstanding Options granted under this Plan, including vesting conditions, or accept the surrender of outstanding Options (to the extent not theretofore exercised) and authorize the granting of new Options in substitution thereof (to the extent not theretofore exercised).

Notwithstanding the foregoing, however, no modification of any outstanding Option may, without the consent of the Recipient affected thereby, adversely alter or impair such Recipients rights under such Option.

(c)

Modification of Restricted Share Vesting Conditions. Subject to the terms and conditions and within the limitations of this Plan, including vesting conditions, the Plan Committee may modify the conditions placed upon the grant of any Restricted Shares, *provided, however*, no modification of any conditions placed upon Restricted Shares may, without the consent of the Recipient thereof, adversely alter or impair such Recipient's rights with respect to such Restricted Shares.

(d)

Compliance with Laws. The Plan Committee may at any time or from time-to-time, without receiving further consideration from any Person who may become entitled to receive or who has received the grant of an Award hereunder, modify or amend Awards granted under this Plan as required to: (i) comport with changes in securities, tax or other laws or rules, regulations or regulatory interpretations thereof applicable to this Plan or Awards thereunder or to comply with stock exchange rules or requirements and/or (ii) ensure that this Plan is and remains or shall become exempt from the application of any participation, vesting, benefit accrual, funding, fiduciary, reporting, disclosure, administration or enforcement requirement of either the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or the corresponding provisions of the Internal Revenue Code of 1986, as amended (Subchapter D of Title A, Chapter 1 of the Code {encompassing Sections 400 to 420 of the Code}). *Provided, however*, no such modification may, without the consent of the holder thereof, adversely alter or impair his or her rights with respect to such Award Shares.

14.

WITHHOLDING TAXES.

As a condition of the grant of any Award and/or exercise of any Option, as the case may be, the Company shall have the right to require the Recipient to remit to the Company an amount sufficient to satisfy any federal, state and/or local withholding tax requirements incident to such grant or exercise. *Provided, however,* whenever the Company is delivering any shares of Common Stock the Company may, in its sole discretion, but without obligation to do so, issue or transfer such shares of Common Stock net of the number of shares sufficient to satisfy any withholding tax requirements incident to such issuance or transfer. For withholding tax purposes, the shares of Common Stock shall be valued on the date the withholding obligation is incurred.
