PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

September 27, 2012

SOLICITATION, EXECUTION AND REVOCATION OF PROXIES

The mailing address of the principal corporate office of the Company is 5605 Green Circle Drive, Minnetonka, MN 55343. This Proxy Statement and the form of proxy, which is enclosed, are being mailed to the Company's shareholders commencing on or about August 27, 2012.

Proxies in the accompanying form are solicited on behalf, and at the direction, of the Board of Directors of the Company. All shares of common stock represented by properly executed proxies, unless such proxies have previously been revoked, will be voted in accordance with the direction of the proxies. If any other matters are properly presented at the meeting for action, including a question of adjourning the meeting from time to time, the persons named in the proxies and acting there under will have discretion to vote on such matters in accordance with their best judgment.

When stock is in the name of more than one person, each such person must sign the proxy. If the shareholder is a corporation, an executive or other authorized officer must sign the proxy in the name of such corporation. If signed as attorney, executor, administrator, trustee, and guardian or in any other representative capacity, the signer's full title should be given and, if not previously furnished, a certificate or other evidence of appointment must be furnished.

A shareholder executing and returning a proxy has the power to revoke it at any time before it is voted. A shareholder who wishes to revoke a proxy can do so by executing a later dated proxy relating to the same shares and delivering it to the Secretary of the Company prior to the vote at the Annual Meeting, by written notice of revocation received by the Secretary prior to the vote at the Annual Meeting, or by appearing in person at the Annual Meeting and voting in person the shares to which the proxy relates.

In addition to the use of the mail, proxies may be solicited by personal interview, telephone and telegram by the Directors, officers and regular employees of the Company. Such persons will receive no additional compensation for such services. Arrangements will also be made with certain brokerage firms and certain other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of common stock held of record by such persons, and such brokers, custodians, nominees and fiduciaries will be reimbursed by the Company for their reasonable out-of-pocket expenses incurred by them in connection therewith. All expenses incurred in connection with this solicitation will be borne by the Company.

The Company is including with this Proxy Statement its Annual Report to shareholders for the year ended December 31, 2011, which includes a copy of the Company's Form 10-K, as filed with the Securities and Exchange Commission. Shareholders may receive, without charge, additional copies of the Form 10-K, by writing to Multiband Corporation at its principal corporate office.

The presence at the Annual Meeting in person or by proxy of the holders of 34% of the outstanding shares of the Company's common stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only shareholders of record at the close of business on August 3, 2012 (the Record Date) will be entitled to vote at this meeting. On the Record Date, there were 21,695,609 shares of common stock issued and outstanding. Each holder of common stock is entitled to one vote, exercisable in person or by proxy, for each share of common stock held of record on the Record Date. The affirmative vote of holders of a majority of shares of common stock outstanding on the Record Date is required for approval of the proposals to be voted upon at the Annual Meeting.

The following table sets forth certain information with respect to the beneficial ownership of our outstanding common stock by (i) each of our executive officers; (ii) each of our directors; (iii) all of our executive officers and directors as a group; and (iv) each of those known by us to be beneficial owners of more than 5% of our common stock.

The percentage ownership information shown in the table is based upon 21,695,609 shares outstanding as of August 3, 2012. Shares of common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of August 3, 2012 are deemed to be outstanding and to be beneficially owned by the person holding the options for the purpose of computing the percentage ownership of that person but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws. Except as otherwise noted below, the address for each person or entity listed in the table is c/o Multiband Corporation, 5605 Green Circle Drive, Minnetonka, Minnesota 55343.

Our Audit Committee met five times during 2011. As previously reported, the Company determined that Mr. Dodge no longer met the "independence" requirements under NASDAQ Rule 5605(c)(2) for serving as an audit committee member of the Company. After the internal review and effective April 25, 2011, Mr. Dodge resigned from the Company's audit committee and effective the same date, the Company's independent board members appointed Eugene Harris, Multiband director, as an audit committee member. The Audit Committee is comprised entirely of individuals who meet the independence and financial literacy requirements of NASDAQ listing standards. The Company acknowledges that the designation of the members of the audit committee as financial experts does not impose on them any duties, obligations or liability that are greater than the duties, obligations and liability imposed on them as a member of the audit committee and the Board of Directors in the absence of such designation.

To the Board of Directors of Multiband Corporation:

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During the year ended December 31, 2011, the committee met five times, and Frank Bennett, as the Audit Committee chair and representative of the Audit Committee, discussed the interim financial information contained in quarterly and annual filings on Forms 10-Q and 10-K, respectively, with the Company's Chief Financial Officer and the Company's independent registered public accounting firm prior to public release.

In discharging its oversight responsibility as to the audit process, the audit committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with the Securities Acts and Standards of the Public Company Accounting Oversight Board, discussed with the auditors any relationships that may affect their objectivity and independence and satisfied itself as to the auditors' independence. The audit committee also discussed with management and the independent registered public accounting firm the quality and adequacy of the Company's internal controls. The audit committee reviewed with the independent registered public accounting firm their audit plans, audit scope, and identification of audit risks.

The audit committee discussed and reviewed with the Company's independent registered public accounting firm all communications required by Standards of the Public Company Accounting Oversight Board and, both with and without management present, discussed and reviewed the results of the independent registered public accounting firms' examination of the Company's consolidated financial statements. The audit committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2011 with management and the independent registered public accounting firm. Management has the responsibility for the preparation of the Company's consolidated financial statements and the Company's independent registered public accounting firm has the responsibility for the examination of those statements.

Based on the review referred to above and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2011 for filing with the Securities and Exchange Commission. The Audit Committee also recommended a new independent registered public accounting firm for 2012, subject to shareholder approval, and the Board of Directors concurred in such recommendation.

Director Nomination Procedures

Director Manager Qualifications: The Company's Nominating and Governance Committee has established policies for the desired attributes of our Board as a whole. The Board will seek to ensure that a majority of its members are independent as defined in the NASDAQ listing standards. Each member of our Board must possess the individual qualities of integrity and accountability, informed judgment, financial literacy, high performance standards and must be committed to representing the long-term interests of the Company and the shareholders. In addition, Directors must be committed to devoting the time and effort necessary to be responsible and productive members of our Board. Our Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

Identifying and Evaluating Nominees: The Nominating and Governance Committee regularly assess the appropriate number of Directors comprising our Board, and whether any vacancies on our Board are expected due to retirement or otherwise. The Nominating and Governance Committee may consider those factors it deems appropriate in evaluating Director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of our Board, certain factors may be weighed more or less heavily by the Nominating and Governance Committee. In considering candidates for our Board, the Nominating and Governance Committee evaluates the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating and Governance Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating and Governance Committee considers candidates for the Board from any reasonable source, including current Board members, shareholders, professional search firms or other persons. The Nominating and Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

The Nominating and Governance Committee will consider additional non-management candidates for election or appointment to the board prior to the 2013 annual meeting. The Committee will be seeking candidates who possess attributes outlined in its charter as referenced below with a preference for those individuals who have industry experience relevant to the Company's business and significant management expertise with larger companies.

Charter of the Nominating and Governance Committee: A copy of the charter of the Nominating and Governance Committee is available on our website at www.multibandusa.com.

Item 11

Compensation Discussion and Analysis

Our compensation committee:

- reviews and recommends the compensation arrangements for management, including the compensation for our Chief Executive Officer; and
- establishes and reviews general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals.

We are committed to attracting, hiring and retaining an experienced management team that can successfully sell and operate our services. The fundamental policy of our compensation committee is to provide our executive officers with competitive compensation opportunities based upon their contribution to our development and financial success and long-term shareholder interest, as well as each officer's personal performance. The compensation package for each executive officer is comprised of three elements (i) base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) potential for cash bonus payments contingent upon specific corporate and individual milestones; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and our shareholders.

At the beginning of each year, certain performance objectives are set by the compensation committee for management. 2011 corporate objectives included goals based on subscriber sales and certain financial metrics. By year end, the compensation committee reviews the performance of the Company against the corporate objectives and reviews the performance of each executive officer against their individual objectives. Based upon results achieved, the executive officers may receive part or all of a targeted bonus award.

Our compensation committee met three times during 2011. The compensation committee is comprised entirely of non-employee Directors who meet the independence requirements of the NASDAQ listing standards. The compensation committee is comprised of Jonathan Dodge, Eugene Harris, and Donald Miller.

Report of the Compensation Committee

March 30, 2012

To the Board of Directors of Multiband Corporation:

We have reviewed and discussed with management the Company's Compensation Discussion and Analysis. Based on this review and these discussions, we recommend to the Board of Directors that the Compensation Discussion and Analysis be included in Multiband Corporation's Annual Report on Form 10-K.

THE COMPENSATION COMMITTEE

Eugene Harris, Chairman

Jonathan Dodge

Donald Miller

Risk Assessment of our Compensation Policies and Practices

The Compensation Committee, with the assistance of management, has reviewed the Company's compensation policies and programs for all employees for the purpose of assessing the risks associated with compensation. After that review, the Compensation Committee determined that the Company's compensation policies and programs do not create risks that are reasonably likely to have a material adverse effect on the Company.

Compensation Committee Interlocks and Insider Participation

During 2011, the Compensation Committee was composed of Mr. Harris, Chairman, Mr. Dodge and Mr. Miller. None of the Company's executive officers served during the year ended December 31, 2011 as a director or member of the compensation committee (or other committee serving an equivalent function) of any other entity whose executive officers served on our Board of Directors or Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than 10% of the Company's common stock to file reports of ownership and changes in ownership with the SEC. These persons are required to provide us with copies of all Section 16(a) reports that they file. Based solely upon a review these reports and written representations from our directors and executive officers, we believe that our directors, executive officers and 10% owners, other than DTHC, complied with all Section 16(a) filing requirements applicable to them during the year ended December 31, 2011.

Preferred Stock

This section describes the general terms and provisions of our preferred stock. A certificate of designation that contains the terms of each class or series of preferred stock has been filed with the State of Minnesota and the SEC each time we issued a new class or series of preferred stock. Each certificate of designation establishes the number of shares included in a designated class or series and fixes the designation, powers, privileges, preferences and rights of the shares of each class or series as well as any applicable qualifications, limitations or restrictions.

Our Board of Directors has been authorized to provide for the issuance of various series of preferred stock without the approval of shareholders. With respect to each class or series of our preferred stock, our Board of Directors has the authority to fix the following terms, among others:

- the designation of the series;
- the number of shares within the series;
- whether dividends are cumulative and, if cumulative, the dates from which dividends are cumulative;
- the rate of any dividends, any conditions upon which dividends are payable, and the dates of payment of dividends;
- whether interests in the shares of preferred stock will be represented by depositary shares;
- whether the shares are redeemable, the redemption price and the terms of redemption;
- the amount payable for each share if we dissolve or liquidate;
- whether the shares are convertible or exchangeable, the price or rate of conversion or exchange, and the applicable terms and conditions;
- any restrictions on issuance of shares in the same series or any other series;
- voting rights applicable to the series of preferred stock; and
- any other rights, priorities, preferences, restrictions or limitations of such series.

Holders of shares of preferred stock will be subordinate to the rights of our general creditors. Shares of our preferred stock that we issue in accordance with their terms will be fully paid and non-accessible, and will not be entitled to preemptive rights unless specified in the applicable certificate of designation.

The following chart summarizes certain terms of our outstanding preferred stock as of August 3, 2012. The certificate of designation for each series should be carefully reviewed to determine exact rights and preferences of each class (in thousands, except share and liquidation preference amounts).

Class/ Series	Date of Issuance	Shares Outstanding (1)	Annual Dividend Rate	Number of shares issued upon conversion (2)	Total Number of Shares Issuable Upon Conversion	Liquidation Preference	Redeemable by Company
A	12/98	12,696	8% payable quarterly	1 shares	12,696	\$133,308	Yes (3)
C	6/00	109,000	10% payable quarterly	.40 shares	43,600	1,090,000	Yes (4)

Edgar Filing: MULTIBAND CORP - Form DEF 14A

F	6/04	150,000	10% payable quarterly	1 shares	150,000	1,500,000	Yes (4)
G	9/04	10,000	8% payable quarterly	1.25 shares	12,500	100,000	—
		281,696			218,796		

(1) All preferred stock is non-voting.

(2) Preferred shares are convertible at any time. Figures are adjusted for a 1-for-5 reverse stock split of the Company's common stock, effective August 7, 2007.

(3) Redeemable at \$10.50 per share in accordance with the terms and conditions of the preferred stock certificate of designation.

(4) Redeemable at \$10.00 per share whenever the Company's common stock price exceeds certain defined criteria and other terms and conditions of the preferred stock certificate of designation.

Class G has no redemption "call" price. Upon Multiband's call for redemption, the holders of the preferred stock called for redemption will have the option to convert each share of preferred stock into shares of common stock until the close of business on the date fixed for redemption, unless extended by Multiband in its sole discretion. Preferred stock not converted would be redeemed.

Our ability to issue preferred stock, or rights to purchase such shares, could discourage an unsolicited acquisition proposal. For example, we could impede a business combination by issuing a series of preferred stock containing, among other rights and preferences, class voting rights that would enable the holders of such preferred stock to block a business combination transaction. Alternatively, we could facilitate a business combination transaction by issuing a series of preferred stock having sufficient voting rights to provide a required percentage vote of the shareholders. Additionally, under certain circumstances, our issuance of preferred stock could adversely affect the voting power of the holders of our common stock. Although our Board of Directors is required to make any determination to issue any preferred stock based on its judgment as to the best interests of our shareholders, our Board of Directors could act in a manner that would discourage an acquisition attempt or other transaction that some, or a majority, of our shareholders might believe to be in their best interests or in which shareholders might receive a premium for their stock over prevailing market prices of such stock. Our Board of Directors does not at present intend to seek stockholder approval prior to any issuance of currently authorized stock, unless otherwise required by law or applicable stock exchange requirements.

The Company's Audit committee consists of Frank Bennett, Eugene Harris and Donald Miller. All three are considered audit committee financial experts independent from management. The Company's current audit committee charter is incorporated by reference to Exhibit 3.5 to the Company's Registration Statement on 8-K, filed June 9, 2004. The audit committee is responsible for engaging the independent registered public accounting firm and fees related to their services.

The policy of the Company's audit committee is to review and pre-approve both audit and non-audit services to be provided by the independent registered public accounting firm (other than with *de minimis* exceptions permitted by the Sarbanes-Oxley Act of 2002). This duty may be delegated to one or more designated members of the audit committee with such approval reported to the committee at its next regularly scheduled meeting. Approval of non-audit services shall be disclosed to investors in periodic reports required by section 13(a) of the Securities Exchange Act of 1934. Board Voting Recommendation

The Board recommends that shareholders vote **FOR** the proposals to ratify the appointment of Baker Tilly Virchow Krause, LLP and Ernst & Young, LLP, as our independent registered public accounting firm for the years ended December 31, 2011 and December 31, 2012, respectively.

Although ratification is not required pursuant to our By-Laws or otherwise, the Board is submitting the selections of Baker Tilly Virchow Krause, LLP and Ernst & Young, LLP, to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm. If the appointment of either Baker Tilly Virchow Krause LLP or Ernst & Young, LLP, were not to be ratified by the shareholders, the Audit Committee would not be required to appoint another independent registered public accounting firm, but would give consideration to an unfavorable vote. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.
