Item 1.01. Entry into a Material Definitive Agreement.

On July 23, 2013, in connection with a previously announced public offering, WhiteHorse Finance, Inc. (the “Company”) issued \$30 million aggregate principal amount of 6.50% Senior Notes due 2020 (the “Notes”). The Notes were issued pursuant to an indenture, dated as of July 23, 2013 (the “Indenture”), between the Company and American Stock Transfer & Trust Company, LLC, trustee (the “Trustee”).

The Notes mature on July 31, 2020 and may be redeemed in whole or in part at the Company’s option at any time or from time to time on or after July 31, 2016, upon not less than 30 days’ nor more than 60 days’ written notice by mail prior to the date fixed for redemption thereof, at a redemption price of \$25 per Note plus accrued and unpaid interest payments otherwise payable for the then-current quarterly interest period accrued to but not including the date fixed for redemption. The interest rate of the Notes is 6.50% per year, and interest will be paid every March 31, June 30, September 30 and December 31, commencing September 30, 2013.

The Notes will be the Company’s direct senior unsecured obligations and will rank senior in right of payment to any of the Company’s existing and future obligations that are, by their terms, expressly subordinated in right of payment to the Notes, including the Company’s unsecured term loan, and will rank equally in right of payment with the Company’s other outstanding and future senior unsecured, unsubordinated indebtedness. The Notes will effectively rank behind all of the Company’s existing and future secured indebtedness (including indebtedness that is initially unsecured in respect of which the Company subsequently grants security) in right of payment, to the extent of the value of the assets securing such indebtedness, including the Company’s secured revolving credit facility, and are structurally subordinated to any existing and future indebtedness of any of the Company’s subsidiaries, financing vehicles or similar entities.

The Indenture contains certain covenants, including covenants requiring the Company to comply with (regardless of whether it is subject to) the asset coverage requirements set forth in Section 18(a)(1)(A), as modified by Section 61(a)(1), of the Investment Company Act of 1940, as amended, each as in effect from time to time, and to provide certain financial statements to the holders of the Notes and the Trustee if the Company should no longer be subject to the reporting requirements of Sections 13 or 15(d) of the Securities Exchange Act of 1934, as amended. These covenants are subject to important limitations and exceptions that are described in the Indenture. The Indenture provides for customary events of default.

The foregoing descriptions of the Indenture and the Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Indenture and the Notes, respectively, each filed as exhibits hereto and incorporated by reference herein.
