Item 1.01 Entry into a Material Definitive Agreement.

The information set forth below under “Item 2.01 Completion of Acquisition or Disposition of Assets” is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On May 16, 2014 (the “Closing Date”), Senesco Technologies, Inc., a Delaware corporation (the “Company”) acquired Fabrus, Inc., a Delaware corporation (“Fabrus”), pursuant to that certain Agreement and Plan of Merger and Reorganization (the “Merger Agreement”), dated as of the Closing Date, by and among the Company, Senesco Fab Acquisition Corporation, a Delaware corporation and wholly-owned subsidiary of the Company (“Merger Sub”). Fabrus, a privately-owned biotechnology company headquartered in La Jolla, California, has developed an advanced platform for therapeutic antibody discovery and development.

Pursuant to the terms of the Merger Agreement, at the effective time of the merger (the “Merger”), Merger Sub merged with and into Fabrus, with Fabrus surviving the merger as a wholly-owned subsidiary of the Company. In accordance with the terms of the Merger Agreement, at the effective time of the Merger, each issued and outstanding share of common stock of Merger Sub was automatically converted into one share of common stock of the surviving company and each issued and outstanding share of common stock of Fabrus was cancelled and automatically converted into the right to receive a pro rata portion of the transaction consideration.

The aggregate amount to be paid by the Company to stockholders of Fabrus in connection with the transactions contemplated by the Merger Agreement (the “transaction consideration”) consists of: (i) 6,905,201 shares (the “Shares”) of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), (ii) warrants to purchase 1,630,030 shares of Common Stock with an exercise price of \$3 per share and an expiration date of June 16, 2014 (the “Series FA Warrants”), (iii) warrants to purchase 53,368 shares of Common Stock with an exercise price of \$4 per share and an expiration date of June 16, 2014 (the “Series FB Warrants”), (iv) warrants to purchase 1,800,033 shares of Common Stock with an exercise price of \$4 per share and an expiration date of December 16, 2016 (the “Series FC Warrants”), (v) warrants to purchase 5,002 shares of Common Stock with an exercise price of \$2 per share and an expiration date of September 30, 2016 (the “Series FD Warrants”) and (vi) warrants to purchase 90,048 shares of Common Stock with an exercise price of \$2 per share and an expiration date of May 16, 2019 (the “Series FE Warrants”, and collectively with the Series FA Warrants, Series FB Warrants, Series FC Warrants and Series FD Warrants, the “Warrants”).

The Merger Agreement contains customary representations and warranties from the Company and Fabrus, and also contains customary covenants of the parties.

Each Fabrus option outstanding immediately prior to the Merger, whether or not then vested or exercisable (the “Fabrus Options”), was, by virtue of the Merger, automatically accelerated and cancelled and the holders of such cancelled options will be issued, following the Effective Time, options to purchase Common Stock having substantially similar terms as those Fabrus options that were cancelled (the “Replacement Options”). The number of Replacement Options granted was determined by multiplying the number of outstanding Fabrus Options by an exchange ratio set forth in the Merger Agreement. The exercise price of the Replacement Options is the closing price of Senesco’s common stock on the Closing Date.

- 2 -

The transaction consideration was issued pursuant to an exemption from registration provided under Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"). The issuance of the securities described herein was a privately negotiated transaction with Fabrus and did not involve a general solicitation. The Shares, the Warrants and the certificates representing the shares of Common Stock issuable upon exercise of the Warrants will contain a legend to the effect that such shares are not registered under the Securities Act and may not be sold or transferred except pursuant to a registration statement that has become effective under the Securities Act or pursuant to an exemption from such registration.

A copy of the Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement.

The forms of the Warrants are filed as exhibits to this Current Report on Form 8-K and are incorporated herein by reference. The foregoing is only a brief description of the material terms of the Warrants, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the exhibits.

The Merger Agreement has been included solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about the Company, Fabrus or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement are made only for purposes of such agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Fabrus or their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth in Items 1.01 and 2.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Such resignations were not a result of any disagreement with the Company relating to the Company's operations, policies or practices.

Additionally, upon the closing of the Merger, on the Closing Date, pursuant to the terms of the Merger Agreement, Vaughn Smider, M.D., Ph.D., Phillip Frost, M.D., and Steven Rubin were appointed by the Board to serve as members of the Board until the next annual meeting of the Company and until their successors are duly elected and qualified, or their earlier removal or resignation. On February 21, 2014, in connection with an amendment of the Series B warrants issued in the December 2013 Financing, the Series B warrants held by the Frost Trust were amended and restated to, among other things, lower the exercise price and shorten the exercise period of the warrants. Following such amendment, the amended Series B warrants held by the Frost Trust were exercised for aggregate proceeds to the Company of \$666,666. Dr. Frost was not a related person of the Company at the time the transactions described above were consummated.
