On August 20, 2015, the Board of Directors of Lydall, Inc. (“Lydall” or the “Company”) appointed Scott M. Deakin to the position of Executive Vice President and Chief Financial Officer of the Company, effective as of September 8, 2015.

Mr. Deakin, age 49, will be leaving his position as the Executive Vice President and Chief Financial Officer of Ensign-Bickford Industries, Inc., a diversified global manufacturer with operating segments that serve the aerospace & defense, life sciences, specialty chemicals and food & flavoring industries. Mr. Deakin joined Ensign-Bickford in November 2009. From May 2007 to February 2009, Mr. Deakin was the Senior Vice President, Corporate Development of Barnes Group Inc., a multi-billion dollar, international diversified industrial manufacturer of aerospace and industrial components. Prior to joining Barnes, from November 1995 to May 2007, Mr. Deakin held financial and divisional general manager leadership roles within Eaton Corporation, a Fortune 150 industrial manufacturer of transportation, electrical and fluid power components. In his last role at Eaton, Mr. Deakin served as the General Manager of the Power Products Division, a leading global supplier of hydraulic pumps and motors.

Mr. Deakin will be entitled to receive the following compensation and benefits from the Company: (i) an annual base salary of \$390,000; (ii) eligibility to participate in the Company’s Annual Incentive Performance Program at 60% of his actual paid base salary in accordance with the terms and conditions of the program; (iii) a sign-on bonus of \$216,000; (iv) the grant of a time-based restricted stock award covering 15,000 shares of the Company’s common stock, vesting in three equal annual installments starting on the first anniversary of the date of grant; (v) a monthly car allowance of \$1,200; and (vi) other benefits received by similarly situated employees. The time-based restricted stock award is expected to be granted on September 8, 2015.

In connection with his appointment, the Company and Mr. Deakin will enter into an agreement, effective September 8, 2015 (in substantially the form provided to the Company’s other executive officers), specifying the termination benefits to which Mr. Deakin will be entitled in the event that his employment is terminated by the Company without cause. These termination benefits include one year of salary, bonus (calculated as the average over three prior years) and reimbursement of health insurance premiums. If the termination occurs within 18 months following a change in control, or if Mr. Deakin terminates his employment for good reason (as defined in the agreement) within 18 months following a change in control, his termination benefits will be increased to two years of salary, bonus and reimbursement of health insurance premiums, plus accelerated vesting of his equity awards and a prorated portion of his cash target bonus for the year of termination. The Company’s obligation to provide these termination benefits to Mr. Deakin is subject to his execution without revocation of a valid release in substantially the form attached to the agreement. A copy of the agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K.

There are no arrangements or understandings between Mr. Deakin and any other person pursuant to which he was appointed to his positions, and Mr. Deakin is not related to any executive officer or director of the Company.
