NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

U.S. DOLLARS

NOTE 1:- GENERAL

- a. Zone4Play Inc. ("the Company") was incorporated under the laws of the State of Nevada on April 23, 2002 as Old Goat Enterprises, Inc. On February 1, 2004, the Company acquired Zone4Play, Inc. ("Zone4Play (Delaware)") (see b. below), which was incorporated under the laws of the State of Delaware on April 2, 2001, and subsequently changed the Company's name to Zone4Play, Inc., a Nevada corporation. The Company develops and markets interactive games applications for Internet, portable devices and interactive TV platforms.

The Company conducts its operations and business with and through its wholly-owned subsidiaries, (1) Zone4Play (Delaware), (2) Zone4Play Limited, an Israeli corporation incorporated in July 2001, which is engaged in research and development and marketing of the applications, (3) Zone4Play (UK) Limited, a United Kingdom corporation, incorporated in November 2002, which is engaged in marketing of the applications, (4) MixTV Ltd., an Israeli corporation which develops and markets

Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

participation TV games applications, and (5) Gaming Ventures Plc ("GV") , a company incorporated in the Isle of Man.

On July 11, 2006, the Company formed GV. GV conducts its operations and business with and through its wholly-owned subsidiaries: RNG Gaming Limited ("RNG"), an Isle of Man corporation incorporated on July 12, 2006 which is engaged in development of its software and licensing it to third parties, and Get21 Limited ("Get21"), an Isle of Man corporation incorporated on July 12, 2006 which is engaged in providing marketing services of gaming applications.

According to an agreement dated July 12, 2006 between GV and Zone4Play (Delaware), GV purchased from Zone4Play (Delaware) all right, title, and interest in its Intellectual Property Rights and assets related to its Black Jack business ("BJ Business") on a "Going concern" and "As is" basis, in exchange for a promissory note in the principal amount of \$2.25 million. The valuation was based on an appraisal report made by an independent appraiser. This Promissory Note shall be in effect for five years (60 months). Principal shall be paid in five (5) equal annual installments of \$450,000 each and will carry interest of \$US Libor +1.5% per annum.

The Company's shares of common stock are currently traded on the OTC Bulletin Board under the trading symbol "ZFPI.OB."

- b. According to the agreement between the Company and Zone4Play (Delaware), the Company issued 10,426,190 shares of common stock to the former holders of equity interest in Zone4Play (Delaware). The acquisition has been accounted for as a reverse acquisition, whereby the Company was treated as the acquiree and Zone4Play (Delaware) as the acquirer, primarily because Zone4Play (Delaware) shareholders owned a majority, approximately 58% of the Company's common stock, upon completion of the acquisition. Immediately prior to the consummation of the transaction, the Company had no material assets and liabilities, hence the reverse acquisition is treated as a capital stock transaction in which Zone4Play (Delaware) is deemed to have issued the common stock held by the Company shareholders for the net assets of the Company. The historical financial statements of Zone4Play (Delaware) became the historical financial statements of the Company.

NOTE 5: RECENTLY ISSUED ACCOUNTING STANDARDS

In February 2006, the Financial Accounting Standard Board ("FASB") issued SFAS No. 155, "Accounting for Certain Hybrid Financial Instruments" ("FAS 155"), which amends SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("FAS 133") and SFAS No. 140, "Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities" ("FAS 140").

Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

FAS 155 provides guidance to simplify the accounting for certain hybrid instruments by permitting fair value remeasurement for any hybrid financial instrument that contains an embedded derivative, as well as clarifies that beneficial interests in securitized financial assets are subject to FAS 133. In addition, FAS 155 eliminates a restriction on the passive derivative instruments that a qualifying special-purpose entity may hold under FAS 140. FAS 155 is effective for all financial instruments acquired, issued or subject to a new basis occurring after the beginning of an entity's first fiscal year that begins after September 15, 2006. We believe that the adoption of this statement will not have a material effect on our financial condition or results of operations.

In March 2006, the FASB issued SFAS No. 156, "Accounting for Servicing of Financial Assets" ("FAS 156"), which amends SFAS No. 140. FAS 156 provides guidance addressing the recognition and measurement of separately recognized servicing assets and liabilities, common with mortgage securitization activities, and provides an approach to simplify efforts to obtain hedge accounting treatment. FAS 156 is effective for all separately recognized servicing assets and liabilities acquired or issued after the beginning of an entity's fiscal year that begins after September 15, 2006, with early adoption being permitted. We believe that the adoption of this statement will not have a material effect on our financial condition or results of operations.

In July 2006, the Financial Accounting Standards Board ("FASB") issued Interpretation No. 48 ("FIN No. 48") "Accounting for Uncertainty in Income Taxes - An Interpretation of FASB Statement No. 109." FIN No. 48 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in accordance with SFAS No. 109. FIN No. 48 also prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FIN No. 48 also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The provisions of FIN No. 48 are effective for fiscal years beginning after December 15, 2006. We believe that the adoption of this statement will not have a material effect on our financial condition or results of operations.

NOTE 5: RECENTLY ISSUED ACCOUNTING STANDARDS (CONT)

In September 2006, the SEC issued Staff Accounting Bulletin (SAB) No. 108 "Quantifying Financial Misstatements" which expresses the Staff's views regarding the process of quantifying financial statement misstatements. Registrants are required to quantify the impact of correcting all misstatements, including both the carryover and reversing effects of prior year misstatements, on the current year financial statements. The techniques most commonly used in practice to accumulate and quantify misstatements are generally referred to as the "rollover" (current year income statement perspective) and "iron curtain" (year-end balance sheet perspective) approaches. The financial statements would require adjustment when either approach results in quantifying a misstatement that is material, after considering all relevant quantitative and qualitative factors. This bulletin is effective for financial statements for the first fiscal year ending after November 15, 2006. We believe that the adoption of this

Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

statement will not have a material effect on our financial condition or results of operations.

In September 2006, the FASB issued SFAS No. 157 "Fair Value Measurements," ("SFAS 157") which provides a definition of fair value, establishes a framework for measuring fair value and requires expanded disclosures about fair value measurements. SFAS . 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007 and interim periods within those fiscal years. The provisions of SFAS 157 should be applied prospectively. We are currently assessing the potential impact of SFAS 157 on our financial condition and results of operations.

OVERVIEW

Our financial statements are stated in United States Dollars (US\$) and are prepared in accordance with United States Generally Accepted Accounting Principles.

You should read the following discussion of our financial condition and results of operations together with the unaudited financial statements and the notes to unaudited financial statements included elsewhere in this report.

COMPANY HISTORY

We are a Nevada corporation, but we conduct our operations through our wholly owned subsidiaries, Zone4Play (Israel) Ltd., an Israeli corporation incorporated in July 2001, Zone4Play (UK) Limited, a United Kingdom corporation incorporated in November 2002, and Zone 4 Play, Inc., a Delaware Corporation ("Zone4Play Delaware"). On April 27, 2005, pursuant to an agreement with NetFun Ltd., we increased our ownership percentage of the issued and outstanding share capital of MixTV Ltd. from 50.1% to 100%. On July 11, 2006, we formed a wholly owned subsidiary in the Isle of Man, named Gaming Ventures plc ("Gaming"). Gaming has two wholly owned subsidiaries, RNG Gaming Limited ("RNG") and Get21 Limited ("Get21"), both of which are Isle of Man companies.

On July 12, 2006, Zone4Play Delaware and Gaming entered into an agreement under which our wholly owned subsidiary Gaming purchased from Zone4Play Delaware all right, title and interest in its intellectual property rights and assets related to its newly developed multi-player tournament blackjack software ("Blackjack Software") on a "going concern" and "as is" basis, in exchange for a secured promissory note in the principal amount of \$2.25 million. The purchase price was based on an appraisal report made by an independent appraiser. This promissory note has a term of five years. Principal is payable in five equal annual installments of \$450,000 and will carry annual interest of Libor +1.5%. On July 17, 2006, Gaming entered into an agreement with RNG under which Gaming assigned all of its rights in the Blackjack Software to RNG in consideration for all outstanding and issued ordinary shares of RNG. The purpose of RNG is to exploit the Blackjack Software and related intellectual property and further develop this software and potentially other gaming software. RNG is expected to license its software to third parties in exchange for revenue shares and license fees.

- 16 -

Our other indirect subsidiary, Get21, will provide marketing services related to the Blackjack Software business and potentially other games. Get21 seeks to outsource to a third party the full operation of the service which includes payment, processing, customer support, fraud and collusion prevention and other services.

On September 14, 2006, Gaming, RNG, and Golden Palace Limited ("Golden Palace"), entered into an agreement under which Golden Palace has agreed to invest \$600,000 in RNG in return for 20% of the ordinary shares of RNG. Pursuant to terms of this agreement, Golden Palace has an option to acquire an additional 30% of the ordinary shares of RNG (but not more than 50% of RNG or more than the amount owned by Gaming) at a price of \$180,000 per each additional percentage

Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

interest of the ordinary shares of RNG. Such option can be exercised by Golden Palace during a period commencing on the date of the agreement and terminating upon the earliest of: (1) the date which is 15 months from the date of the agreement; (2) RNG becoming a public company; or (3) completion by RNG of a private placement of not less than \$4,000,000 by third parties, at a price representing a valuation of at least \$18,000,000.

Concurrently, Gaming, RNG and Golden Palace entered into a shareholders agreement under which Golden Palace has a right to appoint one of RNG's 4 directors (as long as Golden Palace owns 20% of RNG) and we have a right to appoint the 3 other directors. Upon Golden Palace becoming an owner of 50% of RNG, it will have the right to appoint an equal number of directors to the number we are entitled to appoint.

On October 31, 2006, RNG and Golden Palace entered into a software license agreement under which RNG has granted Golden Palace a non transferable, limited license to use, perform, present and operate RNG's Blackjack Software for the purpose of displaying, managing and operating online gaming according to the terms and conditions of the agreement. In return, Golden Palace has agreed to pay RNG a total of \$1,000,000 in license fees, integration costs, technical support fees and advanced royalty fees, as well as additional royalty fees equal to 15% of the fees charged by Golden Palace from players who participate in the blackjack game. According to the terms of the agreement, the Blackjack Software shall not be used in the U.S. and or offered for use to U.S. residents, and Golden Palace has agreed to take certain actions to ensure that the Blackjack Software is unavailable for U.S. residents.

On November 9, 2006, Get21 and Golden Palace entered into a sublicense and software agreement under which Golden Palace granted Get21 a world wide, non exclusive, non transferable sublicense to user interface portion of the multiplayer blackjack and poker gaming software ("Player Software") and to grant players the right to use the Player Software. According to the terms of the agreement, Get21 shall be responsible for performing all marketing and promotional functions with respect to bringing players through the URL web address www.get21.com and www.get21poker.com ("URL") to online gaming multiplayer blackjack and poker rooms ("Gamerooms") which are operated by Golden Palace. Get21 and Golden Palace shall share the revenues generated from players who played in the Gamerooms through the URL according to the terms specified in the agreement.

On August 4, 2006, Gaming filed with the Securities and Exchange Commission ("SEC") a registration statement on Form 20-F, which is now effective. As a result, Gaming is now a separate reporting entity with the SEC that has the reporting obligations of a foreign private issuer, despite it being our wholly owned subsidiary. As disclosed in our Current Report on Form 8-K filed with the SEC on June 20, 2006, we intend to declare a dividend of Gaming's shares on a one-for-one pro rata basis to our shareholders as of a record date to be determined by our Board of Directors. Our shares of common stock are currently traded on the OTC Bulletin Board under the trading symbol "ZFPI.OB".

OUR BUSINESS

We are a software and technology developer and provider to companies that service the interactive gaming industry, delivering cross-platform systems that are built for mass participation gaming over mobile devices, TV and the internet. Our software provides and supports play-for-fun and play-for-real interactive games (currently such play-for-real gaming solutions are only

Edgar Filing: ZONE 4 PLAY INC - Form 10QSB

provided in the United Kingdom where fixed odds gaming are permitted by licensed bookmakers).

We offer five core solutions to companies that offer play-for-real gaming, namely:

- (i) Mobile gaming: the provision of services on mobile devices, including fixed odds games, multiplayer games, sports betting services, scratch cards and exchange betting.
- (ii) Interactive TV gaming: the provision of software and technology currently supporting fixed odds games.
- (iii) Participating TV gaming: the provision of services via the interaction of television broadcasts and mobile text messages, IVR (interactive voice response) lines or Java interaction.
- (iv) Online gaming: the provision of fixed odds and casino games over the internet.
- (v) Multiplayer blackjack tournaments: 24/7 availability of variety of blackjack tournaments games based on a peer-to-peer technology allowing users to compete against each other and not against the "house".

We also offer games for fun and skills games: the provision of play-for-fun gaming alternatives on mobile, Interactive TV, participating TV and the internet.

Our customers include, bookmakers (Eurobet UK Limited, The Gaming Channel Limited, Two Way Media Limited), betting exchanges (Betfair, the Sporting Exchange Limited), cable and satellite television service providers (CSC Holdings Inc., RCN Telecom Services), mobile operators (O2 (online) Ltd.), internet service providers (Commonwealth Telephone Enterprises Inc. ("CTE")) hospitality service providers (LodgeNet Entertainment Corporation), and providers of interactive games on digital TV (NDS Ltd). Our technology allows our customers to generate additional revenue from their existing infrastructure and user base by allowing a subscriber to switch from one platform, such as Interactive TV, mobile, internet or participating TV to another platform using a single account with the same account balance and user information. In addition, our technology allows mobile service providers, TV broadcasters and channels to provide additional content, as well as an increased variety of services, to their customers.

We enter into license and/or revenue-sharing agreements with our customers under which the customers use our software and technology to offer games to their subscribers and pay us a fixed fee and/or a percentage of the net revenues generated from those games.

We devote substantially all of our efforts toward conducting research, development and marketing of our software. In the course of these activities, we have sustained operating losses and expect such losses to continue in the foreseeable future. To date, we have not generated sufficient revenues to achieve profitable operations or positive cash flow from operations. As of September 30, 2006, we had an accumulated deficit of \$12,259,703. We can give no assurance that profitable operations, if ever achieved, will be sustained on a continuing basis. During the nine months ended September 30, 2006, we derived approximately 82% of our revenues from three major customers.

Total revenues for the three months ended September 30, 2006 decreased by 43% to \$212,714 from \$374,451 for the three months ended September 30, 2005. All such revenues were from sales of software applications and distribution rights. The decrease in revenues is primarily attributable to licenses revenues to Cosmotrade Investment Ltd., and CTE that we had in the three months ended September 30, 2005, and a decrease in revenues from the Gaming Channel offset by new contract with Two Way TV Australia Limited and increase in revenue share from contracts with customers such as NDS Ltd., Cablevision, Two Way Media Limited and Winner.com (UK) Limited.

Cost of revenues for the three months ended September 30, 2006 increased by \$223 to \$95,527 from \$95,304 for the three months ended September 30, 2005. The cost of revenues is attributable primarily to amortization of the technology which was acquired in the end of April 2005 by acquiring the minority shares in our participation TV subsidiary, MixTV Ltd. and to server hosting expenses.

Research and development expenses for the three months ended September 30, 2006 increased by 35% to \$889,484 from \$657,487 for the three months ended September 30, 2005. CRITICAL ACCOUNTING POLICY

Effective January 1, 2006, the Company adopted the provisions of SFAS 123(R), which requires the Company to measure all employee stock-based compensation awards using a fair value method and record the related expense in the financial statements. OUTLOOK

We believe that our future success will depend upon our ability to enhance our existing products and solutions and introduce new commercially viable products and solutions addressing the demands of the evolving markets. As part of the product development process, we work closely with current and potential customers, distribution channels and leaders in our industry to identify market needs and define appropriate product specifications. Our current anticipated levels of revenue and cash flow are subject to many uncertainties and cannot be assured. In order to have sufficient cash to meet our anticipated requirements for the next twelve months, we may be dependent upon our ability to obtain additional financing. The inability to generate sufficient cash from operations or to obtain the required additional funds could require us to curtail operations.
