Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On November 20, 2015, 6D Global Technologies, Inc. (the “Company”) received a letter from The Nasdaq Listing Qualifications Staff (the “Staff”) stating that the Staff has determined that the Company’s common stock would be subject to suspension and then delisting from The Nasdaq Capital Market pursuant to the Staff’s discretionary authority under Listing Rule 5101, unless the Company timely requests a hearing before an independent Nasdaq Listing Qualifications Panel (the “Panel”). Trading of the Company’s common stock is expected to remain halted on The Nasdaq Capital Market pending the completion of the hearing process (trading has been halted since September 10, 2015).

The Staff’s decision is based largely on the Company’s past relationship with Benjamin Wey, who is currently facing criminal and civil charges. The Staff has also questioned whether the Company appropriately satisfied the initial listing shareholder and price requirements following its acquisition of Cleantech Innovations, Inc. in the fall of 2014.

The Company disagrees with the conclusions underlying the Staff’s determination and intends to timely request a hearing and present its case against delisting to the Panel. However, there can be no assurances that the Panel will grant the Company’s request for termination of the trading halt and the continuation of the listing of its common stock on The Nasdaq Capital Market.
