Item 1.01 Entry into a Material Definitive Agreement

Item 2.03 Creation of a Direct Financial Obligation

Item 3.02 Unregistered Sales of Equity Securities

Closing on Private Placement. On April 14, 2009, we issued and sold an aggregate of \$300,000 principal amount secured promissory notes bearing interest at a rate of 10% per annum to “accredited investors,” as defined in regulations promulgated under the Securities Act of 1933, as amended. The promissory notes and accrued but unpaid interest thereon shall automatically convert into shares of our common stock on April 14, 2010 at a conversion price of \$0.070756456 per share, which is equal to a 20% discount to the average volume, weighted average price of our common stock for the ten trading days prior to issuance, and are convertible into shares of our common stock at the option of the noteholders at any time prior to such automatic conversion at a price equal to the greater of (i) 50% of the average price of our common stock for the ten trading days prior to the date of the notice of conversion and (ii) the automatic conversion price. In addition, any time prior to conversion, we have the irrevocable right to repay the unpaid principal and accrued but unpaid interest under the promissory notes on three days written notice (during which period the holders can elect to convert the promissory notes). The promissory notes bear interest at the rate of 10% per annum and are due and payable in full on April 14, 2010. Until the principal and accrued but unpaid interest under the promissory notes are paid in full, or converted into shares of our common stock, the promissory notes will be secured by a security interest in all of our assets.

We claim an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), for the private placement of the promissory notes pursuant to Section 4(2) of the Securities Act because each of the promissory notes was made in a sale by the issuer not involving a public offering.

Arjent Services LLC, a registered broker dealer firm (the “Placement Agent”), acted as our placement agent. In connection with the sale of the sale of promissory notes described above, we paid the Placement Agent commissions and discounts aggregating \$45,000. In addition, in connection with an engagement agreement dated February 20, 2009, pursuant to which the Placement Agent agreed to act as our placement agent to assist us in raising up to one and a half million dollars (\$1,500,000) through the issuance of convertible promissory notes in a private placement transaction, we issued to an affiliate of the Placement Agent a warrant to purchase two million (2,000,000) shares of our common stock at an exercise price equal to the closing price of our common stock on the date of the engagement agreement, or \$0.06, exercisable for a four year period commencing on February 20, 2010. There can be no assurances that the Placement Agent will be successful in raising additional capital.
