**PROXY STATEMENT FOR THE
2005 ANNUAL MEETING OF SHAREHOLDERS**

The Company's Board of Directors is furnishing you with this Proxy Statement to solicit proxies to be voted at the 2005 Annual Meeting of Shareholders. The Annual Meeting will be held at 10:00 a.m. on Wednesday, May 4, 2005 at Bank One Center, One Bank One Plaza, 10 S. Dearborn Street (Plaza Level), Chicago, Illinois 60670. The proxies also may be voted at any adjournments or postponements of the meeting.

The mailing address of our principal executive offices is One East Wacker Drive, Chicago, Illinois 60601. We began sending these proxy materials on or about March 28, 2005 to all shareholders entitled to vote at the 2005 Annual Meeting.

All properly executed proxy cards, and all properly completed proxies submitted by telephone or through the Internet, that are delivered in response to this solicitation will be voted at the Annual Meeting in accordance with the directions given in the proxy, unless the proxy is revoked before the meeting.

**QUESTIONS AND ANSWERS ABOUT
THE ANNUAL MEETING AND VOTING**

Proxy and Proxy Statement

What is a proxy?

A proxy is your legal appointment of another person to vote the stock you own. That other person is called a proxy. If you appoint someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated the Company's Chairman and Chief Executive Officer, Richard C. Vie, and the Company's Executive Vice President and Chief Financial Officer, Eric J. Draut, to act as proxies for the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares if you provide a proxy in the manner described in this Proxy Statement.

What is a Proxy Statement?

A Proxy Statement is a document that sets forth the information required by the federal securities laws and regulations administered by the Securities and Exchange Commission (SEC) which is intended to allow you to vote on an informed basis at the Annual Meeting.

Voting and Record Date

What am I being asked to vote on?

The following two proposals will be voted on at the Annual Meeting:

1. Election of Directors (See pages 13 15 for a list of the Director Nominees); and

Table of Contents

2. Approval of the 2005 Restricted Stock and Restricted Stock Unit Plan.

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote *FOR* each of the nominees to the Board and *FOR* approval of the 2005 Restricted Stock and Restricted Stock Unit Plan.

Who can vote?

You are entitled to vote at the Annual Meeting if you owned Unitrin common stock at the close of business on March 14, 2005. This date is called the record date.

How many shares of Unitrin stock are eligible to be voted at the Annual Meeting?

At the close of business on the record date of March 14, 2005, there were 68,997,446 shares of Unitrin common stock issued and outstanding. Accordingly, 68,997,446 shares of Unitrin common stock are eligible to be voted at the Annual Meeting. Unitrin had no other voting securities outstanding on March 14, 2005.

How many votes do I have?

Each share of Unitrin common stock that you owned on the record date entitles you to one vote. Your proxy card indicates the number of shares of Unitrin common stock that you owned on March 14, 2005 which are eligible to be voted at the Annual Meeting.

How do I vote in person?

If you owned Unitrin common stock in your own name on March 14, 2005, your name will appear on the list of record shareholders of the Company and, if you wish to attend in person, you will be admitted to the Annual Meeting and may vote by written ballot or by delivering a signed proxy card. However, if your shares are held in the name of a broker, bank or other institution, you must present written evidence at the Annual Meeting from the institution indicating that you were the beneficial owner of the shares on March 14, 2005 and that you have been authorized by

that institution to vote your shares in person. This written evidence is generally called a *Legal Proxy* and should be submitted to the Company's Secretary, Scott Renwick, prior to the commencement of the Annual Meeting.

How do I give a proxy to vote my shares?

How you give a proxy to vote your shares depends on whether you hold your shares of Unitrin common stock (i) as a *shareholder of record* or (ii) in *street name* through an institution, such as a stock brokerage firm or bank. The shares of a *shareholder of record* are registered with the Company's transfer agent, Wachovia Bank, N.A., in the *shareholder's* own name. Shares held in *street name* are registered with the Company's transfer agent in the name of the stock brokerage firm or other institution (or the name of its nominee), but not in the

Table of Contents

shareholder's own name. In this case, the institution maintains its own internal records showing the shareholder as the actual beneficial owner of the shares.

Shareholders of record: If you hold your shares of Unitrin common stock as a shareholder of record (or through the Company's employee 401(k) savings plan), you may give a proxy to vote your shares by one of the following methods:

Complete, sign and date the enclosed proxy card and return it no later than the commencement of the Annual Meeting in the postage-paid envelope provided;

Call the toll-free telephone number on the proxy card and follow the recorded instructions no later than 3:00 p.m. Eastern Daylight Saving Time on Tuesday, May 3, 2005;

Access the proxy voting website identified on the proxy card and follow the instructions no later than 3:00 p.m. Eastern Daylight Saving Time on Tuesday, May 3, 2005; or

Attend the Annual Meeting in person and deliver a signed proxy or ballot to one of the ushers when requested to do so.

The telephone and internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders who wish to give proxy voting instructions over the Internet should be aware that there may be costs associated with electronic access, such as usage charges from internet service providers and telephone companies. In addition, in choosing among the available alternatives for proxy voting, shareholders should be aware that there may be some risk that a vote either by telephone or over the Internet might not be properly recorded or counted because of an unanticipated electronic malfunction. *As described above, please note that the ability of shareholders of record to submit voting instructions by telephone and over the Internet ends at 3:00 p.m. Eastern Daylight Saving Time on the day before the Annual Meeting.* The reason for this cut off is to allow for the timely assembly and tabulation of telephonic and internet voting instruction data.

Shares held in street name: If you hold your shares of Unitrin common stock in street name through an institution, the institution generally will supply you with its own form of proxy card requesting you to provide your voting instructions in writing or, in some cases, by telephone or over the Internet. Following its receipt of your voting instructions, the institution will be authorized to provide a proxy to the Company to vote your shares in accordance with your instructions.

How will my proxy be voted?

Edgar Filing: UNITRIN INC - Form DEF 14A

If you properly sign your proxy card and timely send it to Wachovia Bank, N.A., or timely deliver your voting instructions by telephone or the Internet, the individuals named on your proxy card (i.e. the designated proxies) will be authorized to vote your shares as you

Table of Contents

have directed. With respect to Proposal 1 regarding the election of directors, you are given the choice of voting for all nominees for director or withholding authority to vote for some or all nominees. With respect to Proposal 2, you are given the choice of voting *FOR* or *AGAINST*, or to *ABSTAIN* from voting.

If you sign the proxy card but do not make specific choices, the designated proxies will vote your shares as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote in favor of all of the nominees in Proposal 1, and in favor of Proposal 2.

What is the effect of marking the proxy card to withhold authority in the election of directors?

A proxy card that has been marked to withhold authority with respect to one or more nominees for director will be considered as part of the voting power present with respect to the election of directors and will have the effect of a vote against any such nominees.

What is the effect of marking the proxy card to abstain from voting on Proposal 2?

A proxy card marked *ABSTAIN* from voting on Proposal 2 will be treated as present for purposes of determining a quorum and counted as votes cast against the proposal.

What are broker non-votes and how might they affect voting?

Broker non-votes can occur in some instances when a stockbroker holding securities in street name for its customer does not receive voting instructions from the customer. In these cases, the applicable New York Stock Exchange rules (the Rules) governing stockbrokers allow brokers to exercise discretionary voting power with respect to some matters (called discretionary matters) but not others (called non-discretionary matters), depending on the subject matter of the proposal being voted upon. Under the Rules, Proposal 1 involves a discretionary matter for brokers, and a broker not receiving voting instructions from a customer generally will be free to cast a vote in its discretion as to this matter. Proposal 2 involves a non-discretionary matter under the Rules, and so a broker not receiving voting instructions from a customer on this matter may not vote in its discretion on Proposal 2. In such case, if a broker cannot use its discretion to vote a share, the resulting non-vote will be used to determine quorum only, and will have no other effect on voting.

How will voting on any other business be conducted?

The Company's management is aware of no business that may come before the Annual Meeting other than the voting on Proposals 1 and 2 as described in this Proxy Statement. However, if any other business should properly come before the Annual Meeting, your proxy card will authorize the persons named in the proxy to vote on any such matters in their discretion.

Table of Contents

May I revoke my proxy or change my voting instructions?

If you are a shareholder of record, you may revoke your proxy or change your voting instructions as follows:

Deliver to Wachovia Bank, N.A. another signed proxy card with a later date anytime prior to the commencement of the Annual Meeting;

Notify Unitrin's Secretary, Scott Renwick, in writing prior to the commencement of the Annual Meeting that you have revoked your proxy;

Call the toll-free telephone number on the proxy card and re-vote anytime prior to 3:00 p.m. Eastern Daylight Saving Time on Tuesday, May 3, 2005;

Access the proxy voting website identified on the proxy card and re-vote anytime prior to 3:00 p.m. Eastern Daylight Saving Time on Tuesday, May 3, 2005; or

Attend the Annual Meeting in person and deliver a new signed proxy or ballot to one of the ushers when requested to do so.

If you own your shares of Unitrin common stock in street name, you should contact your stockbroker or other institution holding your shares to determine the procedures, if any, for revoking or changing your voting instructions. Please refer to the discussion under the above question *How do I give a proxy to vote my shares?* regarding shareholders of record and shares held in street name.

If I plan to attend the Annual Meeting, should I give my proxy?

Whether or not you plan to attend the Annual Meeting, we urge you to give a proxy. Returning your proxy card or giving voting instructions by telephone or through the Internet will not affect your right to attend the Annual Meeting and vote in person. However, giving a proxy will ensure that your shares are represented at the Annual Meeting in the event that you are unable to attend.

What does it mean if I receive more than one proxy card?

If your Unitrin shares are held under different names or in more than one account, you will receive more than one proxy card. Each proxy card will indicate the number of shares you are entitled to vote on that particular proxy card.

Quorum and Required Vote

What is a quorum?

In order to conduct business at the Annual Meeting, a quorum must be present; that is, a majority of Unitrin's common stock outstanding as of the record date must be represented in person or by proxy at the Annual Meeting. If you properly submit a proxy, your shares covered by that proxy will be counted towards a quorum.

Table of Contents

How many votes are required to elect the Nominees for the Board of Directors?

If a quorum is present, directors are elected by the vote of the holders of a majority of the Company's outstanding stock having voting power present, in person or by proxy, at the Annual Meeting.

How many votes are required to approve Proposal 2?

If a quorum is present, the outcome of Proposal 2 will be determined by the vote of the holders of a majority of the Company's outstanding stock having voting power present, in person or by proxy, at the Annual Meeting.

Shareholder Proposals, Nominations and Communications

May a shareholder nominate someone at the Annual Meeting to be a director of Unitrin or bring any other business before the Annual Meeting?

The Company's Amended and Restated Bylaws (Bylaws) require advance notice to the Company if a shareholder intends to attend an annual meeting of shareholders in person and to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a shareholder of record within the time period established in the Bylaws and described in each year's proxy statement. The deadline for notices in relation to the 2005 Annual Meeting has expired and the Company did not receive any such notices during the prescribed notice period. Accordingly, no such director nominations or other business proposed from the floor of the 2005 Annual Meeting will be in order. The procedures for shareholder nominations and other proposals relating to the 2006 Annual Meeting are summarized below in the answers to the following two questions.

How can a shareholder nominate someone to be a director of Unitrin or bring any other business before the 2006 Annual Meeting?

In accordance with the advance notice requirements of the Bylaws described above, if a shareholder of record wishes to nominate directors or bring other business to be considered by shareholders at the 2006 Annual Meeting, such proposals must be made in writing to the Company no later than March 6, 2006 and no earlier than February 3, 2006. However, if the date of the 2006 Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from the anniversary date of the 2005 Annual Meeting (*i.e.*, May 4, 2006), then such nominations and proposals must be delivered in writing to the Company no earlier than 90 days prior to the 2006 Annual Meeting and no later than the close of business on the *later* of (i) the 60th day prior to the 2006 Annual Meeting, or (ii) the 10th day following the

day on which public announcement of the date of the 2006 Annual Meeting is first made.

All shareholder proposals and notices should be submitted to Scott Renwick, Secretary, Unitrin, Inc., One East Wacker Drive, Chicago, Illinois 60601.

Please note that these requirements relate only to matters intended to be proposed from the floor of the 2006 Annual Meeting. They are separate from certain SEC requirements

Table of Contents

which must be met in order to have shareholder proposals included in the Company's Proxy Statement, as described immediately below.

When are shareholder proposals due so that they may be included in Unitrin's Proxy Statement for the Annual Meeting of Shareholders to be held in 2006?

Pursuant to regulations of the SEC, shareholders who intend to submit proposals for inclusion in the Company's proxy materials for the 2006 Annual Meeting must do so no later than November 28, 2005. Certain other SEC requirements must also be met to have a shareholder proposal included in the Company's Proxy Statement. In addition, these requirements are independent of the advance notice requirements of the Company's Bylaws described immediately above. Under SEC rules in effect on the date of this Proxy Statement, shareholder nominations of persons for election to the Board of Directors are not eligible for inclusion in the Company's proxy materials. All shareholder proposals and notices should be submitted to Scott Renwick, Secretary, Unitrin, Inc., One East Wacker Drive, Chicago, Illinois 60601.

How may a shareholder communicate with the Board of Directors?

Shareholders may communicate with the Board of Directors by calling the Unitrin Corporate Responsibility Hotline at 888-217-7925 or submitting a report or inquiry online at www.tnwinc.com/webreport.

The Hotline is managed by an independent company, and reports can be made anonymously or confidentially. Communications addressed to the non-management directors as a group will be directed to the Chairman of the Nominating & Corporate Governance Committee.

Cost of Proxy Solicitation

What are the costs of soliciting these proxies and who pays them?

The Company has retained the services of W.F. Doring & Co., Inc. (Doring) to aid in the solicitation of proxies. Doring estimates that its fees and expenses for these services will not exceed \$15,000. The Company will bear the total expense of the solicitation which will include, in addition to the amounts paid to Doring, amounts paid to reimburse banks, brokerage firms and others for their expenses in forwarding solicitation material. Although the principal solicitation of proxies is being made by mail, additional proxy solicitation may be made through direct communication with certain shareholders or their representatives by directors, officers and employees of the Company

and its subsidiaries, who will receive no additional compensation for such solicitation.

Each of the directors then in office attended the 2004 Annual Meeting of Shareholders.

The non-management directors of the Board of Directors meet regularly in executive session. The Chairman of the Nominating & Corporate Governance Committee presides at these executive sessions.

Executive Committee May exercise all powers and authority of the Board of Directors in the management of the business of the Company except for certain powers which, under Delaware law, may be exercised only by the full Board of Directors.

The Nominating & Corporate Governance Committee is authorized to retain legal, accounting or other advisors, including search firms to identify director candidates.

REPORT OF THE AUDIT COMMITTEE

The Securities and Exchange Commission rules require the Company to include in its Proxy Statement a report of the Audit Committee of the Board of Directors. The following report concerns the Audit Committee and its activities regarding the Company's financial reporting and auditing processes.

The Audit Committee consists of the following members of the Company's Board of Directors: William E. Johnston, Jr. (Chairman), Donald V. Fites, Douglas G. Geoga, Reuben L. Hedlund, Wayne Kauth and Ann E. Ziegler.

The role of the Audit Committee is one of oversight, and does not include conducting audits or determining whether the financial statements are complete and accurate. The responsibility for the completeness and accuracy of the Company's financial statements and the assessment of the effectiveness of the Company's internal control over financial reporting rests with the Company's management. It is the responsibility of the Company's independent public accountant to perform an audit of, and to express an opinion on, whether the Company's annual financial statements are fairly presented in accordance with generally accepted accounting principles, the effectiveness of the Company's internal control over financial reporting, and management's assessment of the effectiveness of the Company's internal control over financial reporting. The responsibility of the Audit Committee is to review and monitor these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed with management and Deloitte & Touche LLP, the Company's independent public accountant for the fiscal year ended December 31, 2004, the Company's audited financial statements and the effectiveness of the Company's internal control over financial reporting. The Audit Committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, §AU 380). The Audit Committee has received from and discussed with Deloitte & Touche LLP its written disclosures and letter regarding its independence required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), has discussed with the firm its independence, and has verified with the firm its registration with the Public Company Accounting Oversight Board. The Audit Committee has considered whether the provision of any services by Deloitte & Touche LLP as described in this Proxy Statement is compatible with maintaining the independence of Deloitte & Touche LLP.

In reliance upon these reviews and discussions, and the report of the independent public accountant, the Audit Committee recommended to the Board of Directors that the Company s

The Audit Committee selected the registered public accounting firm of Deloitte & Touche LLP to serve as the independent public accountant to audit the Company's financial statements for 2005. Such representatives may make a statement if they desire to do so and will be available to respond to appropriate questions.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Company's Board of Directors consists of James E. Annable, Donald V. Fites, Douglas G. Geoga, William E. Johnston, Jr. and Wayne Kauth. None of these individuals is a current or former officer or employee of the Company or any of its subsidiaries.

As described elsewhere in this Proxy Statement, one of the Company's directors, Mr. Sarofim, is the Chairman of the Board, President, a director, and the majority shareholder of Faye Sarofim & Co. (FS&C), a registered investment advisory firm. Certain of the Company's insurance company subsidiaries and FS&C are parties to agreements under which FS&C provides investment management services to these subsidiaries. In addition, FS&C provides investment management services with respect to certain funds of the Company's pension plans. The agreements governing these arrangements are terminable by either party at any time on 30 days advance written notice.

Under these investment advisory arrangements, FS&C is entitled to a fee calculated and payable quarterly based upon the fair market value of the assets under management. At December 31, 2004, the Company's subsidiaries and the

Company's pension plans had approximately \$171.7 million and \$75.7 million, respectively, in assets with FS&C for investment management. During 2004, the Company's subsidiaries and the Company's pension plans paid \$0.6 million in the aggregate to FS&C.

Table of Contents

With respect to the Company's 401(k) Savings Plan, one of the alternative investment choices afforded to participating employees is the Dreyfus Appreciation Fund, an open-end, diversified management investment fund (the "Fund"). FS&C provides investment management services to the Fund as a sub-investment advisor. According to published reports filed by FS&C with the SEC, the Fund pays monthly fees to FS&C according to a graduated schedule computed at an annual rate based on the value of the Fund's average daily net assets. The Company does not compensate FS&C for services provided to the Fund. As of December 31, 2004, Company employees participating in the Company's 401(k) Savings Plan had allocated approximately \$26.9 million for investment in the Fund, representing approximately 12% of the total amount invested in the Company's 401(k) Savings Plan.

The Company believes that the transactions described above have been entered into on terms no less favorable than could have been negotiated with unrelated third parties.

REPORT OF THE COMPENSATION COMMITTEE

The Securities and Exchange Commission rules require the Company to include in its Proxy Statement a report of the Compensation Committee of the Board of Directors on executive compensation. The following report concerns the Compensation Committee's executive compensation policies and the bases for the 2004 compensation paid to the Company's executive officers, including its Chief Executive Officer.

The Compensation Committee oversees the Company's executive compensation program consistent with the long-standing Company philosophy that employees, including senior executives, should receive fair and competitive direct compensation, a reasonable package of employee benefits and few additional perquisites. The Company provides each executive officer with compensation consisting principally of cash salary and bonus intended to motivate and reward superior performance and stock options intended to align management incentives with shareholder interests. In reviewing the compensation provided to the Company's executive officers, the Compensation Committee considers the total value and cost to the Company of the cash and equity compensation provided.

In its review of the Company's compensation practices and philosophy, the Compensation Committee has considered the compensation practices of a peer group of similar-sized companies. The Compensation Committee has also reviewed the shareholder returns produced by the Company in comparison with similar companies. The Company's performance has been discussed in the context of the provision of effective incentives, their size, form, and target group, to encourage high performance. Particular attention has been paid to longer-term equity incentives. The Compensation Committee has reviewed the Company's option program and its success in encouraging share ownership by senior executives. The Compensation Committee has utilized the services of an independent consultant to provide information regarding peer companies and assistance in reviewing the Company's performance and its compensation practices and goals.

The Company does not provide its executive officers with employment contracts. The Company has entered individual severance agreements with the named executive officers

Table of Contents

which provide various severance benefits following termination of employment under specified circumstances following or in anticipation of a change in control. Such agreements are not employment contracts and do not provide for other compensation or severance under any other circumstances. The severance agreements are described in more detail in the Proxy Statement section captioned "Change of Control Arrangements" on page 36.

Cash compensation provided to the executive officers consists of base salary and bonuses, which may include performance-based or discretionary bonuses. Executive officers currently are eligible to receive stock options under the Unitrin, Inc. 1997 and 2002 Stock Option Plans. In addition, the Company's executive officers are eligible for employee benefits generally consistent with those provided to other full-time salaried employees.

Base salaries of the Company's executive officers depend on the Compensation Committee's subjective assessment of the individual officer's work performance with respect to such officer's normal job responsibilities. In its compensation deliberations for 2004, the Compensation Committee considered salary data for a group of insurance and diversified financial services companies. While the Compensation Committee noted this data in establishing the base salary compensation of the Company's Chief Executive Officer for 2004, such data was not determinative of his compensation, and the Compensation Committee did not target a specific level within the range of such data for his 2004 compensation. Similarly, such data was noted in establishing the compensation of the Company's other executive officers but was not determinative.

Based on attainment of designated corporate performance criteria, the Company's executive officers other than the principal accounting officer are eligible to receive cash bonuses under the terms of the Company's Incentive Bonus Plan ("Incentive Bonus Plan"). For 2004, the participating executive officers were eligible for cash bonuses of up to either 35% or 70% of their base salaries based on formulas which were adopted by the Compensation Committee at its February 2004 meeting and which related to growth in revenues and operating earnings of designated Company operating units. All bonuses shown in the Summary Compensation Table for 2004 are formula bonuses under the Incentive Bonus Plan, except that the 2004 bonus shown for Mr. Southwell includes a discretionary bonus of \$100,000.

The Compensation Committee endorses the concept that the interests of the executive officers are more closely aligned with those of the shareholders through the award of stock options. The number of stock options granted to executive officers, including the Chief Executive Officer, is determined by the Compensation Committee's subjective evaluation of the particular officer's ability to influence the long-term growth and profitability of the Company, given his particular job responsibilities. In light of the Chief Executive Officer's overall responsibility for the Company's operations and financial results, he would ordinarily be deemed to have the greatest ability to influence the long-term growth and profitability of the Company and would therefore generally receive a greater number of options than the other executive officers. In determining the number of stock options to grant a particular officer, the Compensation Committee also takes into account the number of options already held by such officer. While the Compensation Committee encourages long-term ownership of the Company's stock by the executive officers, it has no predetermined goal for a particular level

Table of Contents

of stock ownership by such officers. The Compensation Committee notes that the executive officers of the Company have maintained a significant level of equity ownership in the Company, and that such ownership is primarily attributable to the Company's stock option program.

Although the type and terms of options granted under these Plans may vary, each option granted by the Compensation Committee in 2004 was a non-qualified option with an exercise price equal to the fair market value of the Company's Common Stock on the date of grant, with a term of ten years, and which becomes exercisable in four equal annual installments beginning six months after the date of grant. In addition, each option grant in 2004 was accompanied by a tandem stock appreciation right which entitles the holder to surrender all or a portion of an unexercised vested option in exchange for shares of Common Stock having an aggregate value equal to the embedded gain in the surrendered option.

To the extent practicable and consistent with the objectives and underlying philosophy of the executive compensation program, the Compensation Committee intends executive compensation to be deductible for federal income tax purposes. Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to a public company for compensation in excess of \$1 million paid to its chief executive officer and any of its four other most highly compensated executive officers. Under Section 162(m) and the regulations and interpretations promulgated thereunder, certain performance-based compensation (Performance-Based Compensation) is specifically exempt from the deduction limit of Section 162(m). All outstanding stock options that have been granted to the Company's executive officers through the end of 2004 are exempt from Section 162(m) because they qualify as Performance-Based Compensation, and therefore are not subject to the deduction limit thereunder. The Incentive Bonus Plan was designed to qualify as a Performance-Based Compensation program under Section 162(m) in order to preserve the Company's federal income tax deduction for bonuses paid thereunder.

The Compensation Committee has reviewed the overall compensation programs of the Company, as well as the performance of the Company and the cash and equity compensation provided to the Company's executive officers. The Compensation Committee believes that the compensation provided to each of the executive officers is reasonable, competitive and consistent with the Company's compensation philosophy and objectives of incenting and rewarding superior performance and serving the best interests of shareholders.

(a) The Annual Compensation columns reflect all salary and bonus earned for the respective years, including any amounts deferred at the election of a named executive officer under the Company's Non-Qualified Deferred Compensation Plan (Deferred Compensation Plan). The Company does not fund or make profit-sharing or matching contributions under the Deferred Compensation Plan. Participants in the Deferred Compensation Plan have an unsecured contractual commitment by the Company to pay the amounts deferred in accordance with their elections under the plan.

(b) Cash bonuses are listed for the year earned, but in most cases are paid in the following year. All bonuses shown for 2004 are formula bonuses paid under the Incentive Bonus Plan, except that the

2004 bonus shown for Mr. Southwell includes a discretionary bonus of \$100,000. All bonuses shown for 2003 are formula bonuses paid under the 1998 Bonus Plan. No formula bonuses were paid under the 1998 Bonus Plan for 2002, except to Mr. Draut, whose annual bonus total for such year includes both formula and discretionary bonuses. Messrs. Vie, Southwell, Draut, Renwick and Konar received discretionary bonuses of \$50,000, \$75,000, \$60,000, \$40,000 and \$40,000, respectively, for 2002.

Table of Contents

- (c) All options reflected in this column were granted pursuant to the Unitrin, Inc. 1990, 1997 and 2002 Stock Option Plans and include automatic grants of restorative options and, in the case of grants made pursuant to the 2002 Stock Option Plan, tandem stock appreciation rights. (See footnote (a) to the table in the section captioned Equity Compensation Plan Information beginning on page 28, and footnote (a) to the table captioned Option/SAR Grants in 2004 Fiscal Year beginning on page 29.)
- (d) The amounts shown in this column represent Company matching contributions to the named executive officers accounts under the Company's 401(k) Savings Plan.

In 2002, 2003 and 2004, each named executive officer was eligible to receive a physical examination at the Company's cost, and to use the dining and meeting rooms of a private business club, the membership fees of which were paid by the Company. The highest annual total cost to the Company for these benefits was approximately \$2,000 per individual during these years. The named executive officers are provided with cell phones, computers, internet service and access lines and other electronic office equipment at the Company's cost to be used for Company business, which may be used incidentally for personal business at immaterial incremental cost to the Company.

The named executive officers are eligible for benefits under the Company's tax-qualified Pension Plan, as are all full-time salaried employees of the Company meeting age and service-based eligibility requirements. In addition, the named executive officers are eligible for benefits under a related, non-qualified supplemental executive pension plan. The Company does not make or allocate contributions to these pension plans on behalf of specific eligible participants. These pension benefits are described in more detail below under the heading Pension Plans beginning on page 35, including the table captioned Annual Pension Benefits 2005 Estimates .

Under plans that are available generally to all full-time salaried employees and which do not discriminate in scope, terms or operation in favor of executive officers, the named executive officers (i) receive at the Company's cost basic life and accident insurance coverage in an amount equal to the individual's annual base salary up to a maximum of \$400,000, business travel insurance in an amount based on the individual's annual base salary up to a maximum of \$200,000, and short term disability coverage for up to 26 weeks; and (ii) are eligible to participate in the Company's employee benefit plans which provide typical offerings such as health and dental insurance, health and dependent care reimbursement accounts, supplemental life, accident and disability insurance, as well as a 401(k) Savings Plan which includes a Company match feature.

The following table gives information about equity awards under the Company's above-mentioned stock option plans as of December 31, 2004:

- (a) The Company's stock option plans include provisions to automatically grant restorative stock options (Restorative Options) to replace shares of previously-owned Common Stock that an exercising option holder surrenders, either actually or constructively, in order to satisfy the exercise price and/or tax withholding obligations relating to the exercise. Restorative Options are subject to the same terms and conditions as the original options, including the expiration date, except that the exercise price of a Restorative Option is equal to the fair market value of Common Stock on the date of its grant. Restorative Options cannot be exercised until six months after the date of grant. The grant of a Restorative Option does not result in an increase in the total number of shares and options held by an option holder, but changes the mix of the two. A Restorative Option is intended to enable an option holder to remain in essentially the same economic position with respect to potential appreciation of the Common Stock as if he or she had continued to hold the original option unexercised. Each option granted under the 2002 Stock Option Plan, and each grant under the 1997 Stock Option Plan beginning in 2005, is coupled with a tandem stock appreciation right (SAR). A SAR entitles the holder to surrender all or a portion of an unexercised vested option in exchange for shares of Common Stock having an aggregate value equal to the embedded gain in the surrendered option.

- (a) Grants in this table marked with an asterisk represent awards made to the named executive officers by the Compensation Committee in 2004. Grants not so marked represent Restorative Options. All options granted in 2004 were non-qualified options for federal income tax purposes. All options granted to the named executive officers under the Unitrin, Inc. 1990, 1997 and 2002 Stock Option Plans include the right to receive Restorative Options in defined circumstances. All options granted under the 2002 Stock Option Plan also include tandem SARs. For further discussion of Restorative Options and SARs, please refer to footnote (a) of the table in the section captioned "Equity Compensation Plan Information" beginning on page 28.
- (b) Exercise prices were set in all cases at the fair market value of the Company's Common Stock on the date of grant.
- (c) The Black-Scholes option pricing model was used to estimate the fair value of each option/SAR on the grant date. The assumptions used in the pricing model were as follows: (i) the expected dividend yield used was

between 4.64% and 4.66% for 2004; (ii) the weighted-average expected volatility used was between 20.0% and 25.3% for 2004; (iii) the weighted-average risk-free interest rate used was the average yield on zero coupon U.S. Government securities with a maturity comparable to the expected life of each option; and (iv) the expected lives of the options ranged between 1 to 7 years. The Company's use of the Black-Scholes model should not be viewed as a forecast of the future performance of the Common Stock.

(See footnote (a) to the table in the section captioned "Equity Compensation Plan Information" beginning on page 28.) The actual net increase in the number of shares issued to these officers as a result of such transactions was as follows: Vie (101,429); Southwell (31,436); Draut (18,314); Renwick (8,090); and Konar (5,347).
- (b) Value Realized represents the difference between the exercise price of the shares acquired and the market price of such shares on the date or dates of exercise, without regard to any related tax obligations.
- (c) Value of Unexercised In-The-Money Options/SARs at FY-End is calculated by subtracting the applicable exercise price from \$45.45 (the closing price of the Common Stock on December 31, 2004) and multiplying the resulting difference by the number of shares covered by the options/SARs in question.

Table of Contents**Pension Plans**

The following table shows, for specified levels of average final compensation and years of credited service, the estimated annual benefits payable under the Company's tax-qualified pension plan (the "Pension Plan") and a related, non-qualified, supplemental executive pension plan (the "Supplemental Plan"). The Supplemental Plan provides benefits to eligible Company executives, including the named executive officers, to offset benefit reductions attributable to Internal Revenue Code limitations on: (i) the annual amount that may be paid to a participant from the Pension Plan; and (ii) the amount of a participant's annual compensation that may be used to calculate the benefits payable under the Pension Plan. For 2005, these limitations are \$170,000 and \$210,000, respectively.

The foregoing benefits are illustrated as straight-life annuities and are not subject to cost of living or other increases or to reductions for Social Security or other offsets. Average final compensation represents the average annual covered compensation (defined below) paid for the 60 consecutive months with the highest covered compensation in the 120-month period ending three months prior to retirement. These benefit estimates assume retirement in 2005 at age

65 or older.

The years of credited service in the Pension Plan as of December 31, 2004 for each of the Company's named executive officers are as follows: Mr. Vie (13); Mr. Southwell (8); Mr. Draut (13); Mr. Renwick (13); and Mr. Konar (13). Compensation covered by the

Table of Contents

Pension Plan is the participant's base salary and bonuses as defined in the Pension Plan, but does not include compensation attributable to the exercise of stock options. The covered compensation for the executive officers named in the Summary Compensation Table beginning on page 26 is the total of their salary and bonus amounts. For the named executive officers, all benefits payable in excess of the above-referenced Internal Revenue Code limitations on tax-qualified plan benefits are attributable to the Supplemental Plan.

Mr. Vie formerly participated in a defined benefit retirement plan sponsored by a subsidiary of the Company. His participation in that plan was suspended on January 1, 1992 and no further contributions will be made on his behalf; however, he will be entitled to benefits under the plan upon retirement based on contributions made through the end of 1991. If he were to retire at his current age of 67, Mr. Vie would receive annual benefits of \$20,971 under that plan.

Change of Control Arrangements

The Company has entered into individual severance agreements with the named executive officers (the Agreements). The Agreements provide various severance benefits to such officers in the event their employment is involuntarily terminated (other than for cause, disability or death) or voluntarily terminated, in either case within two years after a change of control. Such benefits are also payable to such officers in the event their employment is involuntarily terminated (other than for cause, disability or death) or voluntarily terminated for certain specified reasons, in either case in anticipation of a change of control. A change of control is deemed to occur if any person is or becomes, directly or indirectly, the beneficial owner of 25% or more of the voting power of the Common Stock, or the individuals who comprised the Company's Board of Directors on the date of the Agreement, or any of the individuals they nominate, cease to comprise a majority of the Board. Each named executive officer would be entitled under the Agreements to: (i) a lump sum severance payment based on a multiple (specified below) of his annualized salary; (ii) continuation for up to three years of the life and health insurance benefits that were being provided by the Company to such officer and his family immediately prior to termination; and (iii) outplacement services at the Company's expense for up to fifty-two weeks. The Agreements contain identical terms and conditions, except that the severance compensation multiple is 3.0 for Mr. Vie and 2.0 for the other named executive officers.

The Agreements are not employment contracts. Benefits payable are to be grossed-up to the extent that a recipient would be subject to an excise tax under Section 4999 of the Internal Revenue Code (including any interest or penalties imposed with respect to such tax) due to the receipt of such benefits or any other benefits that constitute excess parachute payments for purposes of Section 280G of the Internal Revenue Code. In determining whether there are excess parachute payments, consideration must be given to payments triggered by a change in the Company's control. Depending on what actions are taken by the Company's Board of Directors under the Company's stock option plans in connection with a change in control, certain amounts relating to nonqualified stock options would be factored into the determination regarding excess parachute payments. If severance benefits along with potential stock option amounts had become payable on December 31, 2004 as a result of a change of control on that date, no named executive officers would have received gross-ups for excess parachute payments.

PROPOSAL 2:

APPROVAL OF THE

2005 RESTRICTED STOCK AND RESTRICTED STOCK UNIT PLAN

Proposal

On March 2, 2005, upon the recommendation of the Compensation Committee and action of the Executive Committee, the Board of Directors adopted the 2005 Restricted Stock and Restricted Stock Unit Plan (the "Plan"), subject to approval by the Company's shareholders at the 2005 Annual Meeting. The following Plan description is only a summary. For a full description of the Plan, please see the copy of the Plan attached as Appendix B to this Proxy Statement.

The purpose of the Plan is to foster in employees an increased sense of proprietorship and personal involvement in the Company's success and to encourage them to devote their best efforts to the Company's business. The Plan also provides a means to attract able individuals to become employees of the Company. These goals are expected to advance the interests of the Company and its shareholders and to strengthen the concern of employees in the welfare of the Company.

Administration

The Plan is to be administered by the Compensation Committee of the Board of Directors, any subcommittee thereof, or any other committee designated by the Board of Directors to administer the Plan (the "Committee" or "Compensation Committee"). The Committee may delegate such administrative duties or powers as it may deem advisable to specified categories of individuals. The Board of Directors may by resolution authorize one or more officers of the Company, on the same basis as the Committee is so authorized, to designate Award recipients and to determine the size and terms and conditions of any such Awards, subject to limitations and conditions specified in the Plan.

General

Under the Plan, the Committee may grant shares of restricted stock and/or restricted stock units ("Awards") to participants at any time and in such amounts as it determines appropriate. The shares subject to Awards of restricted stock under the Plan ("Shares") are the Common Stock of the Company. Restricted stock units are similar to restricted

stock except that no Shares are actually awarded to the participant on the date of grant.

Each Award will be evidenced by an Award agreement that specifies the period of restriction, the number of Shares of restricted stock or the number of restricted stock units granted, and such other provisions as the Committee (or authorized officer) shall determine. The Committee (or authorized officer) may impose such other restrictions on any Awards as it (or such officer) deems advisable, including without limitation, time-based restrictions and/or restrictions under applicable laws or stock exchange requirements, Share holding requirements or sale restrictions upon vesting, a requirement that participants pay a stipulated purchase

Table of Contents

price for each Share of restricted stock or each restricted stock unit, restrictions based upon the achievement of specific performance goals, or time-based restrictions on vesting following the attainment of the performance goals.

Eligibility

Although the selection of actual Award recipients from among eligible individuals will be determined by discretion of the Committee (or authorized officers) from time to time, the eligible participants of the Plan are the employees of the Company and its subsidiaries and affiliates and, by specific designation of the Committee, other individuals who provide certain consulting or advisory services to the Company, its subsidiaries and/or affiliates. If the Plan had been in effect during the last fiscal year, over 8,400 employees would technically have been eligible for Plan benefits as of December 31, 2004. The Plan provides the Committee with full discretion in determining those individuals to whom Awards will be granted and the terms and amount of each Award. Due to the discretionary rights accorded to the Committee under the Plan, specific benefits to be received by particular individuals or classes of potential participants in the Plan are not currently determinable. However, the Company's current view is that the Plan will be utilized primarily for Awards to a highly selective group of managerial-level employees.

Performance Measures

The Plan design allows for Awards that qualify as Performance-Based Compensation under Section 162(m) of the Internal Revenue Code in order to preserve the Company's federal income tax deduction for Awards under the Plan. The Plan sets forth performance goals (Performance Measures) which may determine the payment or vesting of an Award that is intended to be Performance-Based Compensation to an employee covered by Section 162(m) who is so designated by the Committee within the time limitations set forth in the Plan.

The Performance Measures to be used in connection with Awards qualifying as Performance-Based Compensation are limited to specified categories set out in the Plan unless changed by proposal of the Committee and approved by the Company's shareholders (to the extent required by applicable tax or securities law). For such Awards, the Committee may use any Performance Measure(s) as it deems appropriate to measure the performance of the Company or a Company subsidiary or affiliate, any business unit thereof or any combination of the foregoing, and may provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures. Additional provisions regarding Performance Measures and Performance-Based Compensation are set out in the Plan.

Shares Under the Plan

The aggregate number of Shares issued under the Plan may not exceed 1,000,000. For Awards that are designed to qualify as Performance-Based Compensation, the maximum aggregate grant of restricted stock or restricted stock units in any Plan year to any one

Table of Contents

participant shall be 100,000 plus the amount of the participant's unused award limit from the prior Plan year. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation or otherwise without the issuance of such Shares, or which are settled in cash in lieu of Shares, will be available for future grants under the Plan.

The Company remains fully committed to the objective of aligning the interests of the Company's management with those of shareholders by encouraging increased stock ownership through thoughtfully-implemented equity compensation programs, and believes that the Plan will be a useful tool in achieving that objective, as well as for maintaining competitive compensation programs that effectively attract and retain talented employees. However, the Company is also mindful of the potential dilutive effects on existing shareholders of any program that involves the issuance of the Company's Common Stock to employees or directors.

The Compensation Committee regularly reviews the potential dilutive effect on the Company's shareholders of the Company's existing equity compensation plans, which currently consist of three active stock option plans. The Company's active stock option plans are the Unitrin, Inc. 1995 Non-Employee Director Stock Option Plan, 1997 Stock Option Plan and 2002 Stock Option Plan.

The Compensation Committee and the Company's management recognize the need to balance the competing considerations described in the two preceding paragraphs. The Compensation Committee and the Company's management recognize the need to balance the competing considerations described in the two preceding paragraphs. The Compensation Committee and management evaluated numerous issues related to the Plan, including its potential dilutive effects on existing shareholders. Consideration was given to a variety of factors, including the numbers of stock options authorized by and outstanding under the Company's existing option plans, historical patterns relating to the frequency of option exercises and the resulting numbers of shares and restorative options issued, historical rates of option forfeitures, the number of shares to be authorized by the Plan and the anticipated share usage thereunder, and the estimated effects of the Plan on earnings per share and cash flow. Under the oversight of the Compensation Committee, management also consulted with advisors on the foregoing factors and on the likely receptivity of shareholders, including institutional shareholders and their advisors, to equity compensation programs generally and the Plan specifically, based on the factors commonly evaluated by such shareholders and advisors in formulating their voting determinations and policies.

As a result of these evaluations, and subject to approval of the Plan by the Company's shareholders, the Company will undertake to impose the limitations described below on the number of shares of restricted stock and options that may be issued under the Company's equity compensation program during the three year period which ends on December 31, 2007. Accordingly, if the Plan is approved by the Company's shareholders, the total Common Stock subject to awards (Award Shares) granted during calendar years 2005 through 2007 under the Plan and the Company's three active stock option plans (together the Equity Plans) will be limited in accordance with the following formula:

Table of Contents

The three-year average annual number of Award Shares granted under the Equity Plans for calendar years 2005 through 2007 will not exceed 2% of the average number of shares of Common Stock outstanding at the end of each of these years. For purposes of calculating the three-year average: (i) the number of Award Shares will include Restorative Option shares which relate only to original Option grants awarded after 2004; and (ii) each Share granted under the 2005 Restricted Stock and Restricted Stock Unit Plan will be deemed to be two Award Shares.

After this three year period, the Compensation Committee will continue to monitor the aggregate dilutive effect of the Equity Plans and to assess the beneficial effect of such Plans on increased equity ownership by Company employees.

Deferrals

The Committee may allow or require participants to defer receipt of the payment of cash or the delivery of Shares that would otherwise be due to them upon the lapse or waiver of restrictions on restricted stock unit Awards. The Plan sets forth additional provisions applicable to deferral elections related to Awards of restricted stock units subject to Section 409A of the Internal Revenue Code.

Termination of a Participant's Employment

If a participant retires but continues to render services to the Company, subsidiary or affiliate as a director, consultant or advisor pursuant to a written agreement, all Shares of restricted stock or restricted stock units held by such participant will remain outstanding while the participant's services continue. All unvested Shares held by such participant at the time such services end (other than as a result of death or disability) will be forfeited to the Company.

Except as otherwise determined by the Committee and so provided in a particular Award agreement, upon the termination of a participant's employment or post-retirement service agreement due to death or disability, all Shares of restricted stock or restricted stock units which are then held by such participant will become fully-vested. In the event a participant's employment terminates for reasons other than death, disability or retirement, all unvested Shares of restricted stock or restricted stock units held by such participant will be forfeited to the Company.

Change in Control

The Plan will terminate upon the Company's dissolution or liquidation, reorganization, merger or consolidation as a result of which the Company is not the surviving corporation, or the sale of substantially all of the property or over 80% of the outstanding shares of Common Stock of the Company to another corporation, unless the Board of

Directors provides one or more alternatives in connection with such transaction. These alternatives may include the immediate lapse of all restrictions on outstanding Awards, assumption of or substitution for

Table of Contents

outstanding Awards by the successor corporation, continuance of the Plan by the successor corporation or payment in cash or stock in lieu of and in satisfaction of outstanding Awards. The Committee may include in any Award agreement provisions for immediate vesting and lapse of restrictions upon a change in control or other specified event.

Amendment and Termination

The Committee may at any time amend, modify, suspend or terminate the Plan and any Award agreement under the Plan, in whole or in part, but no material amendment to the Plan shall be made without shareholder approval if such approval is required by law, regulation or stock exchange rule. Further, no such action may materially and adversely affect an Award previously granted without the written consent of the affected participant, or impact the distribution of any Award that is deferred except as permitted by applicable tax law.

The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards under the Plan, in recognition of unusual or nonrecurring events affecting the Company or its financial statements or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

2005 RESTRICTED STOCK AND RESTRICTED STOCK UNIT PLAN

Article 1. Establishment, Purpose, and Duration

1.1 Establishment. Unitrin, Inc., a Delaware corporation (hereinafter referred to as the Company), establishes an incentive compensation plan to be known as the 2005 Restricted Stock and Restricted Stock Unit Plan (hereinafter referred to as the Plan), as set forth in this document.

This Plan permits the grant of Restricted Stock and Restricted Stock Units.

All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the Participants, beneficiaries, the Company, and all other interested individuals.

3.2 Authority of the Committee. The Committee shall have full and, except as otherwise expressly provided in this Plan, exclusive, power and discretion: (a) to interpret the terms and the intent of this Plan and any Award Agreement or other agreement or document ancillary to or in connection with this Plan, and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Committee may deem necessary or proper; (b) to select Award recipients; (c) to establish the terms and conditions of all Awards, including the terms and conditions set forth in Award Agreements; (d) to grant Awards as an alternative to or as the form of payment for grants or rights earned or due under other compensation plans or arrangements of the Company; and (e) subject to Article 13, to adopt modifications and amendments to this Plan or any Award Agreement, including without limitation, any that are necessary to comply with the laws of the jurisdictions in which the Company, its Affiliates, and/or its subsidiaries operate or may operate.

Article 4. Shares Subject to the Plan and Maximum Awards

4.1 Number of Shares Available for Awards. Subject to adjustment as provided in Section 4.4, the maximum number of Shares available for issuance to Participants under this Plan on or after the Effective Date (the Share Authorization) shall be one million (1,000,000) Shares.

4.2 Share Usage. Shares covered by an Award shall only be counted as used to the extent they are actually issued. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. Moreover, if the tax withholding requirements with respect to any Award granted under this Plan are satisfied by tendering Shares to the Company (by either actual delivery or by attestation), only the number of Shares issued, net of the Shares tendered, if any, will be deemed delivered for purposes of determining the maximum number of Shares available for delivery under this Plan. The Shares available for issuance under this Plan may be authorized and unissued Shares or treasury Shares.

4.3 Annual Award Limits. Unless and until the Committee determines that an Award to a Covered Employee shall not be designed to qualify as Performance-Based Compensation, the following limits (Annual Award Limit) shall apply to grants of such Awards under this Plan. The maximum aggregate grant with respect to Awards of Restricted Stock or Restricted Stock Units in any one Plan Year to any one Participant shall be one hundred thousand (100,000) plus the amount of the Participant's unused applicable Annual Award Limit for Restricted Stock or Restricted Stock Units as of the close of the previous Plan Year.

In the event that the Shares are changed into or exchanged for a different kind of shares or other securities of the Company through transactions of the type referenced above, the Committee, in its sole discretion, in order to prevent dilution or enlargement of Participants' rights under this Plan, may substitute or adjust, as applicable, the number and kind of securities that may be issued under this Plan or under particular forms of Awards, the number and kind of securities subject to outstanding Awards, the Annual Award Limits, and other value determinations applicable to outstanding Awards.

The Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under this Plan to reflect such changes or distributions and to modify any other terms of outstanding Awards, including modifications of performance goals and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 13, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate.

Subject to the terms and provisions of this Plan, the Committee (or an officer authorized under Section 3.3), at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee (or such officer) shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no Shares are actually awarded to the Participant on the date of grant. The terms of any such Restricted Stock Units shall be specified in the Award Agreement. Subject to the provisions of applicable law, the Board may by resolution authorize Shares of Restricted Stock to be issued in book entry or similar non-certificated form, or by DWAC or similar electronic transfer to a brokerage or other account of the Participant. In the absence of such a resolution, all Shares of Restricted Stock shall be evidenced by certificates.

6.2 Restricted Stock or Restricted Stock Unit Agreement. Each Award of Restricted Stock and/or Restricted Stock Units shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee (or an officer authorized under Section 3.3) shall determine.

6.3 Other Restrictions. The Committee (or an officer authorized under Section 3.3) may impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to this Plan as it (or such officer) may deem advisable including, without limitation, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, holding requirements or sale restrictions placed on the Shares by the Company upon

vesting of such Restricted Stock or Restricted Stock Units, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, or time-based restrictions on vesting following the attainment of the performance goals.

To the extent deemed appropriate by the Committee, the Company may retain any certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 6, and subject in all cases to the requirements of applicable law, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

6.4 Certificate Legend. To the extent that certificates are issued to evidence Shares of Restricted Stock, then in addition to any legends placed on certificates pursuant to Section 6.3, each certificate representing Shares of Restricted Stock granted pursuant to this Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Unitrin, Inc. 2005 Restricted Stock and Restricted Stock Unit Plan, and in the associated Award Agreement. A copy of this Plan and such Award Agreement may be obtained from Unitrin, Inc.

6.5 Voting Rights. Issued and outstanding Shares of Restricted Stock shall at all times possess the same voting rights as all other issued and outstanding Shares. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

6.6 Dividends and Dividend Equivalents. Issued and outstanding Shares of Restricted Stock shall be entitled to dividends if, as and when declared by the Board with respect to the Company's Shares on the same basis and on the same payment dates as all other issued and outstanding Shares. The Committee may grant dividend equivalents with respect to any Restricted Stock Units. The terms and conditions of such dividend equivalents, including the rate per Unit, timing of payment and other requirements, shall be established by the Committee in its discretion.

6.7 Termination of Employment.

- (a) **Death or Disability.** Unless otherwise determined by the Committee at the time of grant and set forth in a Participant's Award Agreement, upon a Participant's termination of employment due to death or Disability, all restrictions on such Participant's Shares of Restricted Stock and/or Restricted Stock Units shall lapse and such Shares and/or Units shall be considered vested.

B-7

- (b) **Retirement.** If a Participant retires, but continues to render services to the Company or any of its subsidiaries or Affiliates as a director, or as a consultant or advisor pursuant to a written agreement, then all Shares of Restricted Stock and Restricted Stock Units held by such Participant shall remain outstanding and in full force and effect in accordance with their terms so long as such Participant continues to render such services. Thereafter, if a Participant ceases to render such services (other than as a result of death or Disability), all of the unvested Shares of Restricted Stock and Restricted Stock Units such Participant holds at the time of the cessation of such services shall be forfeited to the Company. If a retired Participant ceases to render such services as a result of death or Disability, all restrictions on such Participant's Shares of Restricted Stock and/or Restricted Stock Units shall lapse and such Shares and/or Units shall be considered vested.
- (c) **Other Termination Events.** In the event a Participant's employment terminates for any reason other than death, Disability or retirement, including but not limited to, termination with or without cause by the Company, its Affiliates, and/or its subsidiaries, or voluntary termination by the Participant, all of the unvested Shares of Restricted Stock and Restricted Stock Units a Participant holds at the time of such termination shall be forfeited to the Company.
- (d) **Sale or Divestiture of Employer.** In the event that the Company sells or divests its controlling interest in any subsidiary or if its control of an Affiliate ceases, then all of the unvested Shares of Restricted Stock and Restricted Stock Units held by Employees of such subsidiary or Affiliate shall be forfeited to the Company at the time of such sale or divestiture or cessation of control, as the case may be.

6.8 Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

Article 7. Transferability of Awards

7.1 Transferability. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void.

7.2 Domestic Relations Orders. Without limiting the generality of Section 7.1, no domestic relations order purporting to authorize a transfer of an Award or any interest in an Award shall be recognized as valid.

above Performance Measures as compared to the performance of a group of comparator companies, or a published or special index that the Committee, in its sole discretion, deems appropriate, or the Committee may select Performance Measure (j) above as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 8.

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 8.1.

- (b) All Elections shall be made by the end of the Participant's taxable year prior to the year in which services commence for which an Award of Restricted Stock Units would otherwise be granted to the individual; provided, however, that if the Award of Restricted Stock Units qualifies as performance-based compensation for purposes of Section 409A of the Code, then the deferral election can be made no later than six (6) months prior to the end of the performance period; and

- (a) The Participant's separation from service (as determined by the Secretary of the United States Treasury);
- (b) The date the Participant becomes Disabled as defined under Code Section 409A;
- (c) Death;
- (d) A specified time (or pursuant to a fixed schedule) specified in the Election as of the date of the deferral of such Award of Restricted Stock Units;
- (e) To the extent provided by the Secretary of the United States Treasury, a change in control as defined under Code Section 409A; or
- (f) The occurrence of an unforeseeable emergency as defined under Code Section 409A.

Notwithstanding anything else herein to the contrary, to the extent that a Participant is a Specified Employee (as defined in Section 409A(a)(2)(B)(i) of the Code) of the Company, no distribution pursuant to Section 10.5(a) of any deferred amounts may be made before six (6) months after such Participant's date of separation from service, or, if earlier, the date of the Participant's death.

10.6 Unforeseeable Emergency. The Committee shall have the authority to alter the timing or manner of payment of deferred amounts in the event that a Participant establishes, to the satisfaction of the Committee, the occurrence of an Unforeseeable Emergency. In such event, the amount(s) distributed with respect to such Unforeseeable Emergency cannot exceed the amounts necessary to satisfy such Unforeseeable Emergency plus amounts necessary to pay taxes reasonably anticipated as a result of such distribution(s), after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship). Furthermore, to the extent the Committee agrees an Unforeseeable Emergency has occurred for a Participant, the Committee may, in its sole discretion:

- (a) Authorize the cessation of deferrals by such Participant under this Plan; or
- (b) Provide that, subject to the above requirements, all, or a portion, of any previous deferrals by the Participant shall immediately be paid in a lump-sum payment; or

- (c) Provide for such other payment schedule as deemed appropriate by the Committee under the circumstances.

The occurrence of an Unforeseeable Emergency shall be judged and determined by the Committee. The Committee's decision with respect to whether an Unforeseeable Emergency

10.7 Disabled

- (a) A Participant may elect one or both of the following forms of distribution for his or her deferral(s) distributable by reason of the Participant becoming Disabled: (i) a single distribution, or (ii) a distribution in approximately equal annual installments over a period of either five (5) or ten (10) years. The deferral(s) of a Participant who fails or refuses to elect a method of distribution upon becoming Disabled shall be paid in a single sum.
- (b) A distribution payable by reason of a Participant becoming Disabled shall be paid (in the case of a single distribution) or commence to be paid (in the case of annual installments) as soon as practicable following the date the Participant becomes Disabled.

10.8 Death. If a Participant dies before complete distribution of his or her deferral(s) under this Plan has occurred, the Participant's undistributed deferrals shall commence to be distributed to his or her beneficiary under the distribution method for death elected by the Participant as soon as administratively possible following receipt by the Committee of satisfactory notice and confirmation of the Participant's death. The deferral(s) of a Participant who fails or refuses to elect a method of distribution upon death shall be paid in a single distribution.

10.9 No Acceleration of Distributions. Notwithstanding anything to the contrary herein, this Plan does not permit the acceleration of the time or schedule of any distribution under this Plan, except as provided by Section 409A of the Code and/or the Secretary of the United States Treasury.

Article 11. Rights of Participants

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its subsidiaries and, accordingly, subject to Articles 3 and 13, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its subsidiaries.

Article 12. Change of Control

Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, or upon a sale of substantially all the property or more than eighty percent (80%) of the then outstanding Shares of the Company to another corporation, this Plan shall terminate; provided, however, that notwithstanding the foregoing, the Board shall provide in writing in connection with such transaction for any one or more of the following alternatives (separately or in combinations): (i) all restrictions on outstanding Awards shall immediately lapse; (ii) for the assumption by the successor corporation of the Awards theretofore granted or the substitution by such corporation for such Awards theretofore granted of new Awards covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; (iii) for the continuance of the Plan by such successor corporation in which event the Plan and the Awards therefore granted shall continue in the manner and under the terms so provided; or (iv) for the payment in cash or stock in lieu of and in complete satisfaction of such Awards. At the discretion of the Committee, any Award Agreement may contain provisions to the effect that upon the happening of certain events, including a change in control of the Company (as defined by the Committee in such Award Agreement), any outstanding Awards subject to restrictions shall immediately become vested and all restrictions shall lapse, notwithstanding any of the other provisions of the Awards.

Article 13. Amendment, Modification, Suspension, and Termination

13.1 Amendment, Modification, Suspension, and Termination. Subject to Section 13.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule. Furthermore, no amendment, modification, suspension or termination may impact the distribution of any Award that is deferred under Article 10 of the Plan, except as permitted by Section 409A of the Code.

13.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

13.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary, no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

Article 14. Withholding

14.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the amount of any taxes which the Company may be required to withhold with respect to any taxable event arising from such Participant's Awards.

14.2 Share Withholding. Unless a different form of remittance is agreed to in writing by the Company pursuant to Section 14.1, upon the lapse of restrictions on a Participant's Restricted Stock and Restricted Stock Units, or any other taxable event arising as a result of an Award granted hereunder, the Company shall withhold Shares having a Fair Market Value equal to the amount of the tax withholding requirements with respect to any such taxable event based on minimum statutory withholding rates for federal and state purposes, including payroll taxes.

Article 15. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 16. General Provisions

16.1 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an

Award. Such events may include, but shall not be limited to, termination of employment for cause, violation of material Company, Affiliate, and/or subsidiary policies, breach of non-competition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its subsidiaries.

16.2 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

16.3 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

16.4 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

16.5 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies or national securities exchanges that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable securities, Blue Sky or other laws that the Company determines to be necessary or advisable.

16.6 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16.7 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

16.8 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

16.9 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any person acquires a right to receive payments from the Company, its subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general assets of the Company, a subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

16.10 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

16.11 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

16.12 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

16.13 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Delaware and Illinois, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.
