Notice Regarding Forward-looking Statements

Certain statements that we make in this release are forward-looking statements. These forward-looking statements are based upon management's current assumptions and beliefs in light of the information currently available to it, but involve known and unknown risks and uncertainties. Many important factors could cause our actual results to differ materially from those expressed in our forward-looking statements. These factors include:

Difficulties in addressing new virus and other computer security problems

Timing of new product introductions and lack of market acceptance for our new products

The level of continuing demand for, and timing of sales of, our existing products

Rapid technological change within the antivirus software industry

Changes in customer needs for antivirus software

Edgar Filing: TREND MICRO INC - Form 6-K

Existing products and new product introductions by our competitors and the pricing of those products

Declining prices for products and services

The effect of future acquisitions on our financial condition and results of operations

The effect of adverse economic trends on our principal markets

The effect of foreign exchange fluctuations on our results of operations

An increase in the incidence of product returns

The potential lack of attractive investment targets and

Difficulties in successfully executing our investment strategy

We assume no obligation to update any forward-looking statements. For more details regarding risk factors relating to our future performance, please refer to our filings with the U.S. Securities and Exchange Commission.
