### **Future Programs**

On February 4, 2009, the Committee approved the formula for determining the maximum award amounts for 2010 restricted and deferred stock awards. The formula reflects the Company's intention to qualify, to the extent possible, stock awards made to officers as tax deductible, subject to the deductibility limitations of Section 162(m) of the Internal Revenue Code.

Under the formula, the maximum restricted stock award grant value amounts for the 2010 restricted and deferred stock awards are determined based on a performance incentive pool equal to 0.75% of the adjusted net earnings of the Company. Adjusted net earnings of the Company is defined as the net earnings before extraordinary items, discontinued operations and the cumulative effect of accounting changes and excluding certain other items designated by the Committee. In addition, individual awards are limited to the maximum defined in the 2008 Performance Incentive Plan of one million shares.

At the conclusion of 2009, the performance pool for the 2010 restricted and deferred stock awards will be calculated and divided among the covered officers. The Chairman and Chief Executive Officer's maximum award is equal to one-third of the pool and the remaining covered officers each will be eligible for a maximum award equal to one-sixth of the pool, in each case, subject to the individual maximum defined in the 2008 Performance Incentive Plan.

In addition, on February 4, 2009, the Committee approved the formula for determining the maximum award amounts for 2009 annual incentive awards. The formula reflects the Company's intention to qualify, to the extent possible, cash compensation paid to officers as tax deductible, subject to the deductibility limitations of Section 162(m) of the Internal Revenue Code.

Under the formula, the maximum award amounts are determined based on a performance incentive pool equal to 0.6% of 2009 adjusted net earnings. Adjusted net earnings of the Company is defined as the net earnings before extraordinary items, discontinued operations and the cumulative effect of accounting changes and excluding certain other items designated by the Committee. In addition, individual award amounts are limited to the shareholder-approved maximum set forth in the 2008 Performance Incentive Plan of \$12.0 million.

At the conclusion of 2009, the annual performance pool will be calculated and divided among the covered officers. The Chairman and Chief Executive Officer's maximum award under the plan is limited to one-third of the pool, and the remaining covered officers each will be eligible for a maximum award equal to one-sixth of the remaining pool, in each case, subject to the individual maximums defined in the 2008 Performance Incentive Plan.

The Company will provide additional information regarding the compensation of its executive officers in its proxy statement for the 2009 Annual Meeting of Shareholders, which will be issued in March 2009.
