PROXY STATEMENT

GENERAL MATTERS

When and where is the Annual Meeting?

The Annual Meeting will be held on Wednesday, May 20, 2009, at 10:00 a.m., Eastern Time, at The Hilton Atlanta Northeast, 5993 Peachtree Industrial Blvd., Norcross, Georgia 30092. We are first furnishing these proxy materials to stockholders on April 24, 2009.

Why am I receiving these proxy materials?

You are receiving these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the 2009 Annual Meeting of Stockholders. If your shares were registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, as of the close of business on April 6, 2009, you are considered a shareholder of record, and we have sent you this Notice of Annual Meeting and 2009 Proxy Statement and proxy card.

If your shares were held in the name of a bank, brokerage account or other nominee as of the close of business on April 6, 2009, you are considered a beneficial owner of the shares held in street name. Your bank, broker or other nominee has sent you this Notice of Annual Meeting and 2009 Proxy Statement and a vote instruction form. You have the right to direct your bank, broker or other nominee on how to vote your shares by completing and returning the vote instruction form or by following the voting instructions provided to vote on the Internet or by telephone.

What am I voting on?

You are voting on two proposals. Details of each proposal are included in the next section entitled Matters to Be Considered at the Annual Meeting.

Proposal 1: To elect ten Directors, each for a term of one year; and

Proposal 2: To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2009.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares:

Proposal 1: **FOR** the election of all ten Directors, each for a term of one year; and

Proposal 2: **FOR** the ratification of the appointment of Deloitte & Touche LLP.

What are my choices when voting?

Proposal 1: You may cast your vote in favor of election of all nominees or withhold authority to vote for all or one or more nominees. Abstentions and broker non-votes will have the effect of a vote against the election of all ten nominees.

Proposal 2: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares. Abstentions and broker non-votes will have the effect of a vote against the approval of this proposal.

Table of Contents

How will my shares be voted if I do not specify how they should be voted?

The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the meeting in the manner you direct. If you sign and return the enclosed proxy card, but do not specify how to vote, we will vote your shares in the manner recommended above. In addition, proxies may also be voted at any adjournments or postponements of the Annual Meeting.

How do I vote?

You may vote your shares by any one of the following methods:

By mail: Mark your votes, sign and return the proxy card or vote instruction form in the enclosed postage paid envelope.

By Internet: Log onto the website indicated on your enclosed proxy card or vote instruction form.

By telephone: Call the toll-free number shown on your enclosed proxy card or vote instruction form and follow the voice prompts.

You may attend the Annual Meeting in person and use a ballot to cast your vote.

If you vote by the Internet or by telephone, you do not need to send in your proxy card or vote instruction form. The deadline for Internet and telephone voting will be 5:00 p.m., Eastern Time, on May 19, 2009. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the record date, April 6, 2009, there were 44,047,951 shares of PRIMEDIA Common Stock issued and outstanding.

Quorum: In order to conduct the Annual Meeting, more than one-half of our outstanding shares must be present or be represented by proxy. This is referred to as a quorum. If you submit a properly executed proxy card or vote by telephone or by Internet, you will be considered part of the quorum. Proxy cards marked as abstaining on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of determining a quorum.

Proposals: More than one-half of the outstanding shares must vote for a proposal for it to be adopted.

As of April 6, 2009, affiliates of Kohlberg Kravis Roberts & Co. L.P. beneficially own and have the right to vote approximately 62.03% of the outstanding shares of our Common Stock. These affiliates have advised us that they intend to vote all of such shares in favor of all nominees for Director and the ratification of the appointment of Deloitte & Touche LLP. As

Table of Contents

a result, we are assured a quorum at the Annual Meeting, the election of all nominees for Director and the ratification of the appointment of Deloitte & Touche LLP.

Who will count and certify the votes?

Representatives of BNY Mellon Shareowner Services and the staff of our Corporate Secretary office will count the votes and certify the election results. The results will be published in our Quarterly Report on Form 10-Q for the second quarter 2009.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it likely means you have multiple accounts with our transfer agent or with your stock broker or other nominees. Please complete and provide your voting instructions for all proxy cards and voting instruction cards that you receive.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in your broker's name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may use its discretion to vote your shares on routine matters (such as election of directors and ratification of auditors) or leave your shares unvoted, which we refer to as broker non-votes. We encourage you to provide instructions to your nominee by completing the instruction card or proxy that it sends to you. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to change and revoke your proxy at any time before the Annual Meeting. If you hold your shares in your name, you may contact our Corporate Secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to re-vote your shares, even if you mailed your proxy card or previously voted using the Internet or telephone. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you re-vote your shares by mail, your re-vote will not be effective unless it is received by our Corporate Secretary at the address specified below prior to the Annual Meeting. If your shares are held in your broker's name, you must contact your broker or other nominee and follow its procedures for changing your vote.

Can I view proxy materials electronically?

This Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2008 are available online at www.primedia.com. From the home page, select the Investor Relations tab to view or download the materials.

How do I obtain a copy of materials related to corporate governance?

Our Corporate Governance Guidelines, charters of standing committees of our Board of Directors, our Code of Ethics and other materials related to corporate governance are published in the Governance section of our website at www.primedia.com. In addition, this information is available in print to any stockholder who requests it by contacting our Corporate Secretary at the address specified below.

Table of Contents

What are the solicitation expenses for the Annual Meeting?

Our Board of Directors is asking for your proxy, and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. While our Directors, officers and employees may ask for proxies, these people do not receive additional compensation for such services. It is contemplated that additional solicitation of proxies may be made in the same manner under an engagement we have with Georgeson Inc., at an anticipated cost of approximately \$1,200, plus reimbursement of out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of PRIMEDIA Common Stock.

How can I submit a proposal for consideration at the 2010 annual meeting?

To be considered for the 2010 annual meeting, stockholder proposals must be submitted in writing to our Corporate Secretary at the address specified below. No proposal can be included in our proxy statement for the 2010 annual meeting unless it is received by our Corporate Secretary no later than December 24, 2009. The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission, or SEC, relating to stockholder proposals.

How can I recommend someone as a candidate for Director?

A stockholder who wishes to recommend a candidate for Director may write to Mr. David Bell, Chairman of the Nominating and Corporate Governance Committee of the Board of Directors, in care of our Corporate Secretary. To be effective for consideration at the 2010 annual meeting, a nomination must be received by our Corporate Secretary no later than March 22, 2010 and must include information required under our By-laws, including information about the nominating stockholder and information about the nominee that would be required to be included in a proxy statement under the rules of the SEC. For additional information, please see Corporate Governance Stockholder Recommendations or Nominations for Director below.

What is the address of PRIMEDIA s Corporate Secretary?

You may write to our Corporate Secretary at PRIMEDIA Inc., 3585 Engineering Drive, Norcross, Georgia 30092.

A representative of Deloitte & Touche will be present at the Annual Meeting. The representative will be given an opportunity to make a statement if he or she desires to do so and will be available to answer appropriate questions.

Policy on Approval of Independent Registered Public Accounting Firm Fees and Services

The services performed by Deloitte & Touche in 2008 were pre-approved by the Audit Committee in accordance with the pre-approval policy adopted by the Audit Committee. This policy describes the permitted audit, audit-related, non-audit related (tax) and non-permitted services (all other fees) (collectively referred to as the Disclosure Categories) that Deloitte & Touche may perform. The policy requires that prior to the beginning of each year's audit, a description of services (a Service List) to be performed by Deloitte & Touche in each of the Disclosure Categories must be presented to the Audit Committee for approval. In 2008, all services included on the Service List were pre-approved following the policies and procedures of the Audit Committee.

Any requests for audit, audit-related and non-audit related (tax) services not included on the Service List must be submitted to the Audit Committee for specific pre-approval. Generally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee, or any member of the Committee in the absence of the Chairman. In the event unexpected matters arise requiring services by Deloitte & Touche not included on the Service List, management may approve the services for limited amounts. In the event any of the audit-related services or non-audit related services are authorized by fewer than all members of the Audit Committee, our Chief Accounting Officer or the Chairman must notify any members of the Audit Committee who did not participate in such determination of the services and fees authorized.

On a quarterly basis, the Audit Committee reviews the status of services year-to-date against the original Service List and the forecast of remaining services for the year.

CORPORATE GOVERNANCE

Governance Principles

Our Board of Directors is committed to establishing and maintaining corporate governance practices that reflect the highest standards of ethics and integrity. The Board has established a Nominating and Corporate Governance Committee and adopted Corporate Governance Guidelines, which set forth the practices of the Board, including guidelines for determining qualifications for Directors, director independence, and business conduct and ethics for the Board. The Nominating and Corporate Governance Committee charter is available, along with the Corporate Governance Guidelines, in the Governance section of our website located at www.primedia.com. They are also available in print by writing to our Corporate Secretary. All modifications to the Corporate Governance Guidelines will be reflected on our website.

In accordance with our Corporate Governance Guidelines, the Board will have completed an annual evaluation of the effectiveness of the Board and each of its committees prior to the Annual Meeting. The Board evaluations consider, among other things, the quality of meeting agendas, materials and discussions. Evaluations focus on both strengths and opportunities for improvement.

We comply with the NYSE listing standards applicable to corporate governance. On June 20, 2008, we timely submitted to the NYSE the Annual CEO Certification, pursuant to Section 303A.12 of the NYSE's listing standards, whereby our Chief Executive Officer certified that he was not aware of any violation by PRIMEDIA of the NYSE's corporate governance listing standards as of the date of the certification.

Director Independence

The Board is comprised of a majority of independent Directors within the meaning of applicable NYSE listing standards and the applicable provisions of the Securities Exchange Act of 1934, as amended. In order for a Director to be considered independent, the Board must affirmatively determine that the Director has no material relationship with PRIMEDIA (either directly or as a partner, stockholder or officer of an organization that has a relationship with PRIMEDIA). The Board has established guidelines to assist it in making this determination, and those guidelines are set forth in Annex A of our Corporate Governance Guidelines. In each case, the Board considers all relevant facts and circumstances. The ownership of a significant amount of stock is not, in and of itself, a bar to independence; but, rather, it is one factor to consider. Applying these guidelines and the rules of the NYSE and applicable laws, the Board has affirmatively determined that each of the following Directors is independent:

David A. Bell	Meyer Feldberg	H. John Greeniaus	Thomas C. Uger
Daniel T. Ciporin	Perry Golkin	Kevin J. Smith	

Each of our other Directors, Dean B. Nelson, Charles J. Stubbs and Beverly C. Chell, does not qualify as independent under established guidelines.

Under applicable NYSE rules and the Sarbanes-Oxley Act of 2002, we must have an audit committee comprised solely of independent Directors. In addition to the requirements for

Table of Contents

independent Directors in the preceding paragraph, members of the Audit Committee must meet separate requirements that they receive no compensation from PRIMEDIA, other than compensation for serving as a Director, and that they are not affiliated persons of PRIMEDIA. We are in compliance with all the independence requirements relating to the Audit Committee. Please refer to Board Committees below for more information.

Board Composition and Meetings

The Board is currently comprised of ten members. The Board has responsibility for establishing broad corporate policies and for our overall performance. Members of the Board are kept informed of our businesses by various reports and documents sent to them periodically, as well as by operating and financial presentations made at Board and committee meetings by the Chairman, the President and CEO, the Chief Financial Officer and other officers and management executives.

Regular meetings of the Board are held throughout the year. In 2008, the Board held five meetings and also acted by unanimous written consent from time to time. Each Director standing for election attended at least 80% of the total number of meetings of the Board and Board committees of which he or she was a member in 2008. It is our policy that Directors are encouraged to attend the annual meeting of stockholders. All of our Directors attended our annual meeting in 2008.

Directors who are not employees of PRIMEDIA hold regular executive sessions at which management Directors, including our Chairman, are not present. Unless the Board determines otherwise, these sessions occur, at a minimum, two times a year. In addition, those Directors who are not management or affiliated with our majority stockholder (investment partnerships controlled by Kohlberg Kravis Roberts & Co. L.P.) hold an executive session at least once a year at which only these Directors are present. The Director with the most seniority in attendance at an executive session typically presides over such executive session.

Board Committees

The Board currently has four standing committees: Audit, Nominating and Corporate Governance, Compensation and Executive. Under applicable NYSE rules, we are considered a controlled company because more than 50% of stockholder voting power is held by investment partnerships controlled by Kohlberg Kravis Roberts & Co. L.P. As a result, we are not required to have a compensation, nominating or corporate governance committee; however, the Board has chosen to establish these committees.

During 2008, the Audit Committee held five meetings, the Nominating and Corporate Governance Committee held three meetings, the Compensation Committee held two meetings and the Executive Committee held two meetings.

The Board has determined that all the members of each of the Board's standing committees meet the criteria for independence as established by the NYSE and under the Sarbanes-Oxley Act of 2002, except that Beverly C. Chell, a member of the Compensation Committee, and Dean B. Nelson, a member of the Executive Committee, are not considered independent. Each of the committees is described in greater detail below. The Board has established written charters for the Compensation Committee, Audit Committee and Nominating and Corporate Governance Committee. Each of the charters can be found in the Governance section of our website located at www.primedia.com or can be obtained in print by writing to our Corporate Secretary. Any changes to the charters will be reflected on our website.

Audit Committee

The purpose of the Audit Committee is to assist the Board in overseeing our accounting, auditing and financial reporting practices. Its duties include selecting and overseeing our independent auditor, reviewing the scope of the audit to be conducted by the independent auditor, including the results of such audit, reviewing our internal audit function and our disclosure and internal controls procedures, approving audit and other services to be provided by our independent auditor and overseeing our financial reports, including our annual report, and the critical accounting policies and estimates used in preparing such reports.

The charter of the Audit Committee requires that the Audit Committee be comprised of at least three Directors, each of whom must be independent under the NYSE rules and the Sarbanes-Oxley Act of 2002. In addition, each member of the Audit Committee must be financially literate within the meaning of the NYSE listing standards, and at least one member must have accounting or related financial expertise as determined by the Board. The Board has determined that each of the Audit Committee members is independent and financially literate and that each of Messrs. Smith, Bell, Ciporin and Greeniaus qualifies as an audit committee financial expert, as defined by the SEC, and as a result has accounting and related financial management expertise within the meaning of the NYSE listing standards. The Audit Committee's Report appears on pages 37 through 38.

Compensation Committee

The primary purpose of the Compensation Committee is to review and oversee our compensation programs, including remuneration arrangements for our senior executives, including our Chairman and our President and CEO. Additional information about the Compensation Committee's responsibilities is included in the Compensation Discussion and Analysis beginning on page 17. The Compensation Committee's Report appears on page 37.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee develops and recommends to the Board a set of corporate governance principles and performs a leadership role in shaping our corporate governance. The Committee also identifies qualified candidates to serve on the Board and recommends Director nominees to be submitted to the stockholders for election at each annual meeting. The Committee's duties include regularly reviewing and recommending

Table of Contents

changes to our corporate governance principles, including retirement and other tenure policies for Directors, assessing channels through which the Board receives information and overseeing evaluation of the Board and management. The Board has determined that each of the Nominating and Corporate Governance Committee members is independent.

Executive Committee

The Executive Committee has authority to act for the Board on all matters during intervals between Board meetings.

Stockholder Recommendations or Nominations for Director

The Nominating and Corporate Governance Committee considers Director candidates recommended by current Directors, officers, employees and third parties. The Nominating and Corporate Governance Committee also will consider stockholder recommendations for Director candidates for the Board. Stockholders should send their recommendations to our Corporate Secretary. Nominations must conform to the procedures set forth in our By-Laws, a copy of which is available without charge upon request to our Corporate Secretary.

Director candidates recommended by stockholders are evaluated against the same criteria used to evaluate all candidates. Director candidates should be individuals with high standards of ethics and integrity, good judgment and who are committed to representing the interests of the stockholders. They should have broad business, governmental, non-profit or professional experience that indicates the Director candidate will be able to make significant and immediate contributions to the Board's discussions and decisions. They should be able to devote sufficient time and energy to the performance of the duties of a Director. The Board's review of a Director candidate is typically based on any written materials provided with respect to the potential candidate, personal references and interviews. In the future, the Nominating and Corporate Governance Committee will use these and other materials approved by the Board and the Nominating and Corporate Governance Committee to evaluate potential candidates. In 2008, we did not pay a fee to any third party to identify Director candidates.

Code of Ethics

We strongly believe that our business practices should reflect the highest standards of honesty, fair dealing and ethics. Toward that end, the Board has adopted a Code of Ethics, which applies to all of our Directors, officers and employees. The Code of Ethics is available in the Governance section of our website located at www.primedia.com. It is also available in print by writing to our Corporate Secretary. Any modifications to the Code of Ethics will be reflected on our website. We also have an Ethics Committee, which investigates allegations of unethical or inappropriate behavior, as well as a toll-free Ethics HelpLine, which employees and others may use on a confidential basis to, among other things, notify the Audit Committee if they become aware of any questionable accounting practices.

Communications with the Board

Stockholders or other interested parties who wish to communicate with our Directors, a committee of the Board, the independent Directors as a group or our Board of Directors generally may do so by addressing their correspondence to such member or members in care of our Corporate Secretary at PRIMEDIA Inc., 3585 Engineering Drive, Norcross, Georgia 30092.

Table of Contents**COMPENSATION OF DIRECTORS****Overview**

Only Directors who are not employees of PRIMEDIA receive compensation for services as a Director. We use a combination of cash and stock-based compensation to attract and retain qualified individuals to serve on our Board. Compensation for non-employee Directors during 2008 was comprised of the following:

Type Of Compensation	Amount(\$)
Annual Cash Retainer(1)	55,000
Additional Annual Retainer for Committee Chair:	
Audit Committee	25,000
Nominating and Corporate Governance Committee	5,000
Additional Annual Retainer for Committee Membership:	
Audit Committee	25,000
Nominating and Corporate Governance Committee	10,000
Compensation Committee(2)	10,000

(1) Includes all service on the Board and standing committees, including attendance at meetings. Annual fees are payable in quarterly installments. For 2009, the annual retainer will remain at \$55,000, and additional committee fees will remain unchanged.

(2) Board members affiliated with Kohlberg Kravis Roberts & Co. L.P. do not receive additional fees for serving on the Compensation Committee. Directors are reimbursed for the business expenses related to attendance at Board meetings, including room, meals and transportation to and from Board meetings.

Stock Option Awards

Historically, upon initial election to the Board, each non-employee Director has been granted an option to acquire shares of our Common Stock. These options vest over three years in equal installments and expire after five years. We do not grant annual stock option awards to our Directors, but we have periodically granted options to Directors in addition to those granted upon being elected as a Director.

During 2008, each of the following non-employee Directors was granted an option to acquire 50,000 shares of our Common Stock: David A. Bell, Beverly C. Chell, Daniel T. Ciporin, Meyer Feldberg, H. John Greeniaus and Kevin J. Smith. The exercise price of each of these stock option grants is \$6.42 per share, and each option is exercisable with respect to one-third of the shares of Common Stock underlying the option on each of December 31, 2008, December 31, 2009 and December 31, 2010.

Directors' Deferred Compensation Plan

Under the Directors' Deferred Compensation Plan, a non-employee Director may elect to defer all or part of the annual fees payable to the Director. Deferred amounts are credited to an unfunded cash account or Common Stock equivalent account, as selected by the Director. Interest, at PRIMEDIA's average borrowing rate, is credited quarterly for bookkeeping purposes to a Director's cash account. Subject to certain restrictions, a Director is permitted

Table of Contents

to take distributions in cash from a cash account or in shares of Common Stock or cash equivalent equal to the value of credited shares at the time of distribution, at the Company's option, in whole or in part, from her or his account following retirement or termination of service. Only one Director, Mr. Golkin, currently participates in this plan, under which he has elected to defer his fees in Common Stock equivalents.

Director and Officer Liability Insurance

We obtain Director and officer liability insurance to insure our Directors and officers against certain losses they may be required to pay as a result of performing their duties as Directors and officers. We pay one premium for this insurance for all of PRIMEDIA and therefore do not allocate a specific dollar amount to any individual Director or the Directors as a whole.

The table below summarizes the compensation paid by PRIMEDIA to non-employee Directors for the year ended December 31, 2008:

Mr. Golkin participates in the Directors' Deferred Compensation Plan and, as a result, in lieu of cash compensation, at the end of each calendar quarter during 2008, Mr. Golkin received credits for PRIMEDIA Common Stock in an amount determined by dividing the quarterly fee payable, \$13,750, by the share price on the last trading day of the calendar quarter. During 2008, Mr. Golkin received credits in PRIMEDIA Common Stock in the following amounts:

Mr. Smith's fees consisted of the \$55,000 annual fee, \$50,000 for serving on the Audit Committee and \$26,652 for serving on a special litigation committee.

- (2) Amounts in this column reflect the compensation expense recognized by us for financial statement reporting purposes with respect to outstanding stock options under FAS 123(R). These values have been determined based on the assumptions set forth in Note 13 to our consolidated financial statements for the fiscal year ended December 31, 2008, disregarding for this purpose the estimate of forfeitures related to service-based vesting conditions. These amounts reflect the Company's accounting expense for these awards, which do not necessarily correspond to the actual value that will be recognized by the directors.
- (3) Amount reflects payments made to Ms. Chell for consulting services. For additional information, please see "Certain Relationships and Related Person Transactions" below.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction and Overall Compensation Philosophy

Our executive compensation programs are designed to attract, retain and motivate top executive talent while aligning the interests and compensation of such executives with the interests of our stockholders. To that end, our compensation packages have historically included both cash and stock-based compensation that are designed to recognize and reward individual contributions as measured against established short-term and long-term financial and operational goals.

This section describes our 2008 compensation programs for our named executives, which for purposes of this proxy statement are the individuals listed in the Summary Compensation Table on page 24.

Role of Compensation Committee

The Compensation Committee is responsible for reviewing and overseeing our executive compensation programs. In connection with its duties, the Compensation Committee periodically reviews executive compensation programs and evaluates the relationship between the programs and performance. The Compensation Committee considers, among other things, the following factors in making decisions regarding executive compensation:

Our compensation philosophy;

Our financial and operational performance relative to peers and industry standards;

Aligning of executive interests with stockholder interests; and

Total compensation and the combination of compensation elements.

The Compensation Committee also develops the individual and corporate goals and objectives relevant to the compensation of our Chairman. The Compensation Committee, together with our Chairman, reviews the compensation components for our other executive officers.

Role of Management

Management assists the Compensation Committee in making compensation determinations in various ways. Our Chairman assesses the performance of the other named executives and makes recommendations regarding their compensation to the Compensation Committee. In addition, our Chairman, with the assistance of the Human Resources department, develops proposals regarding changes in compensation for review and approval by the Compensation Committee and assists the Compensation Committee in making compensation decisions by providing data necessary to evaluate and implement compensation proposals and programs.

The Compensation Committee has established a pool of stock options and has delegated to our Chairman and our Chief Executive Officer, acting jointly, the authority and discretion to make grants from such pool not exceeding 10,000 shares of Common Stock per grant. Our Chairman is required to periodically report these grants to the Compensation Committee. During 2008, options to purchase a total of 15,000 shares of Common Stock were granted from this pool to non-executives.

Role of Compensation Consultant and other Advisors

Neither we nor the Compensation Committee has any contractual relationship with any compensation consultant. Periodically, however, we have engaged Hewitt Associates to assist with specific requests regarding equity compensation packages. In addition, from time to time we seek advice from legal counsel regarding current developments in laws and regulations relating to compensation matters.

2008 Executive Compensation Components

During 2008, our primary compensation programs were comprised of the following components:

Base Salary

Annual Incentive Awards

Long-Term Incentive Awards

CEO Compensation. On April 21, 2008, we entered into an employment agreement with Charles J. Stubbs, under which Mr. Stubbs assumed the responsibilities of our President and Chief Executive Officer and was elected to the Board of Directors on May 27, 2008. The Compensation Committee carefully considered, and was involved in the negotiation of, the compensatory aspects of Mr. Stubbs' employment agreement. The provisions of Mr. Stubbs' employment agreement reflect the Compensation Committee's and the Board's determination to make structural changes, as well as appropriate adjustments, to CEO compensation, including placing a greater emphasis on long-term equity incentives to better align the CEO's compensation with sustainable growth and long-term performance. For additional information, please see Compensation of Named Executives' Employment Agreements with Named Executives' below.

Base Salary. Base salaries for our named executives depend on the level of responsibility of the position, experience of the executive, performance of the executive and company objectives. In addition, we evaluate salaries paid in the competitive marketplace for executive talent and compare base salaries for comparable positions at other companies. While the Compensation Committee considers market data in making compensation decisions, it does not target compensation at a particular percentile or within any targeted range based on the data. The data is one of a variety of factors considered.

The Compensation Committee regularly monitors base salaries, and adjustments are made based upon company and executive performance and, if applicable, changes in position and responsibilities. Both financial and non-financial performance measures are considered when determining if any adjustment is warranted. If a named executive has responsibility for a particular business unit, the financial results of that unit are also considered.

In June 2008, at the request of our Chairman, the Compensation Committee approved changes to the Chairman's compensation structure to more closely parallel the compensation structure for our senior management team, including participation in the Long-Term Incentive

Table of Contents

Program described below. As a result, Mr. Nelson's annual base salary was reduced from \$500,000 to \$350,000, and his target bonus opportunity under the EICP, as described below, was reduced from 60% to 50% of annual earned base salary, in each case effective July 1, 2008. Also, in connection with our regular merit review process, Ms. Mayfield's annual base salary was increased from \$240,000 to \$250,000, effective April 1, 2008, and Mr. Belknap's annual base salary was increased from \$275,000 to \$292,000, effective October 1, 2008.

Annual Incentive Awards. During 2008, each of our named executives (other than named executives who are former employees) participated in our Executive Incentive Compensation Plan, or EICP. The EICP is an annual cash incentive program that provides cash awards that are contingent and based on pre-established financial targets. Awards are based on a percentage of the executive's earned base salary during the calendar year in which they participate in the EICP, except that Mr. Stubbs' target award for 2008 was set at a percentage of his annualized base salary under the terms of his employment agreement.

Each year, as part of our annual budget process, the Compensation Committee determines the components of the financial portion of the EICP for the next bonus period and sets the threshold, target and maximum levels for each component as well as the weighting of each component relative to the total award. The Compensation Committee considers specific circumstances relating to our current operations when determining the threshold, target and maximum levels.

For Ms. Payne and Messrs. Nelson, Stubbs and Belknap, the Compensation Committee determined that 80% of each named executive's EICP target award would be based on achievement of financial objectives relating to consolidated net revenue, EBITDA and net free cash flow (each as defined below), with each component accounting for 20%, 40% and 20%, respectively, of the total financial portion. For Ms. Mayfield and Mr. Clymer, the Compensation Committee determined that 80% of these named executives' EICP target awards would be based on achievement of financial objectives relating to net revenue and EBITDA for their respective divisions and consolidated net free cash flow, with each component accounting for 20%, 40% and 20%, respectively, of the total financial portion. For all named executives, the remaining 20% would be discretionary. For Ms. Payne and Messrs. Nelson, Stubbs and Belknap, 2008 objectives were defined:

Net Revenue: Total product and services revenue, excluding barter and intercompany revenue, which includes cross-promotion revenue. For 2008, the objective upon which bonuses were based was approximately \$313.6 million. The actual result applicable to these named executives was approximately \$302.2 million.

EBITDA: EBITDA, which for these purposes represents earnings before interest, taxes, depreciation, amortization, non-cash compensation, provision for restructuring costs and other, and any non-operating adjustments approved by the Committee. For 2008, the objective upon which bonuses were based was approximately \$73.4 million. The actual result applicable to these named executives was approximately \$69.6 million.

Net Free Cash Flow: EBITDA, plus/minus changes in working capital, non-cash EBITDA items and acquisition reserve payments. For 2008, the objective upon which

Table of Contents

bonuses were based was approximately \$52.9 million. The actual result applicable to these named executives was approximately \$53.4 million.

Bonus payments can range from no payment to 150% of an executive's target bonus, though historically they have ranged from 50% to 150%, and are contingent upon the extent to which pre-established objectives are met:

No payment for a particular financial objective of the EICP award unless the threshold performance level (90% of the Net Revenue objective; 85% of the EBITDA and Net Free Cash Flow objectives) is achieved;

Payment of at least 50% but less than 100% of the target bonus for a particular financial objective of the EICP award determined on a pro rata basis if the threshold performance level for that objective is achieved or exceeded, but the objective is not met;

Payment of at least 100% but less than 150% of the target bonus for a particular financial objective of the EICP award determined on a pro rata basis if the target performance level for that objective is achieved or exceeded, but the maximum performance level (110% of the Net Revenue objective; 115% of the EBITDA and Net Free Cash Flow objective) is not achieved; and

Payment of 150% of the target bonus for a particular financial objective of the EICP award if the maximum performance level for that objective is achieved or exceeded.

Following the completion of the audit of our consolidated financial statements for the prior year, the Compensation Committee, with the assistance of the Human Resources and Accounting departments, reviews actual performance in relation to each of the pre-determined financial objectives to determine financial achievement. Discretionary awards for named executives in most cases are determined by applying the weighted-average financial award percentage to the discretionary award target amounts. Payment of EICP bonuses is generally made as soon as practicable following the plan year.

The following table summarizes the total target awards and payments for each of the named executives participating in the EICP for 2008:

Name	2008 EICP Target (%)	2008 EICP Target (\$)	2008 EICP Payment (\$)
Dean B. Nelson	50	237,500	208,326
Charles J. Stubbs	65	325,000	285,077
Kim R. Payne	50	125,000	109,645
Arlene Mayfield	50	123,730	131,682
Keith L. Belknap	50	139,520	122,381
Jamison M. Clymer	50	110,721	66,433

Long-Term Incentive Program

Our named executives are eligible to receive either stock options or restricted stock under the PRIMEDIA 1992 Stock Purchase and Option Plan, as amended, which we refer to as the 1992 Plan. The Compensation Committee approves all grants of stock options or restricted

Table of Contents

stock, except for the pool established for our Chairman and our Chief Executive Officer acting jointly. Prior to 2008, the most recent broad-based grant of stock options or restricted stock occurred in December 2003.

Restricted Stock Awards. During 2008, the Compensation Committee approved a Long-Term Incentive Program for the 2008 through 2010 calendar years, under which individual restricted stock awards were granted for each year of the program to members of senior management, including our named executives (other than named executives who are former employees).

For each year of the program, the extent to which the restricted stock award vests, if at all, is contingent upon the extent to which we achieve the applicable consolidated target EBITDA (as defined under the EICP referenced above) for such year. The award for such year is forfeited if less than 90% of the target is achieved. Threshold vesting of 50% of the award occurs if 90% of the target is achieved. If the actual EBITDA is at least 90%, but less than 100%, of the target EBITDA for such year, then the award vests on a pro rata basis in the same manner as EICP awards are paid. If actual EBITDA meets or exceeds the target EBITDA for such year, then 100% of the award for such year vests.

For 2008, the target EBITDA was approximately \$73.4 million, and the actual result was approximately \$69.6 million. Therefore, 94.9% of the target was achieved, resulting in 74.5% of the 2008 awards vesting. The following table summarizes the number of shares underlying the target awards under the program, and the earned awards for 2008, for each of the named executives participating in the program:

Name	2008 Target Award	2008 Earned Award	2009 Target Award	2010 Target Award
Dean B. Nelson	20,000	14,895	40,000	40,000
Charles J. Stubbs	87,942	65,496	87,942	87,942
Kim R. Payne	10,000	7,448	10,000	10,000
Arlene Mayfield	20,000	14,895	20,000	20,000
Jamison M. Clymer	10,000	7,448	10,000	10,000
Keith L. Belknap	8,000	5,958	8,000	8,000

Stock Options. Stock options can provide an effective means to align the interests of executives with our stockholders, and the vesting schedule of option grants encourages executive retention. The Compensation Committee considers a number of factors when considering a grant of stock options, including the employee's base salary, performance and value of the options, as well as recommendations from management.

On June 13, 2008, the Compensation Committee approved incentive stock option grants under the 1992 Plan for approximately 50 employees, including the following named executives: Ms. Payne (30,000 shares); Ms. Mayfield (60,000 shares); Mr. Clymer (35,000 shares); and Mr. Belknap (24,000 shares). The exercise price of each of these stock option grants is \$6.42 per share, which was calculated as the greater of (i) the fair market value of a share of Common Stock on the date of grant (\$5.94) and (ii) the average closing sale price of a share of Common Stock for the 30 trading days ending on May 21, 2008 (\$6.42). Each

Table of Contents

option is exercisable with respect to one-third of the shares of Common Stock underlying the option on each of December 31, 2008, December 31, 2009 and December 31, 2010, and expires on the fifth anniversary of the date of grant.

Retirement Benefits

All of our employees are eligible to participate in the PRIMEDIA Thrift & Retirement Plan, which we refer to as the 401(k) Plan, following completion of one year of service. The 401(k) Plan is a defined contribution, tax-qualified retirement savings plan pursuant to which all eligible highly compensated employees, as defined in the 401(k) Plan, including the named executives, are able to contribute, on a before-tax or after-tax basis, the lesser of up to 7% of their annual base salary or the limit prescribed by the Internal Revenue Service, or IRS. All other eligible employees are able to contribute the lesser of 20% of their annual base salary or the limit prescribed by the IRS. We match 50% of the first 6% of base salary that is contributed to the 401(k) Plan by employees. All employee contributions to the Retirement Plan are 100% vested upon contribution, and PRIMEDIA contributions vest in 20% increments equally over a period of five years commencing on the employee's hire date. Other than the 401(k) Plan, we do not operate any pension or retirement plan that receives contributions or provides any additional retirement benefits specifically to our named executives.

Personal Benefits and Perquisites

We do not have an extensive personal benefits and perquisite program. However, we provide named executives with limited perquisites and other personal benefits that we believe provide economic value to the executive and assist us in attracting, retaining and motivating key executives. Personal benefits and perquisites are designed to be reasonable, competitive and consistent with our overall compensation philosophy.

Personal benefits and perquisites have included reimbursement of certain relocation expenses (including tax gross-up payments), use of corporate apartments and parking allowances. Other than these personal benefits and perquisites, our named executives have the same benefits as provided to other employees. We report the costs of personal benefits and perquisites for our named executives in the Summary Compensation Table on page 24.

Severance Payments

We believe that it is important to provide reasonable severance benefits to senior management both to remain competitive in the market for executive talent and in acknowledgement that it may be difficult for these employees to find comparable positions in a short period of time. Generally, each member of our senior management (other than our Chairman) is entitled to severance payments in the event that he or she is terminated by us without cause, as defined in his or her employment or severance agreement. For additional information, please see Compensation of Named Executives Employment Agreements with Named Executives and Severance Agreements with Named Executives and Potential Payments Upon Termination or Change in Control below.

Tax and Accounting Implications

In overseeing our executive compensation program, the Compensation Committee reviews and considers the effect of Section 162(m) of the Internal Revenue Code, which provides that a company may not deduct compensation of more than \$1 million that is paid to certain individuals. The Compensation Committee seeks to preserve the tax deductibility of compensation; however, it has authorized, and will continue to retain the right to authorize, compensation that may not meet deductibility requirements if it determines that such compensation is in the best interests of our stockholders. The Compensation Committee believes it must retain flexibility to exercise its judgment in assessing executive performance and that compensation for executive officers should be governed by our overall executive compensation philosophy and the interests of our stockholders, notwithstanding the effect of such compensation on deductibility in any given year.

Securities Trading Policy

Executives may not engage in any transaction in which they may profit from short-term speculative swings in the value of PRIMEDIA securities. This prohibition includes short sales (selling borrowed securities that the seller hopes can be purchased at a lower price in the future) or short sales against the box (selling owned, but not delivered, securities), put and call options (publicly available rights to sell or buy securities within a certain period of time at a specified price or the like) and other hedging transactions designed to minimize an executive's risk inherent in owning PRIMEDIA securities, such as zero-cost collars and forward sale contracts. In addition, this policy is designed to ensure compliance with all insider trading rules.

Stock Ownership Guidelines

We do not currently have a formal stock ownership requirement for executives, but each of our named executives (other than named executives who are former employees) owns shares of our Common Stock.

Employment Agreements with Named Executives

Charles J. Stubbs. In 2008, we entered into an employment agreement with Mr. Stubbs. The initial term of the employment agreement is three years. Subject to various conditions, the employment agreement automatically renews for additional one year periods.

Edgar Filing: PRIMEDIA INC - Form DEF 14A

Under the terms of the agreement, Mr. Stubbs is provided an annual base salary, which, in the discretion of our Board, may be reviewed biannually. Upon being named our President

Table of Contents

and Chief Executive Officer, Mr. Stubbs was entitled to a one-time signing bonus of \$150,000, which must be repaid if his employment is terminated under certain conditions prior to May 27, 2009. As part of his total compensation package, Mr. Stubbs is eligible to receive a target annual EICP bonus of at least 65% of his annual base salary (with an opportunity to earn up to 150% of his annual target amount).

The agreement provides for various relocation benefits, including temporary lodging and reimbursement for related costs. We also agreed to pay Mr. Stubbs up to \$500,000 as a housing reimbursement intended to compensate him should he be unable to sell his home in Pasadena, California at market value. We also reimbursed Mr. Stubbs for realtor fees incurred in the sale of his home, moving expenses and for airfare in connection with his and his family's travel between Atlanta, Georgia and his former residence in Pasadena, California during the relocation process. We also agreed to pay additional amounts to Mr. Stubbs such that he would not incur any tax costs with respect to such relocation payments and benefits, other than with respect to the housing reimbursement.

In order to compensate Mr. Stubbs for the forfeiture of equity awards that were forfeited upon his resignation from his former employer, the agreement provides that Mr. Stubbs will be granted 146,570 shares of restricted Common Stock that will vest on May 27, 2009, should he remain employed with us through such date. Mr. Stubbs was also granted an additional 87,942 shares of restricted Common Stock that will vest on December 31, 2010, should he remain employed with us through such date. These time-vested shares of restricted stock will vest earlier if Mr. Stubbs terminates his employment for good reason or we terminate his employment without cause or upon Mr. Stubbs' death or disability (as such terms are defined in the employment agreement).

The employment agreement further provides for aggregate grants of 263,826 shares of restricted Common Stock under our Long-Term Incentive Program for the 2008 through 2010 calendar years. These performance-based, shares of restricted stock are more fully described under Compensation Discussion and Analysis Long-Term Incentive Program above. Vesting of these shares also is subject to Mr. Stubbs' continued employment and will be forfeited if his employment is terminated for any reason prior to vesting, except as described below.

Mr. Stubbs is entitled to dividend payments on vested restricted stock; however, with regard to dividends that would otherwise be paid on stock associated with any unvested restricted stock, dividend payments will be accrued and paid when and if such restricted stock ultimately vests. After vesting, Mr. Stubbs' restricted stock awards will be generally subject to transfer restrictions for a period of three years, unless Mr. Stubbs' employment is terminated without cause, he terminates his employment for good reason, or Mr. Stubbs dies or becomes disabled, at which time they will no longer be subject to restrictions on transfer. If Mr. Stubbs' employment is terminated for any other reason, transfer restrictions on any vested restricted stock awards will generally remain in effect.

The employment agreement provides that upon the sale of Common Stock held by affiliates of Kohlberg Kravis Roberts & Co. L.P., or KKR, such that any person or entity other than affiliates of KKR holds greater than 50% of the voting power of our Common Stock, and, at any time thereafter, Mr. Stubbs' employment is terminated without cause or Mr. Stubbs

resigns for good reason, then any of the unvested restricted stock awards described above will immediately vest and any transfer restrictions on such awards will immediately lapse.

In the event Mr. Stubbs' employment is terminated by us without cause or by Mr. Stubbs' for good reason, he generally would be entitled to receive the following (subject to the execution of a general release of claims against PRIMEDIA):

payment of any amount of his base salary earned but unpaid through the date of termination;

continued payment of his base salary for a period of 18 months following the date of termination;

a lump sum payment equal to a pro rata portion of the EICP bonus, if any, Mr. Stubbs would have received for the year of termination had he remained employed;

a lump sum payment equal to 1.5 times Mr. Stubbs' target bonus opportunity under the EICP for the year in which the termination occurs;

an ability for him and his family to continue to participate in PRIMEDIA's health and welfare plans;

payment of other accrued obligations and benefits, such as earned but unpaid bonuses, expense reimbursements, and accrued but unused vacation days; and

as applicable, a gross-up payment for excise taxes imposed pursuant to Section 4999 of the Internal Revenue Code, or the Code, that may be due as the result of a change of control (as defined in Section 280G of the Code) of PRIMEDIA. If Mr. Stubbs' employment is terminated by us for cause or Mr. Stubbs voluntarily terminates his employment for other than good reason, he generally would be entitled to receive the following:

any accrued amount of his base salary earned but unpaid through the date of termination;

payment of other accrued obligations and benefits, such as earned but unpaid bonuses, expense reimbursements, and accrued but unused vacation days; and

if applicable, a gross up payment of the kind referred to above.

In the event Mr. Stubbs' employment is terminated due to his death or disability, he (or his beneficiaries as the case may be) generally would be entitled to receive the following:

a lump sum payment of his base salary through the end of the month in which the termination occurs;

payment of an amount equal to 65% of his base salary in lieu of any annual bonus payment for the year in the termination occurs;

Table of Contents

in the case of Mr. Stubbs disability, disability benefits in accordance with our long-term disability program;

payment of other accrued obligations and benefits such as earned but unpaid bonuses, expense reimbursements, and accrued but unused vacation days; and

if applicable, a gross up payment of the kind referred to above.

The employment agreement includes non-competition covenants and non-solicitation restrictions. While Mr. Stubbs is employed by PRIMEDIA and for a period of 18 months thereafter, Mr. Stubbs is restricted from activities involving competing businesses, customers, suppliers or employees of PRIMEDIA. Mr. Stubbs is also subject to confidentiality obligations to us both during and after his employment. In the event of a material violation of these restrictive covenants, Mr. Stubbs would forfeit his rights to certain of the equity awards and termination benefits described above.

Under the agreement, Mr. Sforzo was paid an annual salary of \$280,000 and participated in the EICP at a target of 50% of earned base salary. In addition, Mr. Sforzo was entitled to one-time stay bonuses of \$100,000 and \$200,000 if he remained employed by PRIMEDIA on March 31, 2007 and May 31, 2008, respectively. Mr. Sforzo separated from PRIMEDIA on May 31, 2008. Severance Agreements with Named Executives

Kim R. Payne, Arlene Mayfield and Jamison M. Clymer. We have entered into a severance agreement with each of Ms. Payne, Ms. Mayfield and Mr. Clymer that provides for the payment to the named executive of 12 months base salary at the rate being paid on the date of termination, payable bi-weekly on regular pay dates, if we terminate the named executive's employment without cause. The named executive also is entitled to any EICP bonus for completed calendar years that are unpaid on the date of termination. Payments are contingent upon the named executive executing a separation and release agreement in the form being used by us at the time of termination.

Keith L. Belknap. We have entered into an agreement with Mr. Belknap that provides for the payment to him of 12 months base salary at the rate being paid on the date of termination, payable in a single lump sum, if we terminate his employment without cause or Mr. Belknap voluntarily terminates his employment for good reason, as defined in the agreement. Mr. Belknap also is entitled to any EICP bonuses that are unpaid on the date of termination.

Payments are contingent upon Mr. Belknap executing a separation and release agreement in the form attached to the agreement.

Robert C. Metz. Mr. Metz served as our President and CEO from September 1, 2007 until April 25, 2008. Mr. Metz also served as Chief Executive Officer of an operating subsidiary of the Company for over 19 years. In connection with Mr. Metz's resignation, the Company agreed to make severance payments to Mr. Metz consistent with amounts that would have been payable to him under his severance agreement had his employment been terminated without cause: \$787,500 (equal to 18 months' base salary), payable bi-weekly on regular pay dates over 18 months; \$551,250 (equal to 1.5 times target EICP bonus for 2008), payable no later than April 15, 2009; and \$74,155 (equal to a prorated portion of target long-term bonus compensation for 2008), payable no later than March 31, 2009. In addition, under the agreement, on the 18-month anniversary of his termination date, all of his unvested stock options and restricted stock granted prior to December 31, 2004 would vest. As consideration for these severance benefits, Mr. Metz agreed not to compete with PRIMEDIA or solicit any of our employees for a period of 18 months following the date of termination. If he breaches either of these covenants, he is obligated to return to us severance payments and prorated portions of any restricted stock that vested under the terms of this agreement.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

We do not have agreements with any named executives that would result in payments to them solely upon a change in control of PRIMEDIA. In addition, we have not entered into any agreement with Dean Nelson, our Chairman, that would entitle Mr. Nelson to any payments upon termination of his employment. However, under the employment and severance agreements discussed under Compensation of Named Executives above, other named executives would be entitled to severance benefits upon termination of employment under certain circumstances. Further, our Compensation Committee retains discretion to provide additional benefits to senior executives upon termination or resignation if it determines the circumstances so warrant.

Termination Without Cause or Resignation for Good Reason

The following table sets forth the value of the benefits each of the named executives would have received if his or her employment had been terminated on December 31, 2008, and such termination was either a termination by us without cause or, in the case of Messrs. Stubbs or Belknap, a resignation by the employee for good reason. The actual amount of termination benefits can only be determined at the time of an executive's separation from employment. In addition, any unvested restricted stock awards previously granted to Mr. Stubbs immediately vest upon the termination of his employment by us without cause or by Mr. Stubbs for good reason following a change in control of PRIMEDIA, as defined in his employment agreement. As of December 31, 2008, the value of such stock awards was \$1,081,393, based on the closing share price for our Common Stock on such date. This arrangement and all other arrangements underlying the values in this section are described under Compensation of Named Executives Employment Agreements with Named Executives and Severance Agreements with Named Executives above.

Termination Due to Death or Permanent Disability

In the event of a termination of employment of any of our current named executives by reason of death or permanent disability, all of the employee's unvested restricted stock awards and outstanding stock option awards would immediately vest or become exercisable, as the case may be. As of December 31, 2008, the exercise prices of all stock options held by our current named executives was less than the closing share price for our Common Stock. Therefore, there was no value in such stock options as of such date.

The following table quantifies for each of our named executives the value of such employee's unvested restricted stock awards that would have vested if his or her employment had terminated on December 31, 2008 as a result of death or permanent disability. These amounts are based on the closing share price for our Common Stock on such date.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transaction Policy

Our Board of Directors has adopted a specific written policy regarding the review of related person transactions. For purposes of this Policy, related persons generally include executive officers and Directors, stockholders owning more than 5% of our Common Stock, and immediate family members of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons has a material interest. A related person transaction is one in which we are a participant and the amount involved exceeds \$120,000, and in which any related person has a direct or indirect interest.

A related person transaction will be approved only if it is disclosed to and approved by the Nominating and Corporate Governance Committee, which is comprised entirely of independent, non-employee Directors, or by a majority of the disinterested members of the Board. Prior to approving any related person transaction, the members of the Board reviewing such transaction must (i) be satisfied that they received all material facts relating to the transaction, (ii) have considered all relevant facts and circumstances available to them, and (iii) have determined that the transaction is in (or not inconsistent with) the best interests of our stockholders. No Director that is an interested party in a transaction may participate in the discussion or approval of such transaction. Other than as disclosed below, based on written representations from our executive officers and Directors, there were no related person transactions during 2008.

Related Person and Other Transactions

From time to time, Kohlberg Kravis Roberts & Co. L.P., or KKR, which is an affiliate of KKR Associates, may receive customary investment banking fees for services rendered to us in connection with divestitures, acquisitions and certain other transactions. No such fees were paid in 2008. In addition, KKR renders management, consulting and financial services to PRIMEDIA. During 2008, we paid KKR approximately \$800,000 for these services and \$115,000 for excess insurance coverage paid by KKR. During 2007, we paid KKR approximately \$917,000 for these services.

During the first half of 2008, we entered into a short-term lease arrangement with Capstone Consulting LLC, or KKR Capstone, a consulting company founded by our Chairman, which works exclusively with KKR portfolio companies. Under the lease arrangement, we were provided with office space and paid approximately \$100,000 in rent. The lease ended in May 2008. In addition, KKR Capstone occasionally has provided consulting services to PRIMEDIA, primarily to identify and advise on potential opportunities to reduce costs. During 2008, we paid KKR Capstone approximately \$400,000 for consulting services. No amounts were paid to KKR Capstone during 2007.

From time to time, Beverly C. Chell, a Director, has provided consulting services to PRIMEDIA. As compensation for her services, Ms. Chell is paid an hourly rate. During 2008, we paid Ms. Chell approximately \$20,000 for consulting services. For each of 2007 and 2006, we paid Ms. Chell approximately \$112,000 for such services.

We believe the terms of the arrangements described above are no less favorable to us than those that could be obtained for comparable services from unaffiliated third parties.

The foregoing Compensation Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission and should not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that PRIMEDIA Inc. specifically incorporates this information by reference and shall not otherwise be deemed filed under such acts.

AUDIT COMMITTEE REPORT

In accordance with the Audit Committee Charter, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of PRIMEDIA. The Audit Committee is comprised of five independent directors. During 2008, the Audit Committee met five times. During such meetings, the Audit Committee met with senior management (including the Chief Financial Officer and Chief Accounting Officer) and PRIMEDIA's independent registered

Table of Contents

public accounting firm, Deloitte & Touche, to discuss the financial information to be included in PRIMEDIA s quarterly earnings announcements, Form 10-Qs and Form 10-K.

During the course of the year ended December 31, 2008, management reviewed, updated and revised, when necessary, the documentation, testing and evaluation of PRIMEDIA s system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations, which PRIMEDIA completed in 2004. The Audit Committee received periodic updates provided by management and Deloitte & Touche at meetings held throughout the year and provided oversight and advice to management during the process. During the process, management provided the Audit Committee with, and the Audit Committee reviewed, reports from Deloitte & Touche and management on the effectiveness of PRIMEDIA s internal control over financial reporting.

The Audit Committee discussed and reviewed with Deloitte & Touche all communications required by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees, and, with and without management present, discussed and reviewed the results of Deloitte & Touche s audit of the consolidated financial statements. The Audit Committee also discussed the results of the internal audit examinations.

The Audit Committee reviewed with management and Deloitte & Touche the audited consolidated financial statements of PRIMEDIA as of and for the year ended December 31, 2008. Management has the responsibility for the preparation of PRIMEDIA s consolidated financial statements, and Deloitte & Touche is responsible for auditing the consolidated financial statements. The Audit Committee s responsibility is to monitor and review the financial processes and procedures designed to ensure compliance with accounting standards and applicable laws and regulations.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the registered independent public accounting firm a formal written statement describing all relationships between Deloitte & Touche and PRIMEDIA that might bear on Deloitte & Touche s independence consistent with the applicable requirements of the Public Company Accounting Oversight Board and discussed with Deloitte & Touche any relationships that may impact their objectivity and independence. The Audit Committee has concluded that Deloitte & Touche is independent from PRIMEDIA and its management.

Based on the above mentioned reviews and discussions with management, Deloitte & Touche and the internal audit department, the Audit Committee recommended to the Board that PRIMEDIA s audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission. The Audit Committee also reappointed Deloitte & Touche, and the Board concurred in such reappointment.
