**PLAN OF DISTRIBUTION**

The shares of common stock being offered are owned or may be acquired by the Selling Stockholders pursuant to Nucor's stock options plans or pursuant to Nucor's incentive compensation, stock investment or employee stock ownership plans. Selling Stockholders, as used in this prospectus, include donees, pledgees, transferees or other successors in interest who may receive shares from a named Selling Stockholder after the date of this prospectus. The Selling Stockholders may offer their shares of our common stock at various times in one or more of the following transactions:

in ordinary broker's transactions on the New York Stock Exchange or any national securities exchange on which our common stock may be listed at the time of sale;

in the over-the-counter market;

in private transactions other than in the over-the-counter market;

by pledge to secure debts and other obligations;

in connection with the writing of non-traded and exchange-traded call options, in hedge transactions and in settlement of other transactions in standardized or over-the-counter options; or

in a combination of any of the above transactions.

The Selling Stockholders may sell their shares at market prices prevailing at the time of sale, at prices related to the prevailing market prices, at negotiated prices or at fixed prices. The Selling Stockholders may use broker-dealers to sell their shares. If this happens, broker-dealers will either receive discounts or commissions from the Selling Stockholders, or they will receive commissions from purchasers of shares for whom they acted as agents.

Selling Stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Act. Selling Stockholders must meet the criteria and conform to the requirements of that rule. The Selling Stockholders and the broker-dealers to or through whom sale of the shares may be made could be deemed to be underwriters within the meaning of the Act, and their commissions or discounts and other compensation received in connection with the sale of the shares may be regarded as underwriters' compensation, if the Commission determines that they purchased the shares in order to resell them to the public.

The Selling Stockholders have not advised us of any specific plans for the distribution of the shares covered by this prospectus. When and if we are notified by any of the Selling Stockholders that any material arrangement has been entered into with a broker-dealer or underwriter for the sale of a material portion of the shares covered by this prospectus, a prospectus supplement will be filed with the Commission.
