7. Definitions.

If the Shares are listed on an established stock exchange or a national market system, including, without limitation, the American Stock Exchange or the National Market System of the National Association of Securities Dealers, Inc. Automated Quotation (NASDAQ) System, the Fair Market Value of a Share shall be the closing sales price for such a share as quoted on such system or exchange (or the exchange with the greatest volume of trading in Shares) on the last market trading day prior to the day of determination on which the Shares were traded, as reported in The Wall Street Journal or such other source the Administrator deems reliable;

In the event that more than three (3) valuations are required in any fiscal year, then the Grantee shall bear the cost of any additional valuations, or may request that the determination of the Fair Market Value of a Share be based on the most recent valuation, at his sole discretion.

On August 9, 2005, Mayors granted to the Grantee a Stock Appreciation Right with respect to 21,737 shares of common stock of Mayors (**SARs**) (the **Award**) pursuant to the terms of the Plan and that certain stock appreciation rights agreement (the **Agreement**). The Company assumed the Agreement as of November 15, 2005, and the shares subject to the Award were converted into the right to receive Class A Voting Shares of the Company.

The Company and the Grantee wish to amend some of the terms of the Award.

This Amendment is entered into in accordance with the terms and conditions of the Plan, the terms of which are incorporated herein by reference, and the Amendment shall in all respects be interpreted in accordance with the Plan. Any term used in the Amendment that is not otherwise defined in the Amendment shall have the meaning assigned to it by the Plan.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree that the Award is hereby amended as follows (the **Amended Award**):

1. Number of SARs. The number of shares of Class A Voting Shares of the Company subject to the Award is hereby decreased to 4,347 (the **Amended SARs**).

2. Vesting and Exercisability. The Amended SARs are fully vested and may be exercised by the Grantee as of the Effective Date.

3. Exercise Price. The exercise price at which the Amended SARs may be acquired upon exercise of the Amended Award shall be US\$1.00 per Class A Voting Share of the Company which is equal to the greater of US\$1.00 and the closing sale price of the Company s Class A Voting Shares plus 7% on the last trading day prior to the date hereof (the **Exercise Price**).

4. Appreciation Available. Each Amended SAR shall entitle the Grantee to receive one hundred percent (100%) of the excess of (i) the Fair Market Value of one share of the Class A Voting Shares of the Company on the date the Grantee exercises the Amended SAR (the "Appreciation Price") over (ii) the Exercise Price. The total appreciation available to the Grantee as a result of any exercise of the Amended SARs shall be equal to one hundred percent (100%) of the product of (i) the number of Amended SARs exercised multiplied by (ii) the excess of the Appreciation Price over the Exercise Price. The payment of such amount shall be in cash, in Shares of Class A Voting Shares of the Company that have an aggregate Fair Market Value (as of the date of exercise of the Amended SAR) equal to the amount of the payment, or in some combination thereof, as determined by the Administrator in its sole discretion.

5. Duration of Amended Award. Except as specified below, the Amended Award shall expire on March 16, 2020. Notwithstanding the foregoing, the Amended Award may expire prior to March 16, 2020, in the following circumstances:

(a) In the case of the Grantee's termination of employment with the Company for any reason other than Disability, death, retirement or for Cause, the Amended Award shall expire on the two-year anniversary of the Grantee's Date of Termination.

(b) In the case of the Grantee's termination of employment with the Company due to Disability, death or retirement, the Amended Award shall expire on the date which is one (1) year after the Grantee's Date of Termination.

(c) In the case of the Grantee's termination of employment with the Company for Cause, the Amended Award shall expire on the Grantee's Date of Termination.

For purposes of this Section 5, Cause shall be determined by the Administrator in its sole discretion.

6. Dissolution or Liquidation. In the event of the dissolution or liquidation of the Company, to the extent that the Amended Award is outstanding on the date of such dissolution or liquidation, it will terminate immediately prior to the consummation of such dissolution or liquidation. Administrator may, in the exercise of its sole discretion in such instances, declare that the Amended Award shall terminate as of a date fixed by the Administrator and give the Grantee the right to exercise the Amended Award as to all or any part of the Covered Stock.

7. Change in Control. In the event of a Change in Control, that is not a Going-Private Transaction, the Administrator, in the exercise of its sole discretion, shall be entitled to take any of the following actions, or any other action that the Administrator in the exercise of its sole discretion determines to be fair to the Grantee:

(i) prior to the occurrence of such a Change in Control, provide that all outstanding Amended Awards upon the consummation of such a merger or sale shall be assumed by, or an equivalent option or right shall be substituted by, the successor corporation or a Parent or Subsidiary of the successor corporation;

(ii) prior to the occurrence of such a Change in Control, provide that all outstanding Amended Awards, to the extent they are exercisable and vested, shall be terminated in exchange for a cash payment equal to the Change in Control Price reduced by the Exercise Price. These cash proceeds shall be paid to the Grantee or, in the event of death of a Grantee prior to payment, to the estate of the Grantee or to a person who acquired the right to exercise the Amended Award by bequest or inheritance; or

(iii) prior to the occurrence of such a Change in Control, provide for Grantee to have the right to exercise the Amended Award as to all or a portion of the Shares covered by the Amended Award. If the Administrator makes the Amended Award exercisable in lieu of assumption or substitution in the event of a Change of Control, the Administrator shall notify Grantee that the Amended Award shall be fully exercisable for a period of 15 days from the date of such notice (or such shorter period of time as the Administrator determines to be reasonable in the exercise of its sole discretion), and the Amended Award will terminate upon the expiration of such period.

8. Going-Private Transaction. In the event of the occurrence of a Going-Private Transaction, the Amended Award will remain outstanding after the consummation of such transaction and each outstanding Amended SAR shall be exercisable solely for a cash payment equal to the excess of the Appreciation Price over the Exercise Price. The total appreciation available to the Grantee as a result of any exercise of the Amended Award shall be equal to one hundred percent (100%) of the product of (i) the number of Amended SARs exercised multiplied by (ii) the excess of the Appreciation Price over the Exercise Price.

Transferor) to any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the Grantee (including adoptive relationships) (Family Member), or to a trust in which the Transferor and his or her Family Members own more than 50 percent of the beneficial interests or to an entity in which the Transferor and his or her Family Members own more than 50 percent of the combined voting power); or

The closing of the sale of all or substantially all of the assets of the Company or the merger of the Company with or into another corporation, in each case resulting in a Change of Control; provided, however, that a sale of assets to or a merger with or into any person that beneficially owns on the date of this Amendment securities of the Company representing 50% or more of the total combined voting power of the Company, or a sale of assets to or merger with or into any affiliate of such person, shall not constitute a Change in Control.

Change in Control Price means, as determined by the Board of Directors of the Company,

the highest Fair Market Value of a Share within the 60-day period immediately preceding the date of determination of the Change in Control Price by the Board (the 60-Day Period), or

the highest price paid or offered per Share, as determined by the Board, in any bona fide transaction or bona fide offer related to the Change in Control of the Company, at any time within the 60-Day Period, or

If the Shares are not quoted on the American Stock Exchange but are quoted on the NASDAQ System (but not on the National Market System thereof) or are regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value of a Share shall be the mean between the high bid and low asked prices for the Shares on the last market trading day prior to the day of determination, as reported in The Wall Street Journal or such other source as the Administrator deems reliable;

In the absence of an established market for the Shares, the Fair Market Value of a Share shall be determined in good faith by the Administrator based on the most recent available valuation of an independent appraiser obtained by the Company.

Going-Private Transaction means:

A Rule 13e-3 transaction as defined in Rule 13e-3(a)(3) under the Exchange Act; or

The Company (i) delists its Class A Voting Shares from the NYSE Amex, or any other national securities exchange upon which the Class A voting shares are then listed, or causes the Class A Voting Shares to cease to be authorized to be quoted in an automated quotations system operated by a national securities association (ii) terminates its registration under Section 12(g)(4) of the Exchange Act, and (iii) suspends its obligation to file reports pursuant to Section 15(d) of the Exchange Act.

Except as otherwise provided in the Plan, the Amended Award, and any right under the Amended Award, shall be exercisable only by the Grantee during the Grantee's lifetime, or, if permissible under Applicable Law, by the Grantee's guardian or legal representative, and no right under the Amended Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred to encumbered by the Grantee otherwise than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Subsidiary; provided, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

12. Notices. Any notice to be given under the terms of this Amendment to the Company shall be addressed to the Company in care of its Secretary and any notice to be given to the Grantee shall be addressed to him at the address given beneath his signature below. By a notice given pursuant to this Section 12, either party may hereafter designate a different address for notices to be given to him.
