EXPLANATORY NOTE

This Current Report on Form 8-K/A (the "Amendment") updates information disclosed in a Current Report on Form 8-K filed on July 6, 2011 (the "Original Form 8-K") relating to Callaway Golf Company's (the "Company") restructuring plan. The sole purpose of this Amendment is to disclose the Company's estimated costs of its restructuring plan as permitted under Item 2.05 of Form 8-K. Except as stated herein, this Form 8-K/A does not reflect events or transactions occurring after such filing date or modify or update those disclosures in the Original Form 8-K that may have been affected by events or transactions occurring subsequent to such filing date.

Item 2.05 Costs Associated with Exit or Disposal Activities.

As disclosed in the Original Form 8-K, on June 29, 2011, the Company announced that it was developing a restructuring plan to improve operational effectiveness and reduce costs. At the time of filing the Original Form 8-K, the restructuring plan was still in the process of being finalized and the Company was unable to make the determination of the detailed estimates required by paragraphs (b), (c) and (d) of Item 2.05. The restructuring plan has been finalized and the pre-tax charges related to the restructuring are estimated to be in the range of \$15-\$20 million, all of which relates to workforce reductions. Of the total restructuring charges, the Company estimates that approximately \$13-\$18 million will represent cash expenditures. The Company incurred restructuring charges of approximately \$5.2 million for the quarter ended June 30, 2011, including cash expenditures of \$3.4 million and non-cash charges of \$1.8 million. The Company expects that the previously announced workforce reductions will be completed during 2011 and that a substantial majority of the balance of the restructuring charges will be recognized during the third and fourth quarters of 2011.
