Item 8.01. Other Events

On September 26, 2011, Archer-Daniels-Midland Company (ADM) issued \$527,681,000 aggregate principal amount of 4.535% Debentures due 2042 (the New Debentures) in exchange for specified series of ADM 's outstanding debt securities, in connection with the expiration of the early participation period for its previously announced exchange offers. The New Debentures were issued to qualified institutional buyers (QIBs) pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to non-U.S. persons in reliance on Regulation S under the Securities Act.

The New Debentures were issued under an indenture, dated as of September 20, 2006, between ADM and The Bank of New York Mellon (as successor to JPMorgan Chase Bank, N.A.), as trustee. The New Debentures will pay interest on March 26 and September 26 of each year, beginning March 26, 2012, at a rate of 4.535% per annum. The New Debentures are ADM 's senior obligations and rank equally with all of its other unsecured indebtedness. The New Debentures are subject to optional redemption prior to maturity. The New Debentures issuable to QIBs in reliance on Rule 144A under the Securities Act were issued in the form of registered global securities in the form of debentures attached as Exhibit 4.1 hereto (the Rule 144 A Global Debenture), and the New Debentures issuable to non-U.S. persons pursuant to Regulation S under the Securities Act were issued in the form of registered global securities in the form of debentures attached as Exhibit 4.2 hereto (the Regulation S Global Debenture). The description of the New Debentures contained herein is qualified by reference to the form of Rule 144A Global Debenture and form of Regulation S Global Debenture attached hereto.

On September 26, 2011, in connection with the issuance of the New Debentures, ADM entered into a registration rights agreement (the Registration Rights Agreement) with the dealer managers for the exchange offers named therein. Under the Registration Rights Agreement, ADM has agreed to file an exchange offer registration statement with the Securities Exchange Commission (the SEC) to allow holders of the New Debentures to exchange such New Debentures for an equal principal amount of debentures with substantially identical terms, except that they will generally be freely transferable under the Securities Act. In addition, ADM has agreed pursuant to the Registration Rights Agreement, under certain circumstances, to file a shelf registration statement with the SEC to cover resales of the New Debentures. If ADM fails to satisfy these obligations, it will be required to pay additional interest as liquidated damages to the holders of the New Debentures. The Registration Rights Agreement is attached hereto as Exhibit 4.3, and the description of the Registration Rights Agreement contained herein is qualified by reference thereto.

The New Debentures have not been registered under the Securities Act or any state securities laws. Therefore, the New Debentures may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and any applicable state securities laws. This report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.
