**Item 1.01 Entry into a Material Definitive Agreement.*****Indenture and Sale of Senior Secured Notes due 2023***

On April 25, 2018, LSB Industries, Inc. (the **Company**) completed its previously announced issuance and sale of \$400 million aggregate principal amount of its 9.625% Senior Secured Notes due 2023 (the **Notes**). The Notes were issued pursuant to an indenture, dated as of April 25, 2018 (the **Indenture**), by and among the Company, the subsidiary guarantors named therein, and Wilmington Trust, National Association, a national banking association, as trustee and collateral agent (the **Notes Trustee**). The Notes were issued at a price equal to 99.509% of their face value in a transaction exempt from the registration requirements under the Securities Act of 1933 (the **Securities Act**) and will be resold to eligible purchasers in reliance on Rule 144A and/or Section 4(a)(2) under the Securities Act and to non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes will mature on May 1, 2023 and rank senior in right of payment to all of the Company's debt that is expressly subordinated in right of payment to the notes, and will rank pari passu in right of payment with all of the Company's liabilities that are not so subordinated, including the Company's revolving credit facility (the **Revolving Credit Facility**). The Company's obligations under the Notes are jointly and severally guaranteed by the subsidiary guarantors named in the Indenture on a senior secured basis.

Interest on the Notes accrues at a rate of 9.625% per annum and is payable semi-annually in arrears on May 1 and November 1 of each year, beginning on November 1, 2018, to the holders of record on the immediately preceding April 15 and October 15.

On or after May 1, 2020, the Company may redeem the Notes at its option, in whole or in part, at the redemption prices set forth below, plus accrued and unpaid interest to but excluding the redemption date, on the Notes redeemed during the twelve-month period commencing on May 1 of the years indicated below:

<b>Year</b>	<b>Percentage</b>
2020	107.219%
2021	103.609%
2022 and thereafter	100.000%

Prior to May 1, 2020, the Company may redeem some or all of the Notes at a redemption price of 100% of the principal amount of the notes to be redeemed plus a **make-whole** premium, plus accrued and unpaid interest, if any, to but excluding the redemption date. In addition, the Company may redeem up to 40% of the aggregate principal amount of the notes on or prior to May 1, 2020 with an amount equal to the net cash proceeds of certain equity offerings at a redemption price of 109.625% of the principal amount of the notes to be redeemed plus accrued and unpaid interest, if any, to but excluding the redemption date. If the Company experiences a change of control, it must offer to purchase the notes at 101% of their principal amount, plus accrued and unpaid interest, if any, to but excluding the date of purchase.

The Indenture contains covenants that limit, among other things, the Company and certain of its subsidiaries' ability to (1) incur additional indebtedness; (2) declare or pay dividends, redeem stock or make other distributions to stockholders; (3) make other restricted payments, including investments; (4) create dividend and other payment restrictions affecting its subsidiaries; (5) create liens or use assets as security in other transactions; (6) merge or consolidate, or sell, transfer, lease or dispose of all or substantially all of the Company's assets; and (7) enter into transactions with affiliates. Further, during any such time when the Notes are rated investment grade by each of Moody's Investors Service, Inc. and Standard & Poor's Investors Ratings Services and no Default (as defined in the Indenture) has occurred and is continuing, certain of the covenants will be suspended with respect to the Notes.

## Edgar Filing: LSB INDUSTRIES INC - Form 8-K

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment defaults or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. Generally, if an event of default occurs and is continuing, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable.

The foregoing description of the Indenture is not intended to be complete and is qualified in its entirety by reference to the complete text of the Indenture (including the forms of the Notes and the form of Guarantee Agreement included therein), a copy of which is attached as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.

#### ***Amendment to the Intercreditor Agreement***

In connection with the issuance of the Notes, the Intercreditor Agreement, dated as of August 7, 2013 and previously entered into by and between Wells Fargo Capital Finance, LLC, as agent (the *Revolving Facility Agent*) under the Revolving Credit Facility, and UMB Bank, n.a., as trustee and collateral agent (the *Existing Notes Trustee*) under the Company's 8.50% Senior Secured Notes due 2019 (the *Existing Notes*), was amended (the *Intercreditor Amendment*) to, among other things, replace the Existing Notes Trustee with the Notes Trustee as the *Notes Agent* thereunder and replace the Existing Notes with the Notes as the *Notes* referenced therein, and to make certain other changes as described therein with respect to the rights and remedies of the Revolving Facility Agent and the Notes Trustee with respect to the shared collateral securing the Revolving Credit Facility and the Notes.

The foregoing description of the Intercreditor Amendment is not intended to be complete and is qualified in its entirety by reference to the complete text of the Intercreditor Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
