Schmitt Industries, Inc. Announces that ISS and Glass Lewis Both Recommend that

SMIT Shareholders DO NOT VOTE FOR SENTENTIA Nominees

Portland, Oregon October 2, 2018 Schmitt Industries, Inc. (**SMIT**) today announced that Institutional Shareholders Services Inc. and Glass Lewis, the leading independent proxy research and advisory firms to institutional investors, have both recommended that SMIT shareholders do not vote for Sententia s nominees.

SMIT also announced that today it sent a letter to its shareholders. Included below is the full text of the letter:

Leading proxy advisory firms recommend DO NOT VOTE FOR SENTENTIA Nominees

October 2, 2018

Dear Fellow Shareholders,

Schmitt Industries, Inc. (**SMIT** or the **Company**) today announced that Institutional Shareholders Services Inc. (**ISS**) and Glass Lewis, the leading independent proxy research and advisory firms to institutional investors, both recommend that SMIT shareholders do not vote for Sententia s nominees. After thoroughly evaluating SMIT s performance, Sententia s arguments, and their nominees, BOTH ISS AND GLASS LEWIS have recommended that shareholders do not vote for the Blue card nominees.

ISS and Glass Lewis are both completely independent they have no relationship with SMIT and no stake in our proxy contest.

According to ISS and Glass Lewis (emphasis added):

SMIT s FY2017 Strategy is working

*ISS: The board [of Schmitt Industries] **implemented a turnaround effort in FY2017 that has been directionally positive thus far.***

*Glass Lewis: [Glass Lewis] believe[s] **the Company s strong FY2018 results lend credibility to the incumbent board s argument that the incumbent board and management have the right strategy to position the Company for future success and to enhance shareholder value.***

SMIT s FY2017 Strategy has proven results

*ISS: The strategy has been directionally positive thus far, as **revenues reached a five-year high in FY2018, while gross margin increased, operational expenses declined, and net income was positive for the first time since FY2012.***

Sententia s plan will not work

*Glass Lewis: ...[Glass Lewis is] somewhat concerned that the **Dissident has not presented a detailed plan to improve operations** and [Glass Lewis] recognize[s] that the **Company has already taken steps to cut costs and improve efficiency.***

*ISS: ...[Sententia] has failed to convincingly articulate an understanding of **the fundamental drivers of underperformance** that necessitated the turnaround strategy and **the manner in which its nominees would contribute to the efforts.***

ISS and Glass Lewis recognize that SMIT has articulated a clear and proactive strategy that has been successful. Based on these conclusions, the proxy advisory firms recommend the following:

ISS and Glass Lewis recommend that shareholders **vote the Company s WHITE Proxy Card for David Case.**

ISS and Glass Lewis recommend shareholders **DO NOT VOTE the Blue proxy card and DO NOT VOTE for Sententia s nominees.**

As I stated in CEO David Case s letter to fellow shareholders mailed to you with the 2018 Annual Report, it is the Company s objective to improve our shareholder communications and transparency to the market. We look forward to continuing the more robust communication we have established with shareholders both at the Annual Meeting on October 12th and into the fiscal year ahead.

VOTE THE ENCLOSED WHITE CARD TODAY!

The cut off time for voting is approaching, and your vote is critical this year. The online voting cut off is 11:59 PM Eastern on October 11, 2018.

If you have already voted for Sententia s nominees on the Blue proxy card, you can still change your vote to the Company s nominees. You can place your vote by using the mailed WHITE Proxy Card enclosed with this letter.

If you have any questions or would like us to contact you, please do not hesitate to reach out to our proxy solicitor, Alliance Advisors, at **(833) 786-6483**.

Again, thank you for your continued support.

Michael J. Ellsworth

Chairman of the Board of Directors

Schmitt Industries, Inc.
