**PROXY STATEMENT
FOR SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 19, 2003**

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Wind River Systems, Inc., a Delaware corporation (**Wind River** or the **Company**), for use at the Special Meeting of the stockholders of the Company to be held on Friday, December 19, 2003, or at any continuations, adjournments or postponements thereof (the **Special Meeting**), for the purposes set forth herein and in the accompanying Notice of Special Meeting of Stockholders. The Special Meeting will be held at 9:00 a.m. (local time) at Wind River's principal executive offices located at 500 Wind River Way, Alameda, California, 94501. Wind River intends to mail this proxy statement and accompanying proxy card on or about November 26, 2003 to all stockholders entitled to vote at the Special Meeting.

Only holders of record of the Company's common stock (**Common Stock**) at the close of business on November 21, 2003 (the **Record Date**) will be entitled to notice of, and to vote at, the Special Meeting. At the close of business on the Record Date, Wind River had outstanding and entitled to vote 80,290,594 shares of Common Stock held of record by approximately 770 stockholders.

Voting and Solicitation

This solicitation contains two parts: the proxy card and this Proxy Statement. The proxy card is the means by which you authorize another person to vote your shares in accordance with your instructions. This Proxy Statement provides you with information on the proposals and other matters that you may find useful in determining how to vote.

Each holder of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters to be voted upon at the Special Meeting.

All votes will be tabulated by the inspector of election appointed for the Special Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have no effect on the vote. If you hold your shares through a broker, bank or other nominee and you do not instruct them on how you wish to vote on this proposal, your broker will not have authority to vote your shares if your broker is a NASD or NYSE member organization.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Special Meeting will be required to approve the amendment to the Wind River 1998 Equity Incentive Plan. Therefore, any proxy that is submitted with an election to abstain will have the same effect as a vote against the proposal. If the required affirmative vote is not obtained at the Special Meeting, the Wind River 1998 Equity Incentive Plan will remain in place without giving effect to the proposed amendments.

Wind River will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to such beneficial owners. Wind River may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, e-mail or personal solicitation by directors, officers or other regular employees of Wind River. No additional compensation will be paid to directors, officers or other regular employees for such services. In addition, we have engaged MacKenzie Partners, Inc. as our proxy solicitor to solicit proxies on our behalf from brokers, bank nominees and other institutions for a fee of approximately \$7,500, plus reasonable out-of-pocket expenses.

Methods of Voting

You may vote by mail, by telephone, over the Internet, or in person at the Special Meeting. Your shares will be voted in accordance with your instructions. If you do not provide voting instructions, the individuals named as your proxies on the proxy card (known as **proxies** or **proxy holders**) will vote your shares FOR approval of the amendment to the Wind River 1998 Equity Incentive Plan and at their discretion as to other matters that may properly come before the Special Meeting.

Voting by Telephone

To vote by telephone through services provided by ADP Investor Communication Services, call the phone number printed on your proxy card or voting instruction form, and follow the instructions provided on each proxy card.

If you vote by telephone, you do not need to complete and mail your proxy card.

Voting over the Internet

To vote over the Internet through services provided by ADP Investor Communication Services, log on to the Internet at: <http://www.proxyvote.com> and follow the instructions at that site.

If you vote on the Internet, you do not need to complete and mail your proxy card.

Voting by Mail

By signing and returning the proxy card in the enclosed prepaid and pre-addressed envelope, you are enabling the proxy holders to vote your shares at the Special Meeting in the manner you indicate. Wind River encourages you to sign and return the proxy card even if you plan to attend the Special Meeting. In this way, your shares will be voted if you are unable to attend the Special Meeting. If you received more than one proxy card, your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting in Person at the Special Meeting

If you plan to attend the Special Meeting and vote in person, Wind River will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the meeting.

If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. If you wish to vote at the Special Meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote such shares.

Submitting your proxy by mail, or voting by telephone or over the Internet will not affect your right to vote in person should you decide to attend the Special Meeting.

If you are a participant in Wind River's 401(k) Plan, your proxy will incorporate all shares of Common Stock you own through the 401(k) Plan, assuming your shares are registered in the same name. Your proxy will serve as a voting instruction for the trustee of Wind River's 401(k) Plan. If you own shares through Wind River's 401(k) Plan and you do not vote, the plan trustee will vote those shares in the same proportion as other 401(k) Plan participants vote their 401(k) Plan shares.

Revocation of Proxies

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Secretary of the Company at Wind River's principal executive office, 500 Wind River Way, Alameda, California, 94501, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

The deadline for submitting a stockholder proposal for inclusion in Wind River's proxy statement and form of proxy for Wind River's 2004 Annual Meeting of Stockholders pursuant to Rule 14a-8 of the Securities Exchange Act, as amended (the **Exchange Act**), is January 13, 2004. Stockholder proposals intended for consideration for inclusion in Wind River's proxy statement and form of proxy relating to the 2004 Annual Meeting of Stockholders should be made in accordance with Rule 14a-8 of the Exchange Act. If a stockholder intends to submit a stockholder proposal at Wind River's 2004 Annual Meeting which is not eligible for inclusion in the proxy statement and form of proxy relating to that meeting, the stockholder must present the proposal to Wind River not later than the close of business on March 20, 2004 nor earlier than the close of business on February 19, 2004 in accordance with the provisions of Wind River's Amended and Restated Bylaws. Stockholders are also advised to review Wind River's Amended and Restated Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations. In addition, the proxy solicited by the Board of Directors for the 2004 Annual Meeting of Stockholders will confer discretionary authority to vote on any stockholder proposal presented at that meeting if Wind River is not provided with notice of such proposal on or prior to March 20, 2004.

PROPOSAL FOR STOCKHOLDER ACTION

**PROPOSAL 1 APPROVAL OF THE AMENDMENT TO THE WIND RIVER 1998
EQUITY INCENTIVE PLAN**

In April 1998, the Board of Directors adopted, and the Company's stockholders subsequently approved, the Company's 1998 Equity Incentive Plan. As of October 31, 2003, there were 4,100,000 shares of Common Stock authorized for issuance under the 1998 Equity Incentive Plan. As of October 31, 2003, under the 1998 Equity Incentive Plan, stock options (net of canceled or exercised options) covering an aggregate of 2,334,871 shares of Common Stock had been granted and 1,518,344 shares of Common Stock remained available for future grants.

The 1998 Equity Incentive Plan provides for the grant of incentive and nonstatutory stock options, stock appreciation rights, rights to purchase restricted stock and stock bonuses. The Board of Directors adopted the 1998 Equity Incentive Plan as a means to retain the services pursuant to a stock option or stock appreciation right of persons who are now employees and directors of and consultants to Wind River and its affiliates, to secure and retain the services of new employees, directors and consultants and to provide incentives for such persons to exert maximum efforts on behalf of Wind River. To date, no awards other than stock options have been granted under the 1998 Equity Incentive Plan.

On November 3, 2003, the Board of Directors approved an amendment to the 1998 Equity Incentive Plan, subject to stockholder approval, to (i) increase the aggregate number of shares of Common Stock authorized and reserved for option and other stock awards under the 1998 Equity Incentive Plan by 1,900,000 shares (the **Additional Shares**) and (ii) increase the maximum number of shares of Common Stock that may be issued to any employee pursuant to stock options or stock appreciation rights in any calendar year in accordance with Section 162(m) of the Internal Revenue Code from 750,000 shares to 1,000,000 shares, except that, in connection with the hire of a new President and Chief Executive Officer, such limit shall be 3,000,000 shares. The Additional Shares may be used only for grants of incentive and nonstatutory stock options whose exercise prices must be at least 100% of the fair market value of the Common Stock on the date of grant. Any repricing of such options is prohibited without stockholder approval. See **Plan Summary** **Terms of Options** **Restrictions on Supplemental Reserve Shares**.

On November 5, 2003, Wind River announced the hiring of Mr. Kenneth R. Klein as the Company's President, Chief Executive Officer and Chairman of the Board effective as of January 5, 2004. Wind River and Mr. Klein have entered into an employment agreement, pursuant to which the Company has agreed to grant Mr. Klein options to acquire an aggregate of 2,400,000 shares of Common Stock. The Company proposes to grant the options to Mr. Klein under the 1998 Equity Incentive Plan. If the proposed amendment to the 1998 Equity Incentive Plan is approved by the stockholders, the options would be granted to Mr. Klein by the Company at the time of commencement of his services as President and Chief Executive Officer. If the proposed amendment is not approved by the stockholders, the Company is required under the terms of Mr. Klein's employment agreement to provide alternative incentive compensation in the form of stock appreciation rights and options in amounts and at times as are currently allowed under the Company's existing plans. See **Interest of Certain Persons in Matters to be Acted Upon** **Employment Agreement with Kenneth R. Klein**.

**REQUIRED VOTE AND BOARD OF DIRECTORS
RECOMMENDATION ON PROPOSAL**

Adoption of the proposed amendment to the 1998 Equity Incentive Plan requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Special Meeting.

The Board of Directors recommends a vote FOR the approval of the proposed amendment to the 1998 Equity Incentive Plan.

PLAN SUMMARY

A summary of the principal features of the 1998 Equity Incentive Plan, as proposed to be amended, is outlined below.

General

The 1998 Equity Incentive Plan provides for the grant of stock awards, which may be incentive stock options, nonstatutory stock options, stock appreciation rights, rights to acquire restricted stock or stock bonuses. Incentive stock options granted under the 1998 Equity Incentive Plan are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code. Nonstatutory stock options granted under the 1998 Equity Incentive Plan are not intended to qualify as incentive stock options under the Internal Revenue Code. See Federal Income Tax Information for a discussion of the tax treatment of awards.

Purpose

The 1998 Equity Incentive Plan was adopted to provide a means by which employees (including officers) and directors of and consultants to Wind River and its affiliates may be given an opportunity to acquire Common Stock, to secure and retain the services of persons holding or capable of filling such positions and to provide incentives for such persons to exert maximum efforts on behalf of Wind River.

Administration

The Company's Board of Directors administers the 1998 Equity Incentive Plan. Subject to the provisions of the 1998 Equity Incentive Plan, the Board of Directors has the power to construe and interpret the 1998 Equity Incentive Plan and to determine the persons to whom and the dates on which awards will be granted, the number of shares of Common Stock to be subject to each award, the time or times during the term of each award within which all or a portion of such award may be exercised, the exercise price, the type of consideration and other terms of the award.

The Board of Directors is authorized to delegate administration of the 1998 Equity Incentive Plan to a committee or committees comprised of one or more members of the Board of Directors and has delegated such administration to the Compensation Committee. The Compensation Committee has the powers to administer the 1998 Equity Incentive Plan which were originally possessed by the Board of Directors, subject to such limitations as the Board of Directors provides. As used herein with respect to the 1998 Equity Incentive Plan, the Board of Directors refers to the Compensation Committee as well as to the Board of Directors.

In order to maximize Wind River's ability to recognize a business expense deduction under Section 162(m) of the Internal Revenue Code in connection with compensation recognized by covered employees (defined in Section 162(m) as the chief executive officer and other four most highly compensated officers), the regulations under Section 162(m) require that the directors who serve as members of the committee responsible for administering the 1998 Equity Incentive Plan with respect to these covered employees must be outside directors. The Board of Directors currently intends to limit the directors who may serve as members of the Compensation Committee to those who are outside directors as defined in Section 162(m) of the Internal Revenue Code. This limitation excludes from the Compensation Committee (i) current employees of Wind River, (ii) former employees of Wind River receiving compensation for past services (other than benefits under a tax-qualified pension plan), (iii) current and former officers of Wind River, and (iv) directors currently receiving direct or indirect remuneration from Wind River in any capacity (other than as a director), unless any such person is otherwise considered an outside director for purposes of Section 162(m).

The Board of Directors may delegate to a committee of one or more members of the Board of Directors the authority to grant stock awards to eligible persons who are not then subject to Section 16 of the Securities Exchange Act and/or who are either (i) not then employees covered by Section 162(m) of the Internal Revenue Code and are not expected to be covered by Section 162(m) of the Internal Revenue Code at the time of recognition of income resulting from such stock award, or (ii) not persons with respect to whom Wind River wishes to avoid the application of Section 162(m) of the Internal Revenue Code. The Board of Directors may abolish such committee at any time and revert in the Board of Directors the administration of the 1998 Equity Incentive Plan.

Eligibility

Incentive stock options and stock appreciation rights appurtenant thereto may be granted under the 1998 Equity Incentive Plan to employees (including officers) of Wind River and any affiliates. Employees (including officers), directors and consultants are eligible to receive awards other than incentive stock options and stock appreciation rights appurtenant thereto under the 1998 Equity Incentive Plan. As of October 31, 2003, all of Wind River's approximately 1,100 employees, as well as its directors and consultants, were eligible to participate in the 1998 Equity Incentive Plan.

No incentive stock option may be granted under the 1998 Equity Incentive Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of Wind River or any affiliate of Wind River, unless the exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant, and the term of the option does not exceed five years from the date of grant. To the extent an optionee would have the right in any calendar year to exercise for the first time one or more incentive stock options for shares having an aggregate fair market value (under all plans of Wind River and its affiliates and determined for each share as of the date the option was granted) in excess of \$100,000, any such excess options will be treated as nonstatutory stock options.

Stock Subject To The Plan

An aggregate of 4,100,000 shares of Common Stock are currently authorized to be issued under the 1998 Equity Incentive Plan. The proposed amendment to the 1998 Equity Incentive Plan would, if approved, increase the total number of shares authorized for issuance to 6,000,000. If awards granted under the 1998 Equity Incentive Plan expire or otherwise terminate without being exercised (or vested in the case of restricted stock), the Common Stock not purchased under such awards again becomes available for issuance under the 1998 Equity Incentive Plan. Shares of stock subject to exercised stock appreciation rights shall not again become available for issuance under the 1998 Equity Incentive Plan.

Terms of Options

The following is a description of the permissible terms of options under the 1998 Equity Incentive Plan. Individual option grants may be more restrictive as to any or all of the permissible terms described below.

Exercise Price; Payment. The exercise price of incentive stock options under the 1998 Equity Incentive Plan may not be less than 100% of the fair market value of the Common Stock subject to the option on the date of the option grant (110% for optionees deemed to own more than 10% of the outstanding voting power of Wind River), and the exercise price of nonstatutory stock options under the 1998 Equity Incentive Plan may not be less than 85% of the fair market value of Common Stock subject to the option on the date of the option grant. With respect to any options granted with exercise prices below fair market value to covered employees, deductions for compensation attributable to the exercise of such options could be limited by Section 162(m). See Federal Income Tax Information. As of October 31, 2003, the closing price of Common Stock, as reported on the Nasdaq National Market, was \$6.69 per share.

The exercise price of options granted under the 1998 Equity Incentive Plan must be paid either in cash at the time the option is exercised or at the discretion of the Board of Directors, (i) by delivery of other Common Stock, (ii) pursuant to a deferred payment arrangement, or (iii) in any other form of legal consideration acceptable to the Board of Directors.

Exercise/Vesting. Options granted under the 1998 Equity Incentive Plan may become exercisable (**vest**) in cumulative increments as determined by the Board of Directors. Such vesting typically is time-based or performance-based. The Board of Directors has the power to accelerate the time during which an option may be exercised. In addition, options granted under the 1998 Equity Incentive Plan may permit exercise prior to vesting, but in such event the optionee may be required to enter into an early exercise stock purchase agreement that allows Wind River to repurchase shares not yet vested at their exercise price should the optionee leave the employ of Wind River before vesting. To the extent provided by the terms of an option, an optionee may satisfy any federal, state or local tax withholding obligation relating to the exercise of such option by a cash payment upon exercise, by authorizing Wind River to withhold a portion of the stock otherwise issuable to the optionee, by delivering already-owned and unencumbered stock of Wind River or by a combination of these means.

Term. The maximum term of stock options under the 1998 Equity Incentive Plan is 10 years, except that in certain cases (see Eligibility) the maximum term is five years. Options under the 1998 Equity Incentive Plan generally terminate three months after termination of the optionee's employment or relationship as a consultant or director of Wind River or any affiliate of Wind River, unless (a) such termination is due to such person's permanent and total disability (as defined in the Internal Revenue Code), in which case the option may, but need not, provide that it may be exercised at any time within one year of such termination; (b) the optionee dies while serving, or within in a three-month period of having served, Wind River or any affiliate of Wind River, in which case the option may, but need not, be exercisable (to the extent that the option was exercisable at the time of the optionee's death) within 18 months of the optionee's death by the person or persons to whom the rights to such option pass by will or by the laws of descent and distribution; or (c) the option by its terms specifically provides otherwise. Individual options by

their terms may provide for exercise within a longer period of time following termination of employment or the other relationship.

Restrictions on Transfer. No stock option may be transferred by the optionee other than by will or the laws of descent or distribution; provided, however, that the Board of Directors may grant a nonstatutory stock option that is transferable, and provided further that an optionee may designate a beneficiary who may exercise the option following the optionee's death. In addition, shares subject to repurchase by Wind River under an early exercise stock purchase agreement may be subject to restrictions on transfer that the Board of Directors deems appropriate.

Restrictions on Supplemental Reserve Shares. Of the 6,000,000 shares reserved under 1998 Equity Incentive Plan, 4,500,000 are referred to as the **Supplemental Reserve**. Notwithstanding the permissible terms above, the shares in the Supplemental Reserve may only be issued subject to the following conditions:

- (i) Stock options are the only form of stock award that may be granted with respect to shares of Common Stock in the Supplemental Reserve;
- (ii) The exercise price of nonstatutory stock options granted from the Supplemental Reserve may not be less than one hundred percent (100%) of the Fair Market Value on the date of grant; and
- (iii) Options granted from the Supplemental Reserve shall not be repriced without stockholder approval.

Terms of Stock Bonuses and Purchases of Restricted Stock

Purchase Price; Payment. The purchase price under each stock purchase agreement will be determined by the Board of Directors, but in no event shall the purchase price be less than 85% of the stock's fair market value on the date such award is made. The purchase price of stock pursuant to a stock purchase agreement must be paid either: (i) in cash at the time of purchase; (ii) at the discretion of the Board of Directors, according to a deferred payment or other arrangement with the person to whom the Common Stock is sold; or (iii) in any other form of legal consideration that may be acceptable to the Board of Directors in its discretion. Eligible participants may be awarded stock pursuant to a stock bonus agreement in consideration of past services actually rendered to Wind River or for its benefit. To date, no stock bonuses or restricted stock purchase agreements have been granted under the 1998 Equity Incentive Plan.

Repurchase. Shares of Common Stock sold or awarded under the 1998 Equity Incentive Plan may, but need not, be subject to a repurchase option in favor of Wind River in accordance with a vesting schedule determined by the Board of Directors. In the event a person ceases to be an employee of or ceases to serve as a director of or consultant to Wind River or an affiliate of Wind River, Wind River may repurchase or otherwise reacquire any or all of the shares of the bonus or restricted stock held by that person that have not vested as of the date of termination under the terms of the stock bonus or restricted stock purchase agreement between Wind River and such person. The Board of Directors has the power to accelerate such vesting.

Restrictions on Transfer. Rights under a stock bonus or restricted stock bonus agreement may not be transferred except where such assignment is required by law or expressly authorized by the terms of the applicable stock bonus or restricted stock purchase agreement.

Stock Appreciation Rights

The 1998 Equity Incentive Plan authorizes three types of stock appreciation rights. To date, no stock appreciation rights have been granted under the 1998 Equity Incentive Plan.

Tandem Stock Appreciation Rights. Tandem stock appreciation rights are tied to an underlying option and require the holder to elect whether to exercise the underlying option or to surrender the option for an appreciation distribution equal to the market price of the vested shares purchasable under the surrendered option less the aggregate exercise price payable for such shares. Appreciation distributions payable upon exercise of tandem stock appreciation rights shall be made in cash (or, if so provided, in an equivalent number of shares of Common Stock based on Fair Market Value on the date of the option surrender).

Concurrent Stock Appreciation Rights. Concurrent stock appreciation rights are tied to an underlying option and are exercised automatically at the same time the underlying option is exercised. The holder receives an appreciation distribution equal to the market price of the vested shares purchased under the option less the aggregate exercise price payable for such shares. Appreciation distributions payable upon exercise of concurrent stock appreciation rights shall be made in cash (or, if so provided, in an equivalent number of shares of Common Stock based on fair

market value on the date of exercise of the concurrent right).

Independent Stock Appreciation Rights. Independent stock appreciation rights are granted independently of any option and entitle the holder to receive upon exercise an appreciation distribution equal to the fair market value on the date of exercise of a number of shares equal to the number of share equivalents to which the holder is vested under the independent stock appreciation right less the fair market value of such number of shares of stock on the date of grant. Appreciation distributions payable upon exercise of independent stock appreciation rights may, at the Board of Directors' discretion, be made in cash, in shares of Common Stock or a combination thereof.

Adjustment Provisions

If there is any change in the stock subject to the 1998 Equity Incentive Plan or subject to any award granted under the 1998 Equity Incentive Plan, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or otherwise), the 1998 Equity Incentive Plan and awards outstanding thereunder will be appropriately adjusted as to the type of security and the maximum number of shares subject to such plan, the maximum number of shares which may be granted to an employee during any calendar year, and the type of security, number of shares and price per share of stock subject to such outstanding stock awards.

Effect of Certain Corporate Events

The 1998 Equity Incentive Plan provides that, in the event of a dissolution or liquidation of Wind River, then all stock awards shall be terminated if not exercised (if applicable) prior to such event. In the event of a specified type of merger or other corporate reorganization, any surviving corporation will be required to either assume stock awards outstanding under the 1998 Equity Incentive Plan or substitute similar stock awards for those outstanding under the 1998 Equity Incentive Plan and such outstanding stock awards will continue in full force and effect. In the event that any surviving corporation declines to assume or continue awards outstanding under the 1998 Equity Incentive Plan, or to substitute similar awards, then the time during which such stock awards may be exercised will be accelerated and the stock awards terminated if not exercised at or prior to such event. The acceleration of a stock award in the event of an acquisition or similar corporate event may be viewed as an anti-takeover provision, which may have the effect of discouraging a proposal to acquire or otherwise obtain control of Wind River.

The 1998 Equity Incentive Plan also provides for the acceleration of vesting for stock awards which otherwise would vest within the 30-month period following the occurrence of certain hostile changes of control. A hostile change of control would involve either (i) the acquisition by any person or related group of a majority of Wind River's voting securities which has not been approved by the Board of Directors or (ii) a change of a majority of the members of the Board of Directors in a 24-month period where the new directors were not approved by a majority of the members of the Board of Directors at the beginning of such period or were seated as the result of a proxy contest or other contest over election of members of the Board of Directors.

Duration, Amendment and Termination

The Board of Directors may suspend or terminate the 1998 Equity Incentive Plan without stockholder approval or ratification at any time or from time to time. Unless sooner terminated, the 1998 Equity Incentive Plan will terminate on April 22, 2008.

The Board of Directors may also amend the 1998 Equity Incentive Plan at any time or from time to time. However, no amendment will be effective unless approved by the stockholders of Wind River, to the extent stockholder approval is necessary in order for the 1998 Equity Incentive Plan to satisfy Section 422 of the Internal Revenue Code, if applicable, Rule 16b-3 of the Exchange Act or Nasdaq or other securities exchange listing requirements. The Board of Directors may submit any other amendment to the 1998 Equity Incentive Plan for stockholder approval, including, but not limited to, amendments intended to satisfy the requirements of Section 162(m) of the Internal Revenue Code regarding the exclusion of performance-based compensation from the limitation on the deductibility of compensation paid to certain employees.

Federal Income Tax Information

Long-term capital gains currently are generally subject to lower tax rates than ordinary income or short-term capital gains. The maximum long-term capital gains rate for federal income tax purposes is currently 15% while the maximum ordinary income rate and short-term capital gains rate is currently 35%. Slightly different rules may apply to participants of the 1998 Equity Incentive Plan who acquire stock subject to certain repurchase options or who are subject to Section 16(b) of the Exchange Act.

Incentive Stock Options. Incentive stock options under the 1998 Equity Incentive Plan are intended to be eligible for the favorable federal income tax treatment accorded incentive stock options under the Internal Revenue Code.

There generally are no federal income tax consequences to the participant or Wind River by reason of the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may increase the participant's alternative minimum tax liability, if any.

If a participant holds stock acquired through exercise of an incentive stock option for at least two years from the date on which the option is granted and at least one year from the date on which the shares are transferred to the participant upon exercise of the option, any gain or loss on a disposition of such stock will be a long-term capital gain or loss if the participant held the stock for more than one year.

Generally, if the participant disposes of the stock before the expiration of either of these holding periods (a **disqualifying disposition**), then at the time of disposition the participant will realize taxable ordinary income equal to the lesser of (i) the excess of the stock's fair market value on the date of exercise over the exercise price, or (ii) the participant's actual gain, if any, on the purchase and sale. The participant's additional gain or any loss upon the disqualifying disposition will be a capital gain or loss, which will be long-term or short-term depending on whether the stock was held for more than one year.

To the extent the participant recognizes ordinary income by reason of a disqualifying disposition, Wind River will generally be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Internal Revenue Code and the satisfaction of a tax reporting obligation) to a corresponding business expense deduction in the tax year in which the disqualifying disposition occurs.

Nonstatutory Stock Options, Restricted Stock Purchase Awards and Stock Bonuses. Nonstatutory stock options, restricted stock purchase awards and stock bonuses granted under the 1998 Equity Incentive Plan generally have the following federal income tax consequences:

There are no tax consequences to the participant or Wind River by reason of the grant. Upon acquisition of the stock, the participant normally will recognize taxable ordinary income equal to the excess, if any, of the stock's fair market value on the acquisition date over the purchase price. However, to the extent the stock is subject to certain types of vesting restrictions, the taxable event will be delayed until the vesting restrictions lapse unless the participant elects to be taxed on receipt of the stock. With respect to employees, Wind River is generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income

9

recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Internal Revenue Code and the satisfaction of a tax reporting obligation, Wind River will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year. Slightly different rules may apply to participants who acquire stock subject to certain repurchase options or who are subject to Section 16(b) of the Exchange Act.

Stock Appreciation Rights. No taxable income is realized upon the receipt of a stock appreciation right, but upon exercise of the stock appreciation right the fair market value of the shares (or cash in lieu of shares) received must be treated as compensation taxable as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, Wind River is required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, Section 162(m) of the Internal Revenue Code and the satisfaction of a reporting obligation, Wind River will be entitled to a business expense deduction equal to the taxable ordinary income recognized by the participant.

Potential Limitation on Wind River Deductions. Section 162(m) of the Internal Revenue Code denies a deduction to any publicly-held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation to such covered employee exceeds \$1 million. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from Wind River, may cause this limitation to be exceeded in any particular year.

Certain kinds of compensation, including qualified performance-based compensation, are disregarded for purposes of the deduction limitation. In accordance with Treasury regulations issued under Section 162(m) of the Internal Revenue Code, compensation attributable to stock options

and stock appreciation rights will qualify as performance-based compensation if the award is granted by a compensation committee comprised solely of outside directors and either (i) the plan contains a per-employee limitation on the number of shares for which such awards may be granted during a specified period, the per-employee limitation is approved by the stockholders, and the exercise price of the award is no less than the fair market value of the stock on the date of grant, or (ii) the award is granted (or exercisable) only upon the achievement (as certified in writing by the compensation committee) of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, and the award is approved by stockholders. Wind River has included in the proposed amendment of the 1998 Equity Incentive Plan a per-employee limitation of 1,000,000 shares of Common Stock subject to stock options or to stock appreciation rights that may be granted during a calendar year, provided, however, that, in connection with the hiring of a new President and Chief Executive Officer, such limit shall be 3,000,000 shares. The purpose of including this limitation is to ensure that Wind River generally will be able to deduct for tax purposes the compensation attributable to the exercise of options and stock appreciation rights granted under the 1998 Equity Incentive Plan.

Compensation attributable to restricted stock and stock bonuses will qualify as performance-based compensation, provided that: (i) the award is granted by a compensation committee comprised solely of outside directors and (ii) the purchase price of the award is no less than the fair market value of the stock on the date of grant. Stock bonuses qualify as performance-based compensation under the Treasury regulations only if (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the compensation committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied and (iv) prior to the granting (or exercisability) of the award, stockholders have approved the material terms of the award (including the class of employees eligible for such award, the business criteria on which the performance goal is based, and the maximum amount or formula used to calculate the amount payable upon attainment of the performance goal).

Benefits to be Received Under the Amended 1998 Equity Incentive Plan

Except for the terms of Mr. Klein's employment agreement detailed below (see Interest of Certain Persons in Matters to be Acted Upon Employment Agreement with Kenneth R. Klein), it is not possible to state the persons who will receive options or awards under the amended 1998 Equity Incentive Plan in the future, nor the amount of options or other stock awards, which will be granted thereunder.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Executive officers and directors of the Company have an interest in the matters being presented for stockholder approval. Upon stockholder approval of the amendment to the 1998 Equity Incentive Plan, executive officers and directors of the Company may be granted stock options and other awards pursuant to the 1998 Equity Incentive Plan. Specifically, upon stockholder approval of the amendments to the 1998 Equity Incentive Plan, the Company intends to grant options to acquire 2,400,000 shares of Common Stock to Mr. Kenneth R. Klein under the terms of his employment agreement. See Employment Agreement with Kenneth R. Klein and Security Ownership of Certain Beneficial Owners and Management for information regarding the number of shares of Common Stock beneficially owned by executive officers and directors.

Employment Agreement with Kenneth R. Klein. On November 5, 2003, Wind River and Mr. Klein entered into an employment agreement providing for the employment of Mr. Klein as Chairman of the Board of Directors, President and Chief Executive Officer effective as of January 5, 2004. Under the agreement, Mr. Klein will be entitled to receive an annualized base salary of \$450,000 and an annualized bonus for on-plan performance, as determined by the Board of Directors. The employment agreement is not subject to stockholder approval and the Company is not soliciting your vote with respect to the employment agreement.

If the stockholders approve the amendments to the 1998 Equity Incentive Plan, upon his commencement of employment, Mr. Klein will be granted three stock options to purchase an aggregate of 2,400,000 shares of Common Stock under the terms and conditions of the amended 1998 Equity Incentive Plan. The exercise price of the options will be the fair market value (as defined in the 1998 Equity Incentive Plan) of the covered shares on the date of grant. The three options will consist of a standard grant of 2,000,000 shares with time-based vesting and two grants of 200,000 shares each which shall have limitation on exercise tied to the Company's stock price performance.

If the stockholders do not approve the proposed amendments to the 1998 Equity Incentive Plan, then, in lieu of the option grants outlined in the preceding paragraph, the Company will grant Mr. Klein a combination of stock options and stock appreciation rights covering an aggregate of 2,400,000 shares of Common Stock under the terms of the existing 1998 Equity Incentive Plan. In such an event, the stock options and stock appreciation rights will be granted to Mr. Klein under the existing 1998 Equity Incentive Plan as follows:

Edgar Filing: WIND RIVER SYSTEMS INC - Form DEF 14A

On December 31, 2003, which shall be the date Mr. Klein's employment shall commence under the employment agreement if the proposed amendments to the 1998 Equity Incentive Plan are not approved by the Company's stockholders, the Company will grant Mr. Klein a stock option to purchase an aggregate of 750,000 shares of Common Stock and a stock appreciation right covering 750,000 shares of Common Stock, each in accordance with the terms of the 1998 Equity Incentive Plan. The exercise price of the stock option and the price from which appreciation of the stock appreciation right shall be measured shall be the fair market value (as defined in the 1998 Equity Incentive Plan) of the covered shares;

On January 5, 2004, the Company will then grant Mr. Klein three additional stock options to purchase an aggregate of 750,000 shares of Common Stock. The exercise price of these options will be the fair market value (as defined in the 1998 Equity Incentive Plan) of the covered shares on the date of grant. These three options will consist of a standard grant of 350,000 shares and two performance grants of 200,000 shares each which shall have a limitation on exercise tied to the Company's stock price performance; and

On January 5, 2004, the Company will grant Mr. Klein a stock appreciation right covering 150,000 shares of Common Stock. The price from which appreciation of this stock appreciation right shall be measured shall be the fair market value (as defined in the 1998 Equity Incentive Plan) of the covered shares on the date of grant.

In the event Mr. Klein's employment with Wind River is terminated other than for Cause, or if he resigns his employment with Good Reason (as each term is defined in the employment agreement), in each case other than within 12 months of a change of control, Mr. Klein will

11

be entitled to (i) an amount equal to 12 months of Mr. Klein's base salary as of his termination date plus an amount equal to 100% of his actual bonus for the fiscal year prior to the fiscal year in which the termination occurs, (ii) reimbursement of cost of continued health insurance coverage, if elected, for a period of 12 months after termination, (iii) additional credits towards the vesting and exercisability of the stock options and stock appreciation rights outlined above and (iv) 12 months of additional credit towards the vesting and exercisability of all equity awards other than the stock options and stock appreciation rights outlined above.

In the event of a Change of Control (as that term is defined in the employment agreement), Mr. Klein would be entitled to (i) an amount equal to 12 months of Mr. Klein's base salary as of his termination date plus an amount equal to 100% of his actual bonus for the fiscal year prior to the fiscal year in which the termination occurs, (ii) reimbursement of cost of continued health insurance coverage, if elected, for a period of 12 months after termination, and (iii) 100% accelerated vesting and exercisability of all equity awards with respect to the Common Stock.

EXECUTIVE COMPENSATION

Compensation of Directors

The Company's Board of Directors is comprised of six members, four of whom are currently not employees of Wind River (each a **Non-Employee Director**). Each Non-Employee Director receives a quarterly retainer of \$5,000 and a per-meeting fee of \$1,000 for each Board meeting attended and \$500 for each committee meeting attended. In accordance with Wind River policy, directors may be reimbursed for certain expenses in connection with attendance at Board and committee meetings. In addition, effective May 2001, the Non-Employee Directors became eligible to receive health benefits under Wind River's health plans available generally to all salaried employees of Wind River and Wind River pays a portion of the premiums therefore for two Non-Employee Directors.

Directors Jerry L. Fiddler and Narendra K. Gupta are currently employees of Wind River and are not separately compensated for their service as directors. Effective as of June 24, 2003, Mr. Gupta began serving as Interim President and Chief Executive Officer. Mr. Gupta is an at-will employee and receives no cash salary, however, in August 2003, Mr. Gupta was granted a nonstatutory stock option to purchase 250,000 shares of Common Stock under the 1998 Equity Incentive Plan with a per share exercise price of \$5.41, which represented the fair market value of the covered shares measured as of the date of grant. The shares subject to this option vest ratably over 12 months, but become vested in full upon the successful hiring of a permanent chief executive officer. Mr. Fiddler, who currently serves as Chairman of the Board, is an at-will employee and is paid a salary determined by the Compensation Committee of the Board of Directors. As employees, Messrs. Gupta and Fiddler are entitled to all of the employee benefits available to and policies applicable to employees generally or to executive officers as a class. See Employment, Severance and Change of Control Agreements below for a description of the employment agreement for Thomas St. Dennis and the severance and change of control arrangements applicable to Messrs. Fiddler and Mr. Gupta.

All Non-Employee Directors participate in Wind River's 1995 Non-Employee Directors' Stock Option Plan (the **Directors' Plan**). The Directors' Plan provides for the automatic grant of options to purchase Common Stock to Non-Employee Directors. Stock options granted under the Directors' Plan have an exercise price equal to the fair market value of the Common Stock on the date of grant and expire ten years from the date of grant. Under the Directors' Plan, each person who is elected for the first time as a Non-Employee Director is automatically

13

granted an option upon the date of his or her election to the Board, which vests in four equal annual installments. Additionally, on April 1 of each year, each person who is then a Non-Employee Director is automatically granted an option that vests in four equal annual installments. However, the option becomes fully vested on the first anniversary of the date of grant so long as the optionee had attended at least 75% of the meetings of the Board and any committees on which he or she served that were held during such period. The Directors' Plan currently provides that the initial grants are for 24,000 shares and yearly grants for 6,000 shares. As of October 31, 2003, options to purchase 207,000 shares were outstanding under the Directors' Plan, options to purchase 33,750 shares had been exercised, and 96,750 shares remained available for grant.

During the fiscal year ended January 31, 2003, Wind River granted to each of James W. Bagley, John C. Bolger, William B. Elmore, Narendra K. Gupta and Grant M. Inman an option under the Directors' Plan to purchase 6,000 shares of Common Stock at an exercise price per share of \$13.59, the fair market value of the Common Stock on the date of grant.

As of September 19, 2003, Mr. Bagley resigned as a director of the Company, and as of June 24, 2003, Mr. St. Dennis resigned as a director. Mr. Kenneth R. Klein was elected to the Board of Directors effective as of July 24, 2003.

Of the life insurance premiums paid in fiscal year 2003, the following amounts were reported as taxable income to each individual: Mr. St. Dennis (\$1,875), Mr. Fiddler (\$164), Mr. Fraser (\$430), Mr. Kennedy (\$520) and Mr. Zellner (\$678). The dollar value of the cash value compensation was determined by using the demand loan approach for the benefit provided by the whole life portion of the premium paid by Wind River for each Named Executive Officer.
- (6) Effective as of June 24, 2003, Mr. St. Dennis resigned from his positions as a director and as President and Chief Executive Officer.
- (7) Effective as of June 30, 2003, Mr. Kennedy resigned from his position as Group Vice President of Worldwide Sales and Marketing.

Messrs. St. Dennis and Kennedy resigned as executive officers of Wind River in fiscal year 2004. Effective as of June 24, 2003, Mr. Narendra K. Gupta became the Interim President and Chief Executive Officer of the Company.

Edgar Filing: WIND RIVER SYSTEMS INC - Form DEF 14A

On November 5, 2003, Wind River announced the hiring of Mr. Kenneth R. Klein as the Company's President, Chief Executive Officer and Chairman of the Board effective as of January 5, 2004.

- (1) Options that expire in the calendar year 2012 become exercisable as to 25% of the shares subject to the option on the first anniversary of the date of grant and thereafter at a rate of 1/48 of the shares per month. Options that expire in the calendar year 2007 become exercisable as to 50% of the shares subject to the option on the 18th month following the date of grant and thereafter at a rate of 1/36 of the shares per month.
- (2) The potential realizable value is based on the term of the option at its time of grant. In accordance with rules promulgated by the Securities and Exchange Commission, it is calculated by assuming that the stock price on the date of grant appreciates at the indicated annual rate, compounded annually for the entire term of the option and that the option is exercised and sold on the last day of its term for the appreciated stock price. Unless the market price of Common Stock appreciates over the option term, no value will be realized from these option grants. There can be no assurance that the values shown in this table will be achieved.

Employment, Severance and Change of Control Agreements

Edgar Filing: WIND RIVER SYSTEMS INC - Form DEF 14A

As of January 31, 2003, Wind River had not entered into any employment agreement with its executive officers other than the employment agreement with Mr. St. Dennis described below. On June 24, 2003, Wind River announced the resignation of Mr. St. Dennis as the Company's President and Chief Executive Officer. At such time, Mr. St. Dennis also resigned from the Company's Board of Directors.

On November 5, 2003, Wind River announced the hiring of Mr. Kenneth R. Klein as the Company's President, Chief Executive Officer and Chairman of the Board effective as of January 5, 2004. Wind River and Mr. Klein have entered into an employment agreement. See *Interests of Certain Persons in Matters to be Acted Upon* Employment Agreement with Kenneth R. Klein. Mr. Klein had previously been elected to the Board of Directors on July 24, 2003.

Employment Agreement with Thomas St. Dennis. In September 1999, Wind River and Mr. St. Dennis entered into an employment agreement providing for the employment of Mr. St. Dennis as President and Chief Executive Officer. Under the agreement, for fiscal 2000, Mr. St. Dennis received an annualized base salary of \$400,000, an annualized bonus of \$800,000 for on-plan performance, as determined by the Board of Directors, and a sign-on bonus of \$959,121. The agreement also provided that for subsequent fiscal years Mr. St. Dennis would receive a bonus equal to twice his base salary, as determined by the Compensation Committee of the Board of Directors each year, for on-plan performance and an additional performance bonus of up to 50% of such amount for performance exceeding plan.

In accordance with the terms of the employment agreement, in September 1999, the Board of Directors granted Mr. St. Dennis an option to purchase 1,100,000 shares of Common Stock, at an exercise price of \$16.00. In addition, Wind River agreed to lend Mr. St. Dennis, under a secured promissory note, up to \$2.4 million to purchase shares of Common Stock during the first six months of his employment with Wind River, secured by a pledge of personal property.

In the event Mr. St. Dennis' employment with Wind River is terminated other than for Cause, or if he resigns his employment with Good Reason (as each term is defined in the employment agreement), in each case other than within 12 months of a change of control (in which event Mr. St. Dennis would receive benefits under the Change in Control Incentive and Severance Benefit Plan described below), Mr. St. Dennis will provide certain consulting services for one year thereafter in exchange for compensation in an amount equal to his annual salary at the time of such termination and a pro rata share of the target on-plan bonus for the year.

Change in Control Incentive and Severance Benefit Plan. In November 1995, the Compensation Committee of the Board of Directors adopted the Change in Control Incentive and Severance Benefit Plan (the **Change of Control Plan**) to provide an incentive to officers of Wind River with the title of Vice President or above in the event of certain change of control transactions, and severance benefits in the event of certain terminations of employment within 12 months of the change of control.

Upon the occurrence of a change of control, all executive officers except the Chief Executive Officer will receive acceleration of vesting for all shares subject to stock options that otherwise would have vested within one year of the date of the change of control. The Chief Executive Officer will receive two years' worth of accelerated vesting, except to the extent that the option acceleration would create adverse tax consequences for the Chief Executive Officer and Wind River under the golden parachute provisions of sections 280G and 49999 of the Internal Revenue Code of 1986, as amended, in which case the Chief Executive Officer will have accelerated the maximum number of shares allowed under the golden parachute provisions. Jerry Fiddler, the Chairman of the Board of Directors, is an executive officer of Wind River and is covered by the Change of Control Plan.

If an executive officer other than the Chief Executive Officer is terminated without Cause or voluntarily terminates with Good Reason (as each term is defined in the Change of Control Plan), within 12 months of a change in control, the executive will receive continued compensation for 12 months (including an estimated bonus amount), continued health insurance for the same period, and accelerated vesting of stock options that otherwise would vest within one year of the date of termination. In addition, for the Chief Executive Officer, any shares that would have received acceleration of vesting on account of the change in control but did not because of the limitation to avoid the golden parachute tax provisions shall receive accelerated vesting on the termination date. If the total severance payments would cause an executive to become liable for golden parachute excise tax payments, then Wind River shall pay that executive's excise tax liability and all other taxes associated with Wind River's payment of the excise tax in order to leave the executive in the same after-tax position as if no excise tax had been imposed.

Vice Presidents' Severance Benefit Plan. In May 2001, the Compensation Committee of the Board of Directors adopted the Vice Presidents' Severance Benefit Plan (the **Severance Plan**) to provide for the payment of severance benefits to certain eligible employees whose employment with Wind River is involuntarily terminated. The Severance Plan was amended in June 2003. Eligible employees under the Severance Plan are vice president level or above; however, the Chairman of the Board of Directors and the Chief Executive Officer are not eligible under the Severance Plan. Employees who are eligible for benefits under the Change of Control Plan are not eligible under the Severance Plan, with the result that the Severance Plan shall have no eligible employees for a period of 12 months following a Change of Control as such term is defined

in the Change of Control Plan. The Severance Plan provides that Wind River will (i) make a cash lump sum payment equal to 26 weeks of base salary and (ii) pay the first six months COBRA continuation coverage premium on behalf of the employee, if the employee elects COBRA continuation coverage. All other non-health benefits will terminate as of the employee's termination date. In order to receive benefits, an employee must execute a general waiver and release, as well as a non-competition agreement. Additionally, no employee is eligible for benefits under the Severance Plan if the employee is involuntarily terminated for reasons related to job performance or if the employee voluntarily terminates his or her employment, including by resignation, retirement or failure to return from a leave of absence as scheduled.

Compensation Committee Interlocks and Insider Participation

None of Wind River's executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of Wind River's Compensation Committee. None of the members of Wind River's Compensation Committee is an officer or employee of Wind River or its subsidiaries.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Special Meeting. 3. ADMINISTRATION.

- (a) **Administration by Board.** The Board will administer the Plan unless and until the Board delegates administration to a Committee, as provided in subsection 3(c).
- (b) **Powers of Board.** The board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:
- (i) To determine from time to time which of the persons eligible under the Plan shall be granted Stock Awards; when and how each Stock Award shall be granted; what type or combination of types of Stock Award shall be granted; the provisions of each Stock Award granted (which need not be identical), including the time or times when a person shall be permitted to receive stock pursuant to a Stock Award; and the number of shares with respect to which a Stock Award shall be granted to each such person.

(ii) To construe and interpret the Plan and Stock Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Stock Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.

(iii) To amend the Plan or a Stock Award as provided in Section 17.

(iv) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company which are not in conflict with the provisions of the Plan.

(c) Delegation to Committee.

(i) **General.** The Board may delegate administration of the Plan to a Committee or Committees of one or more members of the Board, and the term "Committee" shall apply to any person or persons to whom such authority has been delegated. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may abolish the Committee at any time and revert to the Board the administration of the Plan.

(ii) **Committee Composition.** As long as the Common Stock is publicly traded, in the discretion of the Board, a Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, and/or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3. Within the scope of such authority, the Board or the Committee may (i) delegate to a committee of one or more members of the Board who are not Outside Directors, the authority to grant Stock Awards to eligible persons who are either (a) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Stock Award or (b) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code and/or (ii) delegate to a committee of one or more members of the Board who are not Non-Employee Directors the authority to grant Stock Awards to eligible persons who are not then subject to Section 16 of the Exchange Act.

A-3

4. SHARES SUBJECT TO THE PLAN.

(a) **Share Reserve.** Subject to the provisions of Section 11 relating to adjustments upon changes in stock, the stock that may be issued pursuant to Stock Awards shall not exceed in the aggregate one million five hundred thousand (1,500,000) shares of Common Stock (the "Initial Reserve"). An additional four million five hundred thousand (4,500,000) shares (the "Supplemental Reserve") may be issued pursuant to Stock Awards under this Plan subject to the following conditions:

(i) The provisions of Section 4(b) shall apply separately to the Initial Reserve and the Supplemental Reserve.

(ii) Stock Awards from the Supplemental Reserve shall be subject to the provisions of Section 11 relating to adjustments upon changes in stock.

(iii) Options are the only form of Stock Award that may be granted with respect to shares of Common Stock in the Supplemental Reserve.

(iv) Section 6(c) shall apply to Options granted from the Supplemental Reserve by replacing "eighty-five percent (85%)" with "one hundred percent (100%)."

(v) Notwithstanding any other provision of the Plan to the contrary, the Board shall not reduce the exercise price of ("reprice") any outstanding Options granted from the Supplemental Reserve without stockholder approval; *provided, however*, that such restriction shall not apply to adjustments pursuant to Section 11.

(b) **Reversion of Shares to the Share Reserve.** If any Stock Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full (or vested in the case of Restricted Stock), the stock not acquired under such Stock Award shall revert to and again become available for issuance under the Plan. Shares subject to stock appreciation rights exercised in accordance with the Plan shall not be available for subsequent issuance under the Plan. If any Common Stock acquired pursuant to the exercise of an Option shall for any reason be repurchased by the Company under an unvested share repurchase option provided under the Plan, the stock repurchased by the Company under such repurchase option shall not revert to and again become available for issuance under the Plan.

(c) **Source of Shares.** The stock subject to the Plan may be unissued shares or reacquired shares, bought on the market or otherwise.

5. ELIGIBILITY.

(a) **Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to Employees. Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

(b) **Ten Percent Stockholders.** No Ten Percent Stockholder shall be eligible for the grant of an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock at the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

(c) **Section 162(m) Limitation.** Subject to the provisions of Section 11 relating to adjustments upon changes in stock, no employee shall be eligible to be granted Options covering more than one million (1,000,000) shares of the Common Stock during any calendar year; provided, however, that in connection with the hire of a new President and Chief Executive Officer, such limit shall be three million (3,000,000) shares.

6. OPTION PROVISIONS.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and a separate certificate or certificates will be issued for shares purchased on exercise of each type of Option. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

(a) **Term.** Subject to the provisions of subsection 5(b) regarding Ten Percent Stockholders, no Incentive Stock Option shall be exercisable after the expiration of ten (10) years from the date it was granted.

A-4

(b) **Exercise Price of an Incentive Stock Option.** Subject to the provisions of subsection 5(b) regarding Ten Percent Stockholders, the exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

(c) **Exercise Price of a Nonstatutory Stock Option.** The exercise price of each Nonstatutory Stock Option shall be not less than eighty-five percent (85%) of the Fair Market Value of the stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

(d) **Consideration.** The purchase price of stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (i) in cash at the time the Option is exercised or (ii) at the discretion of the Board at the time of the grant of the Option (or subsequently in the case of a Nonstatutory Stock Option) by delivery to the Company of other Common Stock, according to a deferred payment or other arrangement (which may include, without limiting the generality of the foregoing, the use of other Common Stock) with the Participant or in any other form of legal consideration that may be acceptable to the Board; provided, however, that at any time that the Company is incorporated in Delaware, payment of the Common Stock *s* par value, as defined in the Delaware General Corporation Law, shall not be made by deferred payment.

In the case of any deferred payment arrangement, interest shall be compounded at least annually and shall be charged at the minimum rate of interest necessary to avoid the treatment as interest, under any applicable provisions of the Code, of any amounts other than amounts stated to be interest under the deferred payment arrangement.

(e) **Transferability of an Incentive Stock Option.** An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionee only by the Optionee. Notwithstanding the foregoing provisions of this subsection 6(e), the Optionee may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionee, shall thereafter be entitled to exercise the Option.

(f) Transferability of a Nonstatutory Stock Option. A Nonstatutory Stock Option shall be transferable to the extent provided in the Option Agreement. If the Nonstatutory Stock Option does not provide for transferability, then the Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionee only by the Optionee. Notwithstanding the foregoing provisions of this subsection 6(f), the Optionee may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionee, shall thereafter be entitled to exercise the Option.

(g) Vesting Generally. The total number of shares of Common Stock subject to an Option may, but need not, vest and therefore become exercisable in periodic installments which may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this subsection 6(g) are subject to any Option provisions governing the minimum number of shares as to which an Option may be exercised.

(h) Termination of Continuous Service. In the event an Optionee's Continuous Service terminates (other than upon the Optionee's death or Disability), the Optionee may exercise his or her Option (to the extent that the Optionee was entitled to exercise it as of the date of termination) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionee's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionee does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate.

(i) Extension of Termination Date. An Optionee's Option Agreement may also provide that if the exercise of the Option following the termination of the Optionee's Continuous Service (other than upon the Optionee's death or Disability) would be prohibited at any time solely

A-5

or Disability) would be prohibited at any time solely because the issuance of shares would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of the term of the Option set forth in subsection 6(a) or (ii) the expiration of a period of three (3) months after the termination of the Optionee's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements.

(j) Disability of Optionee. In the event an Optionee's Continuous Service terminates as a result of the Optionee's Disability, the Optionee may exercise his or her Option (to the extent that the Optionee was entitled to exercise it as of the date of termination), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate.

(k) Death of Optionee. In the event (i) an Optionee's Continuous Service terminates as a result of the Optionee's death or (ii) the Optionee dies within the period (if any) specified in the Option Agreement after the termination of the Optionee's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionee was entitled to exercise the Option as of the date of death) by the Optionee's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionee's death pursuant to subsection 6(e) or 6(f), but only within the period ending on the earlier of (1) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement) or (2) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

(l) Early Exercise. The Option may, but need not, include a provision whereby the Optionee may elect at any time before the Optionee's Continuous Service terminates to exercise the Option as to any part or all of the shares subject to the Option prior to the full vesting of the Option. Any unvested shares so purchased may be subject to an unvested share repurchase option in favor of the Company or to any other restriction the Board determines to be appropriate.

7. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.

(a) Stock Bonus Awards. Each stock bonus agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of stock bonus agreements may change from time to time, and the terms and conditions of separate stock bonus agreements need not be identical, but each stock bonus agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A stock bonus shall be awarded in consideration for past services actually rendered to the Company or for its benefit.

(ii) Vesting. Shares of Common Stock awarded under the stock bonus agreement may, but need not, be subject to a share repurchase option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may reacquire any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination under the terms of the stock bonus agreement.

(iv) Transferability. Rights to acquire shares under the stock bonus agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the stock bonus agreement, as the Board shall determine in its discretion, so long as stock awarded under the stock bonus agreement remains subject to the terms of the stock bonus agreement.

(b) Restricted Stock Awards. Each restricted stock purchase agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of the restricted stock purchase agreements may change from time to time, and the terms and conditions of separate restricted stock purchase agreements need not be identical, but each restricted stock purchase agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

A-6

(i) Purchase Price. The purchase price under each restricted stock purchase agreement shall be such amount as the Board shall determine and designate in such restricted stock purchase agreement. The purchase price shall not be less than eighty-five percent (85%) of the stock's Fair Market Value on the date such award is made or at the time the purchase is consummated.

(ii) Consideration. The purchase price of stock acquired pursuant to the restricted stock purchase agreement shall be paid either: (i) in cash at the time of purchase; (ii) at the discretion of the Board, according to a deferred payment or other arrangement with the Participant; or (iii) in any other form of legal consideration that may be acceptable to the Board in its discretion; provided, however, that at any time that the Company is incorporated in Delaware, payment of the Common Stock's par value, as defined in the Delaware General Corporation Law, shall not be made by deferred payment.

(iii) Vesting. Shares of Common Stock acquired under the restricted stock purchase agreement may, but need not, be subject to a share repurchase option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iv) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may repurchase or otherwise reacquire any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination under the terms of the restricted stock purchase agreement.

(v) Transferability. Rights to acquire shares under the restricted stock purchase agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the restricted stock purchase agreement, as the Board shall determine in its discretion, so long as stock awarded under the restricted stock purchase agreement remains subject to the terms of the restricted stock purchase agreement.

(c) Stock Appreciation Rights

(i) Authorized Rights. The following three types of stock appreciation rights shall be authorized for issuance under the Plan:

(1) Tandem Rights. A Tandem Right means a stock appreciation right granted appurtenant to an Option which is subject to the same terms and conditions applicable to the particular Option grant to which it pertains with the following exceptions: The Tandem Right shall require the holder to elect between the exercise of the underlying Option for shares of Common Stock and the surrender, in whole or in part, of such Option for an appreciation distribution. The appreciation distribution payable on the exercised the Tandem Right shall be in cash (or, if so provided, in an equivalent number of shares of Common Stock based on Fair Market Value on the date of the Option surrender) in an amount up to the excess of (A) the Fair Market Value (on the date of the Option surrender) of the number of shares of Common Stock covered by that portion of the surrendered Option in which the Optionee is vested over (B) the aggregate exercise price payable for such vested shares.

(2) Concurrent Rights. A Concurrent Right means a stock appreciation right granted appurtenant to an Option which applies to all or a portion of the shares of Common Stock subject to the underlying Option and which is subject to the same terms and conditions applicable to the particular Option grant to which it pertains with the following exceptions: A Concurrent Right shall be exercised automatically at the same time the underlying Option is exercised with respect to the particular shares of Common Stock to which the Concurrent Right pertains. The

appreciation distribution payable on an exercised Concurrent Right shall be in cash (or, if so provided, in an equivalent number of shares of Common Stock based on Fair Market Value on the date of the exercise of the Concurrent Right) in an amount equal to such portion as determined by the Board at the time of the grant of the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Concurrent Right) of the vested shares of Common Stock purchased -under the underlying Option which have Concurrent Rights appurtenant to them over (B) the aggregate exercise price paid for such shares.

(3) Independent Rights. An Independent Right means a stock appreciation right granted independently of any Option but which is subject to the same terms and conditions applicable to a Nonstatutory Stock Option with the following exceptions: An Independent Right shall be denominated in share equivalents. The appreciation distribution payable on the exercised Independent Right shall be

A-7

not greater than an amount equal to the excess of (a) the aggregate Fair Market Value (on the date of the exercise of the Independent Right) of a number of shares of Company stock equal to the number of share equivalents in which the holder is vested under such Independent Right, and with respect to which the holder is exercising the Independent Right on such date, over (b) the aggregate Fair Market Value (on the date of the grant of the Independent Right) of such number of shares of Company stock. The appreciation distribution payable on the exercised Independent Right shall be in cash or, if so provided, in an equivalent number of shares of Common Stock based on Fair Market Value on the date of the exercise of the Independent Right.

(ii) Relationship to Options. Stock appreciation rights appurtenant to Incentive Stock Options may be granted only to Employees. The Section 162(m) Limitation provided in subsection 5(c) and any authority to reprice Options shall apply as well to the grant of stock appreciation rights.

(iii) Exercise. To exercise any outstanding stock appreciation right, the holder shall provide written notice of exercise to the Company in compliance with the provisions of the Stock Award Agreement evidencing such right. Except as provided in subsection 5(c) regarding the Section 162(m) Limitation, no limitation shall exist on the aggregate amount of cash payments that the Company may make under the Plan in connection with the exercise of a stock appreciation right.

8. COVENANTS OF THE COMPANY.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell stock upon exercise of such Stock Awards unless and until such authority is obtained.

9. USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of stock pursuant to Stock Awards shall constitute general funds of the Company.

10. MISCELLANEOUS.

(a) Acceleration of Exercisability and Vesting. The Board shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

(b) Stockholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares subject to such Stock Award unless and until such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms.

(c) No Employment or other Service Rights. Nothing in the Plan or any instrument executed or Stock Award granted pursuant thereto shall confer upon any Participant or other holder of Stock Awards any right to continue to serve the Company or an Affiliate in the capacity in effect

at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

A-8

(d) Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionee during any calendar year (under all plans of the Company and its Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

(e) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring the stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (iii) the issuance of the shares upon the exercise or acquisition of stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act or (iv) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the stock.

(f) Withholding Obligations. To the extent provided by the terms of a Stock Award Agreement, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of stock under a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) tendering a cash payment; (ii) authorizing the Company to withhold shares from the shares of the Common Stock otherwise issuable to the participant as a result of the exercise or acquisition of stock under the Stock Award; or (iii) delivering to the Company owned and unencumbered shares of the Common Stock.

11. ADJUSTMENTS UPON CHANGES IN STOCK.

(a) If any change is made in the stock subject to the Plan, or subject to any Stock Award, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan will be appropriately adjusted in the class(es) and maximum number of securities subject to the Plan pursuant to subsection 4(a) and the maximum number of securities subject to award to any person pursuant to subsection 5(c), and the outstanding Stock Awards will be appropriately adjusted in the class(es) and number of securities and price per share of stock subject to such outstanding Stock Awards. Such adjustments shall be made by the Board, the determination of which shall be final, binding and conclusive. (The conversion of convertible securities, cashless exercise of options and net exercise of warrants shall not be treated as transactions without receipt of consideration by the Company.)

(b) In the event of a dissolution or liquidation of the Company, then all Stock Awards outstanding under the Plan shall be terminated if not exercised (if applicable) prior to such event.

(c) Subject to subsection (d) of this Section 11, in the event of (1) a sale of substantially all of the assets of the Company, (2) a merger or consolidation in which the Company is not the surviving corporation or (3) a reverse merger in which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then any surviving corporation or acquiring corporation shall assume any Stock Awards outstanding under the Plan or shall substitute similar stock awards (including an award to acquire the same consideration paid to the stockholders in the transaction described in this subsection 11(c)) for those outstanding under the Plan. In the event any surviving corporation or acquiring corporation refuses to assume such Stock Awards or to substitute similar stock awards for those outstanding under the Plan, then with respect to Stock Awards held by Participants whose Continuous Service has not terminated, the vesting of such Stock Awards (and, if

A-9

applicable, the time during which such Stock Awards may be exercised) shall be accelerated in full, and the Stock Awards shall terminate if not exercised (if applicable) at or prior to such event. With respect to any other Stock Awards outstanding under the Plan, such Stock Awards shall terminate if not exercised (if applicable) prior to such event.

(d) In the event of either (i) the acquisition by any person, entity or group within the meaning of Section 13(d) or 14(d) of the Exchange Act or any comparable successor provisions (excluding any employee benefit plan, or related trust, sponsored or maintained by the Company or an Affiliate of the Company) of the beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act, or comparable successor rule) of securities of the Company representing at least fifty percent (50%) of the combined voting power entitled to vote in the election of directors, which acquisition has not been approved by resolution of the Company's Board of Directors, or (ii) a change in a majority of the membership of the Company's Board of Directors within a twenty-four (24) month period where the selection of such majority either (A) was not approved by a majority of the members of the Board of Directors at the beginning of such twenty-four (24) month period or (B) occurred as the result of an actual or threatened Election Contest (as described in Rule 14a-11 promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the Board (a Proxy Contest), including by reason of any agreement intended to avoid or settle any Election Contest or Proxy Contest, then to the extent not prohibited by applicable law, the time during which Stock Awards outstanding under the Plan may be exercised shall be accelerated prior to such event, but only to the extent that such Stock Awards would have become exercisable within thirty (30) months of the date of such event, and the Stock Awards terminated if not exercised after such acceleration and at or prior to such event.

12. TIME OF GRANTING OPTIONS.

The date of grant of an Option shall, for all purposes, be the date on which the Board makes the determination granting such Option. Notice of the determination shall be given to each Employee or Consultant to whom an Option is so granted within a reasonable time after the date of such grant.

13. AMENDMENT AND TERMINATION OF THE PLAN.

(a) **Amendment and Termination.** The Board may amend or terminate the Plan from time to time in such respects as the Board may deem advisable.

(b) **Effect of Amendment or Termination.** Options granted before amendment of the Plan shall not be impaired any amendment unless mutually agreed otherwise between the Optionee and the Company, which agreement must be in writing and signed by the Optionee and the Company.

14. SECURITIES LAW COMPLIANCE.

Notwithstanding any provisions relating to vesting contained herein or in an Option, no Option granted hereunder may be exercised unless the shares issuable upon exercise of such option are then registered under the Securities Act of 1933, as amended.

15. RESERVATION OF SHARES.

The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16. OPTION AGREEMENT.

Options shall be evidenced by written Option Agreements in such form or forms as the Board or the Committee shall approve.

17. AMENDMENT OF THE PLAN AND STOCK AWARDS.

(a) **Amendment of Plan.** The Board at any time, and from time to time, may amend the Plan. However, except as provided in Section 11 relating to adjustments upon changes in stock, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code, Rule 16b-3 or any Nasdaq or securities exchange listing requirements.

(b) **Stockholder Approval.** The Board may, in its sole discretion, submit any other amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

(c) **Contemplated Amendments.** It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Plan and/or Incentive Stock Options granted under it into compliance therewith.

(d) **No Impairment of Rights.** Rights under any Stock Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

(e) **Amendment of Stock Awards.** The Board at any time, and from time to time, may amend the terms of any one or more Stock Awards; provided, however, that the rights under any Stock Award shall not be impaired by any such amendment unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

18. TERMINATION OR SUSPENSION OF THE PLAN.

(a) **Plan Term.** The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth (10th) anniversary of the date the Plan is adopted by the Board or approved by the stockholders of the Company, whichever is earlier. No Stock Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) **No Impairment of Rights.** Rights and obligations under any Stock Award granted while the Plan is in effect shall not be impaired by suspension or termination of the Plan, except with the written consent of the Participant.

19. EFFECTIVE DATE OF PLAN.

The Plan shall become effective as determined by the Board, but no Stock Award shall be exercised (or, in the case of a stock bonus, shall be granted) unless and until the Plan has been approved by the stockholders of the Company, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board.
