**NON-INSTALLATION OF THE EXTRAORDINARY SHAREHOLDERS' MEETING SCHEDULED FOR  
MARCH 26, 2015.**

On March 26, 2015, at 11:00 a.m., at the headquarters of Companhia Siderúrgica Nacional ("CSN" or "Company"), located at Av. Brig. Faria Lima, 3400, 20º andar, in the city and state of São Paulo, Company shareholders appeared to attend the Extraordinary Shareholders' Meeting called for that date.

As per the signatures in the Shareholders' Attendance Book, the number of attending shareholders did not reach the minimum legal quorum to install the meeting and resolve on the matters on the Agenda, which imply the amendment of the Bylaws.

Vote declarations presented by attending shareholders will be filed with the Company.

As a result, in accordance with article 135 of Law 6,404, of December 15, 1976, the Meeting was not installed following the first call, and a second call should be made by the Company's management to hold a new meeting in the upcoming April 28.

São Paulo, March 26, 2015

David Moise Salama

Chairperson of the Meeting

Claudia Maria Sarti

Secretary

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
