Item 1.01. Entry into a Material Definitive Agreement.

Performance Unit Program

On February 15, 2005, Technical Olympic USA, Inc. (the "Company") made grants of performance units to various officers and other employees of the Company. The performance units were granted under the Company's Annual and Long Term Incentive Plan (as amended and restated). The performance units vest based upon the Company's achievement of return on equity and cumulative earnings targets established by the Chief Executive Officer and approved by the Human Resources, Compensation and Benefits Committee of the Board of Directors. The value of a performance unit equals the appreciation of one share of Company common stock from the grant date to the end of the vesting period, and may be increased based upon the extent to which the relevant return on equity and cumulative earnings targets are exceeded. The vesting period of the performance units is 3 years from the effective grant date; provided, however, that if a change of control occurs, performance units granted to certain corporate officers will vest immediately. The value of a performance unit, if vested, will be paid in cash. Performance units will expire automatically upon payment in full of vested performance units or upon failure to vest, unless earlier terminated. A term sheet describing the material terms of the performance units, including a description of the Company associates eligible to receive grants of performance units, is attached as Exhibit 10.21 and is hereby incorporated by reference.

Harry Engelstein Employment Agreement

On February 16, 2005, TOUSA Associates Services Company entered into an employment agreement with Harry Engelstein pursuant to which he will serve as the Senior Executive Vice President of the homebuilding operations of the Company. The employment agreement is for a term beginning as of December 1, 2004 and ending on December 31, 2006. Pursuant to the employment agreement, Mr. Engelstein is entitled to a base salary of \$500,000 and is eligible to earn an annual bonus, subject to approval of the Board of Directors or relevant Board committee; provided, however, that Mr. Engelstein is guaranteed an annual bonus in an amount equal to \$50,000 more than the next highest bonus paid to a Regional Executive Vice-President of the Company's homebuilding operations. Mr. Engelstein is also entitled to participate in the Company's performance unit program ("PUP") under the Company's Annual and Long-Term Incentive Plan. Pursuant to the employment agreement, Mr. Engelstein is entitled to receive a grant of 30,000 performance units with respect to the grants to be made in 2005. The PUP units are subject to the terms of the PUP Term Sheet described elsewhere in this Form 8-K and filed as Exhibit 10.21.
