Item 8.01 Other Events.

In June 2005, two executive officers of Noven Pharmaceuticals, Inc. ("Noven"), W. Neil Jones and Eduardo G. Abrao, M.D., each established stock trading plans intended to comply with the guidelines specified in Rule 10b5-1 under the Securities Exchange Act of 1934. Each of the plans provides for the exercise of stock options and the subsequent sale of the acquired shares on the open market, subject to specified limitations and minimum price thresholds. Neither of Mr. Jones or Dr. Abrao will control the timing of any option exercise or sales under their plans.

Rule 10b5-1 permits corporate officers and directors to adopt written, pre-arranged stock trading plans when they are not in possession of material, non-public information. Public disclosure of the transactions under these plans is required to be made by the executive officers through Form 144 and Form 4 filings with the Securities and Exchange Commission.
