Item 2.02 Results of Operations and Financial Condition.

On February 19, 2009, the Company provided additional detail regarding the preliminary results for the quarter and year ended December 31, 2008. A copy of the text of the Company's prepared remarks from the conference call is furnished as Exhibit 99.1 hereto. The press release announcing this conference call is also furnished as Exhibit 99.2 hereto.

This current report contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding an arrangement with a major silicon vendor, the expected impact of the TestQuest acquisition, the qualitative and quantitative effects of errors identified in certain of the Company's previously issued financial statements, the Company's intent to restate such financial statements, the estimated amounts to be restated, and the ongoing review of such financial statements. All statements contained in this current report that do not relate to matters of historical fact should be considered forward-looking statements.

Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from such statements. There can be no assurances that forward-looking statements will be achieved. Important factors that could cause actual results to differ materially from those indicated in forward-looking statements include: the audit and review by the Company's independent registered public accounting firm of the results and findings of the Company, including the audit and review of the Company's estimates of amounts to be restated; the impact, if any, of such results or findings on the financial statements of the Company; the Company's inability to timely file reports with the Securities and Exchange Commission; risks of litigation and governmental or other regulatory inquiries or proceedings arising out of or related to any of the matters described in this press release; and risks, uncertainties and changes in financial conditions. Therefore, all forward-looking statements should be considered in light of various important factors, including but not limited to the risks and uncertainties listed above. The Company makes no commitment to revise or update any forward-looking statements in order to reflect events or circumstances after the date any such statement is made. Please also refer to the Company's most recent quarterly report on Form 10-Q, annual report on Form 10-K and other filings with the SEC for other important risk factors that could cause actual results to differ materially from those indicated in any forward-looking statements.
