PROPOSAL 1:

ELECTION OF DIRECTORS

The persons who are elected directors will hold office until the next Annual Meeting of Shareholders and until their successors are elected and shall qualify. The Board of Directors consists of seven members.

It is intended that the persons appointed as proxies to act on behalf of shareholders in the enclosed proxy will vote for the election of the seven nominees named below. Proxies cannot be voted for a greater number of persons than the number of nominees named. The management of the Company does not contemplate that any of such nominees will become unavailable to serve as a director. However, should any nominee be unable to serve as a director or become unavailable for any reason, proxies which do not withhold authority to vote for that nominee may be voted for another nominee to be selected by the Nominating Committee of the Board of Directors.

The enclosed form of proxy provides a means for shareholders to vote for all of the nominees for director listed therein, to withhold authority to vote for one or more of such nominees or to withhold authority to vote for all of such nominees. If you hold shares of our Common Stock through a broker-dealer, bank nominee, custodian or other securities intermediary, **the intermediary will not vote those shares for the election of any nominee for director unless you give the intermediary specific voting instructions on a timely basis directing the intermediary to vote for such nominee.**

The withholding of authority by a shareholder and broker non-votes will be considered as not voted for the election of any directors. Each director nominee receiving a plurality of votes cast will be elected as a director.

The following table sets forth the names of the nominees for election to the Board of Directors, the principal occupation or employment of each of the nominees, the period during which each nominee has served as a director of the Company and the age of each nominee:

BOARD OF DIRECTORS

Our business and affairs are managed under the direction of the Board of Directors.

Director Qualifications

As set forth in the Charter of the Nominating Committee of the Board of Directors, a majority of the members of the Board of Directors must qualify as independent directors in accordance with the applicable provisions of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the rules promulgated thereunder and the applicable rules of the NYSE MKT. In addition, the Nominating Committee shall consider the following qualifications in assessing director candidates: (a) an understanding of business and financial affairs and the complexities of a business organization; (b) a record of competence and accomplishments through leadership in industry, education, the professions or government; (c) a genuine interest in representing all of the shareholders and the interest of the Company overall; (d) a willingness to maintain a committed relationship with the Company as a director; (e) a willingness and ability to spend the necessary time required to function effectively as a director; (f) a reputation for honesty and integrity; and (g) such other additional qualifications as the Nominating Committee may establish from time to time, taking into account the composition and expertise of the entire Board of Directors.

In addition, the following experience, qualifications, attributes and skills were considered in determining the current nominees for director:

Mr. Crow has been associated with our Company in various capacities since 1972, including as an executive officer since 1981. His combination of experience and thorough knowledge of our business qualify him to serve as a member of our Board of Directors.

Mr. Agrawal has past and current experience as an executive officer in charge of running a business in Houston, Texas. His independence, his executive experience and broad operational and business experience qualify him to serve as a member of our Board of Directors.

Mr. Hall has been a director of our Company since 1974. He is a retired partner from Norton Rose Fulbright US LLP, our Company's counsel. He continues to be associated with the firm and continues to practice law. His long tenure as an independent director and knowledge of our business qualify him to serve as a member of our Board of Directors.

Mr. Rauch has past and current experience as an executive officer in running several businesses, including his current operation in Houston, Texas. His independence, his insight into our operations and his executive experience qualify him to serve as a member of our Board of Directors.

Mr. Reichenthal has past and current experience as an executive officer in charge of running a business in Houston, Texas. He is thoroughly familiar with the steel and pipe business. His independence, his business experience and his experience as an executive officer qualify him to serve as a member of our Board of Directors.

Mr. Spira has a background in accounting and finance. He was formerly a partner at Weinstein Spira & Company, an accounting firm in Houston, Texas. Mr. Spira qualifies as a “financial expert” as defined by the U.S. Securities and Exchange Commission (the “SEC”). His independence, his executive experience and his background in accounting and financial matters qualify him to serve as a member of our Board of Directors.

Mr. Williams has a broad range of experience in insurance and risk management. He has served as an executive officer in several large insurance businesses and is currently a partner of an insurance operation in Houston, Texas. His independence, insight into business operations and executive experience qualify him to serve as a member of our Board of Directors.

Identifying and Evaluating Nominees for Directors

The Nominating Committee of the Board of Directors utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating Committee assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current Board members, professional search firms, shareholders or other persons. Shareholders may recommend nominees by contacting the Nominating Committee at P.O. Box 62388, Houston, Texas 77205. With respect to appropriately qualified nominees recommended by shareholders, our Nominating Committee will consider such nominees in the same manner as it evaluates other potential director nominees. In evaluating director nominations, the Nominating Committee seeks to achieve a diverse range of perspectives based on each Board member’s knowledge, life experiences, capabilities and background. While the Nominating Committee does not have a formal policy with respect to diversity, it does attempt to identify director nominees who can provide a diverse perspective to the Board of Directors.

Board of Directors Independence

The Board of Directors has affirmatively determined that all members of the Board, with the exception of Mr. Crow, are independent and have no material relationship with the Company that would interfere with their exercise of independent judgment.

Board Executive Session

In addition to regular Board meetings, the Board of Directors has established a program for the independent directors to meet at regularly scheduled executive sessions without management present as often as necessary, but not less than once in each fiscal year. Mr. Williams serves as the presiding director for each executive session.

Board Leadership Structure and Role in Risk Oversight

The Company currently does not have a Chairman of the Board. Mr. Crow, Chief Executive Officer of the Company, serves as the chairman of the meetings of the Board and in consultation with Mr. Alex LaRue, Vice President — Secretary & Treasurer of the Company, prepares the agenda for Board meetings. This arrangement allows Mr. Crow to focus on the day-to-day management of the Company as well as to lead the meetings of the Board of Directors. Mr. Williams serves as the presiding director of the executive sessions of the Board, in which all independent directors meet outside of the presence of management to discuss various matters pertaining to the Company.

With respect to the oversight of the Company's risk, the Company's executive officers supervise the day-to-day risk management responsibilities and in turn report, when necessary, to the Audit Committee with respect to financial and operational risk and to the full Board with respect to risks associated with the Company's overall strategy.

Attendance at the Annual Meeting of Shareholders

The Board of Directors holds a regular meeting in conjunction with the Annual Meeting of Shareholders. Directors are encouraged to and generally attend the Annual Meeting of Shareholders. Six of the seven directors attended the 2015 Annual Meeting of Shareholders.

Communications with the Board

Shareholders may contact our directors individually, a committee of the Board of Directors, the independent directors of the Board of Directors as a group or the Board of Directors generally by mailing the communication to Friedman Industries, Incorporated, Shareholder Communications, P.O. Box 62388, Houston, Texas 77205, to the attention of the Corporate Secretary. Communications that are intended specifically for the independent directors should be sent to the same address, to the attention of the Presiding Director of the Executive Sessions.

Proposals submitted by shareholders for inclusion in our annual proxy statement will not be considered shareholder communications under this policy and shall be handled in accordance with the rules and regulations promulgated from time to time by the SEC and the procedures described below in this proxy statement.

In addition, the Chairman and members of the Audit Committee received \$3,000 and \$2,250, respectively, for each Audit Committee meeting attended. Mr. Crow receives no compensation for serving as director.

Committees of the Board of Directors and Meeting Attendance

During fiscal year 2016, the Board of Directors met six times.

The Board of Directors has an Audit Committee which currently consists of Messrs. Agrawal, Rauch and Spira (Chairman). The Audit Committee discusses with the independent accountants and management our financial statements and the scope of the audit examinations, reviews with the independent accountants the audit budget, receives and reviews the audit report submitted by the independent accountants, reviews with the independent

accountants internal accounting and control procedures and engages our independent auditor. The Audit Committee's responsibilities to the Board of Directors are further detailed in the Second Amended and Restated Charter of the Audit Committee, as amended, which is not available on our website but is attached as Appendix A to this proxy statement. The Audit Committee met four times in fiscal year 2016.

The Board of Directors has a Compensation Committee currently composed of Messrs. Agrawal, Rauch (Chairman) and Reichenthal. The Compensation Committee considers and recommends for approval by the Board of Directors adjustments to the compensation of our executive officers and the implementation of any compensation program. In addition, the Compensation Committee administers any stock option or stock plan of the Company pursuant to the terms of such plan. As permitted by the rules of the NYSE MKT, the Compensation Committee does not currently operate under a charter. The Compensation Committee met two times in fiscal year 2016.

The Board of Directors has a Nominating Committee currently composed of Messrs. Agrawal, Rauch, Reichenthal (Chairman) and Spira, each of whom is independent in accordance with the applicable rules of the NYSE MKT. Nominees to the Board of Directors are proposed by the Nominating Committee. The Nominating Committee's responsibilities are further detailed in the Charter of the Nominating Committee, which is not available on our website but is attached as Appendix B to this proxy statement. The Nominating Committee will consider appropriately qualified nominees timely recommended by shareholders in the same manner as it evaluates other potential director nominees. The Nominating Committee met two times in fiscal year 2016.

During the fiscal year ended March 31, 2016, no director attended fewer than 75% of the combined meetings of the Board of Directors and of any committee of which such director was a member.

Audit Committee Qualifications

The Board of Directors has affirmatively determined that all members of the Audit Committee are independent in accordance with the applicable rules of the NYSE MKT and Rule 10A-3(b)(1) of the Exchange Act. The Board also has determined that each of the members of the Audit Committee is able to read and understand fundamental financial statements. In addition, the Board has determined that Mr. Spira meets the financial sophistication requirements set forth in the applicable rules of the NYSE MKT and qualifies as an "audit committee financial expert," as that term is defined in the rules promulgated by the SEC pursuant to the Sarbanes-Oxley Act of 2002, as amended.

Audit Committee Report

The Audit Committee of the Board of Directors has reviewed and discussed with our management and Hein & Associates LLP ("Hein"), our independent auditor, the audited financial statements of the Company contained in our Annual Report on Form 10-K for the fiscal year ended March 31, 2016. The Audit Committee has also discussed with

our independent auditor the matters required to be discussed pursuant to SAS 61 (Codification of Statements on Auditing Standards, Communication with Audit Committees).

The Audit Committee received and has discussed the written disclosures and letters from Hein required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Hein its independence in connection with its audit of our most recent financial statements. The Audit Committee has also considered whether the provision of non-audit services to the Company by Hein is compatible with maintaining that firm's independence.

Based on the review and discussions referred to above, the Audit Committee recommended the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended March 31, 2016.

The information in the foregoing three paragraphs shall not be deemed to be soliciting material, or to be filed with the SEC or subject to Regulation 14A or 14C under the Exchange Act or to liabilities under Section 18 of the Exchange Act nor shall it be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that we specifically incorporate these paragraphs by reference.

Procedures and Processes for Determining Executive and Director Compensation

The Compensation Committee of the Board of Directors is responsible for reviewing and recommending to the full Board of Directors the compensation of our Chief Executive Officer and our other Named Executive Officers. The Committee also reviews and discusses with the Chief Executive Officer, and recommends to the full Board of Directors, the compensation for all other officers of the Company. The Committee may retain compensation consultants or other advisers it deems appropriate; however, the Committee's general practice is not to use a compensation consultant. Based on the Committee's analysis of relevant data, the Committee determines its recommendation regarding the compensation of our Chief Executive Officer during an executive session of the Committee at which the Chief Executive Officer is not present. Our Chief Executive Officer makes recommendations regarding the compensation of our other executive officers and other officers to the Committee. The Committee considers the recommendations, discusses the recommendations with our Chief Executive Officer, may discuss the matter in executive session and then makes recommendations to the full Board of Directors. The final determination as to the compensation of the Chief Executive Officer and all other officers of the Company is made by the full Board of Directors based on the recommendations of the Committee.

The Board of Directors, or an authorized committee thereof, may from time to time review and determine the form and amount of director compensation, including cash, equity-based awards and other director compensation to maintain a transparent and readily understandable compensation program which ensures that the directors continue to receive fair and appropriate compensation for the time commitment required to discharge their duties as directors for a company of our size.

PROPOSAL 2:

ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

At the meeting, the shareholders will vote on a non-binding, advisory resolution regarding the compensation of the Company's Named Executive Officers.

We believe that our compensation policies and procedures are competitive, focused on pay-for-performance and strongly aligned with the long-term interests of our shareholders. This advisory shareholder vote, commonly known as "Say-on-Pay", gives you as a shareholder the opportunity to endorse or not endorse the compensation we pay our Named Executive Officers through voting for or against the following resolution:

"Resolved, that the shareholders approve the compensation of the Company's Named Executive Officers as disclosed in the Company's 2016 proxy statement pursuant to the disclosure rules of the U.S. Securities and Exchange Commission (which disclosure includes the Summary Compensation Table and related discussion)."

Because your vote is advisory, it will not be binding upon the Company or the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. Additionally, your advisory vote will not be construed (i) as overruling a decision by the Company or the Board of Directors, (ii) to create or imply any change to the fiduciary duties of the Company or the Board of Directors, (iii) to create or imply any additional fiduciary duties for the Company or the Board of Directors or (iv) to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

Vote Required for Approval

In order to be approved, Proposal No. 2 must receive the affirmative vote of a majority of the votes cast on this proposal. Abstentions and broker non-votes will not be counted for the purpose of determining the number of votes necessary for approval of this proposal, and will have no effect on the outcome of the vote on this proposal.

The Board of Directors recommends voting “FOR” this proposal.

(b) Based upon information contained in a Schedule 13G/A filed with the SEC on February 9, 2016, and otherwise received from the listed owner, Dimensional Fund Advisors LP (“Dimensional”). Dimensional is deemed to have beneficial ownership of 566,575 shares of the Common Stock as of December 31, 2015. Dimensional, an investment adviser registered under Section 203 of the Investment Advisors Act of 1940, as amended, furnishes investment advice to four investment companies registered under the Investment Company Act of 1940, as amended, and serves as investment manager or sub-adviser to certain other commingled funds, group trusts and separate accounts (collectively referred to herein as the “Funds”). In certain cases, subsidiaries of Dimensional may act as an adviser or sub-adviser to certain Funds. In its role as investment advisor, sub-adviser and/or manager, Dimensional or its subsidiaries may possess voting and/or investment power over the shares of the Company that are owned by the Funds and may be deemed to be the beneficial owner of the shares of the Company held by the Funds. However, all of the shares of Common Stock described in the table are owned by the Funds, and Dimensional disclaims beneficial ownership of such securities.

(c) Based upon information contained in a Schedule 13G/A filed with the SEC on February 11, 2016 by Renaissance Technologies Holdings Corporation (“Renaissance”). Renaissance is deemed to have beneficial ownership of 457,300 shares of the Common Stock as of December 31, 2015.

PROPOSAL 3:**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has approved the appointment of Hein & Associates LLP (“Hein”) as independent auditor for the fiscal year ending March 31, 2017. The Audit Committee and the Board seek to have the shareholders ratify the Audit Committee's appointment of Hein. In recommending ratification by the shareholders of such engagement, the Board is acting upon the recommendation of the Audit Committee, which has satisfied itself as to Hein’s independence, professional competence and standing. As a matter of good corporate governance, we are asking shareholders to ratify this appointment. Our Audit Committee continually monitors the services and fees of the independent registered public accounting firm and even if the appointment is ratified by our shareholders, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our Company and our shareholders. One or more representatives of Hein are expected to attend the Annual Meeting and will have the opportunity to make a statement at the Annual Meeting if they wish to do so. It is also expected that Hein representative(s) will be available to respond to appropriate questions from shareholders.

Audit Fees

Regarding fiscal years 2016 and 2015, we retained Hein to provide services and incurred fees therefor as indicated in the following table:

	2016	2015
	Actual	Actual
	Fees	Fees
Audit Fees(1)	\$ 129,745	\$ 132,300
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$ 129,745	\$ 132,300

(1) Includes fees and expenses incurred related to the fiscal year audit and interim reviews, notwithstanding when the fees and expenses were billed or when the services were rendered.

The Audit Committee has implemented pre-approval policies and procedures for all audit and non-audit services to be provided by our independent public accountants to us. With regard to all permissible non-audit services, the Audit Committee has designated the Chairman of the Audit Committee to approve in advance the provision by the independent public accountants of such services.

There were no services approved by the Audit Committee pursuant to the de minimis exception in paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X (17 CFR Part 210) during fiscal year 2016.

Vote Required for Approval

In order to be approved, Proposal No. 3 must receive the affirmative vote of a majority of the votes cast on this proposal. Abstentions and broker non-votes will not be counted for the purpose of determining the number of votes necessary for approval of this proposal, and will have no effect on the outcome of the vote on this proposal. If the selection of Hein is not ratified, the Audit Committee will consider whether we should select another independent registered public accounting firm.

The Board of Directors recommends voting “FOR” this proposal.

PROPOSAL 4:

APPROVAL OF THE 2016 RESTRICTED STOCK PLAN

Our Board of Directors has adopted, subject to the approval of our shareholders, the Friedman Industries, Incorporated 2016 Restricted Stock Plan (the “Restricted Stock Plan” or the “Plan”). The Plan will not become effective until it is approved by our shareholders. If approved, the Restricted Stock Plan will continue indefinitely until it is terminated by the Board of Directors of the Company.

Our Board of Directors believes that the Restricted Stock Plan will advance the interests of the Company and its shareholders and help promote the long-term growth of the Company by providing eligible employees of the Company with incentives to maximize shareholder value and to otherwise contribute to the success of the Company, thereby aligning the interests of such employees with the interests of the Company’s shareholders and providing the employees additional incentives to continue in their employment with the Company.

Certain features of the Restricted Stock Plan are summarized below. The summary does not purport to be complete, and is qualified in its entirety by the full text of the Plan attached as Appendix C to this proxy statement.

General

The Restricted Stock Plan is intended to advance the best interests of the Company and its shareholders by providing eligible employees of the Company with additional performance incentives and an opportunity to obtain or increase their proprietary interest in the Company, thereby encouraging them to continue in their employment with the Company. The Plan permits the grant of restricted stock awards (“Restricted Stock Awards” or “Awards”) only. The Restricted Stock Plan includes a forfeiture provision which allows the Compensation Committee, under certain circumstances, to cancel Awards previously granted to an employee.

Shares Subject to the Restricted Stock Plan

The Restricted Stock Plan would authorize the issuance of up to 500,000 shares of the Company’s Common Stock. If shares of our Common Stock are withheld from payment of an Award to satisfy tax obligations with respect to the Award, such shares of Common Stock will count against the aggregate number of shares of our Common Stock with

respect to which Awards may be granted under the Plan. To the extent that any portion of an outstanding Award terminates or expires, or is forfeited or cancelled, for any reason, the shares of our Common Stock allocable to such portion of the Award will immediately become available to be issued pursuant to a new Award granted under the Plan. The maximum number of shares of our Common Stock available for issuance under the Restricted Stock Plan will not be reduced to reflect any dividends that are reinvested into additional shares of our Common Stock or credited as additional shares of restricted stock.

Any shares of our Common Stock delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued shares or treasury shares.

Administration

The Restricted Stock Plan will be administered by the Compensation Committee of the Board of Directors. Subject to the terms of the Plan, the Compensation Committee will have the authority to determine the persons to whom Awards will be granted; the number of shares of our Common Stock covered by each Award; the terms, provisions and conditions of each Award; acceleration of vesting; and all other determinations and actions necessary to administer the Plan.

Eligibility

Awards may be granted to employees of the Company and its affiliates.

Fair Market Value

Under the Restricted Stock Plan, the fair market value of the Company's Common Stock as of any particular date means the closing sale price of the Company's Common Stock if the Company's Common Stock is traded on a stock exchange as reported on the principal securities exchange on which the Stock is traded. If, in the discretion of the Compensation Committee, another means of determining the fair market value of a share of the Company's Common Stock shall be necessary or advisable, the Compensation Committee may provide for another method or means for determining such fair market value, which method or means shall comply with the requirements of a reasonable valuation method as described under section 409A of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code").

Plan Awards

Restricted Stock Awards may be granted under the Plan at the discretion of the Compensation Committee. A Restricted Stock Award is a grant of shares of the Company's Common Stock subject to risk of forfeiture, restrictions on transferability and any other restrictions imposed by the Compensation Committee at its discretion. The amount of vesting, forfeitures and transferability restrictions applicable to any Restricted Stock Awards are generally determined at the discretion of the Compensation Committee. However, the Plan expressly provides that each Award must include a minimum vesting period of at least one (1) year, other than in the situation where vesting occurs as a result of the Award recipient's death, qualifying disability or a qualifying change in control of the Company.

Each Restricted Stock Award granted will specify the applicable restrictions and the duration of such restrictions, and when such restrictions will lapse. Unless otherwise determined by the Compensation Committee, certificates representing shares granted pursuant to Restricted Stock Awards will be held by the Company during the applicable restriction period and will bear an appropriate legend specifying the restrictions.

Except as otherwise provided by the Compensation Committee during such period of restriction, the holder of a Restricted Stock Award will generally have all of the rights of a stockholder, including but not limited to the rights to receive dividends and to vote. Dividends paid with respect to restricted stock in cash or property other than shares of the Company's Common Stock or rights to acquire shares of the Company's Common Stock shall be paid to the recipient of the Restricted Stock Award currently. Dividends paid in shares of the Company's Common Stock or rights to acquire shares of the Company's Common Stock shall be added to and become a part of the restricted stock awarded.

Forfeiture

If the Board of Directors finds by a majority vote that a holder of an Award granted under the Restricted Stock Plan, before or after termination of his or her employment with the Company or any of its subsidiaries (a) committed fraud, embezzlement, theft, felony or an Act of Dishonesty in the course of his or her employment by the Company or an affiliate, (b) knowingly caused or assisted in causing the publicly released financial statements of the Company to be misstated or the Company or a subsidiary of the Company to engage in criminal misconduct, (c) disclosed trade secrets of the Company or an affiliate or (d) violated the terms of any non-competition, non-disclosure or similar agreement with respect to the Company or any affiliate to which the Award recipient is a party, and, in the case of the actions described in clauses (a), (c) and (d), such action materially and adversely affected the Company, then, at or after the time such forfeiture determination is made the Board in good faith, as a fair and equitable forfeiture to reflect the harm done to the Company and a reduction of the benefit bestowed on the Award recipient had the facts existing at the time the benefit was bestowed that led to the forfeiture determination been known to the Company at the time the benefit was bestowed, the Board may determine that some or all of the employee's rights to shares of our Common Stock covered by an Award (including vested rights and rights that have not yet vested), the dividends that have been paid with respect to shares of Common Stock covered by the Award and the shares of the Common Stock received as a result of the employee's grant, receipt or holding of the Award and the proceeds realized with respect to any shares of Common Stock received as a result of the employee's holding of the Award, will be forfeited to the Company on such terms as determined by the Board of Directors. An "Act of Dishonesty" shall require a material breach by the Award recipient of his or her duties, obligations or undertakings owed to or on behalf of the Company and its affiliates, as determined by the Board. In determining whether a matter materially and adversely affects the Company, the Board shall be entitled to consider all relevant factors and exercise business judgment in making such determination, including but not limited to the financial consequences, adverse reputational consequences or legal consequences to the Company or its affiliates, individually or taken as a whole, as a result of such action.

A forfeiture determination shall be made by a majority vote of the Board of Directors. The findings and decision of the Board with respect to a forfeiture determination made, including those regarding the acts of the Award recipient and the damage done to the Company, will be final for all purposes absent a showing by clear and convincing evidence of manifest error by, or a lack of good faith on the part of, the Board. No decision of the Board, however, will affect the finality of the discharge of the Award recipient by the Company or an affiliate.

Recoupment in Restatement Situations

If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under applicable securities laws, any current or former Award holder who was a current or former executive officer of the Company or an affiliate will forfeit and must repay to the Company any compensation awarded under the Restricted Stock Plan to the extent specified in any of the Company's recoupment policies established or amended (now or in the future) in compliance with the rules and standards of applicable law.

Requirements of Law

The Company shall not be required to sell or issue any shares of the Company's Common Stock under any Award if issuing those shares of the Company's Common Stock would constitute or result in a violation by the holder of an Award or the Company of any provision of any law, statute or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, the Company shall not be required to issue any shares of the Company's Common Stock unless the Compensation Committee has received evidence satisfactory to it to the effect that the holder of the Award will not transfer the shares of the Company's Common Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The Company may, but shall in no event be obligated to, register any shares of the Company's Common Stock covered by the Restricted Stock Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the shares of Common Stock issuable pursuant to any Award are not registered, the Company may imprint on the certificate evidencing the shares of Common Stock any legend that counsel for the Company considers necessary or advisable to comply with applicable law, or, should the shares of Common Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Common Stock as counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause or enable the issuance of shares of the Company's Common Stock to comply with any law or regulation of any governmental authority.

Change in Capital Structure

The existence of outstanding Awards will not affect in any way the right or power of the Company or our shareholders to make any adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business. If the Company effects a capital readjustment or increase or reduction of the number of shares of Common Stock outstanding, without receiving compensation therefor in money, services or property, then the number, class and per share price of the Common Stock subject to outstanding Awards under the Plan shall be appropriately adjusted.

If the Company is not the surviving entity in any merger, consolidation or other reorganization, if the incumbent members of our Board of Directors cease for any reason to constitute a majority of the members of our Board, if the Company sells, leases or exchanges or agrees to sell, lease or exchange all or substantially all of its assets, if the Company is to be dissolved, or if the Company is a party to any other corporate transaction, then the Compensation Committee may:

- (1) have some or all of the unvested Awards assumed or have a new award of a similar nature substituted for some or all of the outstanding Awards;
- (2) provide that the number of shares of the Common Stock covered by an unvested Award be adjusted so that such Award when vested will cover the number and class or series of the Common Stock or other securities or property to which the holder of the Award would have been entitled pursuant to the terms of the agreement or plan relating to such transaction if the holder of the Award had been the vested holder of record of the number of shares of the Common Stock then covered by such Award; or
- (3) make such other adjustments to Awards then outstanding as the Compensation Committee deems appropriate to reflect such transaction.

After a merger or consolidation involving the Company in which the Company is the surviving corporation, each Restricted Stock Award holder will be entitled to have his or her restricted stock appropriately adjusted based on the manner in which the shares of the Common Stock were adjusted under the terms of the agreement of merger or consolidation.

Award Agreements

Each Award shall be embodied in a written award agreement that shall be subject to the terms and conditions of the Restricted Stock Plan. The award agreement may contain any other provisions that the Compensation Committee in its discretion shall deem advisable which are not inconsistent with the terms and provisions of the Restricted Stock Plan. The terms of any outstanding Award under the Restricted Stock Plan may be amended from time to time by the Compensation Committee in its discretion in any manner that it deems appropriate (including, but not limited to, acceleration of the date of exercise of any Award or of the date of lapse of restrictions on shares of the Company's Common Stock); provided that generally no such amendment will adversely affect in a material manner any right of the holder of the Award without his or her written consent.

Tax Withholding

Unless otherwise determined by the Compensation Committee, an employee's tax withholding with respect to an Award may be satisfied by withholding from the shares of the Company's Common Stock issuable pursuant to the Award based on the fair market value of the shares.

Non-Transferability

Except as specified in the applicable award agreement or in a domestic relations court order, an Award granted under the Restricted Stock Plan shall not be transferable by the holder thereof (whether for consideration or otherwise) other than by will or under the laws of descent and distribution. Any attempted assignment of an Award in violation of the Restricted Stock Plan shall be null and void. In the discretion of the Compensation Committee, any attempt to transfer an Award other than under the terms of the Restricted Stock Plan and the applicable award agreement may terminate the Award.

Termination and Modification of the Restricted Stock Plan

The Board of Directors may terminate or amend the Restricted Stock Plan in any respect or at any time, except that no amendment requiring shareholder approval will be effective without approval of the shareholders as required by applicable law or stock exchange rules.

U.S. Federal Income Tax Consequences of Awards Granted Under the Restricted Stock Plan

The following is a general summary of certain of the U.S. federal income tax consequences generally applicable to employees and the Company with respect to Awards granted under the Restricted Stock Plan.

The grant of a Restricted Stock Award under the Restricted Stock Plan generally will not result in the recognition of any U.S. federal taxable income by the recipient or a deduction for the Company, at the time of grant unless the recipient timely makes an election under section 83(b) of the Internal Revenue Code. Upon the expiration of the forfeiture restrictions applicable to the Restricted Stock Award (i.e., as the shares become vested), the recipient will recognize ordinary income in an amount equal to the excess of the fair market value of those shares at that time over the amount (if any) the recipient paid for the shares. The income realized by an employee is subject to federal tax withholding. The Company will be entitled to a deduction in the amount and at the time the recipient recognizes income. If an election under Section 83(b) of the Internal Revenue Code has not been made, any dividends received with respect to any restricted shares that are not vested (i.e., the forfeiture restrictions have not yet lapsed), will be treated as compensation that is taxable as ordinary income to the recipient and the Company will be entitled to a corresponding deduction. With respect to any restricted shares that are vested (i.e., the forfeiture restrictions have lapsed), the recipient will be taxed on any dividends on such shares as the dividends are paid to the recipient and the Company will not be entitled to deductions with respect to the dividends.

If an Award recipient makes an election under section 83(b) of the Internal Revenue Code within 30 days of the date of transfer of the restricted shares awarded under the Plan, the Award recipient will recognize compensation that is taxable as ordinary income on the date the shares are awarded. The amount of ordinary income required to be recognized is an amount equal to the excess, if any, of the fair market value of the shares of the Common Stock covered by the Award on the date of Award over the amount, if any, paid for such shares. In such case, the Award recipient will not be required to recognize additional ordinary income when the shares vest. However, if the shares are later forfeited, a loss can only be recognized up to the amount the recipient paid for the shares.

New Plan Benefits

The future benefits or amounts that would be received under the Restricted Stock Plan by executive officers and non-executive officer employees are discretionary and are therefore not determinable at this time. No future benefits or amounts will be received by or allocated to non-employee directors under the Restricted Stock Plan.

Vote Required for Approval

In order to be approved, Proposal No. 4 must receive the affirmative vote of a majority of the votes cast on this proposal. Abstentions and broker non-votes will not be counted for the purpose of determining the number of votes necessary for approval of this proposal, and will have no effect on the outcome of the vote on this proposal.

The Board of Directors recommends voting “FOR” this proposal.

ELIGIBILITY and participation

3.1 **Eligibility.** The persons who are eligible to receive Awards under the Plan are Employees.

3.2 Participation. Subject to the terms and provisions of the Plan, the Committee may, from time to time, select the eligible persons to whom Awards will be granted and shall determine the nature and amount of each Award.

Article IV

GENERAL PROVISIONS RELATING TO AWARDS

4.1 Authority to Grant Awards. The Committee may grant Awards to those Employees as the Committee shall from time to time determine, under the terms and conditions of the Plan. Subject only to any applicable limitations set out in the Plan, the number of shares of Stock to be covered by any Award to be granted under the Plan shall be as determined by the Committee in its sole discretion. The aggregate number of shares of Stock with respect to which Awards may be granted under the Plan is 500,000.

4.2 Shares that Count Against Limit.

(a) If shares of Stock are withheld from payment of an Award to satisfy tax obligations with respect to the Award, such shares of Stock will count against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan.

(b) To the extent that any portion of an outstanding Award terminates or expires, or is forfeited or cancelled, for any reason, the shares of Stock allocable to such portion of the Award will immediately become available to be issued pursuant to an Award granted under the Plan.

(c) The maximum number of shares of Stock available for issuance under the Plan shall not be reduced to reflect any dividends that are reinvested into additional shares of Stock or credited as additional Restricted Stock.

4.3 Non-Transferability. Except as specified in the applicable Award Agreement or in a domestic relations court order, no Award may be transferred, sold, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law, for consideration or otherwise) or be subject to execution, attachment or similar process, other than by will or under the laws of descent and distribution. Any attempted transfer, sale, assignment, pledge, hypothecation, encumbrance or other disposition of an Award in violation of this Section 4.3 shall be null and void. In the discretion of the Committee, any attempt to transfer, sell, assign, pledge, hypothecate, encumber or otherwise dispose of an Award other than under the terms of the Plan and the applicable Award Agreement may terminate the Award.

4.4 Requirements of Law. The Company shall not be required to issue any shares of Stock under any Award if issuing those shares of Stock would constitute or result in a violation by the Holder or the Company of any provision of any law, statute or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, the Company shall not be required to issue any shares of Stock unless the Committee has received evidence satisfactory to it to the effect that the Holder will not transfer the shares of Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The determination by the Committee on this matter shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any shares of Stock covered by the Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the shares of Stock issuable pursuant to any Award are not registered, the Company may imprint on the certificate evidencing the shares of Stock any legend that counsel for the Company considers necessary or advisable to comply with applicable law, or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause or enable the issuance of shares of Stock hereunder, to comply with any law or regulation of any governmental authority.

4.5 Corporate Changes.

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference shares ahead of or affecting the Stock or Stock rights, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) If the Company shall effect a subdivision or consolidation of Stock or other capital readjustment, the payment of a Stock dividend, or other increase or reduction of the number of shares of Stock outstanding, without receiving compensation therefor in money, services or property, then (i) the number, class or series of shares of Stock subject to outstanding Awards under the Plan shall be appropriately adjusted in such a manner as to entitle a Holder to receive upon vesting of an Award the equivalent total number and class or series of shares of Stock the Holder would have received had the Award vested in full immediately prior to the event requiring the adjustment, and (ii) the number and class or series of shares of Stock then reserved to be issued under the Plan shall be adjusted by substituting for the total number and class or series of shares of Stock then reserved, that number and class or series of shares of Stock that would have been received by the owner of an equal number of outstanding shares of Stock of each class or series of Stock as the result of the event requiring the adjustment.

(c) If while an unvested Award remains outstanding under the Plan a Corporate Change occurs, then there shall be no change in such Award and no acceleration of the time at which such Award will vest unless (i) the applicable Award Agreement or another agreement between the Holder and the Company otherwise provides or (ii) the Committee effectuates, in its sole and absolute discretion without the consent or approval of the Holder, one or more of the alternatives described paragraphs (1), (2), (3) or (4) immediately below no later than ten days after the approval by the shareholders of the Company of such Corporate Change (or approval by the Board if approval by the shareholders of the Company of such Corporate Change is not required), which alternatives may vary among individual Holders and which may also vary among Awards held by any individual Holder:

(1) with respect to all or selected Holders, have some or all of their then outstanding unvested Awards assumed or have a new award of a similar nature substituted for some or all of their then outstanding Awards under the Plan by an entity which is a party to the transaction resulting in such Corporate Change and which is then employing such Holder or which is affiliated or associated with such Holder in the same or a substantially similar manner as the Company prior to the Corporate Change, or a parent or subsidiary of such entity, *provided* that (A) such assumption or substitution is on a basis where the aggregate fair market value of the stock subject to the Award immediately after the assumption or substitution is equal to the aggregate fair market value of all Stock subject to the Award immediately before such assumption or substitution, and (B) the assumed rights under such existing Award or the substituted rights under such new Award, as the case may be, will have the same terms and conditions as the rights under the existing Award assumed or substituted for, as the case may be;

(2) provide that the number and class or series of Stock covered by an unvested Award theretofore granted shall be adjusted so that such Award when vested shall thereafter cover the number and class or series of Stock or other securities or property (including cash) to which the Holder would have been entitled pursuant to the terms of the agreement or plan relating to such Corporate Change if, immediately prior to such Corporate Change, the Holder had been the vested holder of record of the number of shares of Stock then covered by such Award;

(3) make such other adjustments to Awards then outstanding as the Committee deems appropriate to reflect such Corporate Change; or

(4) make no adjustments to Awards, if the Committee determines in its sole and absolute discretion that no such adjustment is necessary to reflect such Corporate Change).

In effecting one or more of the alternatives set out in paragraphs (1), (2), (3) or (4) immediately above, and except as otherwise may be provided in an Award Agreement, the Committee, in its sole and absolute discretion and without the consent or approval of any Holder, may accelerate the time at which some or all Awards then outstanding will vest.

Notwithstanding the prior provisions of this Section 4.5(c), with respect to a reincorporation merger in which holders of the Company's ordinary shares will receive one ordinary share of the successor corporation for each ordinary share of the Company, none of the provisions set forth above shall apply and, without Committee action, each Award shall automatically convert into a similar award of the successor corporation for the same number of ordinary shares of the successor as the number of ordinary shares of the Company that were subject to the Award.

Any adjustment effected by the Committee under Section 4.5 shall be designed to provide the Holder with the intrinsic value of his or her Award, as determined prior to the Corporate Change, or, if applicable, equalize the Fair Market Value of the shares of stock covered by the Award before and after the Corporate Change.

(d) In the event of changes in the outstanding Stock by reason of recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Award and not otherwise provided for by this Section 4.5, any outstanding Award and any Award Agreement evidencing such Award shall be subject to adjustment by the Committee in its sole and absolute discretion as to the number of shares of Stock or other consideration subject to such Award. In the event of any such change in the outstanding Stock, the aggregate number of shares of Stock available under the Plan may be appropriately adjusted by the Committee, whose determination shall be conclusive.

(e) After a merger of one or more corporations into the Company in which the Company shall be the surviving corporation, each Holder shall be entitled to have his or her Restricted Stock appropriately adjusted based on the manner in which the shares of Stock were adjusted under the terms of the agreement of merger or consolidation.

(f) The issuance by the Company of stock of any class or series, or securities convertible into or exchangeable for stock of any class or series, for cash or property or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe for them, or upon conversion or exchange of stock or obligations of the Company convertible into or exchangeable for stock or other securities, shall not affect, and no adjustment by reason of such issuance shall be made with respect to, the number or class or series of shares of Stock then subject to outstanding Awards.

4.6 Election under Section 83(b) of the Code. No Holder shall exercise the election permitted under section 83(b) of the Code with respect to any Award without the prior written approval of the principal financial officer of the Company. Any Holder who makes an election under section 83(b) of the Code with respect to any Award without the prior written approval of the principal financial officer of the Company may, in the discretion of the Committee, forfeit any or all Awards granted to him or her under the Plan.

4.7 Forfeiture for Cause.

(a) Notwithstanding any other provision of the Plan or an Award Agreement to the contrary, if a determination is made as provided in Section 0 (a "**Forfeiture Determination**") that (i) an Award recipient, before or after the termination of such individual's employment with the Company and all Affiliates, (A) committed fraud, embezzlement, theft, felony or an Act of Dishonesty in the course of his or her employment by the Company or an Affiliate, (B) knowingly caused or assisted in causing the publicly released financial statements of the Company to be

misstated or the Company or a subsidiary of the Company to engage in criminal misconduct, (C) disclosed trade secrets of the Company or an Affiliate or (D) violated the terms of any non-competition, non-disclosure or similar agreement with respect to the Company or any Affiliate to which the Award recipient is a party, and (ii) in the case of the actions described in clauses (A), (C) and (D), such action materially and adversely affected the Company, then, at or after the time such Forfeiture Determination is made the Board in good faith, as a fair and equitable forfeiture to reflect the harm done to the Company and a reduction of the benefit bestowed on the Award recipient had the facts existing at the time the benefit was bestowed that led to the Forfeiture Determination been known to the Company at the time the benefit was bestowed, may determine that some or all of (x) the Holder's rights to shares of the Stock covered by an Award (including vested rights and rights that have not yet vested), (y) the dividends that have been paid with respect to shares of Stock covered by the Award and (z) the shares of the Stock received as a result of the Holder's grant, receipt or holding of the Award and the proceeds realized with respect to any shares of Stock received as a result of the Holder's holding of the Award, will be forfeited to the Company on such terms as determined by the Board. For purposes of this Section 4.7, an "**Act of Dishonesty**" shall require a material breach by the Award recipient of his or her duties, obligations or undertakings owed to or on behalf of the Company and its Affiliates, as determined by the Board. In determining whether a matter materially and adversely affects the Company, the Board shall be entitled to consider all relevant factors and exercise business judgment in making such determination, including but not limited to the financial consequences, adverse reputational consequences or legal consequences to the Company or its Affiliates, individually or taken as a whole, as a result of such action.

(b) A Forfeiture Determination for purposes of Section 4.7(a) shall be made by a majority vote of the Board. The findings and decision of the Board with respect to a Forfeiture Determination made, including those regarding the acts of the Award recipient and the damage done to the Company, will be final for all purposes absent a showing by clear and convincing evidence of manifest error by, or a lack of good faith on the part of, the Board. No decision of the Board, however, will affect the finality of the discharge of the Award recipient by the Company or an Affiliate.

4.8 Forfeiture Events. Without limiting the applicability of Section 4.7 or Section 0, the Committee may specify in an Award Agreement that the Award recipient's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, Termination of Employment for cause, Termination of Employment for any other reason, violation of material policies of the Company and its Affiliates, breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Award recipient or other conduct by the Award recipient that is detrimental to the business or reputation of the Company and its Affiliates.

4.9 Recoupment in Restatement Situations. Without limiting the applicability of Section 4.7 or Section 4.8, if the Company is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under applicable securities laws, any current or former Holder who was a current or former executive officer of the Company or an Affiliate shall forfeit and must repay to the Company any compensation awarded under the Plan to the extent specified in any of the Company's recoupment policies established or amended (now or in the future) in compliance with the rules and standards of the Securities and Exchange Commission under or in connection with Section 10D of the Exchange Act.

4.10 Award Agreements. Each Award shall be embodied in a written or electronic Award Agreement that shall be subject to the terms and conditions of the Plan. The Award Agreement shall be signed by or delivered on behalf of an authorized executive officer of the Company, other than the Award recipient, on behalf of the Company, and may be signed or acknowledged by the Award recipient to the extent required by the Committee. The Award Agreement may specify the effect of a Corporate Change on the Award. The Award Agreement may contain any other provisions that the Committee in its discretion shall deem advisable which are not inconsistent with the terms and provisions of the Plan. An Award Agreement may be altered, amended, modified or suspended as provided in Section 7.2. An Award Agreement may be terminated as provided in Section 7.2 and elsewhere in the Plan including Sections 4.7, 4.8 and 0.

4.11 Issuance of Shares of Stock. Shares of Stock, when issued, may be represented by a certificate or by book or electronic entry.

4.12 Restrictions on Stock Received. The Committee may impose such conditions and restrictions on any shares of Stock issued pursuant to an Award as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Award recipient hold the shares of Stock for a specified period of time.

4.13 **Compliance with Section 409A.** The Plan and each Award Agreement under the Plan is intended to be exempt from the requirements of Section 409A. Awards may not be deferred in any manner if such deferral is subject to or must comply with the requirements of Section 409A.

4.14 **Source of Shares Deliverable under Awards.** Any shares of Stock delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued shares of Stock or of treasury shares of Stock.

4.15 **Limitations on Vesting of Awards.**

(a) Unless the applicable Award Agreement specifies otherwise, an Award shall not continue to vest after the Termination of Employment of the Award recipient for any reason.

C-7

(b) An Award granted under the Plan must include a minimum vesting period of at least one (1) year, provided, however, that an Award may provide that the Award will vest before the completion of such one (1)-year period upon the death or Disability of the original grantee of the Award or a Corporate Change.

Article V

RESTRICTED Stock AWARDS

5.1 **Restricted Stock Awards.** Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may make Awards of Restricted Stock under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. The amount of and the vesting, transferability and forfeiture restrictions applicable to any Restricted Stock Award shall be determined by the Committee in its sole discretion, and may include vesting provisions based on the passage of time, the achievement of performance goals or upon the occurrence of other events as determined by the Committee, in its discretion. If the Committee imposes vesting, transferability and forfeiture restrictions on a Holder's rights with respect to Restricted Stock, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it deems appropriate. The Committee may also cause the certificate for shares of Stock issued pursuant to a Restricted Stock Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law.

Dividends paid with respect to Restricted Stock in cash or property other than shares of Stock or rights to acquire shares of Stock shall be paid to the recipient of the Restricted Stock Award currently. Dividends paid in shares of Stock or rights to acquire shares of Stock shall be added to and become a part of the Restricted Stock. During the Period of Restriction, certificates representing the Restricted Stock shall be registered in the Holder's name and bear a restrictive legend to the effect that ownership of such Restricted Stock, and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms and conditions provided in the Plan and the applicable Award Agreement. Such certificates shall be deposited by the recipient with the Secretary of the Company or such other officer or agent of the Company as may be designated by the Committee, together with all stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock which shall be forfeited in accordance with the Plan and the applicable Award Agreement.

Article VI

All questions of interpretation and application of the Plan, or as to Awards granted under the Plan, shall be subject to the determination, which shall be final and binding, of a majority of the whole Committee. No member of the Committee shall be liable for any act or omission of any other member of the Committee or for any act or omission on his or her own part, including the exercise of any power or discretion given to him or her under the Plan, except those resulting from his or her own willful misconduct. In carrying out its authority under the Plan, the Committee shall have full and final authority and discretion, including the rights, powers and authorities to: (i) determine the persons to whom and the time or times at which Awards will be made; (ii) determine the number of shares of Stock covered in each Award subject to the terms and provisions of the Plan; (iii) determine the terms, provisions and conditions of each Award, which need not be identical; (iv) accelerate the time at which any outstanding Award will vest; (v) prescribe, amend and rescind rules and regulations relating to administration of the Plan; and (vi) make all other determinations and take all other actions deemed necessary, appropriate or advisable for the proper administration of the Plan.

Under no circumstances shall the Company, its Affiliates, the Board or the Committee incur liability for any indirect, incidental, consequential or special damages (including lost profits) of any form incurred by any person, whether or not foreseeable and regardless of the form of the act in which such a claim may be brought, with respect to the Plan or the Company's, its Affiliates', the Committee's or the Board's roles in connection with the Plan.

AMENDMENT OR TERMINATION OF PLAN OR AWARD AGREEMENT

7.1 Amendment, Modification, Suspension and Termination of the Plan. Subject to Section 7.3, the Board may, at any time and from time to time, alter, amend, modify, suspend or terminate the Plan, provided, however, no amendment of the Plan shall be made without shareholder approval if shareholder approval is required by applicable law or stock exchange rules.

7.2 Amendment, Modification, Suspension and Termination of Award Agreement. Subject to Section 7.3, the Committee may, in its discretion and at any time and from time to time, alter, amend, modify, suspend or terminate any Award Agreement in whole or in part in any manner that it deems appropriate and that is consistent with the terms

7.3 Awards Previously Granted. Except as expressly provided otherwise under the Plan (including Sections 4.7, 4.8 and 9), no alteration, amendment, modification, suspension or termination of the Plan or an Award Agreement shall adversely affect in any material manner any Award previously granted under the Plan, without the written consent of the Holder holding such Award.

C-9

Article VIII

MISCELLANEOUS

8.1 **Unfunded Plan/No Establishment of a Trust Fund.** Holders shall have no right, title or interest whatsoever in or to any investments that the Company or any of its Affiliates may make to aid in meeting obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Holder, beneficiary, legal representative or any other person. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. No property shall be set aside nor shall a trust fund of any kind be established to secure the rights of any Holder under the Plan. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

8.2 **No Employment Obligation.** The granting of any Award shall not constitute an employment or service contract, express or implied, and shall not impose upon the Company or any Affiliate any obligation to employ or continue to employ, or to utilize or continue to utilize the services of, any Holder. The right of the Company or any Affiliate to terminate the employment of any person shall not be diminished or affected by reason of the fact that an Award has been granted to such person, and nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or its Affiliates to terminate any Holder's employment or service relationship at any time or for any reason not prohibited by law.

8.3 **Tax Withholding.**

(a) The Company or any Affiliate shall be entitled to deduct from other compensation payable to each Holder any sums required by federal, state, local or foreign tax law to be withheld with respect to the vesting of an Award or lapse of restrictions on an Award. In the alternative, the Company may require the Holder to pay such sums for taxes directly to the Company or any Affiliate in cash or by check within one day after the date of vesting or lapse of restrictions.

(b) The Committee may, in its discretion, permit a Holder to satisfy any Minimum Statutory Tax Withholding Obligation arising upon the vesting of an Award by delivering to the Holder a reduced number of shares of Stock in the manner specified herein. If permitted by the Committee and acceptable to the Holder, at the time of the vesting of an Award with respect to which the Company or an Affiliate has a tax withholding obligation the Company or the Affiliate may (a) calculate the amount of the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation on the assumption that all such shares of Stock vested under the Award are made available for delivery, (b) reduce the number of such shares of Stock made available for delivery so that the Fair Market Value of the shares of Stock withheld on the date of the event giving rise to the withholding obligation approximates the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation and (c) in lieu of the withheld shares of Stock, remit cash

to the United States Treasury or other applicable governmental authorities, on behalf of the Holder, in the amount of the Minimum Statutory Tax Withholding Obligation. The Company shall withhold only whole shares of Stock to satisfy its Minimum Statutory Tax Withholding Obligation. Where the Fair Market Value of the withheld shares of Stock does not equal the amount of the Minimum Statutory Tax Withholding Obligation, the Company shall withhold shares of Stock with a Fair Market Value less than the amount of the Minimum Statutory Tax Withholding Obligation and the Holder must satisfy the remaining minimum withholding obligation in some other manner permitted under this [Section 8.3](#). The withheld shares of Stock not made available for delivery by the Company shall be retained as treasury shares or will be cancelled and the Holder's right, title and interest in such shares of Stock shall terminate.

(c) The Company shall have no obligation upon vesting of any Award or lapse of restrictions on an Award or other event requiring payment until the Company or an Affiliate has received payment from the Holder sufficient to cover the Minimum Statutory Tax Withholding Obligation of the Holder with respect to that vesting, lapse of restrictions or other event. Neither the Company nor any Affiliate shall be obligated to advise a Holder of the existence of the tax or the amount which it will be required to withhold.

8.4 **Gender and Number.** If the context requires, words of one gender when used in the Plan shall include the other and words used in the singular or plural shall include the other.

8.5 **Severability.** In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

8.6 **Headings.** Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms and provisions of the Plan.

8.7 **Other Compensation Plans.** The adoption of the Plan shall not affect any other incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of incentive compensation arrangements for Employees.

8.8 **Retirement and Welfare Plans.** Neither Awards made under the Plan nor shares of Stock paid pursuant to such Awards, may be included as “compensation” for purposes of computing the benefits payable to any person under the Company’s or any Affiliate’s retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a participant’s benefit.

8.9 **Other Awards.** The grant of an Award shall not confer upon the Holder the right to receive any future or other Awards under the Plan, whether or not Awards may be granted to similarly situated Holders, or the right to receive future Awards upon the same terms or conditions as previously granted.

8.10 **Law Limitations/Governmental Approvals.** The granting of Awards and the issuance of shares of Stock under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

8.11 **Delivery of Title.** The Company shall have no obligation to issue or deliver evidence of title for shares of Stock issued under the Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and (b) completion of any registration or other qualification of the Stock under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

8.12 **Inability to Obtain Authority.** The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company’s counsel to be necessary to the lawful issuance and sale of any shares of Stock hereunder, shall relieve the Company of any liability in respect of the failure to issue such shares of Stock as to which such requisite authority shall not have been obtained.

8.13 **Investment Representations.** The Committee may require any person receiving Stock pursuant to an Award under the Plan to represent and warrant in writing that the person is acquiring the shares of Stock for investment and without any present intention to sell or distribute such Stock.

8.14 **No Fractional Shares.** No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, additional Awards or other property shall be issued or paid in lieu of fractional shares of Stock or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

8.15 **Interpretation.** The term “including” means “including without limitation”. The term “or” means “and/or” unless clearly indicated otherwise. The term “vest” includes the lapse of restrictions on Awards, including Forfeiture Restrictions. Reference herein to an “Article” or a “Section” shall be to an article or a section of the Plan unless indicated otherwise.

8.16 **Governing Law; Venue.** The provisions of the Plan and the rights of all persons claiming thereunder shall be construed, administered and governed under the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the sole and exclusive jurisdiction and venue of the federal or state courts of the State of Texas to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.
