PROXY STATEMENT

FOR SPECIAL MEETING OF SHAREHOLDERS

May 14, 2019

Your proxy in the enclosed form is solicited by the Board of Directors of the Company for use at the Special Meeting of Shareholders to be held on May 14, 2019 at 10:00 a.m. Pacific Daylight Time, at the Company's office at 949 E. Second St., Los Angeles, California 90012, and at any adjournment thereof. Each properly executed proxy received prior to the Special Meeting will be voted as directed, but, if not otherwise specified, proxies will be voted to approve the amendment to the Bylaws increasing the size of the Board of Directors.

Each shareholder has the right to revoke such shareholder's proxy at any time before it is voted. A proxy may be revoked by filing with the Secretary of the Company at 915 E. First Street, Los Angeles, California 90012, a written revocation or a properly executed proxy bearing a later date, or by voting in person.

The Company will bear the cost it contracts for in the solicitation of proxies. In addition to the use of the mail, proxies may be solicited by personal interview, telephone, fax or e-mail by officers, directors and other employees of the Company (none of whom will receive additional compensation therefor). The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send or cause to be sent proxy materials to, and obtain proxies from, such beneficial owners, and, on request, will reimburse such holders for their reasonable expenses in so doing.

The close of business on March 22, 2019 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Special Meeting and any adjournment thereof. The only voting securities of the Company are the 1,380,746 shares of Common Stock outstanding as of the record date. A majority of the Company's outstanding shares of Common Stock as of the record date must be represented in person or by proxy to constitute a quorum for the Special Meeting. All shares represented in person or by proxy, regardless of the nature of the vote, the indication of abstention or the absence of a vote indication, including broker non-votes, will be counted to determine the number of shares represented at the meeting. This Proxy Statement and the enclosed form of proxy are first being

mailed to shareholders on or about April 1, 2019.

TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS

(Item 1 on the Proxy Card)

The Company is asking shareholders to approve an amendment to the Company's Bylaws to increase the size of the Board of Directors. The amendment accomplishes this by (i) increasing the permissible range of the size of the Board of Directors, which is now between three and five directors, to between three and seven directors; and (ii) setting the number of directors at six until such time as it may be changed within the new range by resolution of the Board of Directors in accordance with the Bylaws.

The Company would like to increase the size of the Board of Directors to benefit from the talented contributions of a sixth member. This will also allow the Company to satisfy a new obligation under California law to have at least one woman serving on the Board of Directors, without requiring one of the existing five directors to resign. Increasing the upper end of the range to seven members will also provide the Board of Directors with the flexibility to add another member if an exceptional candidate is identified, without again needing to seek shareholder approval of an amendment to the Bylaws.

The shareholders are being asked to approve the following amendment to Article III, Section 2 of the Company's Bylaws. If approved, such Section shall read as follows:

Number of Directors. The authorized number of directors shall not be less than three (3) nor more than seven (7), until changed by amendment of the articles of incorporation or these bylaws. The exact number of directors shall be fixed, within the limits specified, by resolution duly adopted by the Board of Directors. Until changed by resolution duly adopted by the Board of Directors, the exact number of directors shall be six (6).

Approval of the amendment to the Company's Bylaws will require votes in favor of the amendment from holders of a majority of the outstanding shares entitled to vote. Abstentions and broker non-votes are the equivalent of "against" votes. A marked version of the proposed amendment compared to the existing language of Article III, section 2 of the Company's Bylaws is attached as Annex A to this Proxy statement.

If the shareholders approve this amendment, the Board of Directors intends to appoint Mary Conlin to the newly created sixth seat. Ms. Conlin was nominated by the Board of Directors in connection with the Company's 2019 Annual Meeting of Shareholders, but she was not elected as a director because this same amendment to the Bylaws increasing the size of the Board of Directors was not approved at that meeting. Nonetheless, Ms. Conlin received 583,505 of the 585,267 votes cast, and the Board of Directors is looking forward to the opportunity to appoint her as the Company's newest director.

All directors are elected annually and serve until the next annual meeting of shareholders and the election of their successors.

Proxies given without instructions will be voted FOR approval of the amendment to the Company's Bylaws.
