Explanatory Note: On June 30, 2017, Gold Resource Corporation (the “Company”) filed a Current Report on Form 8-K and a subsequent amendment (the “Original Filing”) to, among other things, report the results of the voting at the 2017 annual meeting of shareholders of the Company held on June 29, 2017 (the “Annual Meeting”) with respect to election of directors, an advisory vote on executive compensation (“say-on-pay”), an advisory vote on the frequency of the say-on-pay vote and ratification of the Company’s independent auditors for the year ending December 31, 2017. This Amendment No. 2 to Form 8-K is being filed to report the Company’s decision on the implementation of the frequency of the say-on-pay-vote.

Item 5.07. Submission of Matters to a Vote of Security Holders

As reported in the Original Filing, a majority of the shares that voted at the Annual Meeting on the non-binding advisory vote regarding the frequency of future say-on-pay votes voted for the Company to hold such votes on executive compensation every one (1) year. In light of this result, and after consideration by the Compensation Committee of the Board of Directors, the Committee has determined effective October 26, 2017 that the Company will hold future non-binding, advisory votes on executive compensation every one year until the next required non-binding advisory vote on the frequency of such votes on executive compensation or unless otherwise as determined by the Compensation Committee of the Board of Directors.
