Item 8.01 Other Events.

Real Industry, Inc. (the “Company”) is filing this Current Report on Form 8-K to retrospectively reclassify the presentation of its consolidated financial statements that were initially filed with the Securities and Exchange Commission (“SEC”) on March 16, 2015 in the Company’s Annual Report on Form 10-K for the year ended December 31, 2014 (the “Annual Report”) to reflect North American Breaker Co., LLC (“NABCO”), historically reported as its Industrial Supply segment, as a discontinued operation, held for sale as of December 31, 2014.

NABCO was sold in January 2015 and its assets and liabilities and results of operations have been reflected in discontinued operations in all periodic financial reports filed with the SEC since the Annual Report. The SEC requires a registrant to include or incorporate by reference in a registration statement filed with the SEC under the Securities Act of 1933, as amended (the “Securities Act”), the retrospective reclassification of previously issued financial statements to reflect the subsequent reclassification of operations to discontinued operations. Accordingly, the Company is revising and including in this Current Report on Form 8-K the following portions of the Annual Report: Selected Financial Data (Item 6), Management’s Discussion and Analysis of Financial Condition and Results of Operations (Item 7) and Financial Statements and Supplementary Data (Item 8). This will allow any future registration statement filed by the Company to be in compliance with the SEC’s reporting requirements.

In addition, the Company has included in this Form 8-K Management’s Report on Internal Control Over Financial Reporting, which is unchanged from the Annual Report, the Report of Independent Registered Public Accounting Firm on Internal Control Over Financial Reporting, which reflects the dual dating of the Report of Independent Registered Public Accounting Firm on the Consolidated Financial Statements included with the Financial Statements and Supplementary Data.

In order to preserve the nature and character of the disclosures set forth in such items as originally filed in the Annual Report, no attempt has been made in this Current Report, and it should not be read, to modify or update disclosures as presented in the Annual Report to reflect events or occurrences after the date of the filing of the Annual Report, except for matters relating specifically to the retrospectively reclassification of the presentation described above. Therefore, this Current Report on Form 8-K should be read in conjunction with the Annual Report and the Company’s filings made with the SEC subsequent to the filing of the Annual Report, including the quarterly reports on Form 10-Q for the quarterly periods ended March 31, 2015 and June 30, 2015.
