EXPLANATORY NOTE

On November 15, 2016, following approval by the requisite vote of shareholders at the Annual Meeting of Shareholders of SJW Corp. held on April 29, 2015, SJW Corp. changed its state of incorporation from California to Delaware. This reincorporation was effectuated on November 15, 2016 by merging SJW Corp., a California corporation (“SJW California”), with and into SJW Group, Inc., a Delaware corporation and wholly owned subsidiary of SJW California established for such purpose. In connection with the merger, SJW Group, Inc. changed its name to “SJW Group”. SJW Group (the “Registrant”) is deemed to be the successor issuer to SJW California under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

As the successor issuer to SJW California, SJW Group is filing this Post-Effective Amendment No. 1 to the Registration Statement on Form S-8, File No. 333-105010 (the “Original Registration Statement”), pursuant to Rule 414 promulgated under the Securities Act of 1933, as amended (the “Securities Act”), solely to update the Original Registration Statement as a result of the Registrant’s reincorporation in the State of Delaware from the State of California (the “Reincorporation”).

In connection with the Reincorporation, SJW Group assumed the SJW Corp. Long-Term Incentive Plan, as amended and restated July 29, 2015 (the “Plan”), and all of the outstanding options and equity awards under the Plan, and the Plan was amended to reflect the reincorporation and to change the name of the Plan to the “SJW Group Long-Term Incentive Plan”. At the effective time of the Reincorporation, each outstanding equity award to receive SJW California Common Shares was converted into an equity award to receive the same number of shares of SJW Group Common Stock on the same terms and conditions.

In accordance with Rule 414 of the Securities Act, except as modified by this Registration Statement, the Registrant, as successor issuer to SJW California, hereby expressly adopts the Original Registration Statement as its own registration statement for all purposes of the Securities Act and the Exchange Act. The applicable registration fee was paid at the time of the original filing of the Original Registration Statement.

PART II

All reports and definitive proxy or information statements, if any, filed pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicate that all securities offered hereby have been sold or which de-registers all securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents. Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law authorizes a court to award or a corporation's board of directors to grant indemnification to directors and officers in terms sufficiently broad to permit the indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Article V of Registrant's bylaws provides mandatory indemnification, to the full extent permitted by DGCL, to the officer, directors and other persons, in specified legal proceedings involving the Registrant or such person. Article XI of Registrant's certificate of incorporation provides that, subject to DGCL, its directors will not be personally liable for monetary damages for breach of the director's fiduciary duty as director to Registrant and its stockholders. This provision in the certificate of incorporation does not eliminate a director's fiduciary duty, and in appropriate

circumstances equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to Registrant or its stockholders for acts or omissions not in good faith or involving intentional misconduct, for knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock purchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws. In connection with the Reincorporation, the Board of Directors of the Registrant approved a new form of indemnification agreement to be entered into by the officers and directors and the Registrant. The indemnification agreement clarifies and enhances the rights and obligations of the Registrant and the indemnitee with respect to indemnification and advancement of expenses as provided in the Registrant's bylaws. A copy of the form of Indemnification Agreement is filed as Exhibit 10.1 to the Registrant's Current Report on Form 8-K filed on November 15, 2016. The Registrant also maintains insurance policies that insure its officers and directors against certain liabilities.

Item 7. Exemption from Registration Claimed

Not Applicable.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this Registration Statement; (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Registrant's Long-Term Incentive Plan, as amended and restated July 29, 2015.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement

relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
