**ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.**

On September 29, 2005, as previously reported on the Current Report on Form 8-K filed by the Company on October 4, 2005 (the Prior Form 8-K ), the Company announced a plan to realign the management of its Canadian and United States businesses to a North American basis (the Realignment Plan ). In the Prior 8-K, the Company reported that it expected to record certain pre-tax charges of \$60 to 80 million over the 12 to 18 month period following the announcement of the Realignment Plan, that the largest of the charges would be related to asset impairment and that there also would be additional charges for severance, termination and other costs.

On December 13, 2005 the Company filed an amended Current Report on Form 8-K announcing the planned closing of its Columbus, Ohio manufacturing plant and certain charges expected to be recorded in connection with the plant closing. At that time, the charges associated with that closing were estimated at \$13 million. The actual charges incurred to date have been \$9.3 million. During the fourth quarter of 2005, an additional \$0.9 million in charges were incurred in connection with severance and asset impairments related to the closure of a sales office and \$1.8 million in other costs and asset impairments related to the Realignment Plan. On January 31, 2006, the Company s Board of Directors approved another step in the Realignment Plan the closure of the Company s juice plant located in Lachine, Quebec. In connection with this closure, the Company expects to incur approximately \$1.3 million in pre-tax charges for severance and contract termination costs. The Company further expects that, in connection with implementing the Realignment Plan, it will record additional pre-tax charges of approximately \$22 to 42 million. The \$22 to 42 million in charges are those remaining to be taken as part of the previously announced \$60 to 80 million total anticipated charges and are not in addition to the previously announced \$60 to 80 million in total anticipated charges.
