The following provides an overview of the considerations that led the Board to conclude that each individual serving as a Trustee or nominee for Trustee of the Fund should so serve. The current members of the Board joined the Board at different points in time since 2012. Generally, no one factor was decisive in the original selection of an individual to join the Board. Among the attributes common to all Trustees is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Fund's investment adviser, sub-adviser, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties as Trustees. In recommending the election or appointment of the current Board members as Trustees, the Nominating and Governance Committee generally considered (i) the educational, business and professional experience of each individual; (ii) the individual's record of service as a director or trustee of public or private organizations; and (iii) how the individual's skills, experience and attributes would contribute to an appropriate mix of relevant skills and experience on the Board. The Nominating and Governance Committee also considered that during their service as members of the Board of Trustees of the Fund, the Trustees have demonstrated a high level of diligence and commitment to the interests of the Fund's shareholders and the ability to work effectively and collegially with other members of the Board.

The following summarizes each Trustee's or nominee for Trustee's professional experience and additional considerations that contributed to the Board's conclusion that each individual should serve on the Board.

The Board currently consists of six Trustees, five of whom are Independent Trustees. As discussed below, two of the standing committees of the Board, to which the Board has delegated certain authority and oversight responsibilities, are comprised exclusively of Independent Trustees.

Mr. Dillman, who is not an “interested person” of the Fund, as defined in Section 2(a)(19) of the 1940 Act, serves as Chairman of the Board of Trustees and Mr. Morrison, who is an “interested person” of the Fund, serves as the President. Mr. Dillman presides at meetings of the Board and acts as a liaison with service providers, officers, and other Trustees generally between meetings, and performs such other functions as may be requested by the Board from time to time. The Board reviews its leadership structure periodically and believes that the leadership structure is appropriate to enable the Board to exercise its oversight of the Fund. The Board also believes that its structure, including the active role of the other Independent Trustees, facilitates an efficient flow of information concerning the management of the

Fund to the Independent Trustees.

The Board provides oversight of the services provided by Babson Capital, including risk management activities. In addition, each committee provides oversight of Babson Capital's risk activities with respect to the particular activities within the committee's purview. In the course of providing oversight, the Board and relevant committees receive a wide range of reports on the Fund's activities, including the Fund's investment portfolio, the compliance of the Fund with applicable laws, and the Fund's financial accounting and reporting. The Board and Audit Committee meet periodically with the Fund's Chief Compliance Officer regarding the compliance of the Fund with federal securities laws and the Fund's internal compliance policies and procedures. In addition, both the Audit Committee and the full Board regularly review information concerning risks specific to the Fund and Babson Capital, including presentations by various officers of the Fund, investment personnel for the Fund, Babson Capital, the Sub-Adviser, the independent auditors for the Fund (KPMG LLP) and Counsel to the Fund (Ropes & Gray LLP).

Information Concerning Committees and Meetings of the Board of Trustees

The Board of Trustees has an Audit Committee and a Nominating and Governance Committee.

The Audit Committee is comprised exclusively of Trustees who are not “interested persons” of the Fund, as defined in Section 2(a)(19) of the 1940 Act, and operates pursuant to a written Audit Committee Charter, which is available on the Fund’s website, www.babsoncapital.com/bgh. A print copy of the Audit Committee Charter may also be obtained by calling, toll-free, 1-855-439-5459. The present members of the Audit Committee are Bernard A. Harris, Jr. (Chairman), Thomas W. Okel and Martin A. Sumichrast. Each member of the Audit Committee qualifies as an “Independent Trustee” under the current listing standards of the New York Stock Exchange and the rules of the U.S. Securities and Exchange Commission (“SEC”). In accordance with the SEC’s rules implementing Section 407 of the Sarbanes-Oxley Act of 2002 and upon due consideration of the qualifications of each member of the Audit Committee, the Board designated Dr. Harris, Mr. Okel and Mr. Sumichrast as the Fund’s Audit Committee Financial Experts.

In accordance with the Audit Committee Charter, the Audit Committee is responsible for: oversight matters; financial statement and disclosure oversight matters; matters related to the hiring, retention, and oversight of the Fund’s independent accountants; certain accounting and audit related oversight matters; and certain other matters as set forth in the Audit Committee Charter. During the twelve months ended August 31, 2014, the Audit Committee held six meetings.

The Nominating and Governance Committee is currently comprised of Martin A. Sumichrast (Chairman) and Thomas W. Bunn, both Independent Trustees. A current copy of the Nominating and Governance Committee Charter can be found on the Fund’s website, www.babsoncapital.com/bgh. During the twelve months ended August 31, 2014, the Nominating and Governance Committee met once.

The Nominating and Governance Committee is responsible for identifying and nominating individuals to serve as Trustees who are not “interested persons” of the Fund (“Independent Trustees”). The Nominating and Governance Committee Charter contemplates that all nominees for Independent Trustees will have a college degree or, in the judgment of the Committee, equivalent business experience. In addition, the Committee may take into account a wide variety of factors in considering Trustee candidates, giving such weight to any individual factor(s) as it deems appropriate, including but not limited to: availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; relevant industry and related experience; educational background; depth and breadth of financial expertise; and an assessment of the candidate’s ability, judgment, expertise, reputation, and integrity. In the case of a shareholder recommended candidate, the Committee may also consider any other facts and circumstances attendant to such shareholder submission as may be deemed appropriate by the Committee. Different factors may assume greater or lesser significance at particular times, in light of the Board’s present composition and the Committee’s (or the Board’s) perceptions about future issues and needs.

When the Board has or expects to have a vacancy for an Independent Trustee, the Nominating and Governance Committee will consider candidates recommended by the Fund’s current Trustees; the Fund’s shareholders; the Fund’s officers; the Fund’s investment adviser; the Fund’s sub-adviser; and any other source the Committee deems to be appropriate. Shareholder recommendations to fill vacancies on the Board for Independent Trustees must be submitted in accordance with the provisions of the Nominating and Governance Committee Charter, which requires that shareholder recommendations be timely received, and contain biographical and other necessary information regarding the candidate that would be required for the Fund to meet its disclosure obligations under the proxy rules. The Nominating and Governance Committee will evaluate nominee candidates properly submitted by shareholders in the same manner as it evaluates candidates recommended by other sources.

The Nominating and Governance Committee also considers, evaluates and makes recommendations to the Board of Trustees with respect to the structure, membership and function of the Board of Trustees and the Committees thereof, including the compensation of the Trustees.

During the twelve months ended August 31, 2014, the Board of Trustees held five regular meetings. During the twelve months ended August 31, 2014, each Trustee attended at least 75% of the Board and applicable Committee meetings on which he served.

Transactions with and Remuneration of Officers and Trustees

Pursuant to the Investment Management Agreement between the Fund and Babson Capital (the “Contract”), Babson Capital paid the compensation and expenses of the Fund’s officers and of all Trustees who were officers or employees of Babson Capital.

Trustees who are not officers or employees of Babson Capital receive an annual retainer of \$35,000. The Chairman of the Board and the Chairman of the Audit Committee each receive an additional retainer in the amount of \$5,000. Trustees who are not officers or employees of Babson Capital also receive a fee of \$5,500 for each meeting of the Board which they attend (\$2,500 for each meeting conducted by telephone conference call). Members of the Audit Committee and the Nominating and Governance Committee receive an additional fee of \$2,000 per meeting attended, including meetings conducted by telephone conference call. Beginning in July 2013, the Trustees became Trustees of Babson Capital Funds Trust (“BCFT”). The above Trustee compensation represents the aggregate amounts payable by both the Fund and BCFT. During the twelve months ended August 31, 2014, the aggregate direct remuneration to these Trustees and reimbursement of their out-of-pockets expenses paid by the Fund was approximately \$203,761.

The following table discloses the compensation paid to the Fund’s Trustees (not including reimbursement for out-of-pocket expenses) for the twelve months ended August 31, 2014. The Fund, Babson Capital Corporate Investors, Babson Capital Participation Investors, Babson Capital Funds Trust, MassMutual Premier Funds, MML Series Investment Funds, MassMutual Select Funds, and MML Series Investment Funds II are collectively referred to in the table below as the “Fund Complex”. The Trustees do not receive pension or retirement benefits.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Fund's financial reporting process on behalf of the Board of Trustees and operates under a written Charter adopted by the Fund's Board of Trustees. The Audit Committee meets with the Fund's management ("Management") and independent registered public accountants and reports the results of its activities to the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with the Audit Committee's and independent registered accountant's responsibilities, Management advised that the Fund's financial statements were prepared in conformity with generally accepted accounting principles.

Accordingly, the Audit Committee has:

Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2013 with Management and KPMG LLP, the Fund's independent registered public accountants;

Discussed with KPMG LLP those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards); and

Received the written disclosure and the letter from KPMG LLP required by the Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committee Concerning Independence) and has discussed with KPMG LLP its independence.

The Audit Committee has also reviewed the aggregate fees billed for professional services rendered by KPMG LLP for 2013 and 2012 for the Fund and for the non-audit services provided to Babson Capital, and Babson Capital's parent, Massachusetts Mutual Life Insurance Company ("MassMutual") for 2013 and 2012. As part of this review, the Audit Committee considered whether the provision of such non-audit services was compatible with maintaining the principal accountant's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee presents this Report to the Board of Trustees and recommends that the Board of Trustees (1) include the December 31, 2013 audited financial statements in the Annual Report to Shareholders for the fiscal year ended December 31, 2013, and (2) file such Annual Report with the Securities and Exchange Commission and the New York Stock Exchange.

The Audit Committee appointed the firm of KPMG LLP as the Fund's independent registered public accountant for the fiscal year ending December 31, 2014, and, in connection therewith, KPMG LLP will prepare all of the Fund's tax returns for the fiscal year ending December 31, 2014.

 Thomas W. Okel, Audit Committee Member
 Martin A. Sumichrast, Audit Committee Member

February 21, 2014

The Board of Trustees reviewed this Report and approved the audited financial statements for publication in the Fund's Annual Report.

THE FUND'S INDEPENDENT AUDITORS

KPMG LLP ("KPMG") audited the financial statements of the Fund and Babson Capital for the fiscal year ended December 31, 2013. KPMG's audit report contained no qualifications or modifications. A KPMG representative is expected to be present at the upcoming Annual Meeting. This representative shall have the opportunity to make a statement if he or she desires to do so, and it is expected that such representative will be available to respond to appropriate questions from shareholders. As noted above, KPMG will audit the Fund's 2014 financial statements and prepare the Fund's 2014 Federal and state tax returns.

The category "Audit-Related Fees" reflects fees billed by KPMG for various non-audit and non-tax services rendered to the Fund and Babson Capital, such as SAS 70 review, IFRS consulting and agreed upon procedures reports. Preparation of Federal, state and local income tax returns and tax compliance work are representative of the fees reported in the "Tax Fees" category. The category "All Other Fees" represents fees billed by KPMG for consulting

rendered to the Fund, Babson Capital and MassMutual. The Sarbanes-Oxley Act of 2002 and its implementing regulations allow the Audit Committee to establish a pre-approval policy for certain services rendered by the Fund's independent accountants. During 2013, the Audit Committee approved all of the services rendered to the Fund by KPMG and did not rely on such a pre-approval policy for any such services.

OTHER BUSINESS

The Board of Trustees knows of no business to be brought before the Meeting other than as set forth above. If, however, any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed proxy card to vote proxies on such matters in accordance with their best judgment.

INFORMATION ABOUT VOTING PROXIES AND THE MEETING

Manner of Voting Proxies

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Fund to act as election inspectors for the Meeting. The election inspectors will count the total number of votes cast "for" each nominee for purposes of determining whether sufficient affirmative votes have been cast. All proxies received, including proxies that reflect (i) broker non-votes (i.e., shares held by brokers or nominees as to which (a) instructions have not been received from the beneficial owners or the persons entitled to vote, and (b) the broker or nominee does not have discretionary voting power on a particular matter), (ii) abstentions or (iii) the withholding of authority to vote for a nominee for election as Trustee, will be counted as shares that are present on a particular matter for purposes of determining the presence of a quorum. The presence at the Meeting, in person or by proxy, of shareholders entitled to cast 30% of the votes entitled to be cast shall be a quorum for the transaction of business for the Proposal. Neither abstentions nor broker non-votes, if any, will have an effect on the outcome of the Proposal.

Shareholders are entitled to one vote, on each matter on which the shareholder is entitled to vote, for each share of the Fund that such shareholder owns at the close of business on August 27, 2014. Each fractional share is entitled to a proportionate fractional vote.

Instructions for Voting Proxies

The giving of a proxy will not affect a shareholder's right to vote in person should the shareholder decide to attend the Meeting. To vote by mail, please mark, sign, date and return the enclosed proxy card following the instructions printed on the card. Please refer to your proxy card for instructions for voting by Internet.

Revocation of Proxies

Any person giving a proxy has the power to revoke it by mail or in person at any time prior to its exercise by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed and unrevoked proxies received in time for the Meeting will be voted in accordance with the instructions contained therein.

Adjournment

If sufficient votes in favor of the proposal set forth in the Notice of Annual Meeting of Shareholders are not received by the time scheduled for the Meeting or if the quorum required for the proposal has not been met, the persons named as proxies may propose adjournments of the Meeting with respect to such proposal(s) for periods of not more than 120 days to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the votes cast on the proposal in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposal. They will vote against any such adjournment those proxies required to be voted against the proposal. The Fund will pay the costs of any additional solicitation and of any adjourned session. Any proposals for which sufficient affirmative votes have been received by the time of the Meeting may be acted upon and considered final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal.

These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file. Based solely on a review of these forms furnished to the Fund as well as certain internal documents, the Fund believes that its Trustees and relevant Officers, Babson Capital, the Sub-Adviser and its relevant affiliated persons have all complied with applicable filing requirements during the twelve months ended August 31, 2014.

PROPOSALS BY SHAREHOLDERS AND COMMUNICATIONS WITH THE BOARD OF TRUSTEES

Any shareholder intending to present a proposal at the Annual Meeting to be held in 2015 who wishes to have such proposal included in the Fund's proxy material for that meeting, should forward his/her written proposal to the Fund, Attention: Secretary. Proposals must be received on or before April 1, 2015, to be considered for inclusion in the proxy material for its 2015 Annual Meeting. Proxies will be solicited by mail and may be solicited in person or by telephone, electronically, or facsimile by Officers or agents of the Fund. The expenses connected with the solicitation of proxies and with any further proxies which may be solicited by the Fund's Officers or agents in person, by telephone, or by facsimile will be borne by the Fund. The Fund has engaged Broadridge Financial Solutions, Inc. to provide shareholder meeting services, including vote solicitation and tracking. It is anticipated that the cost of these services will be approximately \$20,101 and may increase in the event any vote is contested or increased solicitation efforts are required. The Fund will reimburse banks, brokers, and other persons holding the Fund's shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares, which reimbursement will not be submitted to a vote of the Fund's shareholders.

The Fund will arrange for at least one Trustee to attend its 2014 Annual Meeting of Shareholders, will encourage all of its Trustees to attend its Annual Meetings of Shareholders, and will endeavor to arrange Annual Meetings of Shareholders on the same date as a Board of Trustees meeting to facilitate Trustee attendance.
