GENERAL INFORMATION

Record Date; Shares Outstanding

As of April 2, 2004, the record date for determining stockholders entitled to notice of and to vote at the meeting, we had 47,052,760 shares of common stock outstanding and eligible to vote. Each share of outstanding common stock is entitled to one vote on each matter to be presented at the meeting. Stockholders do not have cumulative voting rights in the election of directors. Abstentions (including instructions to withhold authority to vote for one or more nominees) and broker non-votes will not have any effect with respect to any item voted on at the meeting.

Proxies and Voting Procedures

Registered stockholders may vote by using a toll-free telephone number, by completing a proxy form and mailing it to the proxy tabulator, or by attending the meeting and voting in person. The telephone voting facilities will open following the mailing of materials on April 14, 2004, and close at 9:00 a.m. Eastern Daylight Savings Time on the meeting date. The telephone voting facilities are open Monday through Friday from 8:00 a.m. until 10:30 p.m. and on Saturdays from 8:00 a.m. until 4:30 p.m. Eastern Daylight Savings Time. The telephone voting procedures are designed to authenticate stockholders by use of a proxy control number and personal identification number ("PIN") to allow stockholders to confirm that their instructions have been properly recorded.

Stockholders whose shares are held in the name of a broker, bank or other nominee should refer to the proxy card or the information forwarded by such broker, bank or other nominee to see what voting options are available.

To vote by telephone, stockholders should call 1-877-298-0570, toll-free, or (513) 579-6707, using any touch-tone telephone and have their proxy form at hand. Stockholders will be asked to enter the proxy control number and PIN, then follow simple recorded instructions. To vote by mail, stockholders should complete and sign the bottom portion of the proxy form and return only that portion to the proxy tabulator.

Solicitation of proxies through the mail, in person and otherwise, is being made by management at the direction of the Board of Directors, without additional compensation. We will pay all costs of soliciting proxies. In addition, we will request brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons, and we will reimburse them for their expenses.

The execution of a proxy or vote by phone does not affect the right to vote in person at the meeting, and a proxy or vote by phone may be revoked by the person giving it prior to the exercise of the powers conferred by it. A stockholder may revoke a prior vote by writing to our Secretary at our principal offices or by properly executing and delivering a proxy bearing a later date (or recording a later telephone vote) or by voting in person at the meeting. In addition, persons attending the meeting in person may withdraw their proxies. Attending the meeting will not serve to vote your proxy unless you vote at the meeting.

If a choice is specified on a properly executed proxy form, the shares will be voted accordingly. If a proxy form is signed without a preference indicated, those shares will be voted "FOR" the election of the seven nominees proposed by the Board of Directors. If any other matters properly come before the meeting or any adjournment thereof, each

properly executed proxy form will be voted in the discretion of the proxies named therein.

2

Adjournment and Other Matters

Approval of a motion for adjournment or other matters brought before the meeting requires the affirmative vote of a majority of the shares voting at the meeting. We know of no other matters to be presented at the meeting other than those stated in this document.

Organization and Policy Committee Report

The Organization and Policy Committee of the Board of Directors consists of two directors, neither of whom is an employee of Great American Financial Resources or any of its subsidiaries. The Committee's functions include approving recommendations with respect to the compensation of each officer of the company and providing a report to the Board of Directors on those matters. The cash compensation paid to the executive officers for 2003 was comprised principally of annual base salaries and payments under the Corporate Bonus Plan. Stock options are granted to executive officers to provide long-term incentive based compensation. In determining compensation for executive officers, the Committee gives some consideration to the compensation paid to executive officers of companies engaged in similar lines of business.

Annual Base Salaries.

The Committee approves annual base salaries and salary increases for executive officers that are appropriate for their positions and levels of responsibilities. The Committee takes into consideration the Company's long-term performance in establishing annual base salaries for executive officers.

Corporate Bonus Plan.

Each of the named executive officers was eligible to participate in the Corporate Bonus Plan. The Bonus Plan compensates participants based on the Company's financial and operational performance. Under the Bonus Plan, the Organization and Policy Committee approved a target bonus for each participant based on such person's duties and responsibilities and expected contributions during the year. The Committee also reviewed premium, financial and operational goals for the company as well as individual goals for each participant. Based on the specific responsibilities of the participant, the Committee allocated a total of 100% among the premium, financial, operational, and individual goals. Based on the attainment of these goals, participants in the Bonus Plan could earn up to 125% of the target bonus amounts. The bonuses reported in the Summary Compensation Table for 2003 are amounts paid to participating executive officers in the first quarter of 2004.

Compensation of the Chief Executive Officer.

In evaluating the base salary and bonus for the Chief Executive Officer, the Committee evaluates the duties and responsibilities while giving some consideration to the compensation paid to persons holding similar positions with other companies. Some consideration is also given to the compensation paid to the Company's Chief Operating Officer.

Stock Options

. Stock options represent a performance-based portion of our compensation system. The Committee believes that stockholders' interests are well served by aligning the interests of our executive officers with those of stockholders by the grant of stock options. Incentive stock options are granted with an exercise price equal to the fair market value of our common stock on the date of grant and become exercisable at the rate of 20% per year. The Committee believes

that these features provide executive officers with substantial incentives to maximize our long-term success.

Internal Revenue Code Section 162.

Provisions of the Internal Revenue Code provide that compensation in excess of \$1 million per year paid to the Chief Executive Officer as well as other executive officers listed in the compensation table will not be deductible unless the compensation is "performance based" and the related compensation is approved by stockholders. Because no officer received more than \$1 million in compensation, Section 162 was not considered by the Committee in determining 2003 compensation.

The Organization and Policy Committee:

Ronald G. Joseph (Chairman)

CERTAIN TRANSACTIONS

Great American Financial Resources and AMM, a wholly-owned subsidiary of AFG, are parties to an Investment Services Agreement under which AMM provides investment services to our insurance subsidiaries in accordance with guidelines. We and our subsidiaries pay AMM an annual fee of .10% of total invested assets (as defined), provided that such fee does not exceed the actual cost to AMM of providing such services, and AMM is reimbursed for certain expenses. Investment charges paid by us to AMM were \$3.0 million in 2003.

In connection with the 1992 transaction in which we purchased GALIC, Great American Insurance Company ("GAI"), the former parent of GALIC and a wholly-owned subsidiary of AFG, agreed to neutralize the financial impact on GALIC of the adoption of an actuarial guideline that was under consideration at the time of the transaction. This actuarial guideline was subsequently adopted with an effective date of December 31, 1995. We and GAI have agreed that the financial impact of the actuarial guideline would be offset by reduction of investment management fees. The amount paid in 2003 reflects this adjustment.

We, GALIC and certain of our subsidiaries are members of AFG's consolidated tax group. We and GALIC have separate tax allocation agreements with AFG which designate how tax payments are shared by members of the tax group. In general, these companies compute taxes on a separate return basis. GALIC is obligated to make payments to (or receive benefits from) AFG based on taxable income without regard to temporary differences. If GALIC's taxable income (computed on a statutory accounting basis) exceeds a current period net operating loss of ours, the taxes payable by GALIC associated with the excess are payable to AFG. If the AFG tax group utilizes any of our net operating losses or deductions that originated prior to 1993, AFG will pay us an amount equal to the benefit received. During 2003, we and our subsidiaries which are included in the AFG consolidated tax group incurred income tax expense of \$12.2 million.

In 1997, we invested \$4.9 million in 49% of the outstanding common stock of a newly incorporated entity formed to acquire the assets of a company engaged in the production of ethanol. Carl H. Lindner purchased the remaining 51% for \$5.1 million. In September 1998, we made a loan in the amount of \$4 million to this company. This loan bore interest at the rate of 14% and was repaid in December 2003. The proceeds of that loan were used to pay a portion of a \$6.3 million capital distribution, including \$3.1 million to us and \$3.2 million to Mr. Lindner. In September 2000, this entity repurchased our 49% interest for \$7.5 million cash plus \$21.9 million (219,000 shares) of newly issued preferred stock. As a result of this transaction, we recognized a \$17.7 million after-tax gain. In December 2000, this entity retired the 219,000 shares of preferred stock in exchange for \$3 million cash plus an \$18.9 million subordinated debenture bearing interest at 12 1/4% with scheduled repayments through 2005. During 2003, the balance owed on this debenture was repaid in total.

We provided various information technology services to GAI and billed approximately \$140,000 in 2003. We paid \$2.3 million to AFG for various information technology services (primarily outsourcing) in 2003. We paid approximately \$364,000 to AFG for services related to purchases from third party vendors. All of these transactions were based on fair market value.

During 2003, we paid the Cincinnati Hotel approximately \$67,000 for lodging and meeting accommodations. The hotel is owned by GAI.

Michael Ryan, a brother-in-law of S. Craig Lindner, was employed by us in a sales and marketing position in 2003. We paid Mr. Ryan a total of \$89,516 in 2003.

13

In July 2000, AFG's principal insurance subsidiary, GAI, entered into a thirty-two year agreement with the Cincinnati Reds, pursuant to which the Reds' home stadium was named "Great American Ball Park." Carl H. Lindner is the Chief Executive Officer of the Reds. In addition, GAI and an entity owned by Carl H. Lindner, Carl H. Lindner III, Keith E. Lindner and S. Craig Lindner, are part owners of the Reds. The Reds were paid an aggregate of \$2 million under the naming rights agreement in 2003. These payments to the Reds will average approximately \$2.3 million annually over the term of the agreement. GAFRI participates in the naming rights agreement, and accordingly, paid GAI \$670,000 under the agreement in 2003. Our payments to GAI will average approximately \$720,000 annually over the term of the agreement. In addition to having the "Great American" name associated with the stadium, we also receive approximately \$300,000 annually of premium seating and related sponsorship rights for the naming rights payments.

Directors' Compensation

Our employees do not receive any additional compensation for serving as members of the Board of Directors or any of its committees. Directors who are not employees receive an annual retainer of \$30,000 for Board membership and an additional annual retainer of \$5,000 for serving as Chairman of a Board Committee. Under our Directors' Compensation Plan, non-employee directors will receive at least 50% of their retainers in common stock. In addition, directors who are not employees are paid a fee of \$2,000 for attendance at each Board meeting, and \$1,500 for attendance at each committee meeting. All directors are reimbursed for expenses incurred in attending board and committee meetings.

Under the Directors' Stock Option Plan, each March 1, each non-employee director receives a stock option to purchase 3,000 shares of our common stock, with an exercise price based on the average market price of our common stock for the ten trading days preceding the grant date. Each new non-employee director will receive an option to purchase 10,000 shares of our common stock, with an exercise price based on the average market price of our common stock for the ten trading days preceding the date of election as a director.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

There are three Committees of the Board of Directors - the Audit Committee, the Executive Committee and the Organization and Policy Committee. As detailed below, the Organization and Policy Committee performs the functions generally delegated to Compensation and Nominating Committees of other Boards of Directors. All members of the Audit Committee and the Organization and Policy Committee are deemed to be "independent" as that term is defined in the rules of the New York Stock Exchange. Directors are encouraged to attend the Annual Meeting of Stockholders. At the Annual Meeting held in May 2003, all directors were in attendance.

Stockholders may communicate directly with directors by sending written communication to the attention of the Corporate Secretary at our principal offices. It is our practice not to screen such correspondence before it is forwarded to the director to whom it is addressed.

The Board of Directors held eight meetings and took action in writing twice in 2003.

Audit Committee.

The Audit Committee consists of three members: William R. Martin (Chairman), John T. Lawrence III and Ronald G. Joseph, none of whom is an officer or employee of ours or any of our subsidiaries. Ronald W. Tysoe was a member of the Audit Committee until March 31, 2004, when he resigned as a director in order to accept a position as a director with an unaffiliated company. The Committee's functions include: recommending to the Board of Directors the firm to be appointed as independent accountants to audit our

14

consolidated financial statements and to provide other audit-related services and recommending the terms of such firm's engagement; reviewing the scope and results of the audit with the independent accountants; reviewing with management and the independent accountants our interim and year-end operating results; reviewing the adequacy and implementation of our internal accounting and auditing procedures; and reviewing the non-audit services to be performed by the independent accountants and considering the effect of such performance on the accountants' independence. The Audit Committee held nine meetings in 2003.

The Board has determined that William R. Martin, Chairman of the Audit Committee, is an "audit committee financial expert," as that term is defined in the rules of the Securities and Exchange Commission. All members of the Audit Committee are deemed to be "independent," as that term is defined in the rules of the New York Stock Exchange.

The Audit Committee has adopted a policy that the Company's independent accountants may not render any services to us outside the scope of the audit engagement letter without pre-approval of the Audit Committee. The Audit Committee has delegated to William R. Martin, Chairman of the Committee, authority to pre-approve audit and non-audit services outside of meetings of the Audit Committee. Management and the independent accountants are required to provide a written request, including a description of the services to be provided and an estimate of the fee to be charged, in connection with any request for pre-approval. The full Audit Committee may also pre-approve such services. In 2003, all services rendered outside the scope of the audit engagement letter were pre-approved without reliance on de minimus safe harbor exception from the pre-approval requirements.

Executive Committee.

The Executive Committee consists of three members: S. Craig Lindner (Chairman), Carl H. Lindner and Charles R. Scheper. The Committee is generally authorized to exercise the powers of the Board of Directors between meetings of the Board of Directors, except that the Committee's authority does not extend to certain fundamental matters, such as: amending our By-laws; filling vacancies on the Board of Directors; declaring a dividend; electing or removing the Company's principal officers; adopting or approving a plan of merger, consolidation or sale of a substantial portion of our assets; our dissolution or reorganization or establishing or designating any class or series of our stock (or fixing or determining the relative rights and preferences thereof). The Executive Committee took action in writing on one occasion in 2003.

Organization and Policy Committee.

The Organization and Policy Committee consists of two members: Ronald G. Joseph and John T. Lawrence III, neither of whom is an officer or employee of ours or any of our subsidiaries and each of which is deemed to be "independent," as that term is defined in the rules of the New York Stock Exchange. The Committee's functions include: reviewing the duties and responsibilities of our principal officers; approving the compensation of our principal officers and providing a report to the Board of Directors on those matters; reviewing our compensation and personnel policies; administering bonus and stock option plans; reviewing and making recommendations to the Board of Directors with respect to employee retirement policies; and supervising, reviewing and reporting to the Board of Directors on the performance of the management committee responsible for the administration and investment management of the Company's pension and savings plans. The Organization and Policy Committee held one meeting and took action in writing on two occasions in 2003.

The responsibilities of the Organization and Policy Committee include reviewing and providing advice with respect to the nomination of candidates for the Board of Directors. Except as provided below, the Board of Directors is responsible for the actual nomination of directors. The Committee does not impose any minimum requirements in considering candidates but rather reviews the overall business, industry and financial experience of candidates. The Committee has not retained any third party to identify or evaluate nominees. In addition, no person has recommended a candidate to the Committee in the last year. The Company's Certificate of Incorporation includes procedures whereby any stockholder of record may nominate one or more

15

persons as candidates for the office of director. In order to utilize this procedure, a stockholder is required to give written notice of the intent to nominate a candidate at least five but not more than 30 days prior to the meeting of stockholders at which the election of directors will take place. Such procedures do not require any consideration or review by the Organization and Policy Committee. A copy of the charter for the Organization and Policy Committee is available, without charge, by written request to Mark F. Muething; Executive Vice President, General Counsel and Secretary; Great American Financial Resources, Inc.; 250 East Fifth Street; Cincinnati, Ohio 45202. The charter is also available at our website at www.gafri.com.

Audit Committee Report

The Audit Committee is responsible for providing independent oversight of the Company's accounting functions and internal controls. The Audit Committee is comprised of independent directors and acts under a written charter first adopted and approved by the full Board of Directors in 2000. The Board of Directors adopted an amended and restated charter for the Audit Committee which is attached to this proxy statement as Annex A. Each of the members of the Audit Committee is independent as defined by the New York Stock Exchange listing standards. At the date the following report was rendered, Ronald W. Tysoe served as a member of the Audit Committee. On March 31, 2004, Mr. Tysoe resigned his position as a director of the Company in order to accept a position as a director of an unaffiliated company.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes. Additionally, the Audit Committee engages an accounting firm to be engaged as the Company's independent accountants.

In this context, the Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The independent accountants also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

Based on the Committee's discussions with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Committee, the Committee recommended the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

INDEPENDENT AUDITORS

The accounting firm of Ernst & Young LLP served as the Company's independent auditors for the fiscal year ended December 31, 2003. Representatives of that firm will attend the meeting and will be given the opportunity to comment, if they so desire, and to respond to appropriate questions that may be asked by stockholders. No auditor has yet been selected for the current year because it is generally the practice of the Company not to select independent auditors prior to the annual stockholders meeting.

Fees Paid to the Independent Auditors

The following table sets forth the fees we have paid to Ernst & Young for Audit and other services. The Audit Committee considers the non-audit services provided in satisfying itself as to Ernst & Young's independence.

	<u>2003</u>	<u>2002</u>
Audit Fees	\$1,062,355	\$848,396
Audit-Related Fees	\$ 8,000	\$129,480

Audit-related fees for 2003 related to a review of certain processes in the Company's variable annuity line of business. For 2002, these fees related primarily to audits of the statutory financial statements of the Company's insurance subsidiaries.

The tax fees related to review of information submitted in connection with state and local tax incentives received by the Company and consultation with respect to local tax matters for the Company's Puerto Rico subsidiary.

All other fees for 2002 related primarily to assistance on the Company's disaster recover program. No portion of these fees related to financial information or operational system design or implementation services.

NOMINATIONS AND STOCKHOLDER PROPOSALS

The Organization and Policy Committee will consider stockholder suggestions for nominees for director. Suggestions for director consideration may be submitted to our Secretary at our principal executive offices. Suggestions received by the Secretary's office by December 31 will be considered by the Committee for nomination at the next Annual Meeting of Stockholders. Stockholders may also make nominations for director by complying with the procedures described above under the caption "COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS - Organization and Policy Committee."

Other than the election of Directors, management knows of no other matters to be presented at the Annual Meeting upon which a vote may be taken. The Proxy Form used by the Company for the Annual Meeting typically grants authority to management's proxies to vote in their discretion on any matters that come before the Meeting as to which adequate notice has not been received. In order for a notice to be deemed adequate for next year's Annual Meeting, it must be received by February 28, 2005. In order for a proposal to be considered for inclusion in the Company's proxy statement for that meeting, it must have been received by December 5, 2004.

We have adopted a Code of Ethics that applies to all of our directors, officers (including our Chief Executive Officer, Chief Financial Officer, Controller and any person performing similar functions) and employees. A copy of our Code of Ethics is available, without charge, by written request to Mark F. Muething; Executive Vice President, General Counsel and Secretary; Great American Financial Resources, Inc.; 250 East Fifth Street; Cincinnati, Ohio 45202. The Code of Ethics is also available at our website at www.gafri.com.

REQUESTS FOR FORM 10-K

Muething, Executive Vice President, General Counsel and Secretary, Great American Financial Resources, Inc., 250 East Fifth Street, Cincinnati, Ohio 45202.
