FOR IMMEDIATE RELEASE

MARCH 3, 2005

THE LEATHER FACTORY REPORTS 2004 FINANCIAL RESULTS - RECORD SALES IN 2004 INCREASES 10% OVER 2003

FORT WORTH, TEXAS - The Leather Factory, Inc. (AMEX: TLF) today reported financial results for the year and fourth quarter ended December 31, 2004. Consolidated net income for the quarter was \$739,000 compared to consolidated net income of \$585,000 for the fourth quarter of 2003. Fully diluted earnings per share for the quarter were \$0.06, compared to \$0.05 in the same quarter of the previous year. Total sales for the quarter ended December 31, 2004 increased 17.5% to \$12.4 million from \$10.5 million for the fourth quarter of 2003. Consolidated sales for the year ended December 31, 2004 were \$46.1 million, an increase of 10.6% over total sales of \$41.7 million for 2003. Consolidated net income for 2004 was \$2.6 million or \$0.24 per fully-diluted share versus \$2.7 million or \$0.25 per fully-diluted share for 2003.

Sales in the Tandy Leather store chain for the fourth quarter of 2004 increased \$1.4 million over the previous year's fourth quarter, representing a 49% improvement. Forty-two stores comprised Tandy Leather's retail operations on December 31, 2004, compared to twenty-six retail stores a year earlier. Six stores were added in the fourth quarter of 2004, bringing the total number of new stores added in 2004 to sixteen. For 2004, Tandy Leather sales increased \$4.3 million, or 47%, over 2003.

Fourth quarter sales for the wholesale division, which includes the Leather Factory wholesale centers and national accounts group, increased \$387,000 over the same quarter of 2003, a 5.3% improvement. Excluding national account sales, the wholesale centers' sales increased \$435,000, or 6.8%, for the quarter. For 2004, the wholesale divisions' sales were down 0.2% for the year. Excluding national account sales, the wholesale centers reported sales gains of \$1.1 million, or 4.5%, exceeding the company's guidance of 2 to 4%. Sales to national accounts were down \$1.2 million for the year.

Consolidated gross profit margin for the fourth quarter was 54.7%, an improvement from 54.2% for the fourth quarter of 2003. For 2004, consolidated gross profit margin was 55.1%, an improvement over the previous year's gross profit margin of 54.4%. Consolidated operating expenses for the fourth quarter of 2004 were 45.2% of sales, down slightly from 45.6% for the same quarter of 2003. Operating expenses totaled 45.9% of sales for 2004 compared to 44.6% for 2003. Costs associated with the new retail stores, personnel costs including bonuses and employee healthcare programs, advertising, and the initial costs associated with implementation of compliance with Section 404 of the Sarbanes-Oxley Act were the significant contributors to the increase.

Wray Thompson, Chairman and Chief Executive Officer, commented, "I'm very pleased with our 2004 results. Our sales grew by more than 10%, our gross margin improved in spite of our original concerns surrounding rising metal and fuel prices, and operating and pre-tax income improved despite our continuing battle to maintain healthcare costs and the completion of the initial phase of our SOX 404 compliance efforts. We expect 2005 to build on our accomplishments in 2004 - the on-going expansion of the Tandy Leather store chain, focused efforts for continued sales growth in the wholesale division, operating expense containment, and higher earnings. In addition, 2005 is likely to be a milestone for us in that I expect we'll have repaid all of our bank debt for the first time in the company's history."
