PART III - NARRATIVE

The Registrant's Annual Report on Form 10-K for the period ended June 30, 2001 (the "Annual Report") could not be filed within the prescribed time period since the Registrant has not finalized all of its accounting matters. The Registrant, which has a small accounting staff, has devoted substantial time and efforts to other recent business matters affecting the Registrant, thereby delaying completion of the Annual Report. As a result, the information necessary to complete the Annual Report, including the financial statements and the notes thereto, has not yet been completed.
