Millionaires Club

Players become multi-millionaires with CryptoLogic's exclusive progressive online casino game

June 4, 2007 (Toronto, ON) An innovative and patented slot game from CryptoLogic Inc., a leading software developer to the global Internet gaming market, has made two lucky online players instant millionaires. On May 15, Millionaires Club, one of the most popular progressive slot games available exclusively to CryptoLogic licensees, awarded the highest jackpot in online gaming history more than \$8 million to a European player at InterCasino.com. This jackpot win was the largest in the history of online gaming and is a prime example of CryptoLogic's leadership in the online casino space.

Just two weeks later, a player in the UK at Littlewoods.com won more than \$4 million, the next highest jackpot in online history.

With a jackpot that climbed to staggering heights only two weeks after a record payout, Millionaires Club is one of the most popular casino games on the Internet today and available exclusively through CryptoLogic licensees, said Javid Aziz, CryptoLogic's President and CEO. The game is an outstanding example of how CryptoLogic provides exciting growth for our customers by delivering market-leading casino innovations that engage, attract and entertain players.

In addition to Millionaires Club, CryptoLogic's award-winning casino lineup includes some of the industry's most popular and visually-stunning online jackpot slot games, including the *Frightmare* slot series, *Rags to Riches* and games based on well-loved Marvel comic characters. All CryptoLogic jackpot games feature dazzling animation, amazing bonus rounds and impressive prize pots that can be won in Pounds, Euros or Dollars. They can be played at top online gaming sites including InterCasino, William Hill, Littlewoods, and Playboy.

CryptoLogic's casino suite appeals to players around the world, delivers record-breaking jackpots and has been voted by players *Gambling Online Magazine's* top software for two years running, said Justin Thouin, CryptoLogic's Vice-President, Casino. It's clear that we have a winning hand in providing the ultimate entertainment experience.
