Post-Effective Amendment No. 2,573

Request for Withdrawal of Post-Effective Amendment Filing to the Trust's Registration Statement on Form N-1A

Ladies and Gentlemen:

Pursuant to Rule 477 of the Securities Act of 1933, as amended (the "1933 Act"), the Trust hereby respectfully requests withdrawal of Post-Effective Amendment No. 2,562 (the "Amendment"), which was filed with the Securities and Exchange Commission (the "Commission") via EDGAR (Accession No. 0000930413-17-002900) on August 11, 2017. The Amendment relates solely to VanEck Vectors Bitcoin Strategy ETF (the "Fund"). The Trust notes that on a call with the Staff on September 20, 2017, the Staff expressed the view that it is the Commission's policy to not review a registration statement for a fund where the underlying instruments in which the fund intends to primarily invest are not yet available. The Staff requested that the Trust withdraw the Amendment until such time as the underlying instruments in which the Fund intends to primarily invest (i.e., bitcoin futures contracts) become available for investment. In response to the Staff's request, we are requesting withdrawal of the Amendment.

The Amendment has not yet become effective and no securities have been sold in connection with the filing.
