Item 1.01 Entry into a Material Definitive Agreement.

On December 15, 2004, the Human Resources and Compensation Committee (the "Committee") of the Board of Directors of Storage Technology Corporation ("StorageTek"), approved the performance objectives for StorageTek that will be used to determine the total pool available for cash bonus awards that may be paid to StorageTek's executives and employees for the 2005 fiscal year under StorageTek's 2004 Performance-Based Incentive Bonus Plan (the "Bonus Plan") approved by stockholders on May 20, 2004.

The total pool available for cash bonuses under the Bonus Plan for fiscal year 2005 is based upon two performance objectives, net after-tax revenues for the fiscal year and return on assets for the fiscal year, each weighted equally. Awards can vary from zero, if threshold targets are not met, to amounts in excess of the target, if targets are exceeded. The actual bonus paid may be adjusted upward or downward based upon the

participant's individual contributions and the results from the participant's business unit or functional organization, provided that, with respect to the determination of bonus payments for the top executives, there will be no upward discretion so that the bonuses may qualify as performance-based under Internal Revenue Code Section 162(m).

In addition, on December 15, 2004, the Committee approved the forms of stock option agreement and restricted stock agreement for use in connection with StorageTek's Amended and Restated 1995 Equity Participation Plan (1995 Plan) and the forms of stock option agreement, restricted stock agreement, and restricted stock unit agreement for use in connection with StorageTek's 2004 Long-Term Incentive Plan (2004 Plan). The agreements address, among other things, the vesting of the awards, the effect of termination of employment on the awards, the participant's obligation to pay certain taxes, and a waiver of data privacy rights. The agreements related to the 2004 Plan include a new definition of retirement (age 55 and 5 years of service) and provide for the accelerated vesting of all awards upon retirement and the right to exercise stock options for the full original term of the award. Copies of the agreements are attached hereto as exhibits.
