### Item 4. Purpose of Transaction

As an inducement for the Buyer to enter into the Share Subscription Agreement (as defined below) and the related agreements described below, the Relevant Issuer Stockholders entered into the Voting Agreements. The purpose of the Voting Agreements is to facilitate the transactions contemplated by the Share Subscription Agreement and the

related agreements described below.

## Share Subscription Agreement

On September 20, 2010, the Buyer and the Issuer entered into a share subscription agreement (the “Share Subscription Agreement”). Pursuant to the terms and subject to the conditions set forth in the Share Subscription Agreement, the Buyer has agreed to acquire such number of Shares of the Issuer that will constitute 51.0% of the outstanding Shares of the Issuer on a fully diluted basis immediately after the closing under the Share Subscription Agreement (the “Transaction”). The number of the Shares to be acquired in the Transaction is estimated to be 125,917,996 Shares. The purchase price for the Shares is fixed at U.S. \$0.3882 per share, and the total gross proceeds from the offering are estimated at U.S. \$48.9 million. The Issuer has agreed to use the proceeds, in part, to construct a nano lithium titanate oxide (“nLTO”) materials production facility in China that is expected to have an initial annual production capacity of up to 2,000 to 3,000 tons of nLTO materials, and to fund the Issuer’s working capital needs and ongoing operations in the United States.

The Share Subscription Agreement provides that, effective as of the closing of the Transaction, the board of directors shall consist of 9 directors, 5 of whom shall be designated by the Buyer, 3 of whom shall be independent directors (including one designee by Al Yousuf), and 1 of whom shall be an executive of the Issuer.

Under the Share Subscription Agreement, the Buyer and the Issuer agree to consult with each other as to the appropriate time to effect proposed consolidation of the Shares approved by the stockholders of the Issuer on May 24, 2010, which consolidation is expected to take place around mid-November and will in any event take place prior to the closing of the Transaction and at least 10 business days prior to December 20, 2010. The ratio of pre-consolidation Shares to post-consolidation Shares shall not be greater than 4:1 without the prior written consent of the Buyer.

The closing of the Transaction is subject to a number of closing conditions, including, without limitation, the receipt of required stockholder approval, no applicable law prohibiting the consummation of the Transaction, the truth and accuracy of representations and warranties made by the parties at closing and the performance of all material obligations by the parties prior to the closing, no material adverse effect on the Issuer and its subsidiaries having occurred, the completion by the government of the United States of its national security review, the Issuer and its subsidiaries having taken all actions necessary to ensure that the closing is permitted by International Traffic In Arms Regulations, receipt of legal opinions, and other closing conditions specified in the Share Subscription Agreement.

The foregoing description of the Share Subscription Agreement is a summary only and is qualified in its entirety by the Share Subscription Agreement, a copy of which is attached as Exhibit 4 to this statement. The Share Subscription Agreement contains representations and warranties and other statements that are solely for the benefit of the parties to the Share Subscription Agreement and are designed to allocate business and other risks among the parties. Additionally, these representations and warranties and other statements in the Share Subscription Agreement: (i) speak only as to the specified dates on which they were made, and may be modified or qualified by confidential disclosure schedules, (ii) have been negotiated with the principal purpose of establishing the circumstances in which a party may have the right not to close the transaction if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and (iii) may be subject to a different materiality standard than the standard that is applicable to disclosures to investors. Moreover, information concerning the subject matter of the representations and warranties and other statements made in the Share Subscription Agreement may have changed since the date of the Share Subscription Agreement, and will likely change in the future.

## Other Agreements

Concurrent with the execution and delivery of the Share Subscription Agreement, the Buyer and the Issuer entered into an Investor Rights Agreement, pursuant to which, among other things, effective as of the closing of the Transaction, the Buyer will have rights to proportional representation on the Issuer's board of directors and an option to purchase common shares of the Issuer at market price in an amount sufficient to maintain proportionate ownership in connection with future dilutive issuances.

Additionally, concurrent with the execution and delivery of the Share Subscription Agreement, the Buyer, the Issuer and Al Yousuf entered into a Waiver and Rights Agreement, pursuant to which, among other things, the parties agreed that effective as of the closing of the Transaction, Al Yousuf will have the right to appoint one director as long as its common share ownership remains above 5% on a fully diluted basis. Under the Waiver and Rights Agreement, the parties also agree at the next annual stockholder meeting of the Issuer following the closing of the Transaction (or if the board of directors of the Issuer decided to call a special stockholder meeting, at such stockholder meeting), the Issuer will propose to amend its articles to increase the size of the board of directors to no less than 11 directors and nominate two new directors to the board of directors (one of whom shall be designated by the Buyer and the other director shall be an independent director nominated by the board of directors pursuant to the Issuer's then existing director nomination practice), and the Buyer and Al Yousuf agree to vote their Shares in favor of such proposal and the election of the two new directors.

The foregoing descriptions of the Investor Rights Agreement and the Waiver and Rights Agreement are summaries only and are qualified in their entirety by copies of such agreements attached as Exhibits 5 and 6 to this statement.

## Voting Agreements

Concurrent with the execution and delivery of the Share Subscription Agreement, the Relevant Issuer Stockholders entered into Voting Agreements with the Buyer. The aggregate number of Shares covered by the Voting Agreements (the "Voting Agreement Shares") are 24,621,352 Shares, which include 3,253,221 Shares underlying stock options (of which 1,269,471 Shares relate to stock options that are exercisable within 60 days of September 20, 2010).

Pursuant to the Voting Agreements, the Relevant Issuer Stockholders have agreed to vote or exercise their right to consent with respect to all Shares that each such Relevant Issuer Stockholder is entitled to vote at the time of any vote to approve the issuance of Shares to the Buyer pursuant to the Share Subscription Agreement at any meeting of the stockholders of the Issuer, at which such issuance of Shares or any related agreements or actions are submitted for the consideration and vote of the stockholders of the Issuer.

Under the terms of the Voting Agreements, the Relevant Issuer Stockholders have granted the Buyer an irrevocable proxy with respect to the Voting Agreement Shares. The irrevocable proxy allows the Buyer to vote the Voting Agreement Shares in the manner set forth above.

Relevant Issuer Stockholders have also agreed that they will not vote any Shares in favor of, or consent to, and will vote against and not consent to, the approval of any (i) Acquisition Proposal (as defined in the Share Subscription Agreement), (ii) reorganization, recapitalization, liquidation or winding-up of the Issuer or any other extraordinary transaction involving the Issuer, (iii) corporate action the consummation of which would frustrate the purposes, or prevent or delay the consummation, of the transactions contemplated by the Share Subscription Agreement, or (iv) other matters relating to, or in connection with, any of the foregoing matters.

In the Voting Agreements, the Relevant Issuer Stockholders have agreed not, without the prior written consent of the Buyer, to directly or indirectly (i) grant any proxy or power of attorney or enter into any voting trust or other agreement or arrangement with respect to the voting of any Shares or (ii) acquire, sell, assign, transfer, pledge, encumber or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to the direct or indirect acquisition or sale, assignment, transfer, pledge, encumbrance or other disposition of, any Shares during the terms of the Voting Agreements (except with respect to acquisition of Shares pursuant to exercise of outstanding stock options). In addition, the Relevant Issuer Stockholders have agreed not to seek or solicit any such acquisition or sale, assignment, transfer, pledge, encumbrance or other disposition or any such contract, option or other arrangement or understanding and agrees to notify the Buyer promptly, and to provide all details requested by the Buyer, if such Relevant Issuer Stockholder is approached or solicited, directly or indirectly, by any person with respect to any of the foregoing.

The Voting Agreement of the Buyer with the Issuer Directors and Officers will terminate upon the (a) earlier of the (i) termination of the Share Subscription Agreement in accordance with its terms, or (ii) the closing under the Share Subscription Agreement, or (b) at any time upon written notice by Buyer to the Relevant Issuer Stockholder. The Voting Agreement of the Buyer with Al Yousuf also contains these termination provisions and an additional termination right by Al Yousuf if the closing under the Share Subscription Agreement does not occur by January 31, 2011.

The foregoing description of the Voting Agreements is qualified in its entirety by reference to the full text of such agreements, filed as Exhibits 2 and 3 to this statement.

Except as set forth in this statement, the Share Subscription Agreement, the Investor Rights Agreement, Waiver and Rights Agreement and the Voting Agreements, neither the Reporting Persons nor to Reporting Persons' knowledge, any person named on Schedule A has any present plans which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

#### Item 5. Interest in Securities of the Issuer

(a) Pursuant to the Voting Agreements, the Buyer and Mr. Yincang Wei (as the 100% owner of Buyer) may be deemed to have beneficial ownership of 22,637,602 Shares of the Issuer, which includes Shares underlying stock options held by the Relevant Issuer Stockholders that are exercisable within 60 days of September 20, 2010. Neither the filing of this statement nor any of its contents shall be deemed to constitute an admission by the Reporting Persons that it or he is the beneficial owner of any of the Shares referenced herein for purposes of the Exchange Act, or for any other purpose, and such beneficial ownership is expressly disclaimed. Other than as provided in this statement, to the Reporting Persons' knowledge, no Shares are beneficially owned by any of the persons listed on Schedule A.

(b) Pursuant to the Voting Agreements, the Reporting Persons may be deemed to have shared power to vote or direct the voting of the Shares described in clause (a) above with the Relevant Issuer Stockholders.
