DUSA PHARMACEUTICALS, INC.

PROXY STATEMENT

The accompanying proxy is solicited on behalf of the Board of Directors of DUSA Pharmaceuticals, Inc. ("DUSA or the "Company"). If properly signed and returned, and not revoked, the proxy will be voted in accordance with the instructions it contains. The persons named in the accompanying proxy will vote the proxy for the Board of Directors' slate of directors and for the other matters listed on the proxy as recommended by the Board of Directors unless contrary instructions are given.

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

The Company, a New Jersey corporation, maintains principal executive offices at 25 Upton Drive, Wilmington, Massachusetts. This proxy statement and the accompanying form of proxy are being mailed to shareholders on or about April 26, 2001. DUSA's Annual Report for 2000, including financial statements for the year ended December 31, 2000, is being mailed to shareholders at the same time.

SHAREHOLDERS ENTITLED TO VOTE.

Holders of record of shares of DUSA common stock at the close of business on April 19, 2001 are entitled to notice of, and to vote at, the annual meeting and at any and all adjournments or postponements of the meeting. On the record date there were 13,766,640 shares of common stock without par value ("Common Stock") outstanding and entitled to vote. These shares were the only shares outstanding of the Company. Each share entitles its owner to one vote. The holders of one-third of the shares that are outstanding and entitled to vote at the annual meeting must be present, in person or represented by proxy, in order to constitute a quorum for all matters to come before the meeting.

Other than the vote for the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the shareholders requires the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, only those cast "For" or "Against" are included. Abstentions and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. The nominees may vote the shares only on matters deemed routine, such as the election of directors and ratification of the selection of the auditors. They cannot vote on a ratification of amendments to the Omnibus Plan if they do not receive instructions from the beneficial owner and there would be a broker non-vote on this matter. The Company's management currently owns less than one percent of the Company's outstanding Common Stock.

HOW TO VOTE.

If you are a shareholder of record (that is a shareholder who holds shares in his/her own name), you can vote by signing, dating and returning your proxy card in the enclosed postage-paid envelope. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted "FOR" Proposals 1, 2 and 3 and will be voted in the proxy holder's discretion as to other matters that may come before the annual meeting.

If your shares are held in the name of a bank, broker or other holder of record (that is, "street name"), you will receive instructions from the holder of record that you must follow in order for your shares to be voted.

CHANGING YOUR VOTE.

You may change your vote at any time before the proxy is exercised, by executing and delivering a timely and valid later-dated proxy, by voting by ballot at the annual meeting or by giving written notice to the Secretary of the Company. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the annual meeting.

REDUCE DUPLICATE MAILINGS.

The Company is required to provide an Annual Report and proxy statement to

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

all shareholders. If you are a shareholder of record and have more than one account in your name or at the same address as other shareholders of record, you may authorize the Company to discontinue mailings of multiple proxy statements, Annual Reports and other information statements. To do so, please mark the designated box on each proxy card for which you wish to discontinue to receive duplicate documents. Your consent to cease delivery of the Annual Report, proxy statements and other information statements shall be effective for five (5) years or until you revoke your consent. You may revoke your consent at any time by contacting Ms. Shari Lovell, in writing, at the Company's offices located at 181 University Avenue, Suite 1208, Toronto, Ontario M5H 3M7 Canada, or by calling 1-800-607-2530. Delivery of individual copies of the documents shall resume within thirty (30) days of our receipt of your request.

DIRECTOR COMPENSATION

Directors who are employees of the Company receive no cash compensation for their services as directors or as members of committees. Outside directors receive \$25,000 per year, as annual compensation, regardless of the number of meetings they attend. Directors serving on the Audit Committee receive an additional \$5,000 per year. Also, directors are paid out-of-pocket expenses related to their attendance. Directors are awarded options to purchase 15,000 shares of common stock upon their initial election to the Board of Directors, and options for 10,000 shares of common stock for each year of reelection. During 2000, each outside director received a special award of options for 10,000 shares of common stock in recognition of their efforts on behalf of the Company.

MEETINGS AND COMMITTEES OF THE BOARD

During the year ended December 31, 2000, there were eight meetings of the Board of Directors. Each incumbent director attended at least 75% of the meetings of the Board and its committees. The Board has established an Audit Committee, a Nominating Committee, and a Compensation Committee.

The Audit Committee currently consists of all of the outside directors: Mr. Doherty, Mr. Haft, Mr. Lufkin and Dr. Abeles. The Audit Committee provides oversight of the Company's accounting functions and acts as liaison between the Board of Directors and the outside independent auditors. The Committee reviews with the independent auditors the unaudited quarterly financial statements, the planning and scope of the audits of the financial statements, the results of those audits and the adequacy of internal accounting controls, and monitors other corporate and financial policies. The Audit Committee met four times during 2000.

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

The Nominating Committee consists of the entire Board acting as a Committee of the Whole. The Nominating Committee reviews all matters concerning the selection of candidates as nominees for election as directors. The Nominating Committee did not meet during 2000. Shareholders who wish to suggest qualified candidates should write to: Administrator, Nominating Committee, DUSA Pharmaceuticals, Inc., 25 Upton Drive, Wilmington, Massachusetts 01887 stating, in detail, the qualifications of such persons for consideration by the Nominating Committee.

The Compensation Committee currently consists of Mr. Doherty and Mr. Haft. The Compensation Committee considers executive compensation of the Company's key officers and compensation of directors. The Committee also considers employee benefits which may be appropriate as the Company grows, and develops policies and procedures. The Compensation Committee normally meets annually. It met in February 2001 to establish compensation for the year and to award bonuses for 2000.

PROPOSAL NO. 2 - RATIFICATION OF SELECTION OF AUDITORS

The Board of Directors has appointed Deloitte & Touche LLP as the independent auditors for the Company for the fiscal year 2001. Shareholder ratification of the appointment is not required under the laws of the State of New Jersey, but the Board has decided to ascertain the position of the shareholders on the appointment. The Board of Directors will reconsider the appointment if it is not ratified. A majority of the votes cast, in person or by proxy, at the annual meeting is required for ratification. A representative of Deloitte & Touche LLP will be present at the meeting to answer questions from shareholders and will have the opportunity to make a statement on behalf of the firm, if he or she so desires.

AUDIT FEES

The aggregate fees billed by Deloitte & Touche LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2000, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q during the fiscal year were \$123,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

There were no fees billed by Deloitte & Touche LLP for professional services rendered for information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2000.

ALL OTHER FEES

The aggregate fees billed by Deloitte & Touche LLP for services rendered to the Company, other than for the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees" for the fiscal year ended December 31, 2000, were \$37,000.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

PROPOSAL NO. 3 - RATIFICATION OF AMENDMENTS TO THE COMPANY'S 1996 OMNIBUS PLAN, AS AMENDED.

The Company's 1996 Omnibus Plan, as amended (the "Plan"), was ratified by

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

the Company's shareholders at the 1996 Annual Meeting of Shareholders. In June 1997, and again in June 1998, the Company's shareholders approved several amendments to the 1996 Omnibus Plan.

The Plan currently provides for the granting of awards to purchase up to a maximum of 15% of the number of shares of the Company's Common Stock outstanding. The Plan authorizes the granting of nonqualified stock options ("NQSOs"), incentive stock options ("ISOs"), stock appreciation rights (the right to receive, upon surrender of the right, but without payment, an amount payable in cash) ("SARs"), and restricted stock or other securities to directors, officers, employees and consultants of the Company. The Plan provides that NQSOs, ISOs and SARs shall vest over four (4) years at a rate of twenty-five percent (25%) per year subject to certain conditions involving continuous periods of service or engagement. The exercise price of options shall be not less than the fair market value of the Company's Common Stock on the date of the grant. Grantees may pay the exercise price by surrender of the Company's Common Stock or cash or a combination of stock and cash. The options expire ten (10) years from the date of the grant. The Plan may be administered by a Committee or the Board of Directors.

Grants may be made to key employees and consultants of the Company solely at the discretion of the Board of Directors or the Committee. Directors of the Company are eligible to receive grants of NQSOs, as determined by the members of the Board, subject to the terms and conditions of the Plan. In addition, each individual who agrees to become a director receives a grant of 15,000 options to purchase shares of Common Stock of the Company. Each individual who is a continuing director on June 30th of each year automatically receives 10,000 options to purchase shares of Common Stock of the Company. The options granted pursuant to these automatic grants vest immediately.

As of April 1, 2001, there were 1,023,750 NQSOs and 807,250 ISOs and 2,500 shares in other awards outstanding pursuant to the Plan, totaling approximately thirteen percent (13%) of shares outstanding, leaving a total of only 231,496 awards available for grant under the Plan as of that date. On June 30, 2001, following the 2001 Annual Meeting of Shareholders, an additional 25,000 NQSOs will automatically be granted to the members of the Board of Directors according to the Plan.

The Board of Directors has approved two additional amendments to the Plan. The first amendment would increase the number of shares available for issuance upon exercise of options or other awards granted under the Plan from fifteen percent (15%) of the number of shares of Common Stock outstanding to twenty percent (20%) of the number of shares of Common Stock outstanding, or a maximum of 2,753,328 shares. Under the present cap of fifteen percent (15%) of shares outstanding, only a limited number of options remain available for grants. The Board of Directors recognized that DUSA has hired and expects to continue to hire a significant number of employees in the next year or so. The Board of Directors believes that the proposed increase in the number of shares available for issuance under the Plan is necessary to continue the effectiveness of the Plan in attracting, motivating and retaining employees, consultants, and directors with appropriate experience and ability; and to increase grantees' alignment of interest with the Company's shareholders.

The second amendment approved by the Board of Directors provides that, for 2001 only, the automatic grant of options to continuing directors be reduced from 10,000, to 5,000 options to purchase shares of the Company's Common Stock. The Board of Directors has determined that this amendment was necessary in order to ensure that sufficient options were available for year-end grants to employees and consultants for 2000, and for grants to new hires prior to the ratification of the amendment to increase the shares eligible for issuance under the Plan.

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

A majority of the votes cast by shareholders entitled to vote, whether in person or by proxy, is required in order to ratify the amendments to the Plan.

The full text of the proposed amended 1996 Omnibus Plan is attached to this Proxy Statement as Appendix A and reference is made to such attachment for a complete statement of the amendments to the Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE AMENDMENTS TO THE 1996 OMNIBUS PLAN.

BOARD AUDIT COMMITTEE REPORT(1)

The Audit Committee assists the Board of Directors by providing oversight of the Company's financial reporting process and the independent auditors. Management is responsible for preparing the Company's financial statements and the Company's independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors. A brief description of the responsibilities of the Committee is set forth above under the caption "Meetings and Committees of the Board".

During 2000, the Audit Committee was composed of three non-employee directors: Mr. Lufkin, Mr. Abeles and Mr. Doherty. The Committee operates under a written charter adopted and approved by the Board of Directors. Each Committee member is independent as defined by NASD listing standards. A copy of the Audit Committee Charter is attached to this proxy statement as Appendix B.

The Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2000 with management. The Committee also discussed with Deloitte & Touche LLP, the independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees." In addition, the Committee received from Deloitte & Touche the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Committee discussed with the independent auditors their independence from the Company and its management. Additionally, the Committee considered whether their provision of services to the Company beyond those rendered in connection with their audit and review of the Company's consolidated financial statements was compatible with maintaining their independence and the fees and costs billed and to be billed for those services as shown on page 3 of this proxy statement.

Based on its review, and the discussions with the Company's management and its independent auditors, the Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2000 be included in the Company's Annual Report on Form 10-K. The Committee has also recommended the selection of the Company's independent auditors, and, the Board has selected, Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ended December 31, 2001.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION(1)

The Compensation Committee of the Board of Directors (the "Committee") is composed of two (2) non-employee directors. The Committee is responsible for setting and administering the policies which govern annual executive salaries and cash bonus awards, and recommends participants and amounts of stock option awards to the Company's Board of Directors. The Committee evaluates, on a yearly basis, the performance, and determines the compensation of, the executive officers of DUSA. The Committee evaluates compensation based upon the achievement by the individual of corporate goals, and the performance of individual responsibilities. DUSA's President and Chief Executive Officer, Dr. D. Geoffrey Shulman, is not a member of the Committee, however, the Committee sought input from Dr. Shulman regarding the performance of DUSA's Vice Presidents, as well as his recommendations for their compensation. Dr. Shulman was present, at the invitation of the Committee, at its meeting.

DUSA's executive compensation programs consist of base salary, cash bonus incentives, and stock option awards. The goals of the Company's executive officer compensation policies are to attract, retain, and reward executive officers who contribute to DUSA's success, to align executive officer compensation with DUSA's performance and to motivate executive officers to achieve the Company's business objectives. The executive officers were evaluated by the Committee against established goals for 2000 within each executive officer's area of responsibility, including the receipt of marketing approval of the commercial version of the BLU-U(TM) brand light device, coordinating marketing, manufacturing and technology development operations for the anticipated launch of products, and securing additional financial resources for DUSA through completion of a private placement of shares of DUSA's common stock in March 2000.

With regard to base salary, the Committee believes that DUSA's officers should be compensated at levels comparable to the base salary of executive officers at similar small public biotechnology or pharmaceutical companies. During 2000, the Committee considered survey data of companies in these groups in setting the salaries for the Company's top executive officers which was prepared by independent consultants.

In determining appropriate levels of cash bonus awards for 2000, the Committee considered the specific corporate goals of DUSA and personal goals set for each of the executive officers. Generally, DUSA's Vice Presidents are eligible to receive up to 30% of their base salary as a cash bonus award. The Committee concluded that DUSA's operational performance, particularly coordinating the scale-up of production and the launch of DUSA's first new drug application in September, 2000, justified favorable consideration of performance with regard to bonus awards. However, in establishing the bonus award amounts, the Committee recognized that certain Company goals for 2000 were not achieved. Accordingly, DUSA's Vice Presidents received cash bonus awards ranging from approximately 23% to 27% of their base salaries. These cash awards were paid in 2001.

The Committee also is using the survey data from independent consultants to monitor and evaluate the long-term incentive compensation levels of its officers and directors. The Committee believes that a strong stock ownership program is essential to the long-term growth of the Company. In 2000, DUSA's key executive

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

officers received awards of stock options to emphasize the long-term focus required for success in the pharmaceutical industry.

COMPENSATION OF THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

Dr. Shulman's base salary and cash bonus award for 2000 were determined with reference to the same measures used for all DUSA's executive officers, but with particular emphasis on the maintenance of our financial strength and the successful transition from a development-stage company to an operating company. Dr. Shulman's base salary for 2000 was \$340,000. With regard to a cash bonus award, Dr. Shulman is eligible to receive up to 50% of base salary plus additional amounts for outstanding performance. For 2000, Dr. Shulman's bonus award was approximately 43% of his base salary. Dr. Shulman's cash bonus award was paid to him in 2001. The Committee has determined that for 2001, Dr. Shulman's base salary shall remain the same. The Compensation Committee exercised its subjective judgment and discretion in determining the amounts of Dr. Shulman's base salary, bonus award, and stock option awards for 2000.

Subject to the provisions of the Plan, the Committee shall have full discretion and the exclusive power (i) to select the Employees, Consultants and Directors who will participate in the Plan and to make Awards to such Employees, Consultants, and Directors, (ii) to determine the time at which such Awards shall be granted and any terms and conditions with respect to such Awards as shall not be inconsistent with the provisions of the Plan, and (iii) to resolve all questions relating to the administration of the Plan. The interpretation of and application by the Committee of any provision of the Plan shall be final and conclusive. The Committee may in its discretion establish such rules and guidelines relating to the Plan as it may deem desirable. No member of the Board of Directors or the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Awards granted hereunder. The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. The Committee shall keep minutes of its actions under the Plan.

ARTICLE IV - SHARES OF COMMON STOCK SUBJECT TO THE PLAN

Subject to the provisions of Article XV, the maximum number of shares with respect to which the Awards may be granted under the Plan shall not exceed twenty percent (20%) of the number of shares of Common Stock outstanding or a maximum of 2,753,328 shares. Any shares subject to an Award under the Plan, which Award for any reason expires or is terminated unexercised as to such shares, shall again be available for the grant of other Awards under the Plan provided, however, that forfeited Common Stock or other securities shall not be available for further Awards if the participant has realized any benefits of ownership from such Common Stock. Shares delivered upon exercise of the Awards, at the election of the Board of Directors of the Company, may be stock that is authorized but previously unissued or stock reacquired by the Company or both.

ARTICLE V - ELIGIBILITY

The individuals who shall be eligible to participate in the Plan shall be Employees, Consultants and Directors of the Company. An Employee, Consultant or Director who has been granted an Award in one year shall not necessarily be entitled to be granted Awards in subsequent years.

ARTICLE VI - GRANTS OF STOCK OPTIONS TO EMPLOYEES AND CONSULTANTS

The Committee may grant Options, as follows, which may be designated as (i) NQSOs or (ii) ISOs intended to qualify under Code Section 422:

(a) Nonqualified Stock Options. A NQSO is a right to purchase a specified number of shares of Common Stock during such specified time as the Committee may determine, not to exceed ten (10) years, at a price determined by the Committee that, unless deemed otherwise by the Committee, is not less than the Fair Market Value of the Common Stock on the date the option is granted. NQSOs granted to Employees and Consultants shall vest at the rate of one quarter of the total granted on each of the first, second, third and fourth anniversaries of the day of the grant, subject to satisfaction of certain conditions involving continuous periods of service or engagement.

(i) The purchase price of the Common Stock subject to the NQSO may be

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

paid in cash. At the discretion of the Committee, the purchase price may also be paid by the tender of Common Stock or through a combination of Common Stock and cash or through such other means as the Committee determines are consistent with the Plan's purpose and applicable law. No fractional shares of Common Stock will be issued or accepted.

(ii) Without limiting the foregoing, to the extent permitted by law (including relevant state law), (A) the Committee may agree to accept, as full or partial payment of the purchase price of Common Stock issued upon the exercise of the NQSO, a promissory note of the person exercising the NQSO evidencing the person's obligation to make future cash payments to the Company, which promissory note shall be payable as determined by the Company (but in no event later than five (5) years after the date thereof), shall be secured by a pledge of the shares of Common Stock purchased and shall bear interest at a rate established by the Committee and (B) the Committee may also permit the person exercising the NQSO, either on a selective or aggregate basis, to simultaneously exercise the NQSO and sell the shares of Common Stock acquired, pursuant to a brokerage or similar arrangement approved in advance by the Committee, and use the proceeds from sale as payment of the purchase price of such Common Stock.

(b) Incentive Stock Options. An ISO is an Award in the form of an Option to purchase Common Stock that complies with the requirements of Code Section 422 or any successor section.

(i) The aggregate Fair Market Value (determined at the time of the grant of the Award) of the shares of Common Stock subject to ISOs which are exercisable by one person for the first time during a particular calendar year shall not exceed \$100,000. To the extent that ISOs granted to an employee exceed the limitation set forth in the preceding sentence, ISOs granted last shall be treated as NQSOs.

(ii) No ISO may be granted under this Plan on or after the tenth anniversary of the date this Plan is adopted or the date this Plan is approved by shareholders, whichever is earlier.

(iii) No ISO may be exercisable more than:

(A) in the case of an Employee who is not a Ten Percent Shareholder, within the meaning of Code Section 422, on the date the ISO is granted; ten (10) years after the date the ISO is granted; and

(B) in the case of an Employee who is a Ten Percent Shareholder, within the meaning of Code Section 422, on the date the ISO is granted, five (5) years after the date the ISO is granted.

(iv) The exercise price of any ISO shall be determined by the Committee and shall be no less than:

(A) in the case of an Employee who is not a Ten Percent Shareholder, on the date the ISO is granted, the Fair Market Value of the Common Stock subject to the ISO on such date; and

(B) in the case of an Employee who is a Ten Percent Shareholder, on the date the ISO is granted, not less than 110 percent of the Fair Market Value of the Common Stock subject to the ISO on such date.

(v) The Committee may provide that the option price under an ISO may be paid by one or more of the methods available for paying the option price of an NQSO.

(vi) ISOs shall vest at the rate of one quarter of the total granted

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

on each of the first, second, third and fourth anniversaries of the day of the grant, subject to satisfaction of certain conditions involving continuous periods of service or engagement.

ARTICLE VII - GRANTS OF STOCK APPRECIATION RIGHTS TO EMPLOYEES AND CONSULTANTS

An SAR is a right to receive, upon surrender of the right, but without payment, an amount payable in cash.

(i) The amount payable with respect to each SAR shall be equal in value to the applicable percentage of the excess, if any, of the Fair Market Value of a share of Common Stock on the exercise date over the exercise price of the SAR. The exercise price of the SAR shall be determined by the Committee and shall not be less than the Fair Market Value of a share of Common Stock on the date the SAR is granted.

(ii) In the case of an SAR granted in tandem with an ISO to an Employee or Consultant who is a Ten Percent Shareholder on the date of such grant, the amount payable with respect to each SAR shall be equal in value to the applicable percentage of the excess, if any, of the Fair Market Value of a share of Common Stock on the exercise date over the exercise price of the SAR, which exercise price shall not be less than 110% of the Fair Market Value of a share of Common Stock on the date the SAR is granted.

(iii) The applicable percentage and exercise price shall be established by the Committee at the time the SAR is granted.

(iv) SARs shall vest at the rate of one quarter of the total granted on each of the first, second, third and fourth anniversaries of the day of the grant, subject to satisfaction of certain conditions involving continuous periods of service or engagement.

ARTICLE VIII - GRANTS OF RESTRICTED STOCK TO EMPLOYEES AND CONSULTANTS

Restricted Stock is Common Stock of the Company that is issued to a participant at a price determined by the Committee, which price may be zero, and is subject to restrictions on transfer and/or such other restrictions on incidents of ownership as the Committee may determine.

ARTICLE IX - GRANTS OF PERFORMANCE AWARDS TO EMPLOYEES AND CONSULTANTS

A Performance Award granted under the Plan (i) may be denominated or payable in cash, Common Stock (including without limitation, Restricted Stock), other securities or other Awards and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan and any applicable Award agreement, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee.

ARTICLE X - GRANTS OF OTHER STOCK-BASED INCENTIVE AWARDS TO EMPLOYEES AND CONSULTANTS

The Committee may from time to time grant Awards under this Plan that provide the participant with the right to purchase Common Stock or that are valued by reference to the Fair Market Value of the Common Stock (including, but

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

not limited to, phantom securities or dividend equivalents). Such Awards shall be in a form determined by the Committee (and may include terms contingent upon a change of control of the Company), provided that such Awards shall not be inconsistent with the terms and purposes of the Plan. The Committee will determine the price of any Award and may accept any lawful consideration.

ARTICLE XI - GRANTS OF STOCK OPTIONS TO DIRECTORS

(a) Directors of the Company shall be eligible to receive NQSOs under the Plan. Each individual who agrees to become a Director shall receive, on June 30th of the first year of such service and without the exercise of the discretion of any person, a NQSO under the Plan relating to the purchase of 15,000 shares of Common Stock at an exercise price equal to the Fair Market Value. Thereafter, on June 30th of each year, each individual who is a continuing Director shall receive, without the exercise of the discretion of any person, a NQSO under the Plan relating to the purchase of 10,000 shares of Common Stock.

(i) Notwithstanding the preceding, all continuing directors on June 30, 2001, shall receive, for that year only, a NQSO under the Plan relating to the purchase of 5,000 shares of Common Stock.

(b) The exercise price of each share of Common Stock subject to a NQSO granted to a Director shall equal the Fair Market Value of a share of Common Stock on the date such NQSO is granted. The

4

21

option price of a NQSO granted to a Director may be paid in accordance with Article VI (a) (i) and (ii) of the Plan.

(c) Each automatic NQSO granted to a Director shall vest in full on the date of the grant. The NQSOs to directors shall have a term not to exceed ten (10) years from the date of grant, or, if later, the date the Grantee becomes a Director. Notwithstanding the exercise period of any NQSO granted to a Director, all such NQSOs shall immediately become exercisable upon (i) the death of a Director while serving as such, or (ii) a Change of Control.

ARTICLE XII - EXERCISE OF OPTIONS

Options granted under the Plan may be exercised by a Grantee only while the Employee, Consultant or Director is and, continuously since the date the Option was granted, has been an Employee, Consultant or Director of the Company or one of its subsidiaries, except that:

(i) if the Grantee's termination of employment is other than for Cause, any Options held by the Grantee may be exercised, to the extent then exercisable, for a period of three months after the date of such termination of employment;

(ii) if such termination of employment is by reason of retirement or disability, any Options held by the Grantee at the time of death or disability will be exercisable for a period of 12 months after the date of such termination of employment;

(iii) in the event of death after termination of employment pursuant to (i) or (ii) above, the person or persons to whom the Grantee's rights are transferred by will or the laws of descent and distribution shall have a period of three years from the date of termination of the Grantee's employment to exercise any Options which the Grantee could have exercised during such period; and

(iv) in the event of the death of an Grantee while employed, any Options

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

then held by the Grantee shall become fully and immediately exercisable and may be exercised by the person or persons to whom the Grantee's rights are transferred by will or the laws of descent and distribution for a period of three years after the Grantee's death. In no event, however, shall any Option be exercisable after the date specified in Article VI, as applicable.

An Option granted hereunder shall be exercisable, in whole or in part, only by written notice delivered in person or by mail to the Secretary of the Company at its principal office, specifying the number of shares of Common Stock to be purchased and accompanied by payment thereof and otherwise in accordance with the option agreement pursuant to which the Option was granted.

In the event of a Change of Control affecting the Company, then, notwithstanding any provision of the Plan or of any provisions of any Award agreements entered into between the Company and any participant to the contrary, all Awards that have not expired and which are then held by any participant (or the person or persons to whom any deceased participant's rights have been transferred) shall, as of such Change of Control, become fully and immediately vested and exercisable and may be exercised for the remaining term of such Awards.

ARTICLE XIII - AWARD AGREEMENTS

Each Award granted under the Plan shall be evidenced by an Award agreement between the Grantee and the Company, setting forth the number of shares of Common Stock, SARs, or units subject to the Award and such other terms and conditions applicable to the Award not inconsistent with the Plan as the Committee may deem appropriate.

ARTICLE XIV - TAX WITHHOLDING

The Committee may establish such rules and procedures as it considers desirable in order to satisfy any obligation of the Company or any subsidiary to withhold federal income taxes or other taxes with respect to any Award made under the Plan. Such rules and procedures may provide (i) in the case of Awards paid in shares of Common Stock, that the person receiving the Award may satisfy the withholding obligation by instructing the Company to withhold shares of Common Stock otherwise issuable upon exercise of such Award in order to satisfy such withholding obligation and (ii) in the case of an Award paid in cash, that the withholding obligation shall be satisfied by withholding the applicable amount and paying the net amount in cash to the participant.

5

22

ARTICLE XV - DILUTION OR OTHER ADJUSTMENT

If the Company is a party to any merger or consolidation, or undergoes any separation, reorganization or liquidation, the Board of Directors of the Company shall have the power to make arrangements, which shall be binding upon the holders of unexpired Awards, for the substitution of new Awards for, or the assumption by another corporation of, any unexpired Awards then outstanding hereunder. In the case of any ISO, such action shall be taken only in the manner and to the extent permitted by Sections 422 and 424 of the Code. In addition, in the event of a reclassification, stock split, combination of shares, separation (including a spin-off), dividend on shares of the Common Stock payable in stock, or other similar change in capitalization or in the corporate structure of shares of the Common Stock of the Company, the Committee shall conclusively determine the appropriate adjustment in the option prices of outstanding Options, in the number and kind of shares or other securities as to which outstanding Awards shall be exercisable, and in the aggregate number of shares with respect to which Awards may be granted. In the case of any ISO, any such

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

adjustment in the shares or other securities subject to the ISO (including any adjustment in the Option price) shall be made in such manner as not to constitute a modification as defined by Section 424(h)(3) of the Code and only to the extent permitted by Sections 422 and 424 of the Code.

ARTICLE XVI - ASSIGNABILITY

No Award granted under this Plan shall be sold, pledged, assigned or transferred other than by will or the laws of descent and distribution, and Awards shall be exercisable during the Grantee's lifetime only by the Grantee.

ARTICLE XVII - AMENDMENT OR TERMINATION

The Board of Directors of the Company may at any time amend, suspend or terminate the Plan subject to the regulatory requirements of the United States Securities and Exchange Commission and the National Association of Securities Dealers or other applicable federal or state regulatory authority, provided, however, that no change in any Awards previously granted may be made without the consent of the holder thereof.

ARTICLE XVIII - GENERAL PROVISIONS

(a) Common Stock acquired pursuant to the exercise of an Option under the Plan shall be subject to applicable transfer restrictions under applicable Canadian or United States federal securities laws, under the requirements of any national securities exchange or market upon which such Common Stock are then listed and/or traded, and under any blue sky or state securities laws applicable to such Common Stock. If the instrument evidencing the Option so provides, Common Stock issued on exercise of an Option granted under the Plan may upon issuance be subject to additional restrictions.

(b) At the discretion of the Board of Directors, the Options and the shares of Common Stock received upon exercise of an Option shall be registered with the United States Securities and Exchange Commission and any applicable state securities law commission. In the absence of such registration, both the Options and the shares of Common Stock underlying the Options: 1) will be issued only pursuant to an exemption from registration; 2) cannot be sold, pledged, traded or otherwise disposed of in the absence of an effective registration statement or an opinion of counsel satisfactory to the Company that such registration is not required; 3) will bear an appropriate restrictive legend to that effect. Individuals receiving Options may be required to sign an investment letter satisfactory to the Board of Directors at the time the Options are exercised, and may be required to comply with any other requirements for an exemption under the Securities Act of 1933 and any applicable state securities law exemption.

(c) The proceeds received by the Company from the sale of Common Stock, pursuant to the exercise of Options granted under the Plan, shall be added to the Company's general funds and used for general corporate purposes.

(d) No Awards may be exercised by the holder thereof if such exercise, and the receipt of cash or stock thereunder, would be, in the opinion of counsel selected by the Company, contrary to law or the regulations of any duly constituted authority having jurisdiction over the Plan.

(e) No Award recipient shall have any rights as a shareholder with respect to any shares subject to Awards granted to him or her under the Plan prior to the date as of which he or she is actually recorded as the holder of such shares upon the stock records of the Company.

(f) Nothing contained in the Plan or in Awards granted thereunder shall confer upon any Employee, Consultant or Director any right to continue in the employ of the Company or any of its

subsidiaries or interfere in any way with the right of the Company or any of its subsidiaries to terminate his or her employment at any time.

ARTICLE XIX - EFFECTIVE DATE

The Plan shall become effective on the date of its adoption by the Board of Directors of the Company subject to approval of the Plan by the holders of a majority of the outstanding voting shares of the Company within 12 months after the date of the Plan's adoption by said Board of Directors. In the event of the failure to obtain such shareholder approval, the Plan shall be null and void and the Company shall have no liability thereunder. No Award granted under the Plan shall be exercisable until such shareholder approval has been obtained.

ARTICLE XX - TERMINATION

No Award may be granted under the Plan on or after the date which is ten years following the effective date specified in Article XIX, but Awards previously granted may be exercised in accordance with their terms.

As amended June 5, 1997, June 11, 1998
and February 28, 2001
