CVRD: information about shareholders debentures negotiation

Rio de Janeiro, May 30, 2005 Companhia Vale do Rio Doce (CVRD) issued and distributed to its shareholders 388,559,056 non-convertible shareholders debentures (debentures) in April 1997. Each debenture corresponds to each CVRD share, common or preferred, outstanding at the time of the Company's privatization.

Since October 28, 2002, the debentures have been traded in the secondary market at the SND - Sistema Nacional de Debêntures (the National Debenture System), under the supervision of ANDIMA - Associação Nacional das Instituições do Mercado Aberto (the National Association of Open Market Institutions), operated by CETIP - Central de Custódia e de Liquidação Financeira de Títulos (the Clearing House for the Custody and Financial Settlement of Securities).

The debentures are registered at CETIP under four series, with the codes CVRDA6, CVRDB6, CVRDC6 and CVRDD6. CVRD encourages the investors interested in any information about the debentures daily transactions at SND to visit the SND's website, www.debentures.com.br.

Any additional information about the debentures trading, as well as copies of the Prospectus of Public Trading of Participating Debentures, are available for interested investors, and may be obtained by contacting either the Company, www.cvr.com.br, investor relations section, SLW - Corretora de Valores e Câmbio Ltda. (the debentures Fiduciary Agent), www.slw.com.br, or CVM - Comissão de Valores Mobiliários (the Brazilian Securities and Exchange Commission).

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
