This Amendment No. 3 (Amendment No. 3) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the U.S. Securities and Exchange Commission on July 23, 2009, as amended by Amendment No. 1 filed on July 28, 2009 and by Amendment No. 2 filed on July 30, 2009 (as amended, the Schedule TO), by (i) Northstar Merger Sub, Inc., a Delaware corporation (the Purchaser) and wholly-owned subsidiary of Hisamitsu U.S., Inc., a Delaware corporation (Holdings) and wholly-owned subsidiary of Hisamitsu Pharmaceutical Co., Inc., a corporation organized under the laws of Japan (Parent), (ii) Holdings and (iii) Parent, relating to the offer by the Purchaser to purchase all of the outstanding shares of common stock, par value \$0.0001 per share, together with the associated Series A junior participating preferred stock purchase rights issued pursuant to the Rights Agreement, dated as of November 6, 2001, between the Company and American Stock Transfer & Trust, as amended (the Shares), of Noven Pharmaceuticals, Inc., a Delaware corporation (the Company), at a purchase price of \$16.50 per Share, net to the seller in cash, without interest and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated July 23, 2009 (together with any amendments and supplements thereto, the Offer to Purchase) and in the related Letter of Transmittal.

Capitalized terms used in this Amendment No. 3 and not defined herein shall have the meanings assigned to such terms in the Offer to Purchase.

The information in the Offer to Purchase and the related Letter of Transmittal is incorporated in this Amendment No. 3 by reference to all of the applicable items in the Schedule TO, except that such information is amended and supplemented to the extent specifically provided in this Amendment No. 3.

Item 11. *Additional Information.*

Item 11(a)(3) of the Schedule TO is hereby amended and supplemented by adding the following text thereto:

As previously indicated, Parent filed a Notification and Report Form for Certain Mergers and Acquisitions under the HSR Act with the DOJ and FTC in connection with the purchase of Shares in the Offer and the Merger on July 28, 2009. The required waiting period with respect to the Offer and the Merger expired at 11:59 p.m., New York City time, on August 12, 2009. On August 13, Parent issued a press release announcing that the required waiting period with respect to the Offer and the Merger had expired. A copy of the press release is attached as Exhibit (a)(5)(J) and is incorporated into this document by reference.

Item 11(a)(5) of the Schedule TO is hereby amended and supplemented by adding the following text thereto:

While Parent believes that each of the aforementioned purported class action complaints (the Complaints) is entirely without merit and that the defendants named therein (the Defendants) have valid defenses to all claims, in an effort to minimize the expense and disruption that would result from litigation of the claims in the Complaints, on August 13, 2009, the Defendants entered into a memorandum of understanding (the MOU) with the plaintiffs who filed the Complaints (collectively, the Plaintiffs), pursuant to which the Defendants and the Plaintiffs agreed to settle all claims asserted, or that could have been asserted, in the Complaints. Subject to final court approval and further definitive documentation, the MOU fully and finally resolves the lawsuits by the Plaintiffs against the Defendants in connection with the Offer and the Merger and the other transactions contemplated by the Merger Agreement, and provides a release and settlement by the purported class of the Company's stockholders of all claims against the Defendants in connection with the Offer and the Merger and the other transactions contemplated by the Merger Agreement. In exchange for such release and settlement, pursuant to the terms of the MOU, the parties agreed, after arm's length discussions between and among the Defendants and the Plaintiffs, that the Company would provide additional supplemental disclosures to the Schedule 14D-9. The Plaintiffs intend to petition the court for an award of attorneys' fees and reimbursement of expenses to Plaintiffs' counsel. Any award to Plaintiffs' counsel for fees and expenses shall be determined by the court, or by agreement among Defendants and Plaintiffs (subject to approval of the court). Defendants have reserved the right to oppose the amount of any such petition, unless an agreement is subsequently reached on the amount that Plaintiffs' counsel may seek in a fee petition. In the event that the court does not provide final approval of the settlement contemplated by the MOU and such other contingencies are not satisfied, the Defendants will continue to defend these actions vigorously. This summary of the MOU does not purport to be complete and is qualified in its entirety by reference to the MOU which is filed as Exhibit (a)(5)(K) and is incorporated into this document by reference.
