PROXY STATEMENT

2010 ANNUAL MEETING OF SHAREHOLDERS
May 17, 2010

GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Cardiogenesis Corporation in connection with our 2010 Annual Meeting of Shareholders, or the Annual Meeting, and adjournments or postponements thereof to be held on Monday, May 17, 2010 at our corporate headquarters located at 11 Musick, Irvine, California, 92618, at 10:00 a.m., Pacific Time, for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished by us to each shareholder and, in each case, is being solicited on behalf of our Board of Directors for use at the Annual Meeting. These proxy solicitation materials and our Annual Report for the year ended December 31, 2009, including financial statements, were first mailed on or about April 14, 2010 to all shareholders of record on April 9, 2010. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. We may reimburse persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. Our directors, officers and regular administrative employees may solicit proxies personally, by telephone or electronic communication, but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to us. Internet and telephonic voting is available through 1:00 a.m. (Central Time) on May 17, 2010. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with our Secretary a notice in writing revoking it, or by submitting a proxy bearing a later date via the Internet, by telephone or by mail. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote such shares in person. Subject to such revocation, all proxies duly executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all five of the nominee-directors specified herein, and FOR the ratification of KMJ Corbin & Company LLP as our independent registered public accounting firm for the year ending December 31, 2010, unless a contrary choice is specified in the proxy. Where a specification is indicated as provided in the proxy, the shares represented by the proxy will be voted and cast in accordance with the specification made therein. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by our Board of Directors and each of them is an executive officer.

Your execution of the enclosed proxy or submitting your vote by telephone or on the Internet will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

RECORD DATE AND SHARES OUTSTANDING AS OF THE RECORD DATE

Only holders of record of our common stock, no par value, at the close of business on April 9, 2010, which we refer to as the Record Date, will be entitled to notice of, and to vote at, the Annual Meeting. On such date, there were 46,678,866 shares of common stock outstanding, held by approximately 241 shareholders of record. The shares of our common stock are our only class of voting securities.

QUORUM, ABSTENTIONS, AND BROKER NON-VOTES

Quorum

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of our common stock issued and outstanding on the Record Date. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. If the persons present or represented by proxy at the Annual Meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the Record Date, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Abstentions

When an eligible voter attends the meeting but decides not to vote, his or her decision not to vote is called an abstention. Properly executed proxy cards that are marked abstain or withhold authority on any proposal will be treated as abstentions for that proposal. We will treat abstentions as follows:

abstention shares will be treated as not voting for purposes of determining the outcome on any proposal for which the minimum vote required for approval of the proposal is a plurality (or a majority or some other percentage) of the votes actually cast, and thus will have no effect on the outcome; and

abstention shares will have the same effect as votes against a proposal if the minimum vote required for approval of the proposal is a majority (or some other percentage) of (i) the shares present and entitled to vote, or (ii) all shares outstanding and entitled to vote.

Broker Non-Votes

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker does not receive voting instructions from the beneficial owner, and (ii) the broker lacks discretionary authority to vote the shares. We will treat broker non-votes as follows:

broker non-votes will not be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote (even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters). Thus, a broker non-vote will not affect the outcome of the voting on a proposal the passage of which requires the affirmative vote of a plurality (or a majority or some other percentage) of (i) the votes cast or (ii) the voting power present and entitled to vote on that proposal; and

broker non-votes will have the same effect as a vote against a proposal the passage of which requires an affirmative vote of the holders of a majority (or some other percentage) of the outstanding shares entitled to vote on such proposal.

The inspector of elections appointed for the Annual Meeting will determine whether a quorum is present, and will tabulate affirmative and negative votes, abstentions and broker non-votes.

SHAREHOLDERS VOTING RIGHTS AND VOTE REQUIRED

Each shareholder is entitled to one vote for each share held as of the Record Date. Subject to certain exceptions, shareholders will be entitled to cumulate their votes in the election of directors.

Directors are elected by a plurality of votes cast, so assuming a quorum is present, the five nominees who receive the most votes will be elected. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes.

To ratify the appointment of KMJ Corbin & Company LLP, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the Annual Meeting is required. Abstentions will have the same effect as votes against this proposal. Because the ratification of the appointment of KMJ Corbin & Company LLP is a discretionary matter, broker non-votes will not result for this item.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers, and other nominee record holders may participate in the practice of householding proxy statements and annual reports. This means that only one copy of this Notice of Annual Meeting and Proxy Statement and the 2009 Annual Report may have been sent to multiple shareholders in your household. If you would like to obtain another copy of either document, please address a written communication to: Cardiogenesis Corporation, 11 Musick, Irvine, California, 92618, Attention: Secretary. If you would like to receive separate copies of the proxy statement and annual report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder.

NOMINATION AND ELECTION OF DIRECTORS

(PROPOSAL NO. 1)

Board of Directors

Our board currently consists of five members. All of our directors will serve until the next annual meeting of shareholders and until their successors are elected and qualified, or until their earlier death, retirement, resignation or removal. There are no family relationships among directors or executive officers. Nominees for election as a director are recommended by the Nominating and Corporate Governance Committee of our Board of Directors. The final determination of the persons to be nominated as directors is made by our entire Board of Directors.

The five candidates receiving the highest number of votes cast at the Annual Meeting will be elected as directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of directors (in other words, they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. In that event, the Board of Directors will instruct the proxy holders to vote all shares represented by proxies in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board of Directors that may be elected with the votes held by the proxy holders.

Upon the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated each of the following five persons to be elected to serve as a director for a one-year term expiring at the annual meeting of shareholders in 2011. Each of the nominees for election currently serves as a director and has consented to serve for a new term.

Recommendation of the Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL OF THE NOMINEES SET FORTH ABOVE.

INFORMATION CONCERNING THE BOARD OF DIRECTORS, ITS COMMITTEES AND CERTAIN CORPORATE GOVERNANCE MATTERS

Determination of Director Independence

Although we are not currently subject to the NASDAQ listing standards, we apply such standards with respect to the structure of the Board of Directors and its committees. We have determined that all of our directors who are nominated for election at the Annual Meeting satisfy the current independent director standards established under Rule 5605(a)(2) of the NASDAQ Listing Rules, except for Mr. McCormick, who is our Executive Chairman and principal executive officer. In making this determination, we considered Dr. Slepian's consulting arrangement with us, pursuant to which he received \$50,000 in fees for consulting services performed during the year ended December 31, 2009.

Board of Directors Meetings

The Board of Directors met five times during the year ended December 31, 2009. Each of our incumbent directors attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held during the period in which he or she was a director, and the total number of meetings held by all committees of the Board of Directors on which he or she served during the period in which he or she served. Although we have no formal policy requiring director attendance at annual meetings of shareholders, directors are encouraged to attend the annual meetings of shareholders. All of the incumbent members of our Board of Directors attended last year's annual meeting. Each director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his duties, including by attending meetings of our shareholders, the Board of Directors and committees of which he or she is a member.

Committees

The business of our Board of Directors is conducted through full meetings of the Board of Directors, as well as through meetings of its committees. Our Board of Directors has established three standing committees: the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. Each of those committees has the composition and responsibilities set forth below.

Audit Committee

The members of the Audit Committee are Mr. Waller (Chairman), Mr. Cohen, and Ms. Sabahat, all of whom are independent as such term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules, as well as Section 10A(m) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, and Rule 10A-3 promulgated thereunder. The Board of Directors has determined that each member of the Audit Committee is an audit committee financial expert as defined in SEC regulations. The Audit Committee had four separate meetings during the year ended

December 31, 2009. Our Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on our website (www.cardiogenesis.com).

Among other things, the Audit Committee:

- oversees our financial reporting and internal control processes, as well as the independent audit of our consolidated financial statements by our independent registered public accounting firm;
- appoints, determines compensation for and oversees the work of the independent auditors;
- approves the services performed by the independent auditors;
- assists our Board of Directors in its oversight of our compliance with legal and regulatory requirements;
- approves related party transactions; and
- prepares the report that SEC rules require be included in our annual proxy statement.

Compensation Committee

The members of the Compensation Committee are Mr. Cohen (Chairman), Mr. Waller and Mr. McCormick. Messrs. Cohen and Waller are independent under Rule 5605(a)(2) of the NASDAQ Listing Rules. Mr. McCormick is not independent as a result of his position as our Executive Chairman. The Compensation Committee had three separate meetings during the year ended December 31, 2009. The charter for the Compensation Committee is available on our website (www.cardiogenesis.com).

Among other things, the Compensation Committee:

- reviews and recommends the compensation of the executive officers, evaluates the performance of the executive officers in light of our goals and objectives, and sets compensation level based on this evaluation;
- reviews and makes periodic recommendations to the Board with respect to the general compensation, benefits and perquisites policies and practices of the Company; and
- administers compensation and stock option plans.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Mr. McCormick (Chairman), Dr. Slepian and Ms. Sabahat. Dr. Slepian and Ms. Sabahat are independent under Rule 5605(a)(2) of the NASDAQ Listing Rules. The Nominating and Corporate Governance Committee had one separate meeting during the year ended December 31, 2009. The charter for the Nominating and Corporate Governance Committee is available on our website (www.cardiogenesis.com).

Among other things, the Nominating and Corporate Governance Committee:

- develops, implements and monitors policies and practices relating to our corporate governance;
- evaluates and proposes nominees for election or reelection to the Board of Directors and its committees; and

evaluates the performance of the Board of Directors and management.

Should a vacancy in the Board of Directors occur, the Nominating and Corporate Governance Committee will seek and nominate qualified individuals. The Nominating and Corporate Governance Committee will consider nominees for director whose names are timely submitted by our shareholders by addressing a written communication to: Cardiogenesis Corporation, 11 Musick, Irvine, California, 92618, Attention: Secretary, accompanied by such information regarding the nominee as would be required under the rules of the SEC were the shareholder soliciting proxies with regard to the election of such nominee, and our bylaws.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Nominating and Corporate Governance Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the

Nominating and Corporate Governance Committee with the recommendation of the prospective candidate, as well as the Nominating and Corporate Governance Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional members to fill vacancies on the Board of Directors or expand the size of the Board of Directors and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Nominating and Corporate Governance Committee determines that additional consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee then evaluates the prospective nominee based on a number of standards, including:

the ability of the prospective nominee to represent the interests of our shareholders;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board of Directors; and

the extent to which the prospective nominee helps the Board of Directors reflect the diversity of our shareholders, employees, customers and communities.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board of Directors, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Nominating and Corporate Governance Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nominating and Corporate Governance Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board of Directors determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

We do not have a written policy with respect to diversity of the members of the Board of Directors. However, in considering nominees for service on the Board of Directors, the Nominating and Governance Committee takes into consideration the diversity of professional experience, viewpoints and skills of the members of the Board of Directors. Examples of this include experience in the medical device industry, management experience, financial expertise and medical expertise. The Nominating and Corporate Governance Committee and the Board of Directors believe that a diverse board leads to improved performance by encouraging new ideas, expanding the knowledge base available to management and other directors and fostering a culture that promotes innovation and vigorous deliberation.

Board Leadership Structure

Our Board of Directors has carefully considered the benefits and risks in combining the role of Executive Chairman of the Board and principal executive officer and has determined that Mr. McCormick is the most qualified and appropriate individual to lead the Board of Directors as its chairman.

In determining whether to combine the roles of Executive Chairman and principal executive officer, the Board of Directors closely considered our current system for ensuring significant independent oversight of management, including the following: (1) only one member of our board, Mr. McCormick, also serves as an employee; (2) each director serving on the Audit Committee is independent; and (3) the Board of Director s ongoing practice of

regularly holding executive sessions without management, typically as part of the regularly scheduled board meetings.

In determining that we are best served by having Mr. McCormick serve as Executive Chairman and principal executive officer, the Board of Directors considered the benefits of having principal executive officer serve as a bridge between management and the Board of Directors, ensuring that both groups act with a common purpose. Our Board of Directors also considered Mr. McCormick's knowledge regarding our operations and the industries and markets in which we compete and his ability to promote communication, to synchronize activities between our Board of Directors and our senior management and to provide consistent leadership to both our Board of Directors and our company in coordinating the strategic objectives of both groups.

Board of Directors Involvement in Risk Oversight

Our Board of Directors oversees our risk management practices and strategies, which are designed to support the achievement of strategic objectives and enhance shareholder value. A fundamental part of risk management is understanding what level of risk is appropriate for us. Our Board of Directors assesses the various risks inherent in our operating plan and determines what constitutes an appropriate level of risk for us.

While our Board of Directors ultimately has the responsibility for the risk management process, various committees of our Board of Directors also have responsibility for certain areas of risk management. For example, the Audit Committee focuses on financial and regulatory compliance risk. The Compensation Committee assesses risks related to our compensation programs. The Audit Committee meets on at least a quarterly basis and updates the Board of Directors on areas of risk that it believes should be considered by the Board of Directors.

Shareholder Communications

Shareholders may submit communications to our Board of Directors, its Committees or the Chairman of the Board of Directors or any of its Committees or any individual members of the Board of Directors by addressing a written communication to: Board of Directors, c/o Cardiogenesis Corporation, 11 Musick, Irvine, California, 92618. Shareholders should identify in their communication the addressee, whether it is our Board of Directors, its Committees or the Chairman of the Board of Directors or any of its Committees or any individual member of the Board of Directors. Shareholder communications will be forwarded to our Secretary. Our Secretary will forward a copy of the communication to the addressee on our Board of Directors or, if the communication is addressed generally to our Board of Directors, to our Chairman of the Board of Directors.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

(PROPOSAL NO. 2)

The Audit Committee has appointed KMJ Corbin & Company LLP, or KMJ, as our independent registered public accounting firm for the fiscal year ending December 31, 2010, and the Board of Directors is recommending that shareholders ratify that appointment at the Annual Meeting. KMJ does not have, and has not had at any time, any direct or indirect financial interest in us or any of our subsidiaries and does not have, and has not had at any time, any relationship with us or any of our subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee. Neither we nor any of our officers or directors has or has had any interest in KMJ.

As a matter of good corporate governance, the Board of Directors has determined to submit the appointment of KMJ to the shareholders for ratification. In the event that this appointment of KMJ is not ratified by a majority of the shares of common stock present or represented at the Annual Meeting and entitled to vote on the matter, the Board of Directors will reconsider its appointment of an independent registered public accounting firm for future periods.

Representatives of KMJ will be present at the Annual Meeting, will have an opportunity to make statements if they so desire, and will be available to respond to appropriate questions.

Notwithstanding the ratification by shareholders of the appointment of KMJ, the Audit Committee may, if the circumstances dictate, appoint another independent registered public accounting firm.

On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested, if any. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of the independent registered public accounting firm.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent registered public accounting firm, subject to the exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee has considered whether the services provided by its independent registered public accounting firm are compatible with maintaining the independence of the independent registered public accounting firm and has concluded that the independence of both our independent public accounting firm is maintained and is not compromised by the services provided.

REPORT OF THE AUDIT COMMITTEE

Management has the primary responsibility for our consolidated financial statements and the financial reporting process, including our system of internal controls. KMJ, as our independent registered public accounting firm, is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States. The Audit Committee, in fulfilling its oversight responsibilities, has reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2009 with management and KMJ. Management and KMJ have represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

In addition, during year ended December 31, 2009, the Audit Committee:

reviewed and discussed the audited financial statements with management;

discussed with KMJ the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

received written disclosures and the letter from KMJ required by applicable requirements of the Public Company Accounting Oversight Board regarding KMJ's communications concerning independence, and has discussed with KMJ its independence.

The Audit Committee also meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the SEC. The Audit Committee has also appointed KMJ as our independent registered public accounting firm for our fiscal year 2010.

Summary of Employment Agreements with Named Executive Officers

Employment Agreement with Mr. McCormick

On June 24, 2009, our Board of Directors appointed Paul McCormick, a member of our Board, to serve as the Executive Chairman of the Board of Directors and principal executive officer of the Company effective July 1, 2009. Mr. Lanigan ceased being our President as of such date. In connection with his appointment, we entered into

an employment agreement with Mr. McCormick. Under the terms of the employment agreement, Mr. McCormick is entitled to an annual base salary of \$250,000, provided that he devotes at least 75% of his time to his duties and responsibilities as Executive Chairman under the employment agreement. Mr. McCormick is entitled to receive certain benefits which will include, at a minimum, medical insurance for Mr. McCormick and his spouse, as well as no less than three weeks paid vacation per year. In addition, Mr. McCormick will also be reimbursed for all reasonable expenses incurred by him in respect of his services to us. The employment agreement has an initial term of one year, which term will be automatically renewed for successive additional one year periods, unless terminated upon 30 days written notice by either Mr. McCormick or us.

In the event of a termination for cause, as defined below, or in the event of a resignation without good reason, as defined below (other than in connection with a change of control or corporate transaction, as such terms are defined below), Mr. McCormick is only entitled to receive any accrued but unpaid base salary and benefits through the date of termination. In the event of a termination by us without cause or by Mr. McCormick with good reason, or in the event of a termination by us in connection with a change of control or a corporate transaction, Mr. McCormick is entitled to receive (i) the remainder of his then current base salary for the remainder of the then current term and (ii) any payments for unused vacation and reimbursement expenses, which are due, accrued or payable at the date of Mr. McCormick's termination.

Under Mr. McCormick's employment agreement, the following terms have the following meanings:

Cause means:

willful misconduct by Mr. McCormick causing material harm to us or repeated failure by him to follow the reasonable directives of the Board of Directors (or a designated committee thereof), but only if, in either case, Mr. McCormick shall not have discontinued such misconduct or failure within thirty (30) days after receiving written notice from us describing the misconduct or failure and stating that we will consider the continuation of such misconduct or failure as cause for termination of the agreement;

any material act or omission by Mr. McCormick involving gross negligence in the performance of his duties to, or material deviation from any of the policies or directives of, the Company, other than a deviation taken in good faith by Mr. McCormick for our benefit;

any illegal act by Mr. McCormick which materially and adversely affects the business of the Company, provided that we may suspend Mr. McCormick with pay while any allegation of such illegal act is investigated; or

any felony committed by Mr. McCormick, as evidenced by conviction thereof, provided that we may suspend Mr. McCormick with pay while any allegation of such felonious act is investigated.

Good Reason means:

without Mr. McCormick's prior written consent, a reduction in his then current base salary; or

without Mr. McCormick's prior written consent, the assignment to him of duties substantially and materially inconsistent with the position and nature of his employment as set forth in the employment agreement; or

without Mr. McCormick's prior written consent, a relocation of his place of employment outside of Orange County, California.

Change of Control means a change in ownership or control of the Company effected through the acquisition, directly or indirectly, by any person or related group of persons (other than the Company or a person that directly or indirectly controls, is controlled by, or is under common control with, the Company), of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than fifty percent (50%) of the total combined voting power of our outstanding securities pursuant to a tender or exchange offer made directly to our shareholders which the Board does not recommend such shareholders to accept.

Corporate Transaction means either of the following shareholder-approved transactions to which we are a party:

merger or consolidation in which securities possessing more than fifty percent (50%) of the total combined voting power of our outstanding securities are transferred to a person or persons different from the persons holding those securities immediately prior to such transaction; or

the sale, transfer or other disposition of all or substantially all of our assets in complete liquidation or our dissolution.

The employment agreement also provides that all outstanding options will accelerate and become exercisable in full and all rights of repurchase with respect to restricted stock (if any) shall terminate in the event of a change of control or a corporate transaction. Mr. McCormick's employment agreement replaces the Consulting Agreement he previously entered into with us, which was simultaneously terminated.

Also on June 24, 2009, in connection with Mr. McCormick's appointment to Executive Chairman, the Board granted him 300,000 shares of restricted stock under our Stock Option Plan. The restrictions on Mr. McCormick's shares of restricted stock will lapse in equal installments upon the first and second anniversaries of the date of grant.

Employment Agreement with Mr. Lanigan

On July 30, 2007, we entered into a written employment agreement with Mr. Lanigan. On June 24, 2009, we entered into an amendment to that employment agreement, pursuant to which we and Mr. Lanigan agreed to: (i) change his position from President to Executive Vice President, Marketing, and (ii) change his annual base salary to \$225,000, which represented a decrease of \$22,500 per year.

Pursuant to the terms of Mr. Lanigan's employment agreement, as amended, we agreed to set his annual discretionary target bonus at 30% of his base salary (both of which reflected his base salary and target bonus then in effect). In addition, the agreement provided that Mr. Lanigan's benefits were to remain unchanged and include, at a minimum, medical insurance (including prescription drug benefits) for Mr. Lanigan and his spouse, as well as no less than three weeks of paid vacation per year. On January 9, 2009, our Board of Directors approved the payment of an incentive bonus to Mr. Lanigan for the 2008 fiscal year of \$11,138, an amount which represents approximately 4.5% of his base salary for 2008 or approximately 15% of his maximum target bonus opportunity. On the same day, the Board of Directors also set Mr. Lanigan's maximum discretionary target bonus for fiscal year 2009 to 30% of his base salary, or \$74,250. See the section entitled "Bonuses" below for more information regarding the bonus paid to Mr. Lanigan.

Our employment agreement with Mr. Lanigan also provides for certain payments following the termination of his employment with us. In the event we terminate Mr. Lanigan's employment with us for "Cause," or in the event of a resignation without "Good Reason" (other than in connection with a Change of Control or Corporate Transaction, as described above), we are obligated to pay Mr. Lanigan only his accrued but unpaid base salary and benefits through the date of termination. In the event we terminate his employment without "Cause" or Mr. Lanigan terminates his employment with us for "Good Reason," we are obligated to pay Mr. Lanigan the following:

accrued but unpaid salary and benefits through the date of termination;

a severance payment in an amount equal to six months of his then-current base salary;

a prorated payment equal to the target bonus amount for which he would be eligible for the year in which such resignation or termination occurred, and

continuation of certain insurance benefits for six months.

In addition, to the extent not already vested, all options to purchase shares of our common stock and restricted stock shall vest by six additional months.

In the event we terminate Mr. Lanigan's employment in connection with a Change of Control or a Corporate Transaction or Mr. Lanigan terminates his employment with us following a Change in Control or Corporate Transaction under certain circumstances, we are obligated to pay Mr. Lanigan the following:

accrued but unpaid salary and benefits through the date of termination;

a severance payment in an amount equal to 12 months of his then-current base salary;

payment equal to the target bonus amount for which he would be eligible for the year in which such resignation or termination occurred; and

continuation of certain insurance benefits for 12 months.

In addition, to the extent not already vested, all options to purchase shares of our common stock and restricted stock shall vest in full.

The definitions of Cause, Good Reason, Change of Control and Corporate Transaction are substantially the same as those summarized above under the section entitled Employment Agreement with Mr. McCormick .

Employment Agreement with Mr. Abbott

On July 30, 2007, we entered into an employment agreement with Mr. Abbott. The terms of our employment agreement with Mr. Abbott are substantially the same as the terms of our agreement with Mr. Lanigan, discussed above, provided, however, that the initial base salary to be paid to Mr. Abbott upon execution of his agreement with us was \$200,000 per year. On January 9, 2009, our Board of Directors approved the payment of an incentive bonus to Mr. Abbott for the 2008 fiscal year of \$9,000, an amount which represents approximately 4.5% of his base salary for 2008 or approximately 15% of his maximum target bonus opportunity. On the same day, the Board of Directors also set Mr. Abbott's maximum discretionary target bonus for fiscal year 2009 to 30% of his base salary, or \$60,000. See section entitled Bonuses below for more information regarding the bonus paid to Mr. Abbott.

Bonus Plan

The Compensation Committee awards bonuses to our executive officers to reward superior performance. For fiscal 2009, we paid incentive bonuses to our executive officers based on annual discretionary bonus targets established by our Compensation Committee each year. These target amounts represented the maximum percentage of base salary that would be paid as incentive bonuses to each of our named executive officers and, following the completion of our fiscal year, the Compensation Committee was authorized to award incentive bonuses to our executive officers up to the pre-established target amount. For fiscal 2009, the Compensation Committee approved the payment of incentive bonuses for Mr. Lanigan and Mr. Abbott of \$20,250 and \$39,204, respectively, representing approximately 9% and 20% of their respective base salaries, or 29% and 65% of their target bonus opportunity, respectively.

On January 22, 2010, our Compensation Committee approved the establishment of a 2010 Bonus Plan pursuant to which each of the named executive officers and certain employees of the Company will be eligible to earn bonus compensation based on 2010 company performance.

Each of Messrs. Lanigan and Abbott is entitled to receive a target bonus equal to 30% of his base salary. Upon recommendation of the Compensation Committee, the Board, at its discretion, will approve the amount of the total funding of the Bonus Plan based on the Company achieving a certain revenue target. If the target revenue is achieved, Messrs. Lanigan and Abbott will be entitled to receive their full target bonus. If less than the target revenue is

achieved, but the Company achieves a minimum revenue target, Messrs. Lanigan and Abbott will be entitled to receive a pro rata portion of their target bonus (with the minimum target revenue equaling 0% and the target revenue equaling 100%). The Bonus Plan allows for achievement in excess of 100% if the revenue target is exceeded. If the minimum revenue target is not achieved, no payments will be due under the Bonus Plan.

Within 60 days after the end of the 2010 fiscal year, the Compensation Committee will evaluate the achievement of the objective described above and determine the percentage that the Bonus Plan will be funded

based on such achievement. The Bonus Plan may be amended or modified by the Compensation Committee at any time.

Mr. McCormick is not currently entitled to receive any bonus payments under his employment agreement or the 2010 Bonus Plan, though we reserve the right to award Mr. McCormick a bonus in various circumstances in our sole discretion.

Stock Option Plan and Certain Other Compensation

The Compensation Committee believes that our Stock Option Plan is an essential tool to link the long-term interests of shareholders and employees, especially executive management, and serves to motivate executives to make decisions that will, in the long run, give the best returns to shareholders. The maximum aggregate number of shares of our common stock which may be issued and sold under our Stock Option Plan is 11,100,000 shares. Of this amount, 4,505,000 shares were available for issuance as of December 31, 2009. Stock options are generally granted when an executive joins us, with subsequent grants also taking into account the individual's performance and the vesting status of previously granted options. These options typically vest over a three year period and are granted at an exercise price equal to the fair market value of our common stock at the date of grant. The sizes of initial option grants are based upon the position, responsibilities and expected contribution of the individual. This approach is designed to maximize shareholder value over a long term, as no benefit is realized from the option grant unless the price of our common stock has increased over a number of years.

For the benefit of all of our regular, full-time employees, including our named executive officers, we also maintain life and long-term disability insurance, medical benefits and a 401(k) plan. The plan allows eligible employees to defer up to 15% of their earnings, not to exceed the statutory amount per year on a pretax basis through contributions to the plan. The plan provides for employer contributions at the discretion of the Board of Directors. For the years ended December 31, 2009 and 2008, employer contributions of approximately \$3,000 and \$114,000, respectively, were made to the plan.

In May 2009, we suspended our Employee Stock Purchase Plan and there are currently no shares available for issuance under this Plan.

Since January 1, 2009, there have been no transactions in which we were, or are, a participant in which the amount involved exceeded \$120,000 and in which any related person (as that term is defined for purposes of Section 404(a) of Regulation S-K) had or will have a direct or indirect material interest, and there are currently no such proposed transactions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us or written representations from certain reporting persons, we believe that all of our executive officers, directors and ten percent shareholders complied with all applicable filing requirements during the year ended December 31, 2009.

SHAREHOLDER PROPOSALS FOR 2011 ANNUAL MEETING

We currently intend to hold our 2011 annual meeting of shareholders in May 2011 and to mail proxy statements relating to such meeting in April 2011.

Under Rule 14a-8 promulgated under the Exchange Act, in order for business to be properly brought by a shareholder before an annual meeting, our Secretary must receive, at our corporate office, written notice of the matter not less than 120 days prior to the first anniversary of the date our proxy statement was released to shareholders in connection with the preceding year's annual meeting. Thus, proposals of shareholders intended to be presented pursuant to Rule 14a-8 under the Exchange Act must be received by our Secretary on or before December 15, 2010 in order to be considered for inclusion in our proxy statement and proxy card for the 2011 annual meeting.

Our Amended and Restated Bylaws contain additional requirements that must be satisfied for any shareholder proposal made other than under Rule 14a-8. Compliance with these requirements will entitle the proposing shareholder only to present such proposals or nominations before the meeting, but not to have the proposals or nominations included in our proxy statement or proxy card. Such proposals or nominations may not be brought before an annual meeting by a shareholder unless the shareholder has given timely written notice in proper form of such proposal or nomination to our Secretary. Such proposals or nominations may be made only by persons who are shareholders of record on the date on which such notice is given and on the record date for determination of shareholders entitled to vote at that meeting. Shareholder notices of any proposals or nominations intended to be considered at the 2011 annual meeting will be timely under our Amended and Restated Bylaws only if received at our executive offices no later than February 15, 2011 (based on a tentative 2011 annual meeting date of May 16, 2011). However, if less than 100 days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received by our Secretary not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made.

To be in proper form, a shareholder's notice to our Secretary shall include:

the name and address of the shareholder who intends to make the nominations or propose the business, and, as the case may be, the name and address of the person or persons to be nominated or the nature of the business to

be proposed;

a representation that the shareholder is a holder of record of stock of the corporation entitled to vote at such meeting and, if applicable, intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice or introduce the business specified in the notice;

if applicable, a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder;

such other information regarding each nominee or each matter of business to be proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, or the matter been proposed, or intended to be proposed by the Board of Directors; and

if applicable, the consent of each nominee to serve as director of the corporation if so elected.

We did not receive any notices from our shareholders for matters to be considered at the Annual Meeting. Any notice concerning proposals or nominations sought to be considered at the 2011 annual meeting should be addressed to Cardiogenesis Corporation at 11 Musick, Irvine, California, 92618, Attention: Secretary. The full text of the bylaw provisions referred to above may be obtained by contacting our Secretary at the foregoing address or on the SEC's web site at www.sec.gov.

Under Rule 14a-4 promulgated under the Exchange Act, if a proponent of a proposal that is not intended to be included in the proxy statement fails to notify us of such proposal at least 45 days prior to the anniversary of the mailing date of the preceding year's proxy statement, then we will be allowed to use our discretionary voting authority under proxies solicited by us when the proposal is raised at the Annual Meeting, without any discussion of the matter in the proxy statement. We were not notified of any shareholder proposals to be addressed at our Annual Meeting, and will therefore be allowed to use our discretionary voting authority if any shareholder proposals are raised at the Annual Meeting.

OTHER MATTERS

As of the date of this proxy statement, the Board of Directors does not know of any other matter which will be brought before the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, or any adjournment thereof, the person or persons voting the proxies will vote on such matters in accordance with their best judgment and discretion.

A copy of our Annual Report on Form 10-K as filed with the SEC (exclusive of exhibits), will be furnished by first class mail without charge to any person from whom the accompanying proxy is solicited upon written request to: Cardiogenesis Corporation, 11 Musick, Irvine, California, 92618, Attention: Secretary.
