Item 1.01. Entry into a Material Definitive Agreement.

The Company negotiated a new term loan agreement to be used in the refinancing of the \$1.0 billion bridge loan scheduled to mature on August 19, 2009 and has entered into modifications of existing loan agreements to provide increased financial flexibility.

On March 9, 2009, Smith International, Inc., a Delaware corporation (the Company), entered into a \$525.0 million term loan with a group of financial institutions (2009 Facility). The funding of the 2009 Facility is contingent upon securing additional cash proceeds of \$375.0 million through either a public or private financing transaction prior to June 5, 2009. The proceeds obtained under the 2009 Facility will be used to repay a portion of the borrowings outstanding under the August 20, 2008 Bridge Loan Facility, which is part of the 2008 Credit Agreement referenced below. The Bridge Loan Facility was utilized to fund the cash consideration related to the acquisition of W-H Energy Services, Inc. Borrowings under the 2009 Facility are unsecured and bear interest at the rates specified in the agreement, which contains customary covenants, including leverage ratio covenants.

On March 3, 2009, the Company entered into a First Amendment to the Credit Agreement with Fortis Bank SA/NV, New York Branch, as administrative agent, the other agents named therein and the lender parties thereto (the Amendment). The Amendment modifies the Credit Agreement dated August 20, 2008 (the 2008 Credit Agreement) to increase the debt to capitalization financial covenant ratio (as defined in the 2008 Credit Agreement) to a maximum of 45 percent.

In addition, on March 3, 2009, the Company and M-I L.L.C., a Delaware limited liability company, entered into a Third Amendment to the Revolving Credit Facilities with Comerica Bank, acting as administrative agent, the other agents named therein and the lender parties thereto (the Third Amendment). The Third Amendment further modifies the Credit Agreement dated as of May 5, 2005, as amended by instruments dated as of August 22, 2006 and August 15, 2008 (the 2005 Credit Agreement). The Third Amendment modifies the 2005 Credit Agreement to increase the debt to capitalization financial covenant ratio (as defined in the 2005 Credit Agreement) to a maximum of 45 percent.

The foregoing descriptions do not purport to be complete and are qualified in their entirety by reference to the full text of the Amendment, the Third Amendment and the 2009 Facility, which are filed as Exhibits 10.1, 10.2 and 10.3, respectively, to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Reference is made to the disclosure set forth under Item 1.01 of this report, which disclosure is incorporated into this Item 2.03 by reference.
