PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for our 2004 Annual Meeting of Stockholders (the Annual Meeting). This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

This Proxy Statement, a Proxy Card and the 2004 Annual Report to Stockholders will be mailed to stockholders on or about May 28, 2004.

QUESTIONS AND ANSWERS

Q: What is the record date for the Annual Meeting and how many shares of our common stock were outstanding on the record date?

A: Our Board of Directors has set April 26, 2004 as the record date for the Annual Meeting. On April 26, 2004 approximately 26,588,779 shares of our common stock were outstanding.

Q: Who is entitled to vote and how many votes do I have?

A: All stockholders who owned shares of our common stock on April 26, 2004 are entitled to vote at the Annual Meeting. Every stockholder is entitled to one (1) vote for each share of common stock held.

Q: How do I vote?

A: You may vote in person by attending the Annual Meeting or by completing and returning your proxy by mail or electronically using the Internet. To vote your proxy by mail, mark your vote on the enclosed Proxy Card, then follow the directions on the Proxy Card. To vote your proxy using the Internet, see the instructions on the Proxy Card, and have the Proxy Card available when you access the Internet website. The home page will prompt you to enter your control number, then follow the instructions to record your vote. If you send in your card but do not mark any selections, your shares will be voted as recommended by our Board of Directors. Whether you plan to attend the Annual Meeting or not, we encourage you to vote by proxy as soon as possible.

Q: Can I change my vote?

A: You can revoke your proxy before the time of voting at the Annual Meeting in several ways:

by mailing a revised proxy dated later than the prior proxy;

by voting again at the Internet website;

by voting in person at the Annual Meeting; or

by notifying our corporate secretary in writing that you are revoking your proxy. Your revocation must be received before the Annual Meeting to be counted.

Q: What constitutes a quorum for the Annual Meeting?

A:

Edgar Filing: INTROGEN THERAPEUTICS INC - Form PRE 14A

At least a majority of the shares of our common stock outstanding as of the record date must be present at the Annual Meeting in person or by proxy in order to hold the Annual Meeting and conduct business. This is called a quorum. Your shares are counted as present at the Annual Meeting if you are either (i) present and vote in person at the Annual Meeting or (ii) have properly submitted a proxy via mail or Internet. Abstentions, broker non-votes and votes withheld from director nominees are considered as shares present at the Annual Meeting for the purposes of determining a quorum. A broker non-vote occurs when a broker or other nominee who holds shares for the owner of the shares does not vote on a particular proposal because the nominee does not have discretionary voting authority for that proposal and has not received voting instructions from the owner of the shares.

Table of Contents

Q: What is the voting requirement to approve each of the proposals?

A: To pass, Proposal I, the amendment of our Certificate of Incorporation to increase the number of shares of authorized common stock, requires the affirmative FOR vote of at least a majority of the shares of our common stock outstanding and entitled to vote on the record date for the Annual Meeting. For Proposal II, the election of directors, the two (2) individuals receiving the highest number of FOR votes will be elected. To pass, Proposal III, the ratification of the appointment of the independent auditors, requires the affirmative FOR vote of at least a majority of the shares of our common stock present or represented by proxy at the Annual Meeting and entitled to vote.

Q: How are votes counted?

A: For Proposal I and for Proposal III you may vote FOR, AGAINST or ABSTAIN. If you abstain from voting on Proposals I or III, it has the same effect as a vote against the proposal. If you hold your shares in a brokerage account in your broker's name (this is called street name) and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote, your shares will not be counted in the tally of the number of shares cast on Proposals I and III and therefore may have the effect of reducing the number of shares needed to approve the proposal.

For Proposal II, you may vote FOR all of the nominees or you may elect to have your vote WITHHELD with respect to one or more of the nominees. Votes that are withheld will be excluded entirely and will have no effect in the election of directors. Similarly, if you hold your shares in street name and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote in the election of directors, your shares will have no effect in the election of directors.

Finally, if you just sign and return your Proxy Card with no further instructions, your shares will be counted as a vote FOR the amendment of our Certificate of Incorporation to increase the number of shares of authorized common stock, FOR each director nominee and FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2004.

Q: Who is soliciting my vote and who pays for the solicitation of proxies?

A: This Proxy Statement is furnished in connection with the solicitation of your vote by our Board of Directors. We pay the costs of soliciting proxies from stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding the voting materials to the beneficial owners. Directors, officers and regular employees may solicit proxies on our behalf personally, by telephone or by facsimile, without additional compensation.

Q: How does the Board of Directors recommend voting on the proposals?

A: Our Board of Directors recommends that you vote your shares FOR the amendment of our Certificate of Incorporation to increase the number of shares of authorized common stock, FOR each of the nominees to the Board of Directors and FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the current fiscal year ending December 31, 2004.

Q: When are the stockholder proposals for the 2005 Annual Meeting of Stockholders due?

A: We anticipate holding our 2005 Annual Meeting of Stockholders on or about June 15, 2005. Stockholder proposals for our 2005 Annual Meeting of Stockholders, whether intended for inclusion in the Proxy Statement for such meeting or for presentation directly at such meeting, must be received at our principal executive offices by the close of business on January 28, 2005. In addition, notice of any stockholder proposals must be given in accordance with our Bylaws and all other applicable requirements including the rules and regulations of the United States Securities and Exchange Commission. If a stockholder fails to give notice of a stockholder proposal as required by our Bylaws or other applicable requirements, then the proposal will not be included in the Proxy Statement for the 2005 Annual Meeting and the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2005 Annual Meeting.

Q: Where are Introgen's principal executive offices?

A: Our principal executive offices are located at 301 Congress Avenue, Suite 1850, Austin, Texas 78701. Our telephone number is (512) 708-9310.

PROPOSAL ONE

AMENDMENT OF CERTIFICATE OF INCORPORATION

Our Restated Certificate of Incorporation, as amended (the Certificate of Incorporation), currently authorizes us to issue two classes of stock:

50,000,000 shares of common stock, \$0.001 par value per share; and

5,000,000 shares of preferred stock, \$0.001 par value per share.

The Board of Directors has unanimously approved an amendment to our Certificate of Incorporation to increase the number of authorized shares of common stock to 100,000,000 shares. The Board of Directors believes that the current capital structure does not provide sufficient flexibility to allow for our future growth. We are asking stockholders to approve the proposed increase to our authorized common stock.

If the stockholders approve the proposed amendment, the first paragraph of Article IV of our Certificate of Incorporation would be amended to read as follows:

The Corporation is authorized to issue two classes of shares of stock to be designated, respectively, Common Stock, \$0.001 par value, and Preferred Stock, \$0.001 par value. The total number of shares that the Corporation is authorized to issue is 105,000,000 shares. The number of shares of Common Stock authorized is 100,000,000. The number of shares of Preferred Stock authorized is 5,000,000.

As of the record date of April 26, 2004, 26,588,779 shares of our common stock were issued and outstanding. Also as of the record date, 4,921,950 shares of our common stock are reserved for future issuance upon the exercise of outstanding options under our 2000 Stock Option Plan.

The principal purpose of the proposed amendment is to help ensure that we will have sufficient shares of common stock to, among other things:

Effect future stock splits or stock dividends;

Raise additional capital through the issuance and sale of our securities; or

Acquire other companies or their businesses or assets through the issuance of our securities.

Except as set forth below, we have no arrangements, agreements or understandings at the present time for the issuance or use of the additional shares of common stock proposed to be authorized. We are in negotiations with Dr. Robert Sobol, our Senior Vice President, Medical and Scientific Affairs, to acquire a company of which he is the sole shareholder. The terms of the proposed transaction have not been determined, but the purchase price is likely to be between \$1 million and \$2 million and to be paid in shares of our common stock.

Table of Contents

The Board of Directors does not intend to issue any common stock except on terms that the Board of Directors deems to be in the best interests of Introgen and our stockholders.

The authorized shares of common stock in excess of those issued will be available for issuance at such times and for such corporate purposes as the Board of Directors may consider advisable, without further action by the stockholders, except as may be required by applicable law or by the rules of any stock exchange or national securities association trading system on which the common stock may be listed or traded. Upon issuance, such shares will have the same rights as the outstanding shares of common stock. Holders of common stock have no preemptive rights.

Depending on the price, the issuance of additional shares of common stock may have a dilutive effect on earnings per share and, for stockholders who do not purchase additional shares to maintain their pro rata interest in Introgen, on such stockholders' percentage voting power.

If approved by the stockholders, the proposed amendment will become effective upon the filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware, which will occur as soon as reasonably practicable following the approval. If the stockholders do not approve the proposed amendment, the authorized number of shares of common stock will not change.

The Board of Directors recommends that the stockholders vote FOR Proposal One. Proxies solicited by the Board of Directors will be so voted unless stockholders specify otherwise in their proxies.

PROPOSAL TWO**ELECTION OF DIRECTORS****General**

Our Board of Directors is divided into three classes, with the term of office of one class expiring each year. We currently have six directors with two directors in each class. The terms of office of our Class I directors, William H. Cunningham, Ph.D. and S. Malcolm Gillis, Ph.D., will expire at the 2004 Annual Meeting. The terms of office of our Class II directors, Mahendra G. Shah, Ph.D. and Charles E. Long, will expire at the 2005 Annual Meeting. Finally, the terms of office of our Class III directors, John N. Kapoor, Ph.D. and David G. Nance, will expire at the 2006 Annual Meeting. At the 2004 Annual Meeting, stockholders will elect two Class I directors, each for a term of three years.

Board Meetings and Committees

Our Board of Directors held a total of eight meetings and acted by written consent one time during the calendar year ended December 31, 2003. During such period, the Board of Directors had a standing Audit Committee, Compensation Committee and Executive Committee. The Board of Directors did not have a standing Nominating Committee during the calendar year ended December 31, 2003, but has recently formed a Nominating and Corporate Governance Committee, as set forth in further detail below.

Audit Committee

The Audit Committee, which, during the calendar year ended December 31, 2003, consisted of directors William H. Cunningham, Ph.D. (Chairman), Charles E. Long and Robert L. Moore, met four times. In February 2004, S. Malcolm Gillis, Ph.D. filled the vacancy on the Audit Committee left by Mr. Moore when he resigned as a member of the Board of Directors. The Audit Committee monitors our system of internal controls, provides our Board of Directors with the results of its examinations and recommendations derived therefrom, outlines to the Board of Directors improvements made, or to be made, in internal accounting controls, monitors the qualifications and independence of the independent auditors, pre-approves non-audit services of our independent auditors, oversees our compliance with legal and regulatory requirements and provides to our Board of Directors such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require their attention. In discharging its duties, the Audit Committee is expected to:

have the sole authority to appoint, retain, compensate, oversee, evaluate and replace the independent auditors;

review and approve the scope of the annual internal and external audit;

review and pre-approve the engagement of our independent auditors to perform audit and non-audit services and the related fees;

meet independently with our internal auditing staff, independent auditors and senior management;

review the integrity of our financial reporting process;

review our financial statements and disclosures in Securities and Exchange Commission filings;

monitor compliance with our corporate codes of ethics; and

review disclosures from our independent auditors regarding Independence Standards Board Standard No. 1.

Table of Contents

The Board of Directors believes that each member of the Audit Committee is an independent director as that term is defined by the Nasdaq listing standards and Rule 10A-3 of the Securities Exchange Act of 1934. The Board of Directors has determined that S. Malcolm Gillis, Ph.D. is an audit committee financial expert, as defined by the Securities and Exchange Commission guidelines. The Audit Committee Charter is attached hereto as Exhibit A and can be accessed free of charge electronically on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations.

Compensation Committee

The Compensation Committee, which currently consists of directors William H. Cunningham, Ph.D. and Charles E. Long (Chairman), met four times during the calendar year ended December 31, 2003. The Compensation Committee administers our 1995 Stock Plan and 2000 Stock Option Plan, reviews compensation to be provided to our officers, employees and consultants, including stock compensation, grants options to purchase our common stock to our employees, executive officers, directors and consultants, and reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of directors William H. Cunningham, Ph.D. and Charles E. Long. The Nominating and Corporate Governance Committee was not in existence during the calendar year ended December 31, 2003, and therefore did not hold any meetings. The Nominating and Corporate Governance Committee proposes a slate of directors for election by our stockholders at each annual meeting and appoints candidates to fill any vacancies on the Board of Directors. It is also responsible for determining the appropriate Board of Directors size, composition and committee structure and developing and reviewing applicable corporate governance principles. We believe that each of the members of the Nominating and Corporate Governance Committee meets the director independence requirements set forth in the Nasdaq Marketplace Rules. The Nominating and Corporate Governance Committee is governed by a charter, which can be accessed free of charge electronically on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations.

The Nominating and Corporate Governance Committee will consider nominees recommended by stockholders provided that the recommendations are made in accordance with the procedures described in Article II, Section 2.5 of our Bylaws and in this proxy statement under Information Concerning Solicitation and Voting. To be considered timely, such stockholder's recommendation must be delivered to or mailed and received at our principal executive offices as set forth below not less than one hundred twenty (120) calendar days in advance of the first anniversary date of mailing of our proxy statement released to stockholders in connection with the previous year's annual meeting of stockholders. Stockholder recommendations for candidates to the Board of Directors must be directed in writing to the Nominating and Corporate Governance Committee, c/o Corporate Secretary of Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, and must include the candidate's name, biographical data and qualifications. It is our policy that stockholder nominees nominated in compliance with these procedures will receive the same consideration that the Nominating and Corporate Governance Committee's nominees receive.

The Nominating and Corporate Governance Committee identifies director nominees through a combination of referrals, including by management, existing board members and stockholders, third party search firms and direct solicitations, where warranted. The Nominating and Corporate Governance Committee may request references and additional information from the candidate prior to reaching a conclusion. The Nominating and Corporate Governance Committee is under no obligation to formally respond to recommendations, although as a matter of practice, every effort is made to do so.

To be considered by the Nominating and Corporate Governance Committee, a director nominee must meet the following minimum criteria: (i) the highest personal and professional integrity; (ii) a record of

Table of Contents

exceptional ability and judgment; (iii) the ability and willingness to devote the required amount of time to the Company's affairs, including attendance at Board and committee meetings; (iv) the interest, capacity and willingness, in conjunction with the other members of the Board, to serve the long-term interests of our stockholders; (v) freedom from any personal or professional relationships that would adversely affect his or her ability to serve the best interests of Introgen and our stockholders.

The Nominating and Corporate Governance Committee also takes into account that the Board as a whole shall have competency in the following areas: business judgment, industry knowledge, accounting and finance, leadership, corporate governance, business strategy, management and crisis management.

Any of our stockholders who wish to communicate with the Board of Directors, a committee of the Board, the non-management directors as a group or any individual member of the Board, may send correspondence to Mr. Rodney Varner, Corporate Secretary of Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701. The Corporate Secretary will compile and submit on a periodic basis all stockholder correspondence to the entire Board of Directors, or, if and as designated in the communication, to a committee of the Board, the non-management directors as a group or an individual Board member. The independent directors of the Board review and approve the stockholders' communication process periodically to ensure effective communication with stockholders.

Statement on Corporate Governance

We have had formal corporate governance standards in place since our inception in 1993. We have reviewed internally and with the Board the provisions of the Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley Act), the rules of the SEC and the Nasdaq National Market's new corporate governance listing standards regarding corporate governance policies and processes, and we believe that we are in compliance with the rules and listing standards. We have amended the charter of our Audit Committee and created the Nominating and Corporate Governance Committee charter to comply with the new rules and standards. You can access our committee charters free of charge on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations. We encourage, but do not require, our board members to attend the annual stockholders meeting. Last year, two of our directors attended the annual stockholders meeting. We have adopted the following standards for director independence in compliance with the Nasdaq National Market corporate governance listing standards:

No director qualifies as independent if such person has a relationship, which, in the opinion of the Board, would interfere with exercise of independent judgment in carrying out the responsibilities of a director;

A director who is an officer or employee of us or our subsidiaries, or one whose immediate family member is an executive officer of us or our subsidiaries is not independent until three years after the end of such employment relationship;

A director who accepts, or whose immediate family member accepts, more than \$60,000 per year in compensation from us or any of our subsidiaries, other than certain permitted payments such as compensation for board or board committee service, payments arising solely from investments in the our securities, compensation paid to a family member who is a non-executive employee of us or a subsidiary of ours, or benefits under a tax-qualified retirement plan, is not independent until three years after he or she ceases to accept more than \$60,000 per year in such compensation;

A director who is, or who has a family member who is, a partner in, or a controlling stockholder or an executive officer of, any organization in which we made, or from which we received, payments for property or services that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, is not independent until three years after falling below such threshold;

A director who is employed, or one whose immediate family member is employed, as an executive officer of another company where any of our or any of our subsidiaries' present executives serve on that company's compensation committee is not independent until three years after the end of such service or employment relationship; and

Table of Contents

A director who is, or who has a family member who is, a current partner of our outside auditor, Ernst & Young LLP, or was a partner or employee of Ernst & Young LLP who worked on our audit is not independent until three years after the end of such affiliation or employment relationship.

The Board has determined that each member of the Board of Directors, except for David G. Nance and John N. Kapoor, Ph.D., meets the aforementioned independence standards. David G. Nance does not meet the aforementioned independence standards because he is our current President and Chief Executive Officer and is an employee of Introgen. John N. Kapoor, Ph.D. does not meet the aforementioned independence standards because of his relationship with EJ Financial Enterprises, Inc., which is detailed below in Certain Relationships and Related Transactions.

Executive Committee

The Executive Committee currently consists of directors David G. Nance and John N. Kapoor, Ph.D. The Executive Committee held one meeting during the calendar year ended December 31, 2003. The Executive Committee acts on behalf of our Board of Directors to the extent permitted under Delaware law.

Board Compensation

Each non-employee director is granted an option to purchase 33,600 shares of our common stock (exercisable at the fair market value on the date of grant) upon first becoming a director. The option vests ratably each month after the date of grant of such option, so that the entire option is fully vested three years after the date of grant. Each incumbent director is annually granted an option to purchase 20,000 shares of our common stock (exercisable at the fair market value on the date of grant) on the date of each annual meeting of stockholders. That option vests ratably each month after the date of grant of such option, so that the entire option is fully vested one year after the date of grant. In addition, the chairman of each of the Audit Committee, Compensation Committee and the designated audit committee financial expert on the Audit Committee are all granted annually a fully-vested option to purchase 5,000 shares of our common stock. Directors do not receive any cash or other additional compensation, other than reimbursement of their out-of-pocket expenses, for services provided as a director.

The Board of Directors recommends that the stockholders vote FOR the election of both nominees to the Board of Directors named above.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF THE INDEPENDENT AUDITORS

The Board of Directors has appointed, subject to ratification by our stockholders, Ernst & Young LLP, as independent auditors, to audit our books, records and accounts for the current fiscal year ending December 31, 2004. Ernst & Young has audited our financial statements beginning with the year ended December 31, 2002.

Change of Auditors

On March 6, 2002, we dismissed Arthur Andersen LLP as our independent auditors, effective upon completion of Arthur Andersen LLP's services in connection with the filing of our Annual Report on Form 10-K for the six-month transition period ended December 31, 2001.

Arthur Andersen LLP's reports on our financial statements for each of the years ended June 30, 2000 and 2001 and for the six-month transition period ended December 31, 2001 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The decision to change independent auditors was recommended by the Audit Committee of our Board of Directors and was approved by our Board of Directors.

Table of Contents

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, Arthur Andersen LLP did not advise us of any reportable events as described in Item 304(a)(1)(v) of Regulation S-K under the Securities Act of 1933, as amended.

On March 6, 2002, we engaged, subject to stockholder approval, Ernst & Young LLP as our independent auditors for the year ending December 31, 2002. We received such stockholder approval on May 1, 2002.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 6, 2002, we did not consult Ernst & Young LLP on any matters described in Items 304(a)(2)(i) or 304(a)(2)(ii) of Regulation S-K under the Securities Act of 1933 (as amended).

Fees Paid to Ernst & Young LLP

The following table sets forth the costs incurred by the Company for services provided by Ernst & Young LLP, the Company's independent auditors, for the years ended December 31, 2003 and December 31, 2002.

	2002	2003

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

Edgar Filing: INTROGEN THERAPEUTICS INC - Form PRE 14A

The Audit Committee's policy is to pre-approve all services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee may also pre-approve particular services on a case-by-case basis. The independent auditors are

Table of Contents

required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with such pre-approval. The Audit Committee may also delegate pre-approval authority to one of its members. Such members(s) must report any such pre-approval to the Audit Committee at the next scheduled meeting.

The Board of Directors recommends that the stockholders vote FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2004. In the event of a negative vote on such ratification, the Board of Directors will reconsider its appointment of Ernst & Young LLP as our independent auditors.

Employment Contracts and Change-In-Control Arrangements

We have an employment agreement with David G. Nance, entered into on August 1, 2003, under which Mr. Nance serves as our President and Chief Executive Officer. Under Mr. Nance's prior employment agreement with us, which was entered into on August 1, 1996, his base salary was \$302,500 per annum effective August 1, 2000, \$332,750 per annum effective August 1, 2001, \$366,025 per annum effective August 1, 2002. The prior employment agreement provided that Mr. Nance would receive an option to purchase 50,000 shares of our common stock on each of August 1, 2000, August 1, 2001, and August 1, 2002 (for a total of 150,000 shares through August 1, 2002). According to the foregoing terms, he was granted an option to purchase 50,000 shares of our common stock upon the completion of our initial public offering in October 2000; he was granted an option to purchase an additional 50,000 shares of our common stock on August 1, 2001 and he was granted an option to purchase an additional 60,000 shares of our common stock on August 1, 2002. The Compensation Committee granted Mr. Nance the option to purchase 60,000 shares of our common stock on August 1, 2002, rather than an option to purchase 50,000 shares of common stock as required under his employment agreement, due to its decision to discontinue option grants to directors who are also employees. Accordingly, the Compensation Committee granted the 60,000 options to Mr. Nance with the understanding that he would not receive options in his capacity as director.

The current employment agreement with Mr. Nance, which was entered into on August 1, 2003, continues through July 31, 2006, and thereafter renews automatically for one-year terms until either party gives timely written notice of non-renewal. Mr. Nance's base salary under the current employment agreement is \$476,000 per annum effective August 1, 2003. His compensation under the current employment agreement is subject to review annually. Under the terms of his prior and current employment agreements with us, Mr. Nance may receive bonuses in the form of cash, stock options, restricted stock or other consideration as determined by our Compensation Committee, which reviews his compensation annually. Mr. Nance has also received bonuses from time to time in the form of options to purchase our common stock, as contemplated in each of his prior and current employment agreements with us. Such options are exercisable at a price determined by the administrator of our 2000 Stock Option Plan and are fully vested when granted.

All of the options granted under our 1995 Stock Plan and the 2000 Stock Option Plan shall immediately vest and become exercisable upon our merger with or into another corporation, entity or person, or the sale of all or substantially all our assets to another corporation, entity or person, unless such options are assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation.

Certain Relationships and Related Transactions

Pursuant to a purchase agreement executed on June 30, 2001, we sold and issued 100,000 shares of a new class of Series A Non-Voting Convertible Preferred Stock, \$.001 par value per share, convertible into 2,343,721 shares of our common stock, to Aventis Pharmaceuticals Inc. for \$25,000,000. We received the cash payment and issued the shares on July 2, 2001. Aventis Pharmaceuticals Inc., formerly known as Aventis Pharmaceuticals Products Inc., is an affiliate of Aventis Holdings Inc., which holds greater than five percent of our outstanding common stock.

Mahendra G. Shah, Ph.D., one of our directors, was, until January 1, 2001, an employee of EJ Financial Enterprises, Inc., one of our stockholders. John N. Kapoor, Ph.D., the Chairman of our Board of Directors, is the sole stockholder of EJ Financial Enterprises. We have a consulting agreement with EJ Financial Enterprises pursuant to which EJ Financial Enterprises provides services to us for \$175,000 per year. The agreement provides for the assistance of EJ Financial Enterprises with our business development, license negotiation, market analysis and general corporate development. This agreement is automatically renewable each July 1 for one-year terms, unless either party gives 30 days advance notice of termination.

David Parker, Ph.D., J.D., our Vice President, Intellectual Property, is a partner with the law firm Fulbright & Jaworski LLP, which provides legal services to us as our primary outside counsel for intellectual property matters.

Table of Contents

We are in negotiations with Dr. Robert Sobol, our Senior Vice President, Medical and Scientific Affairs, to acquire a company of which he is the sole shareholder. The terms of the proposed transaction have not been determined, but the purchase price is likely to be between \$1 million and \$2 million and to be paid in shares of our common stock. We believe the technology which is owned by Dr. Sobol's company will be a valuable addition to our intellectual property portfolio. We have endeavored to conduct the negotiations at arms length, and any transaction would be subject to the approval of our Audit Committee.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently, or has ever been at any time since our formation, one of our officers or employees. No member of the Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more officers serving as a member of our Board of Directors or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is composed of two independent directors and operates under a written charter adopted by the Board of Directors. Introgen believes that each member of the Compensation Committee meets the independence requirements set forth in the Nasdaq Marketplace Rules. The members of the Compensation Committee are Charles E. Long (Chairman) and William H. Cunningham, Ph.D. The Compensation Committee administers our 1995 Stock Plan and 2000 Stock Option Plan, reviews forms of compensation to be provided to our officers, employees and consultants, including stock compensation, grants options to purchase our common stock to our employees, executive officers and consultants, and reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation. The Compensation Committee believes it has fulfilled its responsibilities under its charter for the fiscal year ended December 31, 2003.

Compensation Philosophy and Objectives. Our basic philosophy is to align executive compensation with increases in stockholder value through achievement of certain milestones, including milestones related to the pre-clinical and clinical development of our product candidates. This is primarily accomplished through the use of stock options, which provide compensation in direct proportion to increases in stockholder value. In addition, we believe it is important to emphasize teamwork, entrepreneurship and active participation by all employees. This is accomplished through providing options to a majority of full-time, exempt domestic employees and similarly situated international employees, and through cash incentives, through which both executives and employees may receive cash bonuses based on company-wide financial goals.

Executive Compensation Programs. Our executive compensation programs consist of three principal elements: base salary, cash bonus and stock options. We emphasize incentive compensation in the form of stock options and bonuses, rather than base salary. The Compensation Committee has adopted a guideline that executives should be paid competitive base salaries. The Board of Directors sets the initial compensation for executives after consideration of the recommendations of the Compensation Committee. The Compensation Committee annually reviews and in some cases adjusts compensation for executives. Prior to making its recommendations and determinations, the Compensation Committee reviews historical compensation levels of the executives, evaluations of past performance, assessments of expected future contributions of the executives, competitive pay levels and programs provided by other comparable companies, and general industry pay practices. In making its recommendations and determinations, the Committee does not utilize any particular indices or formulae to arrive at each executive's recommended pay level.

Total compensation for executive officers also includes long-term incentives in the form of stock options, which are generally provided through initial stock option grants at the date of hire and periodic additional stock option grants. Stock options are instrumental in promoting the alignment of long-term interests between our executive officers and stockholders due to the fact that executives realize gains only if the stock price increases over the fair market value at the date of grant and the executives exercise their options and sell the shares. In determining the amount of such grants, the Committee evaluates the job level of the executive, responsibilities of the executive, and competitive practices in the industry. Options are generally granted at

Table of Contents

100% of fair market value at the date of grant or at 110% of fair market value at the date of grant for stockholders who hold greater than 10% of Introgen's combined voting power. Options generally vest ratably over a period of four years on each anniversary of the grant date.

Chief Executive Officer Compensation. The compensation of our chief executive officer is determined using the same philosophy and policies as for all executive officers as well as by the terms of his employment agreement. The compensation includes base salary, cash bonus and stock options as compensation for his services as an officer and director. Our chief executive officer currently has an employment agreement that is described under Executive Compensation Employment Contracts and Change-In-Control Arrangements. The annual compensation for Mr. Nance for his service as our chief executive officer was based upon the written employment agreement we executed with Mr. Nance and as adopted by the Board of Directors in the year 2003. The Compensation Committee evaluates the employment agreement in relation to Introgen's performance on an annual basis and will review Mr. Nance's compensation again in July 2004.

Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive officer and the other four most highly compensated executive officers. Deductions are, however, permitted if certain conditions are met, including a requirement that the plan under which such compensation is paid be re-approved by stockholders every five years. None of the compensation paid by us in the fiscal year ended December 31, 2003 was subject to the limitation on deductibility. The Compensation Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three independent directors in compliance with the Marketplace Rules of the Nasdaq Stock Market and operates under a written charter adopted by the Board of Directors, as amended in 2004, a copy of which is attached hereto as Exhibit A. The members of the Audit Committee are William H. Cunningham, Ph.D. (Chairman), Charles E. Long and S. Malcolm Gillis, Ph.D. During the fiscal year ended December 31, 2003, in accordance with Section 407 of the Sarbanes-Oxley Act, Introgen identified Robert L. Moore as the audit committee financial expert. Following his resignation from the Board of Directors in February 2004, Mr. Moore was replaced by Dr. Gillis, who is currently designated as the audit committee financial expert. We believe that each member of the Audit Committee meets the director independence requirements set forth in the applicable SEC and Nasdaq Marketplace Rules. The Audit Committee believes it has fulfilled its responsibilities under its charter for the fiscal year ended December 31, 2003.

Our management is responsible for our internal controls and the financial reporting process. Our independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2003 with our management and our independent auditors who performed such audit, Ernst & Young LLP. The Audit Committee also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee has also received the written disclosures from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed the independence of Ernst & Young LLP with that firm.

Based upon the Audit Committee's review and discussions referred to in the immediately preceding paragraph, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, filed with the Securities and Exchange Commission on March 5, 2004. Each of the services rendered by Ernst & Young LLP was pre-approved by the Audit Committee.

INTROGEN THERAPEUTICS, INC.

CORPORATE GOVERNANCE

CORPORATE CODE OF ETHICS FOR ALL EMPLOYEES AND DIRECTORS

Introgen Therapeutics, Inc. (Introgen or the Company) believes that superior corporate governance is essential to the integrity of the Company and the interests of our shareholders. Introgen is committed to maintaining the highest standards of business conduct and ethics. Introgen will constantly strive to demonstrate its commitment to the community, not only through its research and development of pharmaceutical products for the treatment of life threatening diseases, but also through the faithful observance of its corporate values.

This Corporate Code of Ethics for All Employees and Directors (this Code) reflects the business practices and principles of behavior that support this commitment. Because the reputation of the Company depends on the honesty, fairness and integrity brought by each person associated with us, we expect every employee, officer and director (collectively, employees and directors) to read and understand this Code and apply these principles in every aspect of his or her business responsibilities. We ask that each employee and director apply his or her own highest personal ethical standards to every business decision made.

Because the principles described in this Code are general in nature, you should also review all applicable Company policies and procedures for more specific instruction, and contact your supervisor, an executive officer or a member of the Board of Directors if you have any questions.

Nothing in this Code, in any Company policies and procedures, or in other related communications (verbal or written) creates or implies an employment contract or term of employment.

We are committed to continuously reviewing and updating our policies and procedures. Therefore, this Code is subject to modification.

Compliance with Laws

All employees must comply with all applicable laws, rules and regulations of each country within which we are operating. Violation of domestic or foreign laws, rules and regulations may subject an individual, as well as the Company, to civil and/or criminal penalties. It is therefore essential that each employee understands the legal and regulatory requirements applicable to his or her department and area of responsibility, and when in doubt, knows the appropriate person to ask for guidance.

The integrity and legality of our records and public disclosures depends on the validity, accuracy and completeness of the information supporting our books of account. Therefore, our corporate and business records should be completed accurately and honestly. No employee may take or authorize any action that would cause our financial records or financial disclosures to fail to comply with generally accepted accounting principles, the rules and regulations of the SEC or other applicable laws, rules and regulations. Any employee who becomes aware of any departure from these standards has an obligation to report his or her knowledge promptly to a supervisor, an executive officer or a member of the Audit Committee of the Board of Directors.

Insider Trading

Obligations under the U.S. securities laws apply to everyone. In the normal course of business, officers, directors, employees, agents, contractors and consultants of the Company may come into possession of significant, sensitive information. This information is the property of the Company you have been entrusted with it. Employees and directors may not profit from it by buying or selling securities, or passing on the information to others to enable them to profit or for them to profit on the employees' behalf. The misuse of sensitive information is contrary to Company policy and U.S. securities laws and will be dealt with decisively.

Table of Contents

For more details, please review the Company's Insider Trading Policy, which can be obtained from the Company's Chief Financial Officer.

Conflicts of Interest

A conflict of interest arises when the private interest of an employee or director, or that of a family member or friend, interferes or appears to interfere with the interest of the Company. Such conflict may make it difficult for the employee or director to perform his or her work objectively and effectively. Thus, an employee or director should communicate any potential conflicts of interest to his or her supervisor, an executive officer or a member of the Board of Directors so that a determination can be made. An employee or director must not engage in an activity constituting a conflict of interest unless he or she fully discloses the conflict and obtains approval from his or her supervisor if he or she is not an executive officer or director, or from the Audit Committee of the Board of Directors (or another authorized committee thereof) if he or she is an executive officer or a director.

Loans to, or guarantees of obligations of, employees or their family members could constitute an improper personal benefit to the recipients of these loans or guarantees, depending on the facts and circumstances. Some loans are expressly prohibited by law and applicable law requires that our Board of Directors approve all loans and guarantees to employees at the Vice President level and above.

Corporate Opportunities

Employees and directors may not exploit for their own personal gain opportunities that are discovered through the use of Company property, information or position unless the opportunity is disclosed fully in writing to the Company's Board of Directors and the Board of Directors declines to pursue such opportunity.

Fair Dealing

Introgen has developed significant goodwill over the years, and this goodwill is one of our most important assets. Employees shall always endeavor to deal fairly with the Company's customers, suppliers, competitors and employees. No unfair advantage should be taken of anyone through manipulation, concealment, abuse of privileged information, misrepresentation of material facts or any other unfair practice.

Use of Company Assets

Protecting the Company's assets is a key fiduciary responsibility of every employee. All employees are responsible for the proper use of Company assets and must safeguard such assets against theft, carelessness and waste.

Confidential information is one of our most valuable assets. All confidential information must be used for Company business purposes only. Employees and directors who have received or have access to confidential information should take care to keep this information confidential. This obligation extends to confidential information of third parties that the Company has rightfully received under non-disclosure agreements.

Compliance Procedures

If you encounter a situation or are considering a course of action and its appropriateness is unclear, discuss the matter promptly with your supervisor. Even the appearance of impropriety can be damaging and should be avoided.

Employees are responsible for reporting suspected or actual violations of this Code to their supervisor, an executive officer or a member of the Board of Directors. Under no circumstances will the Company tolerate retaliation for reports made in good faith.

Waivers

Any waiver of a provision of this Code for an executive officer or director must be approved by the Board of Directors, or an authorized committee thereof, and all such waivers shall be disclosed promptly as required by law. Any waiver of a provision of this Code with respect to any other employee must be approved in writing by the Company's legal counsel and Chief Executive Officer.

Disciplinary Actions

The matters covered in this Code are of the utmost importance to the Company, its shareholders and its business partners, and are essential to the Company's ability to conduct its business in accordance with its stated values. Therefore, if an investigation indicates that a violation has, in fact, occurred, we will take such action as we believe appropriate under the circumstances. Disciplinary action may include immediate termination of employment and, in appropriate cases, civil action or referral for criminal prosecution.
