Corporation's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Corporation by any person; (h) causing a class of securities of the Corporation to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Corporation becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

(a) The following table sets forth the aggregate number and percentage of the Common Stock beneficially owned by each Reporting Person named in Item 2 of this statement. The beneficial ownership percentages of the Reporting Persons set forth in Amendment No. 1 of this statement, filed on February 7, 2008, did not take into consideration the exchangeable shares of Lulu Canadian Holding, Inc. a wholly-owned subsidiary of Lululemon Athletica, which are considered as outstanding common stock equivalents of the Issuer in calculating beneficial ownership percentages in accordance with Rule 13d-3. As a result, the percentages indicated in Amendment No. 1 overstated the beneficial ownership percentages of the Reporting Persons. The aggregate number and percentage of the Common Stock beneficially owned by each Reporting Person as of the date of this Amendment No. 2 are properly calculated in accordance with Rule 13d-3, giving effect to the total number of shares of the Issuer's Common Stock and common stock equivalents as of November 28, 2007, as reported on the Issuer's Form 10-Q filed on November 29, 2007.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Registration Rights Agreement

Pursuant to the Reorganization Agreement, the Issuer entered into an amended and restated registration rights agreement with the Advent Funds and certain other stockholders which acquired their shares prior to the IPO, providing for certain rights with respect to the registration of their shares of Common Stock under the Securities Act. The registration rights agreement provides that if the Issuer determines to register any securities under the Securities Act after the IPO, either for its own account or for the account of a security holder or holders, the holders of registration rights, including the Advent Funds, are entitled to written notice of the registration and are entitled to include their shares of Common Stock in such registration.

In addition, the Advent Funds and other holders of registration rights may demand the Issuer to use its best efforts to effect the registration of their shares of Common Stock on up to three occasions. All of these registration rights are subject to certain conditions and limitations, including the right of any underwriters involved in the applicable offerings to limit the number of shares included in an offering. In general, the Issuer is required to pay all registration expenses except any underwriting discounts and applicable selling commissions.

The Issuer is also obligated to indemnify the Advent Funds and the other holders of registration rights and any underwriter, and the Advent Funds and the other holders of registration rights are required to indemnify the Issuer, for certain liabilities in connection with offerings conducted under the amended and restated registration rights agreement.
