Report of Independent Registered Public Accounting Firm

The Benefits Committee
Jacuzzi Brands, Inc.

We have audited the accompanying statements of net assets available for benefits of Jacuzzi Brands, Inc. Retirement Savings & Investment Plan (the Plan) as of December 31, 2004 and 2003, and the related statement of changes in net assets available for benefits for the year ended December 31, 2004. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan s internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2004 and 2003, and the changes in its net assets available for benefits for the year ended December 31, 2004, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2004 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Jacuzzi Brands, Inc. Retirement Savings & Investment Plan

Notes to Financial Statements

1. Description of the Plan

The Jacuzzi Brands, Inc. Retirement Savings & Investment Plan (the Plan) is a defined contribution plan sponsored by Jacuzzi Brands, Inc. (the Company) established in order to encourage and assist employees of various Company wholly-owned subsidiaries in saving and investing payroll withholdings for purposes of receiving retirement benefits.

The following information is included as a general description of the Plan. For more detailed information, the Plan document is available at the Company's corporate office and at the personnel offices of the participating subsidiaries.

The Plan was amended on April 16, 2004, with an effective date of May 1, 2004, to change the definition of an Eligible Employee to those who are at least 21 years of age and who have been employed for 90 days from date of hire from the previous requirement which considered employees to be eligible when they worked at least 1,000 hours during a consecutive 12-month period. Participation in the Plan is available to all employees of the participating subsidiaries (other than those covered by a collective bargaining agreement, unless such agreement provides for participation).

On December 6, 2004 the Plan was amended to increase the maximum payroll deduction to 60% of the participant's compensation, not to exceed \$14,000 (subject to adjustment for inflation in accordance with Section 415(d) of the Internal Revenue Service Code), in 2005. This amendment to the Plan becomes effective January 1, 2005. Prior to this amendment, participants in the Plan were entitled to authorize a payroll deduction of 1% to 17% of wages in 1% increments for contribution into the Plan. The maximum pre-tax participant contribution allowed in 2004 and 2003 was \$13,000 and \$12,000, respectively. The Company matches 50% of the first 6% of pre-tax wages contributed by each participant. These matching contributions are invested directly in the Jacuzzi Brands, Inc. Company stock fund.

Participant contributions and earnings thereon are 100% vested immediately. A participant becomes 100% vested in Company contributions and earnings thereon three years from the date of hire of the participant or upon retirement, disability or death. Forfeiture of employer nonvested contributions reduce future employer contributions and/or payments for administrative expenses. During 2004 and 2003, such forfeitures were \$30,091 and \$38,176, respectively.

Participants are permitted to make hardship withdrawals if certain criteria are met. Generally, only one withdrawal is allowed in any 12-month period. As of January 1, 2005, in the event a participant makes a hardship withdrawal, the member shall be suspended from making Compensation Deferral Contributions for six (6) months following the withdrawal, which is a decrease from the prior restriction of twelve (12) months.

Participants are entitled to borrow against their account balance with a maximum repayment term of five years. The minimum amount a participant can borrow is \$1,000. Total loans to a participant cannot exceed the lesser of \$50,000 or 50% of the participant's vested account balance.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

The amount of any loan is withdrawn in a ratio that is proportionate to the participant's balance in each investment fund on the date of the borrowing. Loans bear interest at the Prime lending rate as of the end of the month prior to the date of the loan as published in *The Wall Street Journal*, plus 1%.

As loans are repaid, both the principal and interest are deposited into the participant's accounts based on their current investment fund elections. On September 1, 2004 the plan was amended to permit two loans during a 12-month period effective as of the date of the amendment.

All investments of the Plan are held by MFS Heritage Trust, which fulfills the custodial responsibilities for the investments. MFS Reliance Trust fulfills all trustee responsibilities. The recordkeeping functions are performed by MFS Retirement Services (MFS).

In 2004, the Plan was amended in addition to those amendments discussed above as follows:

To provide that as of January 1, 2005, the Plan will accept direct rollovers of any portion of an eligible rollover distribution that consists of after-tax employee contributions that would not otherwise be includible in the eligible employee's taxable gross income.

To provide that as of January 1, 2005, members of the Plan, who have at least three (3) years of service, may direct that their employer matching contributions account be invested in increments of 1% in either employer securities or in one or more investment funds as prescribed from time to time by the committee; and, additionally, may elect to invest such accounts through the self-directed option program.

To provide that on March 8, 2004, the account balances of the Jacuzzi Profit-Sharing Plan and Trust, which terminated January 1, 2003, were to be transferred to the Plan. On March 19, 2004, \$822,976 was transferred to the Plan.

To provide that as of January 1, 2004, the Plan will accept Catch-Up Contributions for those eligible employees who attained age 50 before the close of the Plan year.

The Plan provides for investment opportunities in various mutual funds. In addition, participants are eligible to direct their contributions to the Fixed Fund Institutional Series, the Jacuzzi Brands, Inc. Common stock fund, and to a self-directed investment option.

The self-directed investment option allows participants access to a wide variety of securities listed on the New York Stock Exchange, American Stock Exchange, The Nasdaq Stock Market, and most over-the-counter markets. It also provides participants with access to a select number of mutual funds.

For all mutual funds, refer to the specific fund's prospectus and annual report for a full description of each Fund's investment holdings and significant concentrations of credit risk.

1. Description of the Plan (continued)

The mutual fund prospectus and annual reports can be obtained by contacting the Jacuzzi Brands, Inc. Retirement Savings and Investment Plan Participant Service Center.

The Plan Sponsor has not expressed any intent to terminate the Plan, but is free to do so at any time. In the event of termination, affected participants automatically become fully vested to the extent of the balances in their individual accounts.

All trustee and recordkeeping expenses related to the administration of the Plan are paid by the Plan itself and are funded, to the extent available, from the application of forfeitures.

2. Significant Accounting Policies

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value which equals the quoted market price on the last business day of the Plan year. The shares of registered investment companies are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. The fair value of participation units in the common and collective trusts were based on the quoted redemption values for the underlying assets on the last business day of the year. The participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is possible that changes in risks could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

4. Non-Participant Directed Investments

The Plan provides for a participant directed program in that it allows participants to choose among various investment alternatives. The Jacuzzi Brands, Inc. Company stock fund is the only fund which also includes non-participant directed investments, which are directed by Jacuzzi Brands, Inc. as specified under the Plan.

Information about the net assets and the significant components of the changes in net assets as of and for the years ended December 31, 2004 and 2003, relating to the Jacuzzi Brands, Inc. Company stock fund in the Plan, which includes both participant directed and non-participant directed investments, is as follows:

5. Income Tax Status

The Plan has received a determination from the Internal Revenue Service (IRS) dated July 16, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan sponsor believes the Plan is being operated in compliance with the applicable requirements of the Code, and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

6. Subsequent Event

Subsequent to the Plan's 2004 year-end, the Company disposed of substantially all of the assets of Eljer Plumbingware. As a result of the disposition, Eljer Plumbingware participants will no longer be active participants of the Plan.
